

Chapter 1041: When is the Time

Xiao Lingyun gave Xiao Lingyu a thumbs up and praised, "President Xiao, you're really smart! Hehe, even if we close all the stores in the country, our products are still sold out. Although the cost has increased, the profit has doubled!"

Xiao Lingyu said humbly, "Alright, we'll keep it to ourselves. Manager Xiao, did you come in to tell me about this?"

Xiao Lingyun nodded and shook her head.

"..." Xiao Lingyu immediately said seriously, "Manager Xiao, what do you want to report about?"

Xiao Lingyun thought for a moment and asked, "Yu 'Er, the news about you on the internet has been increasing. If this continues, our company might really close down."

She paused for a moment and observed Xiao Lingyu's expression before continuing, "Xinxin told me that you told the public relations department to leave this matter alone. Naturally, someone will take over. That person is brother-in-law. However, it has been so long. Why hasn't brother-in-law made a move yet?"

"If this continues, your reputation will be completely ruined. Not only are the people in the company worried, but our family members are also very worried."

Ever since the incident, although the family members did not ask Xiao Lingyu about it, Xiao Lingyu could obviously feel the concern in their expressions and eyes.

After all, because of the rumors on the internet targeting her, some impulsive people had barged into Taoyuan village to cause trouble. It was definitely very worrying.

Xiao Lingyu could only comfort her family members and say that it was fine and that she would handle it.

However, if it were just the Royal Forest Group, she would definitely deal with it quickly and easily. However, the problem was that it involved a large family in the capital. This was not something that she could handle.

After Xiao Lingyu heard this, she sighed and said, "I know about this. You don't have to worry. Tianhao will definitely take care of it. It's just that it's not the right time yet!"

"Then when is the right time? Are you really going to wait until your reputation is ruined?" Xiao Lingyun said with a serious expression, "Is it really like what some people on the Internet said, that Gong Tianhao is waiting for a chance, a chance to abandon his wife and child? Does he really want to get back together with his so-called first love?"

These questions had always been Xiao Lingyun's concern and also the concern of the Xiao family.

Elder Gong had spoken, and Gong Tianhao would definitely not do such a thing. If he really did such a beast-like thing, he would definitely personally break his legs and chase him out. He would only acknowledge Xiao Lingyu as his granddaughter-in-law.

However, after such a long time, Gong Tianhao's indifference made the Xiao family really worried. However, these worries could only be expressed in places that Xiao Lingyu could not see.

Xiao Lingyu heard Xiao Lingyun's question and said with a helpless smile, "Yun 'Er, you're thinking too much. Things aren't what you think. Weng Jingjing isn't Tianhao's first love either. It's just that now isn't the right time yet."

However, this time, Xiao Lingyun did not give up and asked, "Not the right time? Then when is the right time? You have to give us a clear answer, right? Otherwise, we'll all be worried."

Xiao Lingyu smiled helplessly and said, "Alright, I will ask Tianhao tonight!"

...

Hearing Weng Jingjing's sudden question, Leng Piao xue was stunned. Then, she shook her head and said, "I don't know!"

"I don't know either!" Weng Jingjing said strangely, "Why would they suddenly call us and ask us to stop the plan? They were the ones who proposed the plan in the beginning. What happened?"

At this moment, Leng Piao xue also felt strange. She asked in confusion, "That's right. Why did Royal Forest Group suddenly stop the plan? Did something really happen?"

Weng Jingjing said hesitantly, "Piao xue, why don't we ask?"

She always felt that things were not that simple. She felt that it was better to ask more clearly and feel more at ease.

At this moment, Leng Piao xue also felt that something was not right. She thought for a moment and said, "Alright, I'll make a call and ask."

Following that, she made a call. After the call was connected, she asked directly, "Why did you want us to stop the plan?"

However, she did not know what the other party answered. Leng Piao xue's expression immediately turned ugly. She asked angrily, "You don't know? If you don't know, then why do you want us to stop the plan? You're playing me like a monkey, aren't you?"

"Alright, since you don't know, then let your superiors give me a call to explain this matter. If you don't explain clearly, I'll tell you, don't even think about making me stop the plan!"

After saying this, without waiting for the other party's reaction, she hung up the phone.

However, the anger on Leng Piao xue's face still hadn't subsided!

She said angrily, "They really treat us like puppets. When we want, they pick us up with strings."

Seeing that Leng Piao xue was so angry, Weng Jingjing comforted her, "Piao xue, calm down. Don't be angry! This is not good for your health! I think there must be a reason why they want us to stop the plan.

"Now, we just need to wait for them to give us an explanation. Why are you so angry? To put it bluntly, we don't have a cooperative relationship with the Royal Forest group. In fact, our relationship is just a relationship where we use each other. This isn't something that they can stop just because they say so. We're not that easy to use either."

Leng Piao xue nodded and said, "That's right!"

Chapter 1042: Changing Plan

After listening to the report from his subordinate, Macon knew that the two people they had found were not willing to stop the plan. He was furious as he stomped his feet and cursed loudly, "These two bitches actually dared to reject our request!"

Following that, he spat out a series of unpleasant words.

The subordinate who reported to him lowered his head and remained silent.

After an unknown period of time, when he saw that Macon's scolding had already stopped, he said, "Mr. Macon, Leng Piao xue said that if she wants them to stop the plan, she needs you to personally contact them."

When Macon heard this, his sharp eyes immediately glared at his subordinate with an incredulous expression on his face. He said, "What did she say? She wants me to personally explain to them?" When he said this, he laughed coldly, "Who do they think they are? Didn't they think about how we gave them a lot of benefits when we found them back then? Rather than calling them partners, it would be better to say that they are just tools that I use. It's just that these tools seem to want to escape from my control."

When his subordinate heard this, he frowned slightly and reminded, "But Mr. Macon, Leng Piao xue's identity in China is not simple. She is the daughter of a large family in China.

"Back then, the reason why we found her and cooperated with her was that she had a grudge against Xiao Lingyu. Now, the rumors about Xiao Lingyu in China are almost overwhelming, and Xiao Lingyu's reputation is almost ruined. If you ask her to give up now, this... This is impossible!"

Hearing his subordinate's reminder, Mr. Macon immediately fell silent.

He was the one who had not thought things through.

