

Chapter 741: I Need a lot of Jades

When they learned the only person in the world who could use a jade pendant was Xiao Lingyu, they were relieved. Old Master Gong used the excuse of gifting the health wine to talk to that person.

Of course, everything was still a secret. Other than Xiao Lingyu, Gong Tianhao, Old Master Gong, and that person, no one knew what was going on!

When Xiao Letong learned that Xiao Lingyu intended to give some of the spring water in the space to the country, he only frowned slightly.

When Xiao Letong and Xiao Ling were alone in the room, Xiao Letong communicated with Xiao Ling telepathically. Xiao Letong smiled, "Ling 'Er, the opportunity has come!"

Xiao Ling was a little confused, "Brother, what opportunity has come?"

Xiao Letong said, "Our previous experiments confirmed that high-grade jade stones contain some spirit energy."

Xiao Ling nodded and said, "Yes."

Xiao Letong said slyly, "Mommy has decided to give the country a certain amount of spirit spring water, so there must be a certain negotiation process. Since we're providing them with such treasure, it's natural for us to demand something back, right?"

"..." Xiao Ling still looked at Xiao Letong with a half-understanding look.

Xiao Letong looked at him and sighed. He said helplessly, "Forget it. You won't understand it if I beat around the bush. Just do this. You need to tell Mommy that you need a lot of jade stones, and they have to be top-grade jade stones.

"With the stones, you'll be able to restore your Qi and thus produce more spring water. Otherwise, with the size of the army, even if each of them only consumes a small portion, you'd be exhausted. Therefore, you'll have to replenish your Qi. So you need the jade stones. Can you remember all that?"

Xiao Ling nodded in confusion. "Yes, I've remembered everything."

Xiao Ling was a relic spirit and had a good memory. It was just that he had never come into contact with people and was too naive.

Xiao Letong nodded and said, "Okay, go tell mommy that!"

Then...

"Ling 'Er, do you mean that you'd fall back into hibernation if we use too much of the spring water, and so you need to replenish your Qi to prevent that from happening?" Xiao Lingyu asked to confirm again, "And the source of replenishment comes from jade stones?"

"Yes, mommy!" Xiao Ling nodded very seriously, "Master, the spring water in my space isn't endless. If I give it out in such a large amount, it'll severely deplete my energy. The space will shrink, and I might not

be able to retain my human form anymore.” Xiao Letong taught him some, and some he added on his own. After all, Xiao Ling was the space spirit. He knew what would affect the space the most.

Xiao Lingyu was shocked, and then she shared a look with Gong Tianhao. She looked guilty. She hugged Xiao Ling in her arms and stroked his soft hair. She said with self-blame, “I’m sorry, Ling ‘Er. We didn’t consider this matter properly. We didn’t ask for your opinion and didn’t consider the consequences. We decided on this matter without consulting you. If you didn’t tell me, I really didn’t know that it would turn out like this!”

Seeing Xiao Ling Yu’s guilty and self-reproachful expression, Xiao Ling shook her head and said, “Master, it’s fine. I learned from Brother the saying that an ordinary man is innocent, but possessing wealth is a sin. We have an enemy in the dark, and she has been reborn too. If she is unable to obtain the space, she might expose your secret. In that case, we might as well start gathering allies. This is not a bad idea because we can gain the initiative by offering to cooperate with the country first.” Xiao Ling said very seriously.

Xiao Lingyu’s eyes lit up and she asked in surprise, “Ling ‘Er, how did you become so knowledgeable?” Xiao Ling was very simple-minded. He would usually only follow his heart. He would never have thought of such matters regarding the pros and cons of the secular world. After all, he was not a human and could not understand the complexity of human nature.

Xiao Ling blinked her big eyes and said, “I saw it on television and learned it!”

Gong Tianhao revealed a suspicious look on his face, but Xiao Lingyu didn’t doubt Xiao Ling. She kissed Xiao Ling’s little face and said with a smile, “Our Ling ‘Er is really smart. He’s really fast at learning things!” Then, Xiao Lingyu asked again, “Ling ‘Er, how many jade stones do you need?”

Xiao Ling thought for a moment and sighed like a little adult, “I’ll require a lot. A piece of Emperor’s green jade the size of an adult’s fist is equivalent to three drops of spring water.”

“What?” Xiao Lingyu and Gong Tianhao were shocked. They really didn’t expect that a piece of such a large top-grade jade would have so little spiritual Qi.

According to this ratio, Xiao Ling really needed a lot of jade.

Even though Gong Tianhao was the richest man in the country, he probably wouldn’t be able to collect so many jade stones.

Gong Tianhao thought for a while and said, “Yu ‘Er, this... Oh, right, Xiao Ling, what kind of jade stones do you need?”

Xiao Ling said, “Top-grade raw stones!”

“Raw stones?” Gong Tianhao frowned slightly. “Do they have to be raw stones?”

“That’s right!” Xiao Ling said.

“Why?” Gong Tianhao didn’t understand.

Xiao Ling said very seriously, “When raw stones are made into jade accessories, most of the Qi would have been hacked away. Therefore, raw stones will contain most Qi.”

“But there’s a problem,” said Gong Tianhao. “If we don’t crack the raw stones, how can we tell they contain jade?”

Xiao Lingyu also said, “Indeed. What should we do?”

Xiao Ling smiled and said, “Daddy, Mommy, have you forgotten that I’m not a human? I can determine which stone has Qi and which doesn’t easily.”

Gong Tianhao still frowned and said, “But raw stones need to be mined and transported.” Then, he thought of something, and his eyes lit up as he said with a smile, “Forget it. We’ll just leave this matter to the country to deal with. We just need to express this condition!”

The spring water was not endless. It was nothing asking for some compensation.

Chapter 742: Inner Demons

No one knew what Old Master Gong and the great leader had talked about.

Then, not long after, orders were secretly sent to various organizations.

