

Chapter 1061: Spoiling

Since Gong Tianhao had already pointed it out, Leng Sichen could no longer pretend to be stupid. Furthermore, Gong Tianhao threatened to stop cooperation between the two families.

Leng Sichen smiled and said, "I was so anxious that I became muddle-headed. When I found out that Xue 'Er had made a mistake, I immediately brought Xue 'Er up to apologize to you."

Gong Tianhao just looked at him expressionlessly and did not answer.

Gong Tianhao did not give him a way out. Leng Sichen was a little angry, but he endured it. Then, he said, "How about this, Tianhao? I will ask Xue 'Er to apologize to your wife. I wonder where your wife is now."

"Dad?!" When Leng Pioxue heard that her father wanted her to apologize to Xiao Lingyu, her face was filled with disbelief. Her eyes were filled with deep dissatisfaction and resistance. There was even a hint of anger.

Hearing his daughter's voice, Leng Sichen stared at her with a serious expression. Then, he said sternly, "Why? Shouldn't you apologize to Madam Gong? I don't care what reason you have. This time, you have made a huge mistake. You must apologize to Madam Gong!"

At this moment, Leng Pioxue was filled with anger and unwillingness. She said loudly, "Why should I apologize to that bitch? I didn't do anything wrong!" At the mention of Xiao Lingyu, she was like a crazy demon. She would soon lose her rationality and would not even think before speaking.

When he heard the word bitch, Gong Tianhao's eyes were filled with anger. The pen in his hand was thrown out forcefully and brushed past the tip of Leng Pioxue's ear. It scared the father and daughter so much that their faces turned pale.

If Gong Tianhao threw the pen directly onto Leng Pioxue's face or ear, wouldn't her face be disfigured?

Leng Pioxue was also shocked. Her heart was beating extremely fast.

Gong Tianhao didn't get angry. Instead, he asked sarcastically, "Uncle Leng, is this your so-called sincere apology? Your precious daughter can scold my wife directly in front of me. It's not strange for her to do something against my wife behind my back.

"However, that's true. Your daughter is the daughter of the Leng family and has a high status. My wife is a woman from the countryside. You shouldn't apologize to her, right?"

Leng Sichen's face turned pale from Gong Tianhao's words. That was what he thought in his heart, but when Gong Tianhao pointed it out, he couldn't help but feel guilty.

"Slap!"

Without thinking, Leng Sichen decisively gave Leng Pioxue a big slap on the face.

Suddenly, Leng Piao xue covered her other face with one hand. Once again, a look of disbelief appeared in her eyes as she said, "Dad, you hit me again?"

Leng Sichen snorted, "I said the wrong thing and did the wrong thing. Who else can I hit if not you?"

Then, he looked at Gong Tianhao and said, "Tianhao, it's my fault for not teaching Xue 'Er well. I let her be so rude to your wife. I apologize to you here."

He looked a little ashamed and said, "Actually, Xue 'Er is not bad. She was just spoiled by the whole family. When we go back, I will definitely teach her well. I just hope that you can forgive her for being insincere this time."

Leng Sichen could only think of the word "Insincere" to justify Leng Piao xue.

"What a good argument!" Gong Tianhao sneered without giving him any face, "She ordered the media to smear my wife behind my back and slander my wife's reputation. After that, she even scolded my wife right in front of me. But that was just because she was insincere."

Gong Tianhao made Leng Sichen feel awkward and embarrassed. He dared to be angry but didn't dare to say anything.

"Just because she didn't mean what she said and was spoiled, she was able to slander people's reputations. She shut down all the farms under my wife's company and all the shops in the country. This caused countless losses and almost caused tens of thousands of people in the country to be laid off. Uncle Leng, this is the so-called spoiled daughter of your Leng family," Gong Tianhao said mockingly, "If that's the case, then I'll let you have a taste of my wife being spoiled by me!"

Upon hearing that, Leng Sichen's face instantly turned pale. He looked at Gong Tianhao in disbelief and asked, "Gong Tianhao, what do you want to do?"

Gong Tianhao's eyes revealed a look of contempt as he said with a faint smile, "Uncle Leng, since you don't apologize sincerely, what do you think I want to do? Of course, I want to spoil my wife, just like how you're spoiling your daughter!"

Chapter 1062: Spoiling

"You... do you want the Leng Corporation to go bankrupt?" Leng Sichen asked with a trembling voice.

"That will depend on the Leng family!" Gong Tianhao said coldly. Then, he said, "Uncle Leng, I'm sorry. I'm very busy right now. I'm afraid I don't have time to entertain you anymore. Please go ahead."

This was an order for the father and daughter to leave.

After being humiliated by Gong Tianhao and scared out of their wits by him, the father and daughter of the Leng family walked out of the imperial group in a sorry state.

When the father and daughter returned to the Leng family, the Leng family members couldn't recognize Leng Piao xue when they saw her swollen face.

“Oh, my God, what happened?” Madam Leng was shocked when she saw her precious daughter being beaten up like this. Then, she asked angrily, “Who hit her? How dare hit my daughter?”

Beside her, Leng Sichen said coldly, “I hit her. Why? Do you want to compensate her with my life?”