Back then, he only wanted to get rid of Xiao Lingyu and the green fresh group. However, he did not expect Xiao Lingyu, this capable person, would pull him into the trap that he had set up for her.

The woman he found to set up Xiao Lingyu was not a simple person either. It seemed impossible for her to stop the plan and withdraw from it.

He was now in a dilemma.

His subordinate saw that Macon seemed to be in deep thought, so he stood aside quietly and waited for Macon's order.

In fact, even he did not understand. This plan was clearly good and there were no mistakes. Why would Macon stop it just like that?

The problem was that the partner they were looking for was a woman with a certain amount of power in China. This woman hated Xiao Lingyu to the bone. Seeing that Xiao Lingyu was about to be ruined, how could she be willing to let Xiao Lingyu go? It was obvious that she would not be willing to stop the plan.

Macon seemed to be very anxious.

Macon thought for a moment and said, "Call Leng Piao xue right now!"

This time, Leng Piao xue had to stop the plan. Otherwise, if this continued, the losses of the Royal Forest group would be disastrous. A few billion was still a small amount, but it was more likely that they would lose tens of billions.

His subordinate immediately took out his phone and dialed Leng Piao xue's number. However, the moment the call was connected, the other party hung up.

His subordinate and Macon were speechless. This woman was too arrogant!

Macon ordered with a face full of black lines, "Continue to call until she answers the call!"

His subordinate could only continue to call. However, the moment the phone rang, the other party hung up.

After calling more than ten times, the other party simply turned off the phone.

The subordinate and Macon, "..."

Macon's face was ashen. Leng Piao xue was really too detestable. She did not put him and the Royal Forest group in her eyes at all.

Seeing that Leng Piao xue could not be contacted, Macon asked again, "According to the information we investigated back then, didn't it say that Linda and Leng Piao xue are good friends? I reckon that they are together now. You can directly call Weng Jingjing!"

The subordinate listened to the order and called Weng Jingjing.

After the phone rang a few times, a woman's voice sounded, "Hello, who is this?"

The subordinate immediately said, "Miss Linda, we are..."

After saying a few words to Weng Jingjing, the subordinate gave the phone to Macon.

Macon took the phone and said arrogantly, "Miss Linda, I am Macon. I want you to stop your plan against Xiao Lingyu immediately!"

Hearing the other party's commanding tone, Weng Jingjing frowned and said, "I'm sorry, Mr. Macon. The plan has reached the final stage. If you can't give us a proper reason, we can't stop this plan!"

Chapter 1043: Changing Plan

After being rejected by Weng Jingjing, Macon frowned as if he was very dissatisfied.

However, he still said unyieldingly, "Miss Linda, please make it clear. When we asked you to deal with Xiao Lingyu, we gave you benefits. You only agreed to it after receiving huge benefits.

"To put it bluntly, in this matter, the initiative is completely in my hands. I don't want to target Xiao Lingyu now. If I want to stop this plan, what right do you have to refuse?"

Macon was right. When they sent people to find Weng Jingjing and wanted to cooperate with her to deal with Xiao Lingyu, they gave them some benefits.

Weng Jingjing had taken the benefits but turned around and refused to acknowledge them. This matter was probably not justifiable.

Weng Jingjing furrowed her brows. Her expression was very displeased, but she said, "I'm sorry, Mr. Macon, I'm afraid you don't understand the development trend of this plan. It is no longer something that can be stopped just because you say so. If Mr. Macon is still brooding over the benefits that you gave me back then, I can immediately return the things that you gave me to you."

"..." Macon was so angry that smoke was coming out of his eyes, "You... You Woman, why are you so ungrateful? Do you still want to go back to the workplace? Do you think that I can't destroy your reputation in the workplace with just a word?"

Since this Linda was stubborn, then he didn't need to show any mercy.

Leng Piao xue had power and influence in China, so he couldn't do anything about it. But for a woman like Weng Jingjing, he could easily pinch her.

However, Macon didn't know that Leng Piao xue was standing next to Weng Jingjing.

She took the phone and sneered at the phone, "Mr. Macon, you can try! Let me tell you, Linda is my good friend, and her business is my business. Don't even think about threatening her!"

"..." veins popped on Macon's face. He held back his anger and said, "Miss Leng, that's not what I meant! I just think it's inappropriate to deal with Xiao Lingyu like this. We should think about it."

Leng Piao xue said mockingly, "Haha, Mr. Macon, I don't think there's anything wrong with this. However, if you give me a reason, maybe I can consider it."

Macon was silent for a moment before he said, "Miss Leng, let me tell you the truth. Our goals are the same. We both want to get Xiao Lingyu away from Gong Tianhao and get rid of the green fresh group."

Before Macon could finish, Leng Piao xue said, "Mr. Macon, I'm afraid you don't know. Xiao Lingyu's reputation has plummeted, and she is on the verge of being disgraced. Her company has no choice but

to close down all her shops and farms. It is believed that the greenish group would declare bankruptcy soon.

“Then, she, Xiao Lingyu, will be waiting to be abandoned by Gong Tianhao. Wasn’t all of this part of our plan? Why do we have to suddenly stop our plan now?”

Macon knew that he had to tell the truth. He took a deep breath and said, “Miss Leng, I thought so at the beginning. But now, you probably don’t know. Xiao Lingyu closed all the farms and shops in the country, but she only closed the ones in China!”

Leng Piao xue frowned slightly and asked with some confusion, “What do you mean?”

“My meaning is very simple!” Macon said, “Xiao Lingyu only closed the shops in your country, but don’t you know that she has branches almost all over the world now? The foreign branches were not closed at all. At first, I thought that the backlog of products would cause a huge loss to the green fresh group. But Xiao Lingyu turned around and shipped all the goods sold in your country to the foreign branches.”

Hearing this, Leng Piao xue seemed to understand a little. She frowned and said, “You said that Xiao Lingyu shipped the goods that were originally sold in China to the foreign branches? Her foreign branches did not close down and were not affected at all. They continued to operate.”

Macon nodded, “That’s right! As soon as her overseas branch increased its supply, she immediately fought with My group to seize the market. In the past, she only fought with our high-end market. Since last week, she has already entered the middle-end market and fought with our Royal Forest group to seize the middle-end market, causing a huge loss to our Royal Forest Group!”