After an unknown period of time, all the organizations and personnel in various places were reborn. When they appeared in front of the entire world on National Day, it simply shocked all the countries.

Of course, these were matters for the future.

...

Old Master Gong looked at the pails of spiritual spring water appearing in front of him. He looked worriedly at Xiao Ling, whose little face was a little pale, and asked very concernedly, “Ling ‘Er, are you really alright?”

Xiao Ling shook his head and said very seriously, “Great-grandfather, I’m fine. You don’t have to worry!”

Old Master Gong looked at the empty buckets in front of him that were filled one after another, and Xiao Ling’s face seemed to have turned even paler. In the end, he really couldn’t bear it anymore and said, “Yu ‘Er, that’s enough. If you continue, Ling ‘Er...” He couldn’t say anything. He felt like they were really too selfish towards Xiao Ling.

Were they going to sacrifice Xiao Ling to the country?

Xiao Lingyu saw Xiao Ling’s pale face and couldn’t bring herself to continue either.

She squatted down and picked Xiao Ling up. She said to Xiao Ling, “Ling ‘Er, are you okay?”

Xiao Ling smiled and said, “Mommy, don’t worry. I’m fine. I’m just a little weak now. I’ll recover soon.”

Old Master Gong immediately thought of the raw stones and stood up. “No, I have to ask when the raw stones will be transported over. Otherwise, how can Ling ‘Er endure this?” He walked to contact that person.

Gong Tianhao also looked at Xiao Ling worriedly and said, “Yu ‘Er, let Xiao Ling return to the farming space now!”

Xiao Lingyu reacted and said, "Yes, Xiao Ling, you should return to the farming space to rest for a while."

Xiao Ling did not reject and nodded lightly. "Okay!"

Then, he disappeared into Xiao Lingyu's embrace.

Xiao Letong, who had been quiet all this while, suddenly said to Xiao Lingyu, "Mommy, I'm very worried about brother Ling. Can I go to the farming space to accompany him?"

Xiao Lingyu nodded and said, "Yes, go!"

Then, Xiao Letong disappeared in front of everyone.

Of course, there was only family around. Those servants and bodyguards had all been sent away. Xiao Lingyu provided the country with spring water. Only one person knew about this. Based on his character, he would keep this secret.

After the two children disappeared, Xiao Lingyu's expression immediately became a little downcast.

Gong Tianhao stepped forward and hugged her shoulders, letting her head rest in his embrace.

Xiao Lingyu said in a muffled voice, "Tianhao, am I being too selfish? I had never considered Ling 'Er before. If I knew this would happen, I..."

Xiao Lingyu choked, "I should have asked Xiao Ling first. Now, we've promised to supply millions with spring water. Even if each person only drinks a drop, that'd still add up to tens of thousands of barrels! That would take half of Xiao Ling's life!"

But since they had already promised, they couldn't refuse.

Gong Tianhao was silent for a moment before saying, "Yu 'Er, return this water back into the space!"

Xiao Lingyu raised her head, "..."

Gong Tianhao said very seriously, "Right now, the most important thing is my family. This is not the solution. We have to come up with something else."

Gong Tianhao never thought that this was a good idea, to begin with.

Xiao Lingyu was silent for a moment before saying, "This... Is that a good idea? If we go back on our words, won't that person be angry?"

Gong Tianhao said, "That person has always placed the bigger picture first. He should understand that we can't exhaust our source. This can't work long-term!"

As he said this, Old master Gong walked back into the room and looked around. He asked, "Where's Ling 'Er?"

Xiao Lingyu said, "In the space!"

Elder Gong nodded and said, "Yu 'Er, I agree with Hao 'Er. Previously, we didn't think things through and didn't ask for Ling 'Er's opinion. We've made the rash decision on our own. This might affect Ling 'Er's life. We definitely have to think things through." He paused for a moment, then continued, "I've already

reported this to that person. According to him, he'll try to send the jade stones as soon as possible so that Xiao Ling can replenish his energy while providing the spring water."

Xiao Lingyu's eyes immediately lit up, and then she said happily, "Ah, that's great."

Then, she poured most of the water back into the farming space. She left only ten buckets behind. Then, she said, "Grandpa, let's transport these ten buckets of water over first. Everyone only needs to drink a small spoon. These ten buckets of water should be enough to strengthen tens of thousands of people."

Old Master Gong asked hesitantly, "How big of an impact will these ten buckets of water have on Xiao Ling?"

Xiao Lingyu shook her head and said, "Not much."

Old Master Gong nodded and said, "I'll get someone to transport it away now!"

No one said anything about how things came about.

After the things were transported away, Gong Tianhao said directly, "In the future, we'll only provide them with water if they send us raw stones! Otherwise, no deal!"

Xiao Lingyu nodded and said, "Okay!" Then, she said, "Luckily, Xiao Ling found a way to replenish his energy. Otherwise, I would have killed him!" She blamed herself so much.

Gong Tianhao comforted her, "You can't be blamed for this. We were all thoughtless. Yu 'Er, don't worry. I will immediately mobilize all the jade that has been found."

Xiao Lingyu said excitedly, "Tianhao, thank you!"

Gong Tianhao stroked the hair on his forehead and said with a doting smile, "Silly, we're husband and wife. There's no need to thank me. I also treat Xiao Ling as my own son. I love him as much as I love our son. As a father, I naturally don't want anything to happen to my son."

Xiao Lingyu nodded and said, "Yes."

In the space, Xiao Letong looked at Xiao Ling, who was lying in the spring pool, and asked with concern, "Are you okay?"

Xiao Ling shook his head gently and said, "I'm fine. I was just a little uncomfortable just now, but I'm much better now!"

When he said this, there was still some worry between his brows. He said, "Brother, do mommy and Daddy not want me anymore?"

Xiao Letong asked in confusion, "Why would you ask that?"

Xiao Ling's two thumbs rubbed together, looking a little nervous. He said, "It's them... they..."

