Chapter 130

In fact, Elaina saw the message from Jalen, but she did not reply.

On one hand, she did not know what to reply to, and on the other hand, she did not want to talk to

him, let alone forgive him.

When she thought that Jalen lived opposite her and that she might bump into him when she pushed the door open, she felt uncomfortable.

Thinking of this, she immediately got up from the bed and walked to the wardrobe to pack her clothes. It seemed that she could not live in Kemp Apartment.

The next day, when Elaina came out of the room with her suitcase, she happened to see Jalen coming out from the opposite door. She could not help but complain in her heart that she was unlucky. She did not look at him and wanted to leave directly.

However, Jalen saw the suitcase in her hand immediately and his expression changed.

“Are you going on a long journey?”

Elaina did not answer. She had already walked to the elevator.
