Chapter 127

In the bathroom, Elaina stood in front of the mirror to freshen up.

Footsteps came from the door. She ignored them and just thought it was a girl who came to the bathroom.

But as the other person walked in, the tall figure appeared in Elaina's sight. She was freshening up, but then she froze.

Jalen!

"You..." Elaina looked at him and did not know what to say for a moment.

However, Jalen did not give her a chance to speak. He approached Elaina with a dark face. "The thing you said is to have dinner with Jaydon?"

His voice was indifferent and even a little cold.

Elaina couldn't help but shiver, but she quickly reacted, "Jalen, it's my business who I want to eat with. It has nothing to do with you."

She felt that Jalen was crazy!

This was a female bathroom. Wasn't he afraid of being seen if he came in like this?