He mumbled for a long time, but he couldn't finish a sentence.

Xiao Letong understood what he meant. He said, "Are you sad that they have never asked for your opinion before doing something like this?"

Xiao Tong cursed internally, 'This is not good. This is the sign of the surfacing of an inner demon. If this is not dealt with in time, it will have a great impact on Xiao Ling's cultivation.'

Xiao Letong lightly patted his head and was a little regretful. He was too careless and did not realize that there was a problem with Xiao Ling.

If he had discovered this problem earlier, he would have been able to solve it in time.

The reason why Xiao Ling had an inner demon was that Xiao Lingyu had basically sold him out. She agreed to this without asking for his opinion.

Xiao Ling fell silent after hearing Xiao Letong's question.

Silence meant acquiescence!

This was really bad!

Xiao Letong thought to himself, 'Even though I'm an almighty cultivator in the world of cultivators, I don't know how to deal with inner demons.'

"Xiao Ling, how can you think like that?" Xiao Letong suddenly shouted, "Mommy and Daddy didn't do it on purpose. They are just ordinary people and don't know that this spring water is connected to your existence. Now that they do, they are burdened by heavy guilt. They will definitely make up for their own mistakes. Don't let your imagination run wild anymore!"

Xiao Ling lay in the pool and nodded lightly. "Yes, brother is right. I know Master likes me."

However, Xiao Letong saw a wisp of black gas float out of the pool.

He pointed with his small hand, and the black gas immediately dissipated. However, his small brows furrowed.

Chapter 743: Two Small Light Bulbs

As more black gas came out of Xiao Ling's body, Xiao Letong was really anxious. He didn't know how to solve this. But he knew that the problem had to be solved by the people who caused it.

Just as Xiao Letong was about to expose his identity and communicate with his parents, he heard a voice coming from outside the space. His eyes turned, and he immediately made a few gestures. Then, the conversation outside the space came in.

"Tianhao, am I being too selfish? I had never considered Ling 'Er before. If I knew this would happen, I..."

"I should have asked Xiao Ling first. Now, we've promised to supply millions with spring water. Even if each person only drinks a drop, that'd still add up to tens of thousands of barrels! That would take half of Xiao Ling's life!"

"Yu 'Er, return this water back into the space!"

As soon as these words were spoken, the water level in the spring pool suddenly became rose. Then, Xiao Ling's face turned from pale to ruddy. The black gas emitted from his body decreased a little, but they were still there. In other words, the inner demon had not been fully dispelled!

“In the future, we’ll only provide them with the water if they send us raw stones! Otherwise, no deal!”

“Okay!”

“Luckily, Xiao Ling found a way to replenish his energy. Otherwise, I would have killed him!”

“You can’t be blamed for this. We were all thoughtless. Yu ‘Er, don’t worry. I will immediately mobilize all the jade that has been found.”

“Tianhao, thank you!”

“Silly, we’re husband and wife. There’s no need to thank me. I also treat Xiao Ling as my own son. I love him as much as I love our son. As a father, I naturally don’t want anything to happen to my son.”

Xiao Letong’s eyes lit up. He noticed that the black gas had stopped coming out of Xiao Ling’s body.

Xiao Letong shouted excitedly, “Xiao Ling, wake up quickly. Otherwise, I’ll make you write a hundred words in calligraphy!”

With a thump, Xiao Ling’s big bright eyes opened. There was still some confusion in his eyes. He subconsciously asked, “Brother, what happened to me just now? I feel like I fell asleep. But, I don’t need sleep...”

“It’s fine.” Xiao Letong ran over happily and stroked Xiao Ling’s soft fur as he said with a smile, “You did sleep just now. You’re just too tired. You needed to rest. In fact, you still need to rest. I’ll stay here and watch over you!”

Xiao Ling replied in a soft voice, “Yes, thank you, Brother!”

He felt a little sleepy and wanted to sleep for a while more.

Xiao Letong looked at Xiao Ling. Xiao Ling looked calm. Xiao Letong stopped worrying. Xiao Letong touched Xiao Ling’s fair and clean little face, and his eyes showed some heartache. He said softly, “So, you’re also afraid of being abandoned too!” Xiao Letong used to be a child who was abandoned, so he understood Xiao Ling.

Xiao Ling’s inner demon stemmed from a fear of abandonment too. First, he was abandoned by an immortal child. This had planted the inner demon in Xiao Ling, but no one had touched that part of his heart before.

But in this case, Xiao Lingyu gave away most of the spring water without asking for Xiao Ling’s opinion. Not only did it cause injuries to his body, but it also caused serious injuries to his heart.

Fortunately, Xiao Lingyu and Gong Tianhao realized their mistakes.

Indeed, they had made a deal with someone without asking for Xiao Ling’s opinion. However, they felt so guilty when they saw how badly they had hurt Xiao Ling. They instantly wanted to protect him. It was why they had that conversation. The words exchanged helped Xiao Ling solve his inner demon.

Xiao Letong grabbed Xiao Ling’s hand and said, “Xiao Ling, you are my good brother. We will always be good brothers!”

“Yes, we will always be good brothers!” At this moment, Xiao Ling suddenly replied. Then, he slowly opened his eyes and said sincerely, “Brother, thank you for everything. I knew what happened earlier.” To cultivators and relic spirits, inner demons were extremely terrifying! Xiao Ling didn’t know he had a latent inner demon. He was afraid of being abandoned too. Fortunately, that didn’t happen.

Xiao Letong pinched his face and said with a smile, “You defeated the inner demon on your own. I didn’t do anything!”

Xiao Ling’s eyes were smiling like crescent moons. He was very cute and beautiful.

Outside the space, Xiao Lingyu and Gong Tianhao had no idea how dangerous it was inside the farming space.

The matter of negotiating with that person was left to the old master. The old master would definitely not let them suffer a loss.

...

Then, Gong Tianhao brought Xiao Lingyu out.

That’s right. They went out.

