Chapter 136

Elaina was busy until eight o'clock in the evening before she came out of the hospital.

She dragged her tired body to Jenica. "Is there a good thing or a bad thing? You came to see me so late at night."

"What are you talking about? I just feel that we haven't eaten together for a long time, so I came to have a meal with you." Jenica was annoyed. Before she came, she did not know that Elaina would get off work so late.

Unfortunately, Elaina was indifferent when she heard this. She was not moved at all. "I had thought that after you had a man, you forgot that you had a friend like me."

Ever since she found out that Jenica had a man by her side, Elaina could understand why Jenica was so busy, so Elaina had not asked Jenica out recently to avoid making herself upset.

Jenica didn't answer. Elaina felt it was a little strange. "What's up? Did you two quarrel or break. up?"

"Break up? I have never been with him at all," Jenica smiled bitterly, and there was a bit of sadness in her words.

"It has been so long, and you two are not together yet? What are you doing?" Elaina was shocked.

"He doesn't want to be with me openly. What can I do?" Jenica had said everything she should say and had done what she should do, but he just said it was good to keep their current relationship.
