

## Falling 162

### Chapter 162

Alisha and Jalen were in a restaurant on the second floor of the hotel.

Alisha poured wine for Jalen. Alisha said, "Come, have a drink with me. I don't know if we can still eat and drink like this in the future."

As Alisha spoke, she was particularly sad. Tears almost flowed out. Jalen could not bear to see this and did not refuse the wine glass Alisha handed over.

"Jalen, if I make a big mistake in the future, will you forgive me?" Alisha watched as Jalen finished the glass of wine, feeling uneasy.

Alisha knew Jalen. Because of this, Alisha knew how terrifying Jalen would be when he got angry.

But Alisha had no choice. At this point, Alisha could only take a risk. What if she succeeded?

Jalen looked at her with a serious face. "Allie, you have already made many mistakes. I hope that there won't be another one like you said."

"So, if there's a next time, you won't forgive me, right?" Alisha was filled with despair and a bit of hatred.
