Chapter 156

Jalen raised his injured arm and said to Elaina, "There are Grandpa's men in my place. Grandpa will be worried if he knows this. He is old, and I don't want to worry about him."

This explanation made Elaina feel guilty. "Well, you don't have to move out..."

"It doesn't matter. I can live in the Halton's Residence though it is a bit far from my company." Jalen smiled to relax Elaina.

Besides Nitzan, Jalen didn't go back to the Halton's Residence for another reason.

Jalen felt that someone tailed them back in the supermarket, but nothing happened in the end. Therefore, he was worried and decided to stay at Kemp Apartment for one night. If something happened, he could give Elaina instant help.

Of course, Jalen didn't tell Elaina his concern.

Elaina checked her watch and found that it was almost ten o'clock in the evening.
