## Chapter 94

Jalen didn't know whether he was lucky or not. When he hesitated to invite Elaina, he didn't meet her.

Jalen felt an indescribable sense of loss and stepped into the elevator.

"Wait a minute." A hand reached out to block the elevator door halfway through.

"Elaina..."

Jalen just shouted one word when he saw the person who had come. It was not Elaina, but a lady dressed formally.

"Mr. Halton, you live here too?" The woman knew Jalen, which was why she was so surprised at this moment.

After all, in her mind, Jalen couldn't live in an apartment like Kemp Apartment.

Jalen did not have much of an impression of the woman. He said, "Yes, you are?"

"I work for DR brand. Previously, you brought Ms. Dunston to our store to customize a dress," the woman replied.

Jalen had no impression of this, but he still nodded and did not speak again.
