### Chapter 158

Nothing happened that night. Jalen was obviously worrying too much.

The next morning, Elaina received a call from Sergio. She learned that those men who had knocked her out had all been captured. Sergio had already started to interrogate them and asked if she wanted to go.

Elaina agreed at once. After changing clothes, she prepared to go to the police station.

Jalen seemed to have sensed that she was going out. He opened the door at the same time as her.

“Good morning,” he greeted Elaina.

“Good morning,” she replied.

Closing the door, the two walked side by side to the elevator. Elaina then said, “Captain Russett said that those people have all been caught. I am going to the police station.”

“Okay, be careful on the way.” Jalen raised the corner of his mouth. He felt that he and Elaina were getting closer.