Hearing his words, Madam Leng was shocked. She asked, “Why did you hit her? Don’t you feel sorry for her?”

The culprit who had beaten her daughter into a pig’s head was actually her husband. Since she was young, she couldn’t even bear to scold him. Why did he start to hit her?

Leng Sichen snorted and said, “Why don’t you see what she has done now?”

“No matter what she has done, you can’t hit her!” Madam Leng rebuked, “What if you beat your daughter into this state and break her?”

Leng Sichen said angrily, “Let me tell you, if I don’t hit her now, more people will hit her in the future. Do you know that the Leng family is going to go bankrupt because of her willfulness and mistakes?!”

Hearing her husband’s words, Madam Leng was shocked. At the same time, hearing that her precious granddaughter was beaten into a pig’s head, grandfather Leng, who immediately came out of the house, also heard his son’s words.

“Bankrupt? How... How could this be?” Madam Leng’s heart skipped a beat. Then, she asked, “Husband, what happened?”

Old Master Leng leaned on his walking stick and asked seriously, “Sichen, what exactly happened?”

When Leng Piauxue saw Old Master Leng, she, who had been stubborn all the way, suddenly burst into tears. “Grandpa...”

When grandfather Leng saw that his precious granddaughter was crying, he immediately felt sorry for her. “My precious granddaughter, don’t cry. I’ll help you.”

Then, he swung his walking stick at his son and said angrily, “Leng Sichen, look at what you’ve done to Xue ‘Er. How can you be a father like that? Look, my granddaughter has suffered so much!”

Leng Piauxue felt wronged, and Leng Sichen felt even more wronged after being beaten.

He didn’t dare to run away from the beating, but he spoke with a serious expression, “Dad, do you know how big of a disaster Xue ‘Er’s mistake this time will bring to our Leng Family? The Imperial Palace Group has already terminated their cooperation with our Leng Group for two days. Our Leng Group’s loss in one day has reached tens of millions. If this continues, our Leng group will go bankrupt sooner or later!”

Hearing this, Old Master Leng frowned and asked in confusion, “Why does it have to do with Xue ‘Er?”

“Xue ‘Er, Tell grandpa yourself!” Leng Sichen rubbed his forehead and said.

Everyone looked at Leng Piauxue.

Leng Piao xue said in a wronged tone, "I... I was just defending a good friend of mine, and I just smeared Gong Tianhao's wife's name. Who would have thought that Gong Tianhao, a cold-hearted and cold-blooded man, would directly terminate the cooperation with our Leng Family?"

Hearing this, Leng Sichen's face turned white with anger. He pointed at Leng Piao xue angrily and shouted, "Just smearing her name? Leng Piao xue, it seems that you haven't realized the real mistake you've made!"

"Shut up!" Grandfather Leng's tone was very stern as he shouted, "Leng Sichen, our Xue 'Er is such a sensible and obedient girl. She only made a small mistake once in a while. It's not a big deal."

"That's right, Hubby." Madam Leng also said, "Xue 'Er just smeared Gong Tianhao's wife's name a little. And it's for the sake of a good friend. How good is that? She values friendship and loyalty!"

The Leng family was so unreasonable in protecting their own.

Leng Sichen was so angry that his face turned green. He said loudly, "Just protect her. Just protect her. Only when our Leng Corporation goes bankrupt will you think that she has done something wrong! Why don't you ask what kind of things she said about Gong Tianhao's wife that made him so angry that he stopped his cooperation with our Leng Corporation?"

Madam Leng then asked, "Xue 'Er, what kind of things did you say about Gong Tianhao's wife?"

Chapter 1063: Cover Up

"Grandfather, what's wrong? You look very angry." Xiao Lingyu looked at grandfather Gong's angry expression and immediately said, "Don't be angry. It's not good for your health!"

When Grandfather Gong heard this, he took a deep breath and nodded. "Yes, I'm not angry. It's not worth it!"

Xiao Lingyu patted old master Gong's back and poured him a cup of water. She smiled and said, "Grandfather, have a cup of water first!" Drinking the spirit spring water could calm down the agitated mood.

Old Master Gong took the cup and immediately drank it. Then, he smiled and said, "Yu 'Er, the water you poured is especially delicious!" The pure spring water tasted different.

Xiao Lingyu smiled and said, "That's because you love me. You like me. No matter what I do, you think it's good!"

Old Master Gong smiled and nodded. "You're my precious granddaughter-in-law. I must love you!"

Then, Xiao Lingyu asked with some confusion, "Grandpa, why were you angry just now?"

When he said this, Old Master Gong's mood had calmed down, but he didn't feel very angry. He said, "I was angry because of that old man Leng. He called me and asked me to persuade Tianhao to resume the collaboration between the Imperial Palace Group and the Leng Corporation. Hearing him say this, I was

puzzled from the start. The collaboration between the two companies was fine. Why would Hao 'Er suddenly stop the collaboration between the two companies? I pressed him further."

Speaking of this, elder Gong said with some anger, "He said that because his precious granddaughter has slandered your name and angered Hao'er."

Hearing this, Xiao Lingyu blinked her eyes and basically understood what was going on.

"I was curious. I asked him what things her precious granddaughter said about my granddaughter-in-law that Tianhao so angry!"

