Chapter 138

After Elaina and Jenica had dinner, Elaina took a taxi home. At this moment, Elaina did not know that she was once again targeted by the Lory family.

Of course, she was not worried. After all, with her fighting skills, unless she met an expert like Jalen, no one was her match.

The next day, when Elaina arrived at the hospital, Jaydon entered her office unhappily.

“Ella, something happened in Boston. I have to go back.”

“Okay,” Elaina replied.

“You are willing to part with me?” Jaydon was hurt by her perfunctory attitude. He thought that they had some friendship..

Elaina looked up at him and said calmly, “It’s okay. Boston is not far away from here.

Why don’t you come back after you deal with the matter?”

“That’s true.” Jaydon felt that what she said made sense, and a smile immediately appeared on his face.
