Chapter 65

It proved that her worries were unnecessary.

After the three strong men pulled her into the car, they no longer paid any attention to Jenica. Instead, they got into the car and left.

Things happened too quickly. Jenica only came back to her senses after the car disappeared. She took out her phone in a panic and called the police.

But...

Even though she had already called the police, she still felt very uneasy.

“No, we can’t let anything happen to Ella!” With this thought in mind, she dialed the phone number that was saved yesterday.

Another black car was parked in the corner which she did not notice. The person inside the car looked at Jenica with a telescope.

“Why is there only one? Didn’t they say that both of them are coming this way?” the man said.

“Mr. Lory wants the one called Elaina Gainsford. If we lose her, we will suffer.”

The car quickly disappeared. It seemed that they were looking for Elaina.