Old Master Gong continued, "He said that because of a good friend's one-sided words, his precious granddaughter misunderstood that you used scheming methods to get to the top. Her granddaughter couldn't stand it and exposed your actions on the internet.

"Hearing this, I felt a mixture of anger. I immediately understood everything. My granddaughter-in-law has been suffering a lot of trouble these days. It was actually caused by that precious granddaughter of his."

Old Master Gong was a very shrewd old man. Old Master Leng wanted to cover up the mistakes his granddaughter had made, but with Xiao Lingyu's recent troubles, what else did old master gong not understand?

"Hmph, his precious granddaughter?" Old Master Gong said angrily, "I also have my precious granddaughter-in-law. Being slandered by his granddaughter for no reason, causing everyone to curse and criticize you on the internet, and even causing trouble at various shops and farms, causing you to have no choice but to close your shop and close down your business. Such a huge loss.

"Yet, this old man Leng only said that his granddaughter was still young and had been bewitched by others to commit such a mistake. Is this really that simple?"

Seeing that elder Gong was getting angrier and angrier, Xiao Lingyu immediately patted him on the back and comforted him, "Grandfather, it's not worth being angry at them like this! Don't let your health be damaged by anger!"

Leng Piao xue had caused so much damage and loss to the other party, and all Old Master Leng had to say was that she was still young and had been bewitched.

Shouldn't he have come forward and apologized sincerely?

However, since Gong Tianhao had already made his move, the Leng family definitely wouldn't let it go so easily. Even if Leng Piao xue was still young or bewitched, she had made a mistake. She had made a mistake, and she had to pay the price for her mistake.

Otherwise, if she wanted to write everything off with a simple sentence, didn't that mean everyone could step on the Gong Family?

Furthermore, Leng Piao xue was sick. She had been targeting Xiao Lingyu more than once.

The last time, she killed someone to frame her and Gong Tianhao.

She could already kill someone. How could he use her young age as an excuse?

Last time, they had no evidence to prove that she had killed someone. After all, Leng Piao-xue had killed someone invisibly, so they had let her off this time.

Last time, they had let her off, but that did not mean that this time after she had caused trouble, they would still let her off.

Chapter 1064: Cover Up

Xiao Lingyu calmed grandfather Gong down, and he continued to speak, "This old man Leng is really going back to his old ways. Even a child knows that he made a mistake and needs to apologize. Yet, he still wants to cover up for Leng Piao-xue after making such a big mistake. He wants to let her off so easily. Does he really think that this is just a child playing house?"

Xiao Lingyu only listened and did not express her opinion.

After Master Gong said this, he looked at Xiao Lingyu and said with heartache, "Yu 'Er, so it turns out that during this period of time, you have been slandered so much on the internet. It was actually done by that child from the Leng family. Don't worry. No matter what, grandfather will seek justice for you. His girls are precious, and my granddaughter-in-law is also precious!"

Xiao Lingyu didn't refuse and said, "Thank you, Grandpa!"

But then the topic changed and he continued, "However, Grandpa, you're old, so you don't have to worry about these things. Tianhao will definitely get justice for me."

Old Master Gong was stunned for a moment before he said with a smile, "That's true. You're his wife. If his wife is bullied and he doesn't seek justice for his wife, then he's not a man! Alright, from now on, I won't care about this matter anymore. I'll let Tianhao manage it directly!"

Xiao Lingyu was just about to nod when Old Master Gong's expression changed, and he said angrily, "What exactly is Gong Tianhao doing? You've been slandered for such a long time. Why didn't he deal with it in time? Did he only find out now that it was caused by that girl from the Leng Family? That's too useless!"

Xiao Lingyu, "... grandfather, it wasn't like that.

"No, I have to call Gong Tianhao to warn him. This kid is too slow. He caused his wife to be scolded and criticized on the internet for such a long time. He didn't even protect his wife properly. It's too irresponsible!" Elder Gong said furiously.

Elder Gong then asked Xiao Zhao to bring the phone over. Before Xiao Lingyu could react, he called Gong Tianhao.

The moment the call connected, elder Gong scolded loudly, "Gong Tianhao, you rascal. Your wife has suffered such injustice and grievance. As her husband, why didn't you immediately seek justice for her and let her be scolded and criticized by so many people on the Internet..."

The moment Gong Tianhao picked up the phone, he heard his grandfather's scolding before he could react.

"In short, no matter who is behind my precious granddaughter-in-law's humiliation and grievance, you don't have to give face to her. You have to seek justice for her. Otherwise, I won't have a grandson like you!"

"..." Gong Tianhao immediately replied, "Grandfather, don't worry. I will definitely seek justice for your granddaughter-in-law. Grandfather, don't be angry. It's not good for your health!"

Old Master Gong was still a little worried as he said, "Remember, no matter who it is, you won't give them face. You have to seek justice for my granddaughter-in-law. Do you understand?"

Old Man Leng knows how to cover up for his granddaughter's shortcomings. Doesn't he know how to cover up for his family's shortcomings?

Moreover, it was clearly her granddaughter who was unreasonable first.

Under Gong Tianhao's constant reassurance, Old Master Gong finally hung up the phone in satisfaction.

A moment later, Xiao Lingyu's phone rang.

