

# Falling 125

## Chapter 125

It was six o'clock, the time to get off work.

Elaina was packing up her things, ready to leave the hospital. To her surprise, Jalen called her.

"Mr. Halton, how may I help you?" she asked casually as she packed her things.

"How is Mr. Becker?" Jalen asked. His tone was indifferent, as if he was her boss, asking about her work progress.

Elaina said truthfully, "He is doing fine and should be out of the hospital in a few days."

It was the fact that Jalen was now a major shareholder of Northwestern Memorial

Hospital. It could be said that he was Elaina's boss. It was only right that she reported her work to him properly.

Jalen said "OK" and then fell silent, which made Elaina a little confused.

It was about time to go to dinner with Jaydon. So, she had no choice but to ask,
