## Chapter 139

Jalen said to her without looking up, "Maybe another day. I'm busy today."

"Alright then." Alisha said reluctantly, "Can we have lunch together? It's been a long time since we enjoyed a meal together."

Jalen raised his head and frowned at her. "Isn't the Lory Group going bankrupt? Why don't you go to solve the trouble Saul and Theodore brought your company? How can you be so idle?"

Jalen thought that Alisha came to ask for his help today. He had even thought of how to reject her, but Alisha had no such intention.

"My dad asked Marcus to help with the company business, so I'm put aside," she smiled, looking a bit sad.

Jalen understood what a man Alisha's father was, so he felt a bit sorry for Alisha. After all, she was a good friend he had known for years. Although Jalen didn't like the Lory family because of Marcus, he had no bad feelings for Alisha.

He put away the document and said to Alisha, "Let's go have lunch together."

"Okay," Alisha revealed a proud smile.
