Chapter 128

“Jalen, can you be more rational?” Elaina pushed him away in anger, but there was still a trace of Jalen’s warmth on her lips, which made her confused.

Jalen looked down at her in silence.

After a while, a low voice sounded in Elaina’s ear. He said, “I also want to be more rational. I also know that I should not pester you. I, Jalen, should not be such a person.

“But...” He looked at Elaina and said emotionally, “I can’t control myself.

“As soon as I see you together with other men, I will be angry. I want to snatch you away!”

Jalen knew that he was strange.

But what could he do? He could not control himself.

He said a lot in one breath, and Elaina was stunned. Jalen in front of her was different from the man in her impression.

Elaina was annoyed and pushed him away. “I don’t want to hear you talk about this. I said I was not interested in you. Don’t waste your time on me.”