Speaking up to this point, he paused and thought for a moment before continuing, “Miss Leng, I’m afraid you don’t know that the price of the green fresh group’s products far exceeds the price of ordinary people abroad. The profit from sales here is also far greater than the profit from sales in China. In other words, she closed the shops in China and gained even more profits!

“At this rate, not only will the green fresh group not go bankrupt, but it will also prosper,” Macon said seriously, “If her domestic influence is not that great, she might just cut off her Chinese companies and send the company overseas. Miss Leng, do you think we saw the end of Xiao Lingyu and the green fresh group? That’s why I’m informing you that we want to stop the plan immediately.”

After listening to Macon’s explanation, Leng Piao xue and Weng Jingjing immediately fell silent.

This was indeed not good news for them.

They had seen that Xiao Lingyu’s reputation had suffered a loss, and the green fresh group had also been greatly affected. They had no choice but to close all the farms and shops in the country.

However, they had never expected that the green fresh group’s influence abroad was very great. However, abroad, they were not affected by these scandals at all.

According to what Macon meant, the market for the green fresh group’s products was very good. Their sales were booming, and their prices far exceeded the domestic price. Naturally, their profits far exceeded the domestic business.

In that case, it was impossible for the green fresh group to go bankrupt.

Leng Piauxue thought for a moment and said, "Mr. Macon, I think we need to consider whether this plan should continue."

After hearing Leng Piauxue's words, Macon heaved a sigh of relief and said, "Then I'll have to trouble Miss Leng to give me an answer as soon as possible! After all, My Royal Forest group will suffer a huge loss if we delay it for a day."

"Okay, I got it." Leng Piauxue hung up the phone.

After Leng Piauxue hung up the phone, Weng Jingjing's face revealed a look of disbelief. She asked, "How could this be? Xiao Lingyu is too cunning!"

These few days, when they saw the closure of the Green Fresh group, they thought it was because they couldn't stand the violence on the internet. They didn't expect that they would find a way out.

"No wonder she seemed unusually calm!" Weng Jingjing was suddenly unconvinced.

She thought that Gong Tianhao married Xiao Lingyu because she had a son and good looks. As for intelligence, Xiao Lingyu definitely couldn't compare to her. But Xiao Lingyu was very clever too.

After hearing this news, Leng Piauxue became even angrier. She said angrily, "Xiao Lingyu, this sly fox. It seems that we have underestimated her."

Weng Jingjing thought for a moment and said, "Piauxue, do you think this was Gong Tianhao's idea?"

She didn't want to credit this intelligence to Xiao Lingyu.

Leng Piauxue's eyes lit up, and she nodded, "Yes, it must be Gong Tianhao's idea. Gong Tianhao is a natural business genius. This little idea is not worth mentioning to him."

Weng Jingjing was immediately comforted. Then, she asked, "Piauxue, what should we do now?"

Chapter 1044: Invite Gong Tianhao out

With Leng Piauxue's hatred towards Xiao Lingyu, the more miserable Xiao Lingyu's life was, the happier she would be.

Xiao Lingyu was currently at the cusp of the internet storm. She was being blamed by thousands of people, scolded by tens of thousands of people, and her reputation as a mistress had already caused her to lose her reputation. They should have been very happy.

However, when they received news from Macon, both Leng Piauxue and Weng Jingjing could not be happy.

That's right, Xiao Lingyu's reputation in China was greatly affected. However, it was not affected at all when she was abroad. Even her business abroad was not affected at all.

If she could not stay in the country, with her current ability, she could hide abroad. It would be the same if she returned after the rumors about her in the country gradually subsided.

When she thought of this, Leng Piauxue felt a little frustrated.

She did not want Xiao Lingyu to have a good life.

However, with her current power and ability, she could only mess with Xiao Lingyu in the country. After leaving the country, she had no way to deal with Xiao Lingyu.

It was because Xiao Lingyu married Gong Tianhao and relied on Gong Tianhao that it was easy for her to do anything.

On the other hand, as the daughter of the Leng family, she felt aggrieved that she had to be so timid when she wanted to mess with someone.

Leng Piaoxue thought for a moment and said, "Jingjing, why don't you ask Gong Tianhao out sometime?"

As long as Weng Jingjing asked Gong Tianhao out, took a photo, and posted it on the media, it would be confirmed that Gong Tianhao wanted to get back together with his first love. As long as Xiao Lingyu found out that they were dating, it would definitely be a huge blow.

Hearing Leng Piaoxue's suggestion, Weng Jingjing was stunned for a moment. She widened her eyes and asked, "Should I ask Gong Tianhao out?"

Leng Piaoxue said, "Yes, you need to ask Gong Tianhao out, no matter what method! Now, we have to confirm the news that you and Gong Tianhao are getting back together. After Xiao Lingyu finds out about this, she will definitely be devastated. Her relationship with Gong Tianhao will definitely be on the verge of collapse."

Hearing Leng Piaoxue's words, Weng Jingjing's heart was also moved.

However, she did not have the confidence to ask Gong Tianhao out.

If she could ask Gong Tianhao out, she would have asked Gong Tianhao out long ago. There was no need to create the illusion that Gong Tianhao and Weng Jingjing were back together.

It was difficult for her to even ask Li Yuanhang out.

Leng Piaoxue looked at Weng Jingjing's expression and revealed a suspicious expression. She asked strangely, "Jingjing, you aren't going to tell me that you can't ask Gong Tianhao out right now, are you?"

For everyone, first love was the most beautiful thing.

One had to know that Gong Tianhao was the first to pursue Weng Jingjing. It was clear that Gong Tianhao really liked Weng Jingjing at that time.

However, he hid his identity as the crown prince. This made Weng Jingjing unknowingly choose to study abroad with another male classmate, betraying their relationship.

Even so, Leng Piaoxue believed that even the cold-hearted Gong Tianhao would not be able to forget the taste of his first love.

Regarding the return of his first love and the invitation of his first love, not many people would be willing to reject it.

Gong Tianhao would definitely not be an exception.

Weng Jingjing did not want Leng Piao xue to look down on her. She braced herself and said with a smile, "I'll give it a try. After all, Gong Tianhao is a married man, and he's a big shot. His every move is watched by others. He must be careful where he goes and what he does."

Leng Piao xue did not suspect anything and nodded in agreement, "That's true!"