They went shopping. This was the promise Gong Tianhao had given Xiao Lingyu. They would go shopping, and he would pay for everything she bought.

Since they knew the person targeting them was Leng Piauxue, they felt more at ease. Plus, they had the extra guarantee that immortal relics couldn’t be used against mortals without backlash. So they went shopping to relax and to fish out Leng Piauxue.

Leng Piauxue had killed Bai Shanshan, so she would suffer a backlash. However, the people sent by Gong Tianhao had not reported any strange about Leng Piauxue and the Leng Family. Neither of them reacted strangely.

However, it was still unclear what kind of backlash Leng Piauxue had suffered.

In order to put on a good show, Xiao Lingyu and Gong Tianhao both dressed up in casual clothes. They were no different from ordinary couples who went shopping.

Gong Tianhao was usually very particular about how he dressed up. He was also very meticulous. It was rare for him to wear casual clothes. This only happened once in the past. It was when Xiao Lingyu was pregnant. Gong Tianhao put away his suit and leather shoes to accompany Xiao Lingyu. But that was in the countryside.

It was the first time he was strolling around in casual clothes in the capital.

Before they left, Xiao Lingyu selected the outfit for Gong Tianhao.

“How is it? Is it comfortable?” Xiao Lingyu asked with a smile as she picked out a set of white casual clothes for Gong Tianhao.

Xiao Lingyu said with a smile, "Tianhao, don't wear a suit and leather shoes every day. It's tiring and uncomfortable. In the future, when we can wear casual clothes, we'll wear casual clothes. How about that?"

Gong Tianhao said with a smile, "Okay, I'll do whatever my wife says!" In fact, wearing casual clothes was indeed comfortable.

Xiao Lingyu picked out a set of casual clothes similar to Gong Tianhao's. They looked like a couple. Then, she tied a ponytail and wore sports shoes. It was light and comfortable.

Then, when the two of them were about to go out arm in arm...

"Mommy, Daddy, where are you going?" Xiao Letong's voice drifted out.

The two of them paused and felt a little awkward.

They seemed to have forgotten about their beloved son.

How were they supposed to explain this?

Xiao Lingyu smiled and wanted to explain, but Xiao Letong waved his small hand and said with a smile, "You don't have to explain. I know that you must be planning to go on a date, right? Look at the couple's outfits you're wearing."

Gong Tianhao nodded and said, "Yes, your mommy and I are going on a date." Then, he glared at Xiao Letong and Xiao Ling, who was behind Xiao Letong. 'So, don't come along and be lightbulbs.'

However, Xiao Letong did not seem to understand what his father meant.

He smiled and asked Xiao Lingyu, "Mommy, can you bring me along? I just came to the capital, and I really want to see the capital!"

Xiao Lingyu glanced at Gong Tianhao and said, "Ahem... Tong Tong, your father and I are going to watch a movie..."

"That's great! I like watching movies. That means you're going to the cinema. Mommy, I haven't been to a cinema, and neither have brother. Mommy, bring us along, please!"

Gong Tianhao and Xiao Lingyu, "..."

Gong Tianhao said with a dark expression, "Why would we bring you? You and your mommy are going to watch a romantic movie. Do you like being the third wheel so much?"

"..." Xiao Letong said unwillingly, "It's more romantic when the whole family is there."

Gong Tianhao and Xiao Lingyu, "... Forget it, let's bring these two little light bulbs."

Chapter 744: A Family of Four

He was dressed normally, taking his wife and children shopping, watching movies, shopping, and playing at the amusement park.

However, Gong Tianhao felt that he was the one who was brought out by his wife and children to play,

Xiao Letong looked at the amusement park in front of him and said excitedly, "Daddy, Mommy, let's go to the Ferris Wheel!"

Gong Tianhao, whose face was pale from riding the roller coaster earlier, had his face turned even paler when he heard that. He asked his son, "Son, aren't you afraid of heights?"

Xiao Letong shook his head and said, "I'm not afraid! I like to stand in high places the most. It's great to stand high and see far!" He stood with his hands behind his back, looking very proud and arrogant.

Xiao Ling blinked his eyes and saw that Gong Tianhao didn't look too good. He asked curiously and honestly, "Daddy, are you afraid of heights?"

Gong Tianhao's expression froze. Then, he smiled and said, "No... Of course, not!" He was indeed not afraid of heights!

He had been trained since he was young and had to overcome all kinds of obstacles. Otherwise, he wouldn't have become a qualified soldier.

However, he had never been to an amusement park before. He didn't expect the rides there to be so 'exciting'. How could these parks not consider the children?!

This was the first time Gong Tianhao was so naive.

Xiao Lingyu looked at Gong Tianhao suspiciously. His face was indeed a little pale. She asked curiously, "Tianhao, have you never been to an amusement park before?"

Gong Tianhao said guiltily for the first time, "Of course I have!"

Of course, he had not.

His parents had died when he was young, and his grandfather was busy with work. No one would bring him to an amusement park. The bodyguards wouldn't dare to bring him into public spaces for the sake of his safety. They were afraid that something uncontrollable would happen. Then, Gong Tianhao was busy with his studies and work. He didn't have time for recreation.

How could he have imagined that his first time at an amusement would be when he was thirty with his wife and kids?

Xiao Lingyu noticed his slightly guilty expression and said with even more suspicion, "Oh, is that so?" She exchanged a look with her son. Xiao Letong immediately pointed at the Ferris wheel and said, "Then Daddy, let's go ride the Ferris wheel. That will be fun."

Gong Tianhao's expression froze for a moment before he asked suspiciously, "Very fun? Xiao Letong, how would you know it'll be fun? Have you ridden it before?"

Xiao Letong said, "I haven't played it before, but I've seen it on television. It'll look so fun!"

Gong Tianhao looked at the Ferris wheel high up in the sky and asked suspiciously, "This goes so high. Are you sure a child like you can take it?" Even Gong Tianhao felt shaky. Could his son stomach this?