Xiao Lingyu took a look and said to old master gong, "Grandfather, I'm going to take a call. I'll come over to accompany you later!"

Grandfather Gong thought that she was calling on business and immediately waved his hand. "Go ahead. If you're busy, go ahead. I'll go and have a chat with your grandfather now!"

Xiao Lingyu nodded and said, "Alright, then I'll go out first, grandfather!"

As soon as Xiao Lingyu went out, she picked up the call. "Hello, Hubby!"

Gong Tianhao asked, "Honey, were you beside Grandpa just now?"

"Yes, I was beside Grandpa!" Xiao Lingyu didn't hide anything.

"Why is Grandpa so angry all of a sudden?" Gong Tianhao asked in confusion.

"It was Grandpa Leng who called Grandpa and said that his granddaughter was young and immature. She was bewitched by someone and did something dirty to me. He hopes that we can forgive her and resume the cooperation between the two companies!" Xiao Lingyu also didn't hide anything.

When Gong Tianhao heard this, he frowned and said, "What's going on with the Leng family now? Are they spoiling Leng Piao-xue to no end? Or did they not care about smearing your name and slandering you at all? Did they just want to give grandfather a call and let it go so easily? What do they think of the Gong family and Gong Tianhao?"

Chapter 1065: Cover Up

Gong Tianhao was a little angry.

He continued, "No wonder Grandpa is so angry. You should know that Grandpa usually dotes on you. Now that you are being bullied by someone from the Leng family, it would be strange if he isn't angry. We also know how to spoil someone in the family!" The grandfather and grandson said the same thing.

Xiao Lingyu didn't know much about the Leng family, and she didn't have a good opinion of them either. However, from this incident, it could be seen that the Leng family didn't fare well. They actually dared to openly bully and belittle her, the mistress of the Gong family.

Did they really think that she would be abandoned by Gong Tianhao just like what was said on the internet?

Xiao Lingyu said, "Tianhao, Old Master Leng has already called grandfather..."

Gong Tianhao said disdainfully, "So what if he called Grandpa? Isn't Grandpa protecting you? Old Master Leng is really going back to his old ways. He doesn't want to apologize to the victim but wants to sweep everything under the rug."

Xiao Lingyu, "..."

Gong Tianhao instructed Xiao Lingyu, "Yu 'Er, since grandfather knows about this, you should comfort him. Don't let him worry too much. I will settle this matter as soon as possible."

Xiao Lingyu smiled and said, "Okay, I understand."

"Okay, honey, I love you. I'm hanging up!" Gong Tianhao said affectionately.

"Okay, honey, I love you too!" Xiao Lingyu replied.

After hanging up the phone, Xiao Lingyu still had a smile on her face.

At this moment, Xiao Letong ran over and raised his little head to look at his happy mother. He immediately teased, "Mommy, seeing how happy you are, did you just talk to Father?"

Xiao Lingyu squatted down and patted his little head. She said with a smile, "Are you eavesdropping on my conversation with your father?"

Xiao Letong immediately shook his head and said, "No, I'm not. Sometimes, the two of you talk so mushy and lovey-dovey. I don't want to listen to you."

As soon as he said that, he immediately covered his mouth and thought to himself, "Oh no!"

After Xiao Lingyu heard that, her face immediately blushed. She was a little shy, but she quickly restrained herself. She reached out to pinch her son's chubby cheeks and said with a smile, "You still say you didn't eavesdrop? If you didn't eavesdrop, how would you know that my conversation with your father is so mushy?"

Xiao Letong immediately defended himself, "I... I only eavesdropped occasionally!"

Xiao Lingyu pinched his cheeks again and said with a smile, "Alright, I'll believe you! However, you're not allowed to eavesdrop on my conversation with your father in the future, understand?"

Xiao Letong nodded and said, "Yes, I understand. I promise I won't eavesdrop again in the future!"

Sometimes, it was possible to eavesdrop openly without eavesdropping.

In any case, it was up to him whether he listened or not.

Of course, Xiao Lingyu did not know that her son had been scheming for a long time. She let go of her son and asked with a smile, "Aren't you very enthusiastic about being a hacker now? Why are you looking for mommy?"

Xiao Letong immediately said with a serious expression, "Mommy, that woman called Weng Jingjing wants to cause trouble again!"

Xiao Lingyu frowned slightly and asked with a little doubt, "What does she want to do?"

Xiao Letong said in a very lively manner, "She wants to ask you out directly, drug you, and arrange for a man to sleep with you. Then, she wants to let many people catch you in bed!"

Xiao Lingyu, "... " Ever since Li Yuanhang exposed Weng Jingjing's fantasy, she was afraid that Gong Tianhao would really take revenge, so she wanted to make the first move?

Xiao Lingyu rubbed her forehead and asked, "Son, how did you know?"

Xiao Letong said, "Ever since I found out that this woman wanted to destroy our home, I directly hacked into her computer and her phone. So, I know her every move like the back of my hand."

Xiao Lingyu, "... " well, her son was a genius among geniuses.

Xiao Letong immediately asked seriously, "Mommy, if this Weng Jingjing asks you out, do you really want to agree to her request?"

