Chapter 55

Inside the Phantom, Jalen leaned against the seat of the car. His eyes were narrowed. It could be seen that Jalen was in a very bad mood.

Quincy, who was at the side, looked at Jalen a few times and said, "I didn't expect that Elaina would be so attractive."

Quincy thought, both Jalen and Saul have a fancy for her. It seemed Elaina had some good tricks.

Hearing this, Jalen slowly opened his eyes. His black eyes were so dark that no one could see his emotions. Jalen said, "That was because Elaina was stupid. I told her clearly that Saul was up to no good. However, Elaina still wanted to get in touch with him."

"How do you know that she is stupid? What if she likes Saul?" Quincy asked. This made Jalen even angrier.

Jalen thought, Elaina had just said that she didn't like Saul, but now she was so close to Saul. Could it be that Elaina liked Saul?