Xiao Letong argued, "Daddy, I'm not a child anymore! I'm already five years old!"

Gong Tianhao reminded him slightly, "Tong Tong, you're only three years old now! Actually, you're still a month away from three years old."

"But I look like I'm five years old," Xiao Letong said indignantly. "Look at those five-year-old children. They're not as tall and strong as me. Actually, I can say that I'm six years old."

Gong Tianhao and Xiao Lingyu, "... Tong Tong was clearly lying to himself.

Xiao Lingyu rubbed her forehead and said, "Son, I want to discuss something with you."

"Yes, Mommy, go ahead!" Xiao Letong nodded.

Xiao Lingyu said, "Can you not lie about your age anymore?"

"What do you mean?" Xiao Letong blinked and asked curiously.

"I'm under a lot of pressure when you say that you're five or six years old!" Xiao Lingyu said earnestly, "After all, five or six years ago, your mommy was still an untouched woman."

"Huh?" Xiao Letong was dumbfounded.

Gong Tianhao couldn't help but laugh.

Gong Tianhao patted his little head and said earnestly, "Son, five or six years ago, your father was also an untouched man."

"Ah?" Xiao Letong was dumbfounded again.

Xiao Lingyu burst into laughter when she heard Gong Tianhao say that. She leaned against Gong Tianhao and laughed until she could not straighten her back. She even burst into tears.

"Haha... Tianhao, I didn't expect such a serious person like you to make such a joke. It's so funny!" Xiao Lingyu laughed so hard.

When Gong Tianhao saw Xiao Lingyu laughing so happily, he asked in amusement, "Is it really that funny?"

Xiao Lingyu nodded obediently and said, "Yes, it's funny."

Gong Tianhao nodded and revealed a faint smile. Then, he said, "As long as you're happy!"

The two little light bulbs didn't know what their mommy was laughing about. They looked at Xiao Lingyu with puzzled expressions.

Xiao Letong asked curiously, "Mommy, what is an untouched man?"

Xiao Lingyu took a bottle of water from Gong Tianhao after she got tired of laughing. She was drinking when Xiao Letong asked that innocent question. Then, she spat out a mouthful of water. "Ahem..." Xiao Lingyu choked. When she recovered, she said, "Uh, I don't know either. Ask your Daddy."

Then, Gong Tianhao received the two little ones' pleading eyes. His cold face blushed. "Ahem, uh, it's... It's..." As a man, even he felt embarrassed.

Xiao Ling asked curiously, "What is it?"

Gong Tianhao took a deep breath. He felt like he was dying. He said, "It means that a person is a virgin. Do you understand?"

"No!" The two little light bulbs shook their heads in confusion.

Gong Tianhao, "... " This is awkward!

Xiao Lingyu jumped in to help. She said, "Alright, you're still children. You'll understand when you're older."

"Oh!" The two little light bulbs nodded. As expected, they didn't ask any further.

In the end, Xiao Lingyu and Gong Tianhao each held a child's hand and went to play on the Ferris wheel.

The two children sat on the Ferris wheel and kept screaming. It was too exciting.

Gong Tianhao, who was still feeling dizzy, felt all the dizziness and nausea go away when he saw how happy his family was. Then, he and the children started screaming in unison.

After they got off the Ferris wheel, Gong Tianhao's spirits were getting better and better. He said, "Do you want to go play on the Ferris wheel again?"

"Huh?" Xiao Lingyu and two kids looked at Gong Tianhao, who was in good spirits.

Then, the mother and sons exchanged a look. Xiao Letong's eyes lit up, and he immediately replied excitedly, "Sure!"

Then, the family of four went to play again.

After playing for three rounds, Xiao Lingyu's face was pale, and her body was a little weak. Xiao Letong's condition was not much better than his mother's, but Xiao Ling did not seem to have changed much.

As for Gong Tianhao, he was still the same, but his spirit was getting better and better!

Gong Tianhao smiled and asked, "Let's go play again!"

Xiao Lingyu immediately waved her hand and refused, "I can't do it anymore. You guys go ahead. I'll take a break!"

She and her son wanted to toy with Gong Tianhao, but they were the ones being toyed with.

Xiao Letong also waved his hand and refused, "I can't do it anymore. I'm not playing anymore!"

Gong Tianhao looked at Xiao Ling. Xiao Ling nodded seriously, "Yes, Daddy, I'll play with you!"

When they played for the fifth time, Gong Tianhao finally couldn't take it anymore, but Xiao Ling was in good spirits.

The staff member was surprised to see that such a young child didn't have any side effects from riding on the Ferris wheel. He smiled and praised, "This child is very adventurous. Train him well. He must be a talent!"

Gong Tianhao, "... " he wanted to ask, was there a relationship between adventurous spirit and talent?

After the family of four rested for a while, they continued to play other games.

The amusement park was very big. There were all kinds of exciting games that could be played for a day.

When they walked out of the amusement park, Gong Tianhao said excitedly, "The amusement park is so fun. Tong Tong, Ling 'Er, I will definitely bring you to play more in the future."

"Sure!" The two children said.

Xiao Lingyu said speechlessly, "It's okay to come to the amusement park once or twice. If you come here every day, you'll get bored."

"We won't!" The father and son said in unison.

Xiao Lingyu, "..."

Xiao Ling, "..."

Chapter 745: Buy, Buy, Buy

"Eldest miss, Gong Tianhao and Xiao Lingyu and their two kids have gone to the amusement park!" The subordinate reported to Leng Piao xue.

"Four of them went to the amusement park?" Leng Piao xue frowned and was a little puzzled. "Doesn't Gong Tianhao only have one son? Why are there two sons?"

In the previous life, when Gong Tianhao brought them home, there was only Xiao Lingyu and that child. That child looked very similar to Gong Tianhao, so he was definitely his child. That child was very smart and had a high IQ. He was known as a child prodigy.

