## Chapter 133

After discussing cooperation with Saul, Elaina returned home. When she arrived, she saw that Jalen was moving things.

“Ms. Gainsford.” Graham saw her and quickly greeted her.

Elaina nodded, took out her key, and opened the door of her house. Graham said, “I’m sorry, Ms. Gainsford. I didn’t recognize you immediately before.”

He felt that he was responsible. After all, as Jalen’s assistant, he should have known everything about Jalen thoroughly. If so, he would not have made a fool of himself.

“What is there to apologize about? Jalen and I have been married for two years. He didn’t know me either. You are just his assistant. Isn’t it normal that you didn’t know me?”

Elaina felt that there was no need for Graham to apologize.

Graham hesitated for a moment, but he decided to explain for his boss, “Ms. Gainsford, in fact, Mr. Halton is a very good person. He was angry back then, so he was not willing to go to the Halton’s Residence to see you.”

After that, Jalen’s anger gradually dissipated, yet because Elaina was too low-profile,