Then, she emphasized, "But, Jingjing, I still hope that you can invite Gong Tianhao out as soon as possible. Macon said that if we delay here for a day, their Royal group's business would lose a large sum of money while the green fresh group's business would earn a lot. I don't want Xiao Lingyu to be so happy and carefree.

"We must give her a fatal blow now so that she won't be able to recover. That way, we can see her miserable end."

Leng Piao xue only wanted Xiao Lingyu to lose her reputation and live a miserable life that was worse than death.

Weng Jingjing braced herself and said, "Okay, I'll do it as soon as possible. Piao xue, wait for my news! I still have something to do, so I'll leave first!"

Chapter 1045: Invite Gong Tianhao Out

Looking at the back of Weng Jingjing, who was holding her bag in a hurry, Leng Piao xue held a glass of red wine, and a sarcastic smile appeared on the corner of her mouth.

With her background, how could she let a woman with a mismatched status treat her as her best friend?

Weng Jingjing was only a tool.

Weng Jingjing, who had also walked out of Leng Piao xue's villa, had a glint in her eyes.

It was no longer important whether Leng Piao xue treated her as a friend or best friend. What was important was that she could make good use of the power behind Leng Piao xue and let her step into the upper-class circle to achieve her goals.

Just like that, two women with ulterior motives each had their own goals and became best friends.

After Weng Jingjing returned to her apartment, she poured herself a glass of red wine and sat on the leather sofa, thinking about the possibility of asking Gong Tianhao out.

She was Gong Tianhao's first love, and she had always believed that Gong Tianhao still had feelings for her.

However, Gong Tianhao was now married, and he was a celebrity. His every move was watched by others. Naturally, he had to be careful and think twice before doing anything.

This was how Weng Jingjing consoled herself.

Thinking of this, Weng Jingjing took out her phone. Through some means, she obtained Gong Tianhao's number.

She had never called or sent a message to this number. One reason was that she was afraid that Gong Tianhao would blacklist her after he found out that she was the one who sent the message and made the call. Another reason was that she did not dare to act rashly before she was certain that Gong Tianhao still had feelings for her.

She had always done things with a purpose and means.

She thought for a moment and edited a message on her phone.

Tianhao, I am Jingjing! I want to meet you. Can I make an appointment with you?

It was straightforward and bold!

However, she deleted this message several times. After that, she stared at her phone without moving her eyes as if she was deep in thought.

She wanted to send this message directly to Gong Tianhao, but she felt that it was inappropriate.

At this moment, she suddenly felt that it was extremely difficult to ask Gong Tianhao out.

She remembered that in the past, Gong Tianhao would appear in front of her as soon as she said a word. No matter what kind of request she had, Gong Tianhao would immediately satisfy her. He doted on her like a princess, allowing her to act coquettishly and let her be willful. If someone bullied her, he would immediately protect her.

Now that she thought about it, the way Gong Tianhao's treated her at that time was perfect. If it weren't for the fact that Gong Tianhao didn't have money, then he would be the perfect man in the eyes of any woman.

But she wasn't willing to accept it.

Why didn't he have money or power? A man without money or power, even if he was successful, who knew how many years later he would take? If she married him, then she had to work hard with him.

But Weng Jingjing wasn't bad-looking. Those rich young masters who were pursuing her were a lot.

Then why did she have to lower herself to be with Gong Tianhao?

Weng Jingjing never felt that giving up on Gong Tianhao, who didn't have money, was wrong.

She felt that it was Gong Tianhao who was at fault. If Gong Tianhao had not deliberately concealed his identity, she would not have made such a wrong choice. It was Gong Tianhao who had lied to her first.

Therefore, after knowing Gong Tianhao's identity, she found an excuse to justify her betrayal.

However, this excuse could fool her for a year or two, but it could not fool her for five years, ten years, or even a lifetime.

Especially when some of her classmates, friends, and various media channels found out about Gong Tianhao's news, they felt even more regretful and unwilling.

At that time, she wanted to go back and look for Gong Tianhao, but she could not let go of her face.

Later on, she wanted to develop well abroad and be a woman worthy of Gong Tianhao, so she worked very hard. But, her personality was strong. In order to achieve her goals, she would do anything. Sometimes, for the sake of performance, she would even agree to the unreasonable request of having sex with a client. Weng Jingjing gradually became famous in the workplace. As she wished, she became an executive of a well-known global company.

She thought that she should be able to work side by side with Gong Tianhao. She was completely worthy of being the wife of the President of the Imperial Group.

Who would have thought that one day, Leng Piaoxue would tell him that Gong Tianhao had married a wife? Not only that, he even had a son. At that time, she really felt that the world had been turned upside down, and she had suffered a heavy blow.

Chapter 1046: Invite Gong Tianhao Out

She hadn't even married yet, so how could Gong Tianhao marry another woman?

Didn't he know how much effort she had put in to deserve the title of the wife of the CEO of the Imperial Palace Group?

How could he betray her and marry another woman directly and let that woman give birth to their son?

No matter how Weng Jingjing screamed at the top of her lungs, she was the only one who could hear her anger and unwillingness. Gong Tianhao, who was far away, would never know.

Later on, Leng Piaoxue found Weng Jingjing and asked someone to pretend to be her to sow discord between Gong Tianhao and Xiao Lingyu. She only hesitated for a moment before agreeing. However, the woman who pretended to be her was really stupid. She was exposed as soon as she was revealed. Otherwise, she might have already become Mrs. Gong today.

Weng Jingjing stared at her phone with hesitation.

In the end, she gritted her teeth and sent the message to Gong Tianhao.

After sending the message, she felt relieved. She prayed that Gong Tianhao would agree to her invitation after he saw her message!

On the other side, Gong Tianhao, who was working, heard the sound of a message on his phone. He thought it was from his wife, Xiao Lingyu. However, when he opened his phone, he saw that it was an unknown number.

When he saw that it was an unfamiliar number, he immediately lost the desire to continue reading. Then, he lowered his head and continued reading the document.

However, after an unknown amount of time, the phone rang again.

Gong Tianhao had a good memory. With one look, he could tell that it was the unknown number that had sent the message. This time, it was a little strange.

He thought for a moment and pressed the answer button. "Hello, who is it?"

The other party didn't seem to expect him to answer the call. She was stunned for a moment before she suppressed her excitement and said in a calm tone, "Tianhao, it's me, Weng Jingjing!"

