

## Falling 83

Chapter 83

At night, in a food stall.

Saul held a glass of wine in his hand as he recalled the scene of Elaina pointing at Jalen and scolding Jalen at the apartment entrance.

What was more important was Elaina's last sentence.

Saul thought, what does it mean that she is his ex-wife?

Saul knew that Jalen had married and divorced, but Saul never thought that his ex-wife would be Elaina.

He was very confused. Jalen was obviously interested in Elaina. Since that was the case, why did he want to divorce her?

With this in mind, Saul looked at Elaina, who was sitting opposite him. Seeing that she was still angry, Saul smiled and said, "Are you still angry?"

"No. Why should I be angry? I just think that Jalen is a crazy person." Then she thought to herself, how dare he say that I'm interested in him? Such a narcissist.

"I agree with you."

Saul smiled and added, "But I'm still a bit confused. Are you really Jalen's ex-wife?"

Elaina nodded. She admitted directly.
