Seeing that Jalen was angry, Saul did not dare to continue to provoke him. After all, he was not a match for Jalen.

But this did not mean that Saul would give up like this.

In a one-on-one fight, he was not a match for Jalen. However, the Judson family was not necessarily inferior to the Halton family.

“What are you doing here?” Jalen stared at the bouquet of red roses in Saul’s hand and felt particularly unpleasant.

Saul shrugged and looked toward the operating room. “Of course, I’m pursuing the woman of my dream. What else do you think?”

Jalen sneered in secret, the woman of his dream?

In just one night, Dr. Gainsford has become the woman of his dream?

“I warned you to stay away from her.” Jalen gritted his teeth. If there weren’t many people coming and going around, he would go up to beat up Saul.

Saul rolled his eyes at Jalen. “Mr. Halton, aren’t you being too nosy? Does Dr. Gainsford have anything to do with you?”

Marie stood to the side, listening to the conversation between the two men, and she was mad with jealousy.