Gong Tianhao and his wife loved this child very much.

But why were there two children this time?

This was completely different from her previous life.

Leng Piao xue asked, "Is the other child also Gong Tianhao's child?"

The subordinate reported, "No! It's the son of Xiao Lingyu's friend. Xiao Lingyu and Gong Tianhao regard him as their adopted son, so he keeps calling them Mommy and Daddy!"

Leng Piao xue thought for a moment, then immediately ordered, "Send someone to investigate the identity of this child!" That child gave her a very special feeling, and she had a bad feeling in her heart.

"Yes!" The subordinate was slightly puzzled. 'Why would the eldest miss pay attention to a child?'

After the subordinate left, Leng Piao xue looked at the red rope in her hand and tried to shout, "Immortal, immortal..."

The red rope didn't respond at all.

Leng Piao xue's expression changed, and she kept trying to call out again, "Immortal, immortal, are you there?"

The red rope was very quiet!

Leng Piao-xue was angry and flustered.

Without the invisibility spell given by the immortal, she was afraid and did not know what to do.

Right now, she was waiting for the immortal to recover so that she could regain her appearance and the invisibility spell. Then, she could use the spell to deal with Xiao Lingyu and Gong Tianhao. She knew that she could not use the spell to kill mortals directly, but she could use her spell to influence others to do the dirty work for her.

...

The news of Gong Tianhao taking his wife and children shopping was reported by all the major media outlets in the capital.

Although Gong Tianhao's family of four had disguised themselves, they were recognized by others very quickly. Then, the crowd swarmed after them. After the major media outlets in the capital heard the news, they rushed over immediately and started filming. However, they didn't dare to disturb them while they were shopping.

"This family is really too beautiful!" The people following behind them kept exclaiming, "The man is handsome, the woman is beautiful, and the children are cute."

"I really want to carry the children home. They're so beautiful and so cute!"

"I also really want to carry the children home!"

"Seeing such a cute child, I suddenly want to give birth to one too." A woman who had always been against giving birth suddenly wanted to have a child of her own. With such a cute child by her side, she would be very happy.

"I want to have a child too. Children are so cute."

...

Xiao Lingyu was like all women. When she went shopping, she would buy things for her husband. She bought all kinds of clothes. Then, she purchased children's clothes for the kids. Xiao Lingyu fell in love with buying clothes for her children. She had the children try the clothes on. They were so cute that they almost melted her heart.

"Baby, this beige Chicken Little outfit and this blue Doraemon outfit. Which one do you like more?" Xiao Lingyu held the two sets of clothes and asked with difficulty, "Both sets are so cute. I want to buy them both!"

Xiao Letong rolled his eyes indecently and said helplessly, "Mommy, the clothes you bought for my brother and me can already fill three cars. They can last for a few years. I think we can stop buying clothes now."

No matter which set it was, he didn't like it. It was too childish. Xiao Letong preferred normal casual clothes. He had enough at home. However, his mother appeared to get addicted to buying clothes for them.

They were too easy to shop for. Gong Tianhao was handsome, tall, and slender. He was practically a model.

The children were pretty and cute. They were cuter than the child model. If the shop owner weren't afraid of Gong Tianhao, she would have asked the two kids to model some clothes for her. They would definitely attract a lot of customers. Gong Tianhao was too rich to need his children to model clothes. Even so, the shop owner was very happy.

She got a big customer. The moment Xiao Lingyu walked into the shop, she bought a lot of stuff.

Xiao Lingyu looked at the furry beige clothes and said with a smile, "Let's choose this one. It's too cute. You'll look like a newborn chicken!"

Xiao Letong immediately reminded her, "Mommy, the clothes you bought are all very cute! Then there's no need to buy this one!"

At the thought of wearing like a chick, Xiao Letong immediately felt a chill run down his spine.

Xiao Lingyu said reluctantly, "No, this is too cute. Shall we buy it?" The last sentence was directed at Gong Tianhao.

Gong Tianhao immediately agreed, "Yes, buy it, buy it all!"

Everyone, "..." this wife slave.

The crowd had followed them all day and had personally witnessed how he doted on his wife.

No matter what Xiao Lingyu wanted to do, he would obey her unconditionally. In order to curry favor with his wife, he even secretly threatened his son to make them obey whatever decision his mother made.

He was simply the best husband. He was handsome, rich, and doted on his wife.

This was the ideal person for all women to marry!

It was a pity that they had only seen such a husband on television.

However, now that they met such a husband in person, they instantly worshipped the woman who subdued this man.

Men conquer the world.

Women conquer the world by conquering men!

The young madam of the Gong Family was the woman who conquered the men of the world. She was too amazing and too legendary.

Chapter 746: Jiang Tao's Invitation

“Boss, as expected, someone has been keeping an eye on you!” After returning to the Gong family, the subordinate reported this matter to Gong Tianhao.

The purpose of this shopping trip was twofold. One, they really wanted to go shopping; Two, it was to bait out the culprit.

“Our people tracked him down and found that he was indeed sent by Leng Piao xue,” the subordinate continued to report.

Gong Tianhao nodded and said, “Yes. What else did you find?”

The subordinate furrowed his brows and said in confusion, “Leng Piao xue seems to be especially concerned about the second little young master. She sent people to investigate the second little young master’s background!” These subordinates didn’t know about Xiao Ling’s background either. However, it was strange that Lady Leng seemed to be especially concerned about Xiao Ling. Could it be that Xiao Ling had something to do with her?

Gong Tianhao seemed to have expected this. He nodded and said, “Okay, I got it. Continue to pay close attention to Leng Piao xue’s movements!”

“Yes!” His subordinate replied. Then, he said hesitantly, “Boss, we’ve noticed something strange about Leng Piao xue’s body recently.” Gong Tianhao said that they needed to report any abnormalities immediately.

“Abnormality?” Gong Tianhao asked curiously, “What kind of abnormality?”