Upon hearing Weng Jingjing's voice, Gong Tianhao wanted to hang up immediately, but a cold smile and scheming expression appeared on his face. He asked coldly, "Oh, so it's Miss Weng. May I know why you are looking for me?"

Hearing the other party's cold tone, Weng Jingjing's expression immediately revealed a pained expression. She said, "Tianhao, don't be like this. You talking to me like this really makes my heart ache!" Her voice was a little choked up, and she pretended to be strong.

If a man were very good at taking care of women, his heart would definitely ache immediately.

Unfortunately, Gong Tianhao was not a man who was very good at taking care of women.

Listening to Weng Jingjing's tone that sounded like she was wronged and complaining, his expression seemed to be very impatient. His voice was still cold as he said, "Miss Weng, please don't talk to me like this. After all, I am a married man."

Weng Jingjing's heart skipped a beat.

Weng Jingjing said with a sobbing tone, "Tianhao, I really miss you. I've missed you for ten years. I miss you so much, and I really want to see you. Tianhao, can you come out and meet me? I was wrong in the past. I really know I was wrong. Can you forgive me?"

Gong Tianhao was tired of hearing her voice, especially now that she still had the face to confess to him. He wanted to hang up on her immediately.

However, he understood Weng Jingjing very well. She had her own purpose in everything she did.

Obviously, this phone call had a purpose, and this purpose was probably to meet him.

Gong Tianhao thought for a moment and said, "Okay, tell me the location and time!"

Chapter 1047: Substitute Date

Li Yuanhang was dumbfounded when he heard Gong Tianhao's order.

He widened his eyes and asked in disbelief, "Tianhao, what did you say? You said that you want me to go on a date with Weng Jingjing in your place?"

Gong Tianhao nodded and said, "Yes, is there a problem?"

"Is there no problem?" Li Yuanhang said anxiously, "Didn't you make an appointment with Weng Jingjing? Why do you want me to go on a date in your place?"

Gong Tianhao crossed his arms and said casually, "But I'm already married. A married man must refuse to date a woman!"

Li Yuanhang said angrily, "Since you know that a married man must refuse to date a woman, why did you agree to go on a date with Weng Jingjing? If you agree, then so be it. Why did you want me to go on a date with her instead? Don't you know that I am afraid of meeting a woman like Weng Jingjing?"

Li Yuanhang was about to be angered by Gong Tianhao.

He was the one who agreed to the date, but in the end, he had to go.

When going on a date with a woman like Weng Jingjing, he had to be on high alert. Otherwise, he wouldn't know when she had set him up.

Therefore, he hated dealing with women like Weng Jingjing the most.

Li Yuanhang immediately reacted and asked, "By the way, Tianhao, why did you agree to go on a date with Weng Jingjing? If your wife knew about this, she would definitely be unhappy. After all, Weng Jingjing is your first love. If you go on a date with your first love alone, what will other people think?"

Gong Tianhao glanced at him and stared at him as if he was looking at an idiot. Then, he said calmly, "I asked you to go on my behalf so that Yu 'Er wouldn't misunderstand!"

Li Yuanhang, who was being looked at as an idiot, "..."

Gong Tianhao said seriously, "Now we all know that Weng Jingjing and Leng Piaoxue are together. The two of them are in cahoots and together they are harming my wife. Weng Jingjing, we both know that everything she does has a purpose, including calling me and suddenly asking for a date."

Li Yuanhang furrowed his brows and said, "Isn't that simple? She wants to rekindle her old relationship with you and get back together with you. She wants to meet you and go on a date alone. Is there anything wrong with that?"

The corners of Gong Tianhao's mouth rose as he said sarcastically, "Haha, I think it's been a while since she returned to the country. She even came to my imperial group. She must have gotten my phone number a long time ago. But why didn't she call me before and ask to meet me alone? Why did she call me now and ask to meet me?"

Li Yuanhang immediately reacted and asked, "So, you mean that Weng Jingjing's invitation is a trap for you."

Gong Tianhao nodded and said, "That's right! I am no fortune-teller, but the news about me dating her alone and the suspected rekindling of old feelings will be everywhere tomorrow."

"It's really possible!" Li Yuanhang thought for a while and said, "Especially now that your wife is still in the limelight. Once the news of the two of you dating each other came out, it immediately confirmed that the two of you had rekindled your old relationship. After that, everyone will be waiting for a good show to see when Xiao Lingyu will be abandoned by you."

Gong Tianhao rolled his eyes at him and said firmly, "Don't talk nonsense. I won't abandon my wife and Son!"

His wife was so smart, beautiful, and capable, and his son was so smart. Those who abandoned them were fools.

Therefore, those who waited to see him abandon his wife and son and wanted to see them divorce were all fools.

Li Yuanhang spread his hands and gave him a shoulder. He said with a smile, "I'm not the one who said you would abandon your wife and son. It's those netizens on the internet. They seem to be waiting for you to abandon your wife and son.

"Someone even launched a survey, betting on whether you would abandon your current wife and children and go for your first love. In the end, guess what? 90% of the people bet that you would abandon your wife and children, 3% chose to be neutral, and only 7% of the netizens bet that you would not abandon your wife and children."

Gong Tianhao's face turned black, and his face turned dark as he said sternly, "Which irresponsible, illegal website is it? Shut it down immediately! I want to sue him for defamation and defamation!" He actually used this matter to bet on the Internet. He would not let go of this website.

Li Yuanhang smiled and said, "Don't worry, I have already gotten people to do this!" He would definitely make them pay the price!

They could temporarily ignore Xiao Lingyu's scandal because it was not the right time, but it did not mean that they would ignore any situation.

After hearing Li Yuanhang's words, Gong Tianhao's expression became a little better.

Li Yuanhang thought for a moment and asked, "Tianhao, when are you going to deal with the scandal about Xiao Lingyu being a mistress? It's a big issue. I believe that Xiao Lingyu won't be happy to see it either."

Anyone in her shoes would probably not be in a good mood.

Moreover, a lot of things happened because of this issue.

Gong Tianhao did not answer and asked directly, "What is the response from the Leng Family?"

Li Yuanhang thought for a moment and said, "At first, they were shocked and thought that you were joking with them. But now, they should have realized that you are serious about attacking them. I believe that they will come to find you soon!"

