

# Falling 114

## Chapter 114

Elaina didn't expect to see such an interesting scene when she was taking a call outside.

However, she remembered that the woman in front of her seemed to be Alisha's friend.

The woman suddenly came here with a basin of dirty water in her hand. Who was she going to harm?

Looking at the woman's frightened eyes, Elaina already had an answer in her heart. She walked over with a smile and stood in front of the woman. "Do you need me to help you call someone?"

"No... No need!" The woman shook her head, not daring to look directly into Elaina's eyes.

"Alright, do as you please." Elaina shrugged and walked into the toilet stall.

Seeing Elaina walk into the stall, Alisha's friend gritted her teeth in anger. She made up her mind and stood up with dirty water all over her body. She took another basin of dirty water.