The subordinate reported, “We noticed that Leng Piao xue doesn’t like to go out anymore. Even when she goes out, she always wraps herself up tightly, leaving only her eyes exposed.” That was unlike the vain Miss Leng.

Gong Tianhao nodded and said, “Understood. You can leave now!”

“Yes!” After his subordinate left, Xiao Lingyu made a guess, “Previously, we have already confirmed that our enemy is Leng Piao xue. Now, she is unwilling to leave the house. As soon as she leaves the house, she wraps herself up tightly. It sounds like her backlash is probably disfigurement.”

Gong Tianhao said, “That is very likely to be the case!”

Xiao Lingyu asked, slightly puzzled, “If Leng Piao xue was really reborn, and given her past life, it’s very likely that she has formed a grudge against us. But how did that happen? Why would she hate me so much that she’d want to kill me?” Xiao Lingyu never offended someone unless they offended her first. However, there must be a reason for her enmity with Leng Piao xue.

Gong Tianhao said, “Since she is a reincarnated person, and she probably knows that you hold space in your hands, she probably wants to seize space. Could that be why she’s doing this?”

Xiao Lingyu shook her head, “I’m afraid that’s not the biggest reason!” The farming space had great allure, but Leng Piao xue could go invisible. It wouldn’t be too hard for her to seize it.

Gong Tianhao frowned and fell into deep thought.

Xiao Lingyu asked, "Tianhao, what are you thinking about?"

Gong Tianhao said, "Rather than making guesses, why don't we ask her directly?"

"Ask her directly?" Xiao Lingyu was a little puzzled.

"Yes, we can ask her out to meet up!" Gong Tianhao thought for a while and said, "We will know more then!"

"But how can we get Leng Piaoxue to come out with us?" Xiao Lingyu said with a smile, "Leng Piaoxue is so hostile to us. Why would she agree to meet us? Can we even do that?"

Gong Tianhao said with a smile, "We can't, but there's one person who can."

"Who is it?" Xiao Lingyu asked curiously.

...

"Brother Tao, do you want to ask me out for dinner tonight?" Leng Piaoxue was very excited and happy when she received Jiang Tao's invitation.

Ever since she got engaged to Jiang Tao, she was the one who took the initiative to invite him.

Leng Piaoxiao was known for her cold and elegant temperament. Therefore, every time she looked for Jiang Tao, she gave up her reserve as a woman. Every time she saw him, she was filled with the desire of a young girl, and her eyes were shining.

However, what disappointed her time and time again was that Jiang Tao would always give her the cold shoulder. Sometimes, he would even be too lazy to deal with her. This made Leng Piaoxue feel very painful, sad, and even desperate.

However, this time, she suddenly received Jiang Tao's invitation. While her heart was excited, she quickly calmed down.

She suppressed her excitement and asked very calmly, "Brother Tao, why did you suddenly think of inviting me to dinner?"

Jiang Tao's voice was still very cold. He said, "I've been engaged to you for so long, but I haven't taken the initiative to invite you to have dinner with me. I feel very sorry!"

After hearing Jiang Tao's words, the corners of Leng Piaoxue's eyes sparkled with tears. She really wanted to agree immediately, but when she touched her hair, she instantly came back to her senses.

No, with her current appearance, it was impossible for her to meet Jiang Tao.

She didn't want Jiang Tao to see her ugly appearance.

However, this was the first time Jiang Tao took the initiative to invite her on a date. She didn't want to miss it. What should she do?

No, Jiang Tao didn't like her to begin with. If he discovered her ugly appearance, he would definitely dislike her even more.

After an intense battle of inner thoughts, Leng Piauxue ruthlessly rejected Jiang Tao's invitation.

She wanted to wait for the immortal to wake up. He must have a way to restore her appearance.

After hanging up on Jiang Tao, Leng Piauxue angrily threw her phone away. The high-end black phone was immediately shattered into pieces.

"Ah!"

She cried out in pain. Then, she grabbed her hair. Instead of her long hair, her hands only touched a bald scalp. There was not even a strand of hair. Clearly, her hair hadn't grown back.

However, this was not the scariest part. The scariest part was her face. It was full of potholes. When one looked closer, it was disgusting. It was different from her usual beautiful face.

A bald head and a pothole face. Clearly, there was no beauty to speak of. She was disfigured.

"Ah!" Seeing the shiny bald head and a pockmarked face, Leng Piauxue cried out in despair and pain.

She covered her ears, and she screamed with all her might, constantly venting her anger, panic, and despair.

A woman who used to be so cold and beautiful suddenly turned into an ugly monster. She had suffered greatly.

The servants and bodyguards outside heard the crazy shouting in the room. It had become a habit for them to carry on like usual. They were not to ask or say anything. If not, they would lose their lives. This was because they already knew that the lady in the room had become a lunatic.

...

After Jiang Tao put down the phone, he shrugged at Gong Tianhao and Xiao Lingyu and said with a smile, "You heard it. Leng Piauxue rejected my invitation!"

Gong Tianhao and Xiao Lingyu, "...". They had never seen anyone so happy after being rejected by a woman.

Then, Jiang Tao asked with some doubt, "Tianhao, why do you think that Leng Piauxue wouldn't reject my invitation?"

Gong Tianhao smiled, shook his head, and said, "It was nothing. I just wanted you to give it a try."

The Leng family loved Leng Piauxue very much. Old Master Leng had long said that Leng Piauxue could marry the person she liked. If Leng Piauxue didn't like Jiang Tao, the marriage between the Jiang and Leng families wouldn't be successful.

And Leng Piauxue's engagement with Jiang Tao showed that Leng Piauxue did like Jiang Tao.

When Jiang Tao heard Gong Tianhao's words, he said somewhat speechlessly, "Why would you use me to try something like this?"

But then, Gong Tianhao's expression became very serious as he said, "Tao, I need you to do me a favor. Since you don't succeed this time, you can try a second time, a third time, until she agrees to meet up with you. When that happens, you must inform me!"

