## Chapter 45

Elaina felt pain and regret at the same time. Just as she was thinking about whether she should endure the pain and go downstairs to buy medicine, footsteps came from the door again.

She looked up and saw Jalen appear in front of her again. Elaina said in surprise, "You didn't leave?"

"I only have painkillers here, but I don't have any medicine to treat stomach illnesses. You can take it first." With that, Jalen handed the painkiller in his hand to Elaina and carefully gave her a cup of water.

At that time, Elaina didn't care about being pretentious. She took them over and took the medicine immediately.

More than ten minutes later, Elaina felt much better. She sat up and said to Jalen, "Thank you."

Jalen looked at her with a gloomy expression. After a while, he said, "You know that have stomach problems, but you still don't eat regularly. Is it the way you torture yourself?"
