Elaina looked up at him and said word by word, "I don't like people with the surname Halton, especially Jalen Halton!"

Jalen grabbed her lower jaw with his big hand. "Say it again!"

"I said, I don't like..."

"Oh..."

Before Elaina could finish her words, Jalen's lips were pressed to hers, and she felt a burning sensation. She couldn't think anymore.

She stared at the man in front of her with wide eyes, and for a moment, she forgot to push him away.

Elaina, who came back to her senses, slapped Jalen's face angrily. She was furious. "Jalen! You bastard!" face and snarled, "You to hit me."