Xiao Lingyu curved her lips and asked with a smile, "Why not? Son, do you think that with Mommy's current physique, I will be drugged? Since she still has sweet dreams and wants to destroy me, then I'll give her a taste of her own medicine!"

Chapter 1066: Meeting Between Love Rivals

As expected, not long after, Xiao Lingyu received a call from Weng Jingjing.

"Hello, Miss Xiao. I'm Weng Jingjing!" Weng Jingjing deliberately called Xiao Lingyu Miss Xiao, not Madam Gong.

After Xiao Lingyu received the call, she asked, "Yes, Miss Weng, what's the matter?"

Weng Jingjing didn't expect Xiao Lingyu to be so calm and couldn't help but be stunned. Then she said, "Miss Xiao, do you know who I am?"

Xiao Lingyu raised her eyebrows and said with a smile, "Of course, I know. With such sensational news on the internet, even if I am a fool, I know. Moreover, when the fake Weng Jingjing appeared in front of my husband and me, I knew who you were. My husband's ex-girlfriend!"

Weng Jingjing, "... "

Normally, when a woman heard that a woman was her husband's ex-girlfriend, wouldn't she become very emotional?

'Oh, she might be very emotional now, but I can't see it now. Xiao Lingyu must be hiding her emotions over there.'

Thinking of this, Weng Jingjing comforted herself, but then she said unwillingly, "Miss Xiao, since you know that I am Tianhao's ex-girlfriend, do you want to hear about my past with Tianhao?"

"Oh, Miss Weng, what you said is interesting!" Xiao Lingyu curled her lips and continued, "Even if you and my husband used to be lovers, it is already in the past now. So, I don't think I want to hear about your past with Tianhao. Moreover, even if I want to know about your past relationship, wouldn't I ask my husband?"

At first, when Weng Jingjing heard Xiao Lingyu's words, she felt that Xiao Lingyu was really too calm.

But then she grasped an important point, and that was, "Wouldn't I ask my husband?" Just this sentence was very likely to indicate that Gong Tianhao might not have told Xiao Lingyu about their past relationship.

All of a sudden, Weng Jingjing thought in her heart. During this period of time, the matter of her and Gong Tianhao being boyfriend and girlfriend had become so intense on the internet, but Gong Tianhao actually didn't tell Xiao Lingyu about their past.

It was also true that Gong Tianhao pursued her. Perhaps Gong Tianhao did not dare to tell Xiao Lingyu about it.

If she had told Xiao Lingyu about their past, Xiao Lingyu would definitely not be calm. In fact, she would even be jealous. Under such an emotional loss of control, it was perhaps understandable for her to do something irrational.

Weng Jingjing smiled and said, "Miss Xiao, it seems that you don't know much about our past. But that's true. Thinking back, in order to pursue me, Gong Tianhao..."

"Wait," Xiao Lingyu immediately interrupted her. Her tone revealed some disbelief as she said, "What did you say? You said that it was Gong Tianhao who pursued you first?"

Hearing Xiao Lingyu reveals some different emotions, Weng Jingjing's mood immediately improved. She covered her mouth and laughed, "Ah, so Miss Xiao doesn't know. That's right. When I was with Gong Tianhao, it was Gong Tianhao who pursued me first."

Xiao Lingyu said in disbelief, "That's impossible. My husband clearly told me that I was the first woman he courted. Could he be lying to me?"

Xiao Letong immediately gave his mother a thumbs up. He opened his mouth and said in a low voice, "Mommy, you're acting like a movie Queen!"

If he did not understand the situation, he would have believed his mother.

Xiao Lingyu blinked at her son and said silently, "I am!"

Then, she said emotionally, "Gong Tianhao, how dare you lie to me. When he comes back, I will make him kneel to beg for forgiveness!"

Weng Jingjing was choked. After a moment, her eyes were filled with anger. She suppressed her anger and jealousy and said calmly, "Miss Xiao, it seems that your relationship with Tianhao is not bad. Back then, for me, Gong Tianhao could..."

At this point, she seemed to have come to her senses. She immediately paused and said, "I'm sorry, Miss Xiao. That is a matter between Tianhao and me in the past."

Xiao Lingyu said with a smile, "No, Miss Weng, I am very interested in your past! After all, I never thought that he would treat another woman other than me so well." Weng Jingjing heard Xiao Lingyu say that through gritted teeth.

Chapter 1067: Meeting Between Love Rivals

This made her feel much better.

Weng Jingjing said, "It seems that Miss Xiao is very interested in Tianhao and my past!"

"Of course I'm interested!" Xiao Lingyu followed her words and said, "No woman is not interested in her husband's first love."

Weng Jingjing thought to herself, 'Is that right? Xiao Lingyu shouldn't be so calm. She should be angry, shouting hysterically like a shrew and making a big fuss.'

Weng Jingjing said, "Miss Xiao, if you are really interested in Tianhao and my past, make an appointment. I will tell you about it. Is that okay?"

"That's great!" Xiao Lingyu wanted to roll her eyes. Did she really think she was a fool? In order to listen to her husband's and her ex-girlfriend's past, she really made an appointment with her ex-girlfriend. But she just had to be a fool. "Miss Weng, tell me the time and place!"

In this way, it was unknown whether Weng Jingjing thought she was a fool or she thought Weng Jingjing was a fool. It All depended on which one of them was better at acting.