Gong Tianhao nodded and said, "Okay, then let's wait for them to come. As for the news that Xiao Lingyu is a mistress, I want the Leng family to remove it personally. I also want them to apologize to my wife!"

Hearing Gong Tianhao's words, Li Yuanhang was in disbelief. He said loudly, "What did you say? You want the Leng family to apologize to Xiao Lingyu?"

The Leng family had personally taken down the trending topic. It was not a big deal.

However, it would be difficult for the Leng family to apologize to Xiao Lingyu, right?

Gong Tianhao sneered, "Hmph, not only do I want the Leng family to apologize, but I also want the head of the Leng family to personally apologize. You have to know that the pearl in their hands is bullying my

wife, the mistress of the Gong family. My wife has the right to make the head of the Leng family apologize!”

Li Yuanhang said with some worry, “But if the head of the Leng family apologizes in person, won’t they lose face? Are they willing?”

“It’s not up to them whether they are willing or not!” Gong Tianhao said with an overbearing manner, “Since they don’t know how to teach their daughter and make her lose her manners, then they must bear the consequences of their failure! If they are not willing, then they can just wait to become the next Qin family!”

Li Yuanhang’s heart jolted, and his entire heart pounded rapidly.

“If I, Gong Tianhao, can’t even protect my own wife, then why should I marry a wife? I might as well be a monk!”

Hearing this, Li Yuanhang smiled and said, “You’re already a good husband and a good father!”

Having said this, he paused for a moment and made a decision, “Alright, I’ll go on a date with Weng Jingjing on your behalf. I’m also worried that if someone really photographs you and her, I won’t be able to explain it to your wife, Xiao Lingyu!”

As soon as Li Yuanhang left, Gong Tianhao immediately called Xiao Lingyu and said in a coquettish tone, “Honey, I asked Li Yuanhang to go on a date with Weng Jingjing on my behalf!”

Xiao Lingyu laughed and said, “Tianhao, this is your first date with your first love, and you actually asked Li Yuanhang to go on your behalf. Don’t you feel regret?”

Gong Tianhao immediately said with dissatisfaction, “Honey, how many times have I told you? That woman and I are not first lovers. I have no feelings for that woman at all. In the future, you are not allowed to use this matter to tease me again. Otherwise, I will really be angry.”

Xiao Lingyu covered her mouth and laughed, “Alright, in the future, I will not use this matter to tease you anymore. It’s just that, honey, there is a lot of news about you and her in the outside world right now. It is said that the first love is about to rekindle old feelings.”

Gong Tianhao immediately said, “The outside world is the outside world. As long as you know about it, don’t misunderstand. Those rumors will disappear soon.”

Xiao Lingyu believed in Gong Tianhao. She asked again, “Tianhao, will it be a problem for Li Yuanhang to go on a date with Weng Jingjing instead of you? Will anything happen to Li Yuanhang?”

“Of course not!” Gong Tianhao promised, “Li Yuanhang is a capable man. If he can’t even protect himself, then he is not worthy of being my assistant in the future. Don’t worry, Yuanhang is more cunning than we thought. He is a cunning fox.”

Xiao Lingyu, “...” is it really okay to describe his capable subordinate and good friend as a cunning fox?

Chapter 1048: Shocked

At first, Weng Jingjing sent and called Gong Tianhao just to test him. But unexpectedly, Gong Tianhao agreed to go on a private date with her.

At that moment, her entire heart was pounding.

At that moment, she was sure that Gong Tianhao still had feelings for her. Otherwise, he would not have agreed to go on a date with her.

When she thought of this, she became excited.

Just as Leng Piaoxue said, Gong Tianhao could not forget her first love. The reason why he did not help deal with Xiao Lingyu's scandal and allowed it to fester, causing Xiao Lingyu to be scolded by others, was that he wanted to get rid of Xiao Lingyu and give himself an excuse. When that time came, he would divorce Xiao Lingyu, abandon his wife and children, and marry her.

All of a sudden, Weng Jingjing seemed to see herself standing beside Gong Tianhao, enjoying the endless glory brought to her as the wife of the CEO of the Imperial Group and the mistress of the Gong family. She had obtained the power of the mistress of the Gong family, enjoying the glory and wealth.

Thinking of this, Weng Jingjing's eyes lit up. Her expression was filled with excitement and joy.

After an unknown amount of time, her phone rang.

Seeing the caller ID, Weng Jingjing couldn't help but frown slightly. She was a little unhappy, but she quickly hid her expression. She picked up the phone and asked gently, "Piaoxue, what's wrong? Is there something wrong?"

Leng Piaoxue asked directly, "Jingjing, I asked you to ask Gong Tianhao out. Have you made an appointment?"

"Yes, I have!" Weng Jingjing said without hiding anything, "Tomorrow night, at the Bolai restaurant!"

Hearing this, Leng Piaoxue immediately said happily, "Jingjing, I told you that you could ask Gong Tianhao out. As expected. What does this mean? This means that Gong Tianhao really has you, his first love, in his heart."

She paused and continued, "Jingjing, you can go on a date with Gong Tianhao without worry. I will arrange the rest!"

"Okay!" Weng Jingjing replied. She seemed to know what Leng Piaoxue wanted to do, but she didn't stop her.

At this moment, Leng Piaoxue said, "Jingjing, since you can date Gong Tianhao, if you can have sex with Gong Tianhao and leave evidence, it will be more beneficial for us."

Leng Piaoxue's words were no longer a suggestion but an order.

If Weng Jingjing could successfully have sex with Gong Tianhao and obtain some photos and videos as evidence, it would be extremely advantageous for them.

When Xiao Lingyu saw the photos of Gong Tianhao having sex with another woman, it was very likely that she would have a mental breakdown.

As long as it could provoke and shock Xiao Lingyu, Leng Piao xue could do anything.

Weng Jingjing and Gong Tianhao had to sleep together, and it had to be known by everyone!

After hearing Leng Piao xue's words, Weng Jingjing was silent for a moment before saying, "Piao xue, this... I'm not sure about this!"

Leng Piao xue said coldly, "Even if you're not sure, you have to do it! But don't worry, I'll help you!"

"Okay!" Weng Jingjing hesitated for a moment before replying.

