## Chapter 87

Jalen did not wait for Elaina to finish the surgery at the hospital, but he decided to come again tomorrow. Anyway, Nitzan's birthday was the day after tomorrow. Jalen thought that it was not late to invite Elaina tomorrow.

When Jalen just got into the car and was about to go to the office, Alisha called him. "Jalen, are you free in the afternoon? Go shopping with me, okay? I haven't been back for two years. New York has changed a lot."

"Sorry, I have a lot of work to do in the afternoon," Jalen refused. If it weren't for the incident with Elaina, he would have agreed.

Over the phone, Jalen seemed to have seen the grievance on Alisha's face.

For a moment, Jalen hesitated.