Weng Jingjing achieved her goal of making the phone call. Her eyes lit up, and she immediately reported the address and the agreed time.

After the two of them hung up, Weng Jingjing did not hide her jealousy and unwillingness. She clenched her fists and said proudly and crazily, "Xiao Lingyu, I must destroy you this time. When you become a shamed woman, let's see if Gong Tianhao still wants you!"

Of course, it would be easy to expose that she was the one who ordered it, but so what? As long as she destroyed Xiao Lingyu and let her be abandoned by Gong Tianhao, it would be enough.

Sometimes, crazy people did crazy things that could not be discussed with reason.

Xiao Lingyu put down the phone and winked at her son. She smiled and said to him, "Son, how was it? Did I act well?"

Xiao Letong gave Xiao Lingyu a thumbs up and said with a smile, "Mommy, it's a pity that you're not going to act. The Oscar for Best Actress will belong to You!"

Xiao Lingyu said confidently, "Of course. If I were to act, my acting skills would definitely be good enough to win all sorts of awards."

"..." Xiao Letong said a little speechlessly, "Mommy, I want you to try entering the entertainment industry. You can quit when you get the awards."

Xiao Lingyu tilted her head and said with a smile, "Well, I can try that. But," then she changed the topic and said, "I'm old. Besides, I'm not interested in acting!"

In the entertainment industry, it could be said that there were all kinds of people, and it could also be said that it was a chaotic place. It was not a place where ordinary people could live in. She did not want to spend all her time scheming and fighting for resources with others. That was really annoying.

She looked at her innocent, cute, handsome, and beautiful son again. She rolled her eyes and asked with a smile, "Son, why don't you go into the entertainment industry?"

Her son had his mother, his father, and the entire Gong family behind him, so no one dared to do anything to him.

When Xiao Letong heard this, his eyes lit up. He said, "I can!" He was a genius anyway, so doing anything was easy for him. He could try acting.

Xiao Lingyu said, "Well, after Mommy and Daddy take care of these things, we'll let you go into the entertainment industry to act. How about it?"

With their status, they could take care of everything for their son. Their son just had to act.

Xiao Letong didn't refuse. He nodded and said, "Okay, then I'll go and act." Then, he said, "Mommy, are you going to see that woman now?"

Xiao Lingyu nodded and said, "Yes!"

Xiao Letong said with a serious face, "Why don't I go invisible and follow you? That woman not only wants to use a man to rape you but also wants to inject drugs into you and destroy you. I'm a little worried!"

Hearing that, Xiao Lingyu's face instantly darkened. There was a bit of hostility in her eyes and a bit of anger in her tone. She said, "She also wants to inject drugs into me?"

"Yes." Xiao Letong nodded and said, "That's what that woman said on the phone. It's an overseas call."

Having said that, he said with an indignant face, "This woman is really too vicious. She is trying to destroy you. She said that after destroying you, Daddy would definitely abandon you because no man would want a drug addict as their wife. Mommy, that woman is too evil. We must teach her a lesson!"

Chapter 1068: Meeting Between Love Rivals

Xiao Lingyu was not a saint. After hearing what Weng Jingjing was going to do to her, she would definitely not show her any mercy.

She nodded and said, "Yes, this woman is so bad. We must teach her a good lesson!"

Xiao Letong immediately said, "Mommy, you agreed to let me follow, right?"

Xiao Lingyu said helplessly, "Alright, just follow. But you have to remember that without mommy's permission, you can't take any action, understand?"

"Yes, yes." Xiao Letong answered quickly, "I will definitely listen to Mommy!"

Xiao Lingyu then instructed, "Also, you absolutely can't use magic, understand?"

Xiao Lingyu and Gong Tianhao had always been worried that their son would suddenly use magic. Hence, every time he went out, they would remind him not to use magic!

Whatever Xiao Lingyu said, Xiao Letong would nod in agreement.

After that, Xiao Lingyu put on some light makeup and grabbed the limited-edition bag. This bag was the only one in the world and was specially made for her by Gong Tianhao.

Xiao Letong widened his eyes as he looked at Xiao Lingyu's outfit. He asked curiously, "Mommy, you're dressed so beautifully. Are you going to meet your lover?"

Xiao Lingyu patted his little head and said speechlessly, "What nonsense are you talking about? I only have your father. Why would I have other lovers? Don't accuse me wrongly!"

Xiao Letong asked in confusion, "But, in the past, you always dressed up in an ordinary manner for so many grand occasions. Now, you are only going to meet a love rival. Do you need to dress up so beautifully? How is this meeting a love rival? You are clearly going to meet your lover!"

Xiao Lingyu lightly knocked his little head again and said, "Don't talk nonsense anymore. Don't you know that women dress up beautifully not because of men but because of women!"

Xiao Letong, "... he didn't understand the world of women!

Even though he had lived for more than two thousand years, he was still a pure man who had never held a girl's hand.

Since he had never been in a relationship, he naturally didn't know the world of women.

This time, Xiao Lingyu paid so much attention to her appearance. She put on makeup and grabbed her bag so that she could show off in front of this woman, Weng Jingjing. Xiao Lingyu wanted to let her know that Weng Jingjing couldn't be compared to her in any way. Weng Jingjing could only be envious and jealous that Xiao Lingyu could receive all of Gong Tianhao's love.