"Yes, Jingjing, don't worry. I won't harm you." Leng Piao xue immediately changed her tone and said, "I'm doing this for your own good. I'm helping both of you! If you don't do this, I don't know when Gong Tianhao will be able to get a divorce."

Weng Jingjing was silent.

"Although Gong Tianhao's personality is a little cold, he is a responsible and good man. If he sleeps with you, he will definitely be responsible for you and give you an explanation!" Leng Piao xue kept comforting Weng Jingjing.

Weng Jingjing sighed and said, "Piao xue, I know you're doing this for my own good. Thank you so much!"

...

Li Yuanhang drove to the place that Gong Tianhao and Weng Jingjing had agreed on — Bolai restaurant.

However, this time, he only drove a relatively ordinary car and appeared to be relatively low-key.

As soon as he entered the restaurant, Li Yuanhang reported the number of the private room and was then brought in by the waiter.

However, as soon as Li Yuanhang entered the restaurant, the reporter who was pretending to be a guest in the restaurant was slightly shocked.

The news he received was clearly a private date between Gong Tianhao and Weng Jingjing. How could it be Li Yuanhang and Weng Jingjing?

Chapter 1049: Switcheroo

They initially thought that Li Yuanhang just happened to be here for a meal. But Li Yuanhang walked into the private room. Then, Li Yuanhang's appearance here was obviously not a coincidence.

Could it be that the news was wrong? The person on the date with Weng Jingjing was not Gong Tianhao but Li Yuanhang.

However, this news was told to them by the managing editor himself, and the mission was also given to them by him. He told them to take a few more photos of Gong Tianhao and Weng Jingjing dating alone, and it would be even better if they had a video.

So, the news given by the managing editor couldn't be wrong, right?

The paparazzi thought for a moment. In order to confirm the accuracy of the news, he decided to give the managing editor a call to inquire.

The paparazzi sneaked to a corner and pressed a call. When the other party picked up, he asked directly, "Managing editor, have you prepared the news about Gong Tianhao and Weng Jingjing's date at the Bolai Restaurant?"

The managing editor replied without hesitation, "Of course, how could the news I gave be wrong!"

This was something that the Leng family's eldest daughter had arranged for someone to tell him. How could he be wrong?

The paparazzi said suspiciously, "But editor-in-chief, I've been waiting here for an entire afternoon, but what I saw wasn't Gong Tianhao, but Li Yuanhang."

"What?" The editor-in-chief's expression was very surprised. "Xiao Wu, are you seeing things?"

Xiao Wu immediately assured him, "Editor-in-chief, you know that my eyes are famous in the company. How could I be mistaken? At first, I thought it was a coincidence. However, after he gave the box number, I was sure that it wasn't a coincidence. The real dates are Li Yuanhang and Weng Jingjing, not Gong Tianhao and Weng Jingjing!"

"How is this possible?" The editor-in-chief still didn't believe it. He said, "Is it really Li Yuanhang and Weng Jingjing on a date?" But the news that he received was obviously Gong Tianhao and Weng Jingjing.

But now...

Li Yuanhang and Weng Jingjing were on a date alone, which was much less valuable than Gong Tianhao and Weng Jingjing's date alone.

Li Yuanhang and Weng Jingjing were both single. Moreover, they were old classmates. No one would say anything even if they went on ten dates alone, let alone one date alone.

However, Gong Tianhao was different.

Gong Tianhao was now a married man. Furthermore, Weng Jingjing and Gong Tianhao had been in a relationship before. It was said that they were each other's first love.

Now, it was spreading on the internet that Xiao Lingyu was a mistress. She was scheming. In order to marry Gong Tianhao, she drugged Gong Tianhao and only married Gong Tianhao after giving birth to a son.

Although Xiao Lingyu used despicable means to marry Gong Tianhao, Gong Tianhao was a responsible man. Naturally, he married Xiao Lingyu, who had already given birth to his son.

However, now his first love had returned. However, because he was already married, it was impossible for him to do as he pleased.

If there were evidence of Gong Tianhao and Weng Jingjing dating alone, it would confirm the fact that Xiao Lingyu was a scheming mistress and that Gong Tianhao and Weng Jingjing had rekindled their old love and were back together.

This news was of great value.

He had received news that Gong Tianhao and Weng Jingjing were dating alone. How did it suddenly turn into a date between Li Yuanhang and Weng Jingjing?

The managing editor frowned and thought for a moment. He immediately instructed the paparazzi, "Xiao Wu, keep an eye on them. I'm going to confirm the news! Remember, don't alert them!"

Xiao Wu immediately assured him, "Managing editor, you're still worried about me! I'll definitely keep an eye on them."

"Okay!" The managing editor said, "It's because I trust your ability that I gave you such a difficult task. I'm going to verify the news right now. Be careful!"

After hanging up Xiao Wu's call, the managing editor immediately called someone. "Mr. Yu, hello. I'm Mr. Chen. It's like this... Mr. Yu, are you sure you didn't get the news wrong?"

Mr. Yu, who was sitting across from him, heard the news from the managing editor and frowned. With a serious expression, he said, "Mr. Chen, please wait for a moment!"

After hanging up the call from the managing editor of a certain media company, Mr. Yu immediately knocked on the door of a room. After waiting for the person in the room to call him in, he went in and saw a woman sitting on the sofa drinking red wine and passing around a red dress with a serious expression, he reported, "Miss, chief editor Chen called and said that the person who is dating Ms. Weng Jingjing is Li Yuanhang, not Gong Tianhao!"

Leng Piauxue's expression was indifferent as she asked carelessly, "Chief editor Chen, which chief editor Chen?" She had always instructed her subordinates to do things. As for some small figures, she naturally didn't remember.

"It's the chief editor of the biggest entertainment news agency in Beijing!" Mr. Yu reported.

At this moment, Leng Piauxue came back to her senses and asked, "What did you say just now? The person who went out with Weng Jingjing wasn't Gong Tianhao, but Li Yuanhang?"

"Chief editor Chen called and said it was Li Yuanhang!"

"Impossible!" Leng Piauxue denied it without thinking, "It was Weng Jingjing who told me that Gong Tianhao personally agreed to go on a date with her. Could it be that Weng Jingjing could lie to me?" She didn't think that Weng Jingjing had the need to lie to her.

