Chapter 140

“Go!”

Seeing that Elaina was strong, Toby Egan didn't want to act alone. If possible, he didn't even want to expose himself. Then, the men attacked Elaina together.

Sensing she was disadvantaged, Elaina prepared to run, but the men didn't give her a chance. They surrounded her and stopped her from escaping.

She was knocked unconscious on the ground.

The moment she was about to faint, she saw their relieved expressions. Elaina thought that she was unlucky to run into powerful people.

Then, she lost consciousness.

Elaina was missing.

When Jalen received the news, he immediately left the meeting, leaving a group of executives confused.

Jalen soon checked the surveillance. Elaina could be clearly seen taken away by a few men. As for what they had said and where they had gone, no one knew about it.

“Continue to investigate,” Jalen ordered with a sullen face and left the monitoring room.

He took out his phone and dialed Alisha's number. “Where's Elaina?”