Weng Jingjing was a hypocritical and vicious woman. She had to show off her hatred and make her jealous.

Following that, Xiao Lingyu drove the limited edition Ferrari sports car directly to the place where she had agreed to meet Weng Jingjing.

Xiao Letong looked at his usually low-key mother, who suddenly became high-profile. He looked at her in a daze, confused.

Woman's world was really hard to understand.

Xiao Letong followed Xiao Lingyu, but he was already invisible.

For Xiao Lingyu, Weng Jingjing flew directly from Beijing to City Z and booked a hotel in City Z.

An hour and a half later, Xiao Lingyu arrived at the coffee shop that she had arranged with Weng Jingjing.

Xiao Lingyu's car was flashy and cool, and it was a limited edition car. As soon as the car reached the door, it attracted a lot of attention. When Weng Jingjing heard that Xiao Lingyu had arrived, she waited at the door.

When she first saw the car, her eyes revealed a look of envy and unwillingness.

Then, when she saw Xiao Lingyu's outfit after getting out of the car, her eyes were filled with jealousy.

Her clothes and bag were obviously top-notch custom-made. They were one-of-a-kind and made people envious.

These things were clearly meant for her to enjoy, but this bitch had benefited from them.

Xiao Lingyu was tall and slender, her long hair flowing elegantly. Just this temperament of hers quickly attracted people's attention. Fortunately, she wore a pair of sunglasses that covered most of her face. Otherwise, it might cause a sensation.

Soon, she noticed that Weng Jingjing was standing at the door. She walked over directly, took off her glasses, and asked, "It's Miss Weng, right?"

When Weng Jingjing saw Xiao Lingyu's beautiful face with light makeup, she was stunned at first. Then, her heart surged with even deeper jealousy. It was like lava in a volcano, waiting to erupt at any time, engulfing and burning everything.

She comforted herself in her heart, 'Bear with it for a while. Soon, this woman will go to hell!'

Then, she smiled and said, "I'm Weng Jingjing, and you're Xiao Lingyu, right?"

Xiao Lingyu nodded and said, "Yes, I'm Xiao Lingyu. Let's go in!"

Xiao Letong, who was at the side, complained to Xiao Lingyu, "Mommy, this woman really knows how to put on airs. She's very cunning. You have to be careful later."

Chapter 1069: The Grand Finale

Gong Tianhao had received a call from Xiao Letong earlier. He knew that Weng Jingjing had asked his wife to talk about their so-called past. When he heard this, his face darkened.

He said angrily with a gloomy face, "This woman really doesn't know what's good for her!" He had planned to let her go if she apologized to Xiao Lingyu and left the country, but he didn't expect...

"Hmph, Daddy, this woman is wicked and vicious," Xiao Letong complained, "She asked mommy out this time and planned to drug her. She also wanted to inject drugs into mommy. This woman is really wicked."

When Gong Tianhao heard this, his face was filled with anger. He said angrily, "Well, if this woman really has the guts to do this, then she can wait for our revenge!"

He really didn't expect that Weng Jingjing, apart from her ambition and intentions, had such a wicked and evil heart. She actually wanted to do this to Yu 'Er.

Gong Tianhao immediately thought of something and asked, "Son, your mommy didn't agree to that woman's invitation, did she?"

"She did!" Xiao Letong said without hiding anything.

"What, she agreed?" Gong Tianhao immediately turned pale with fright. "Then does Yu 'Er know why that wicked woman asked her out?"

"Yes, I told Mommy!" Xiao Letong added.

"Since she knew, why did she agree to the invitation?" Gong Tianhao asked worriedly.

Xiao Letong shrugged his small shoulders and said nonchalantly, "Mommy said that it's nothing. Her body is now immune to all poisons. Moreover, since she knows her purpose, she just needs to be on guard. In any case, she has to meet that woman."

After hearing Xiao Letong's words, Gong Tianhao was silent for a moment, but he still said with some worry, "Tong Tong, Tell Daddy, is your Mommy's body really immune to all poisons? Then, do you really think that drugging won't affect your Mommy?"

Xiao Letong said, "Daddy, don't worry. Mommy is already immune to all these and won't have any effect. However, even if there's no effect, I won't let these rotten things touch my mommy. When mommy makes an appointment with that woman, I'll watch by Mommy's side. I won't let anyone hurt my Mommy."

When Gong Tianhao heard Xiao Letong's words, he was slightly relieved. He heaved a sigh of relief and said, "That's good. That's good." But then he thought of something and asked, "Tong Tong, how are you going to follow her?"

"Of course, I'm going to be invisible!" Xiao Letong said, "If I follow her openly, I won't be able to protect mommy openly."

"But if you're invisible, aren't you using a spell?" Gong Tianhao immediately said, "No, you can't use a spell, understand?"

He remembered the backlash that Leng Piao xue suffered when she used a spell. It was truly tragic.

For a woman who loved beauty and was arrogant, becoming bald and becoming a scabby person was truly a fate worse than death.

Xiao Letong smiled and waved his hand, "Alright, I'm not using a spell. It's just a trick. It won't affect anything. Don't worry."