"Could it be that Weng Jingjing herself doesn't know who the person who went on a date with her is?" Leng Piauxue glanced sharply at her subordinate.

Mr. Yu thought for a moment and said, "Miss, maybe the person who agreed to go on a date with Miss Weng was Gong Tianhao."

“What do you mean?” Leng Piao xue stared at him sharply.

Mr. Yu said, “Maybe the person who agreed to go on a date with Miss Weng was Gong Tianhao, but Gong Tianhao’s mind is unpredictable. Maybe he asked Li Yuanhang to go on a date with Miss Weng!”

After saying that, he paused and suggested cautiously, “Miss, I think you should call Miss Weng to confirm the identity of the person who is going on a date with her. This way, I can adjust my plan!”

Leng Piao xue thought for a moment and asked someone to get her phone.

...

Ever since Gong Tianhao agreed to go on a date with her, her heart had been pounding, and it was difficult for her to calm down.

Especially tonight, it was her and Gong Tianhao’s date at the Bolai Restaurant.

She wore the most appropriate makeup for tonight. She wore the most beautiful and luxurious clothes, and she wore expensive jewelry that did not seem vulgar. After everything was done, she stood in front of the mirror and looked charming and elegant.

She was very satisfied with her appearance and temperament tonight. She also looked forward to the first time Gong Tianhao saw her surprise and excitement.

In order to show Gong Tianhao how much she missed him and how much she loved him, she specially came to the private room of the restaurant that they had booked earlier.

She was filled with anticipation and wanted to give Gong Tianhao a big surprise and surprise.

After an unknown period of time, she heard the sound of the private room door opening. Her expression immediately became bright and moving. She stood up and turned around. She cried out in surprise and excitement, “Gong...”

However, when she saw who it was, her expression immediately froze. Her eyes revealed a look of disbelief. She cried out in surprise, “Why is it you?”

Li Yuanhang was holding a black suit in his hand. Looking at the change in Weng Jingjing’s frozen expression, he said indifferently, “I’m sorry, Miss Linda. It really is me!”

After saying that, he calmly walked to the opposite side of Weng Jingjing and pulled out a chair to sit down.

Weng Jingjing,” ...”

Chapter 1050: No Disguise

After Weng Jingjing recovered from her shock, a layer of anger appeared on her face. She asked aggressively, “Li Yuanhang, why are you here?”

Li Yuanhang hung up his suit and sat down. He looked at Weng Jingjing indifferently and asked with a smile, “If it’s not me, who do you think it is? Is it Tianhao?”

Weng Jingjing opened her mouth and wanted to answer, "Where is Gong Tianhao?"

Li Yuanhang glanced at her and sneered with a sarcastic expression, "Hehe, do you think that's possible? Tianhao is already married and has children. He loves his wife and children very much. How could he go out on a date with another woman behind his lover's back? If he were to be caught in the shadows, he wouldn't be able to explain it!"

Hearing what he said, Weng Jingjing's face suddenly turned pale. Her beautiful makeup made her look a little pitiful.

She obviously could not accept what Li Yuanhang said.

She shook her head and said in disbelief, "No, I don't believe what you said! Gong Tianhao originally loved me. Even if he got married now, he was forced to bear the responsibility of being a mother and got married. It's impossible for him to love that woman!"

Li Yuanhang said sarcastically, "You are very confident in yourself! It's a pity that you are too confident. Gong Tianhao married Xiao Lingyu not because Xiao Lingyu was pregnant with her child, but because he fell in love with Xiao Lingyu at first sight!"

Love at first sight!

These four words struck her heart hard. Her face was pale and powerless.

"Also, Xiao Lingyu wasn't the one who schemed to marry Gong Tianhao. On the contrary, it was Gong Tianhao who pursued Xiao Lingyu." Li Yuanhang continued.

The more Weng Jingjing listened, the more she couldn't stand it. She suddenly looked at Li Yuanhang with a sharp and angry gaze. She said loudly, "Li Yuanhang, you've been speaking up for Xiao Lingyu. Is it because you like her?"

After Li Yuanhang heard this, there was no trace of guilt or anger on his face. He shrugged his shoulders and said with a smile, "I do like Xiao Lingyu, but I only like her as a friend. She is a beautiful, kind, and smart woman. Anyone who has seen her will like her!"

"As the friends of Xiao Lingyu and Gong Tianhao, I naturally hope that the two of them will continue to be happy. They also have a cute son. Their family will continue to live happily."

Li Yuanhang's words made Weng Jingjing extremely embarrassed!

She had no idea what tricks Xiao Lingyu had used. Even Li Yuanhang was speaking up for her and defending her.

Weng Jingjing gritted her teeth and said with an embarrassed expression, "Li Yuanhang, have you forgotten that we used to be good friends? Did you really put me in such an embarrassing situation because of another friend?" At this moment, Weng Jingjing could no longer maintain her elegant and noble appearance, and she wanted to vent all her anger now.

From the moment Li Yuanhang entered the room, he had been mocking Weng Jingjing. Not to mention Weng Jingjing, who had such strong self-esteem, even an ordinary woman would not be able to endure it.

Li Yuanhang's expression turned serious as he looked at Weng Jingjing and said in a faint voice, "You also know that we used to be friends. That was the past. In the past, Gong Tianhao held you in his hands. Naturally, I respected you and treated you as a true friend.

"However, when you betrayed Gong Tianhao with another male classmate, we were no longer friends. Now, my friends are only Xiao Lingyu and Gong Tianhao!"

Hearing this, Weng Jingjing's heart shook again. She felt pain in her heart, but she also felt wronged.

Weng Jingjing wiped her tears and cried, "Li Yuanhang, you can't say that. It's not fair to me!"

Li Yuanhang said indifferently, "What's there to be fair and unfair about? Since you chose to betray us, naturally, what's there to be reluctant about?"

Weng Jingjing suddenly roared at Li Yuanhang, "Then why did you lie to me first?"

Li Yuanhang frowned and said, "Lie to you? Who lied to you? How did I lie to you?"

"Gong Tianhao is a member of the Gong family and the real crown prince of the capital. Why didn't you tell me?" Weng Jingjing asked angrily and aggrievedly.

Li Yuanhang immediately reacted after hearing that. He sneered and said sarcastically, "Oh, so I didn't tell you about Gong Tianhao's real identity. This became the reason for you to betray him?"