"Alright, I know you have to protect Mommy. But you're our son, and we love you very much. Do you understand?" Gong Tianhao suddenly said to his son in a sentimental manner, "Son, you must not do something to hurt yourself. Do you understand?"

"Yes, I understand." Xiao Letong was touched by his father's sudden sentiment. "Don't worry. I still want to be with you guys."

Gong Tianhao then said with some relief, "Yes, our family will always be together in the future." Although he knew that his son had a long life, they were already satisfied with the company of their son in their limited time.

"Then I'll ask our son to protect your Mommy!" Gong Tianhao smiled and said.

"Yes, don't worry, I will definitely protect Mommy," Xiao Letong said, "According to our plan, we will return the favor. Daddy, you won't have any objections, right? You won't feel bad for that woman, right?"

Gong Tianhao was confused. He said, "Why would I feel bad for that bad woman? I hate her so much that I want to capture her and teach her a lesson."

Xiao Letong patted his chest and said with relief, "Isn't this Weng Jingjing your first love? I'm afraid that if I touch your first love, you'll get angry. Since you said so, I'm relieved. I can torture that woman. Daddy, Mommy is calling me. I won't talk to you anymore. I'm hanging up!"

Chapter 1070: The Big Finale

Gong Tianhao's face darkened when he heard the beeping sound on his phone. He gritted his teeth and said, "Xiao Letong!"

Gong Tianhao's face darkened when he hung up. He gritted his teeth and scolded, "It seems that Weng Jingjing can't be let off."

Then, he made a call to Li Yuanhang.

After Li Yuanhang came over and heard Gong Tianhao, he said angrily, "Is this Weng Jingjing's brain damaged? How could she do such a bad thing?"

Then, he asked, "Tianhao, how did you know that she was going to attack your wife?"

He had sent people to keep an eye on her. If Weng Jingjing did anything, he would be the first one to know.

But he hadn't received any news, and Gong Tianhao knew before he did.

Speaking of this, Gong Tianhao said proudly, "My son told me."

"Tong Tong?!" Li Yuanhang asked in surprise, "How did Tong Tong know?"

Gong Tianhao said proudly, "My son is a genius hacker. He learned hacking skills for two hours and became a top hacker. My son hacked into her phone to eavesdrop."

After Li Yuanhang heard this, his face revealed a look of shock, "Tong Tong is a hacker now? A top-notch hacker who has only learned hacking techniques for two hours? Tianhao, are you lying to me?"

He really could not believe that Xiao Letong was such a monstrous genius.

When others learned hacking techniques, it would take years or even decades. But for him to become a top-notch hacker in just two hours, let alone becoming a hacker, no one would believe it.

Gong Tianhao looked at Li Yuanhang's doubtful expression and said with slight displeasure, "Is there a need for me to lie to you? My Tong Tong has been known as a prodigy since he was one year old. When he was one year old, he spent more than half an hour memorizing the Dictionary. Now that he's four years old, what's wrong with spending two to three hours learning hacking skills? My son is a prodigy among prodigies."

Li Yuanhang was stunned for a moment before he reacted. He gave Gong Tianhao a thumbs up and said with a smile, "Tong Tong is really awesome. He is indeed a prodigy among prodigies. No matter how difficult it is for others to learn, it's easy for him to do it. I suspect that your son is not a man but a god!"

Gong Tianhao heard this and muttered to himself, "You are right. My son is indeed not a man but a real God."

Of course, he could not tell Li Yuanhang the truth.

Li Yuanhang did not think too much and nodded in agreement, "Yes, Tong Tong is a god. He can do things that mortals can not do easily. If he is not a god, then what is?"

"..." Gong Tianhao continued, "Weng Jingjing went straight to city Z and invited Yu 'Er to a cafe in City Z. She even booked a hotel and wanted to kill Yu 'Er!"

Li Yuanhang immediately said seriously, "I'll ask the people who are watching Weng Jingjing bring her back!"

Gong Tianhao waved his hand and said, "There's no need for that. Since we already know her purpose, we have our guard up. Besides, Yu 'Er also wants to play with her. We don't need to worry about that woman for the time being."

"..." Li Yuanhang asked, "Then what should I do now?"

Gong Tianhao must have something to tell him since he called him over.

Gong Tianhao said, "I've already tolerated that woman for too long. Now, she's even wanting to kill Yu 'Er. Seems like we were too lenient towards her before. From now on, I want her to experience hell. I want her to suffer a fate worse than death."

Li Yuanhang was stunned and said, "Tianhao, are you trying to..."

Gong Tianhao nodded, "Yes, it's what you're thinking! If she knew her place and apologized to Yu 'Er, I would give her a lighter punishment. Since she thinks so highly of herself, let her experience hell!"

Li Yuanhang nodded and said, "Okay, I got it. I'll do it right now!"

...

After the two women walked into the private room, Weng Jingjing suppressed the jealousy on her face and said to Xiao Lingyu with a smile, "I've always heard of Miss Xiao's great name, and I've also heard that she's a beauty that can topple cities and countries. Now that I look at you, it's true! Miss Xiao's beauty is so beautiful that even a woman like me can't help but be envious and attracted!"