Jiang Tao asked curiously, "Hao, why?" Why would they ask him to ask Leng Piauxue out?

Gong Tianhao said, "Tao, I can't tell you why yet, but what I can tell you is that this is very important to us."

"..." Jiang Tao thought for a moment, "Alright, I'll try my best."

"Thank you!" Gong Tianhao thanked him sincerely.

Jiang Tao looked at the time and said to the couple, "It's time for dinner. Why don't we have dinner together?" He looked at Xiao Lingyu.

Gong Tianhao immediately rejected him. "Tao Zi, it's not convenient for us to have dinner with you now. Let's do a raincheck."

Jiang Tao sighed and said, "Alright then!"

Chapter 747: Escapade

After Gong Tianhao and Xiao Lingyu left, Jiang Tao looked at their backs and could not come back to his senses for a long time.

'They are really very happy now!'

...

Gong Tianhao and Xiao Lingyu had come to find Jiang Tao while avoiding Leng Piauxue. They could not let Leng Piauxue notice anything, or else she would become vigilant. They didn't want to put Jiang Tao in danger.

They could not be sure if Leng Piauxue really liked Jiang Tao or how much she liked him. Now, they could only gamble.

The two of them held hands.

Xiao Lingyu asked, "Tianhao, does Leng Piauxue really like Jiang Tao?"

Gong Tianhao shook his head and said, "I don't know either!"

But he guessed that Leng Piauxue really liked Jiang Tao. Leng Piauxue's extreme hostility towards Yu 'Er was very likely related to Jiang Tao.

Although he did not know what kind of person Leng Piauxue was in her previous life, in this life, Leng Piauxue was born in the Leng family. She was so doted on that she even had the freedom to choose her marriage. She would not be in a political marriage alliance. For a young lady born into a big family, this was great happiness.

The Leng family had chosen to let Leng Piauxue get engaged to Jiang Tao, Leng Piauxue did not object. This proved that Leng Piauxue really liked Jiang Tao.

Since she liked Jiang Tao, once she knew Jiang Tao had another woman in his heart, how would Leng Piao xue feel? Would she be jealous? Or would she pursue him openly and strive to replace that woman's position in his heart?

Judging from how Leng Piao xue hated Xiao Lingyu so much and even wanted to kill Xiao Lingyu, it was very likely that she was jealous. She wanted Xiao Lingyu to disappear so that Jiang Tao's heart would become empty again.

Of course, this was Gong Tianhao's guess. He did not want Xiao Lingyu to think too much and add to her burden, so he didn't share with her his guess.

Xiao Lingyu frowned and said doubtfully, "Tianhao, even though I have not met Leng Piao xue, why do I feel that there is something wrong with her hostility and hatred towards me?"

"..." Gong Tianhao comforted her, "Maybe she knows that you have the space of the jade pendant and wants to take it from you."

"Is that so?" Xiao Lingyu was slightly suspicious. She still felt that something was wrong.

"Alright, don't think too much!" Gong Tianhao held her in his arms and said, "No matter what enmity Leng Piao xue has towards us, we will protect ourselves."

From the moment she made her move to kill Xiao Lingyu, Gong Tianhao had never thought of letting Leng Piao xue go.

Moreover, she had another immortal artifact in her hands and could use the invisibility technique. This was a huge hidden danger for them. Their lives wouldn't be safe if they didn't remove this threat!

Xiao Lingyu frowned and said, "But she is now Jiang Tao's fiancée. They may be husband and wife in the future. Will it affect Jiang Tao if we treat her like this?"

Gong Tianhao said with certainty, "Jiang Tao will not marry her!" Such a vicious and ruthless woman was not worthy of Jiang Tao at all.

Xiao Lingyu shook her head and said, "That's hard to say. Relationships are unpredictable. What if, in the future, Jiang Tao really falls in love with Leng Piao xue? They are now engaged. If we do this, will it..." affect Gong Tianhao and Jiang Tao's friendship?

Gong Tianhao smiled and said, "No! Jiang Tao is a person who knows right from wrong."

Xiao Lingyu sighed and said, "In any case, I feel that we have let down Jiang Tao." It didn't feel easy destroying a marriage.

Gong Tianhao comforted her, "Tao Zi can always find a woman he likes! However, we still have to give Tao Zi a warning."

After all, dealing with Leng Piao xue did not mean dealing with her alone. Instead, it meant dealing with the entire Leng family behind her.

It seemed that the Gong family was destined to become enemies with the Leng family!

As for Jiang Tao's side, now that Jiang Tao held great power in the Jiang family, no one could easily influence his marriage.

...

In the middle of the night, in the Gong family's children's room, Xiao Letong used an illusion to turn the two pillows into illusionary Xiao Letong and Xiao Ling. They were lying on the bed, sleeping. As long as no one deliberately tested their breathing, no one would suspect that these two people were fake.

Seeing this illusion, Xiao Ling's eyes sparkled with stars. He said in admiration, "Brother, you're so powerful!"

Xiao Letong clapped his hands and said with a smile, "This is just a small matter!"

"No, you're really powerful!" Xiao Ling said very seriously, "I remember that cultivator at the fifth level of Qi cultivating stage shouldn't be so powerful."

Xiao Letong said, "Ling 'Er, have you forgotten? I only look like I'm at the fifth level of the Qi cultivating stage, but my soul is very powerful."

Xiao Ling immediately reacted and nodded, "Oh, yes. Big Brother was once a mighty figure in the Mahayana stage."

Xiao Letong suddenly held Xiao Ling's hand and said very seriously, "Alright, let's not talk anymore. While everyone is sleeping, let's hurry up and leave. We'll go early and come back early!"

After saying that, he took out two yellow talisman papers and stuck one on each of them. Then, their figures disappeared from the room.

A moment later, they arrived outside a villa.

"Brother, the smell of blood here is so strong!" Outside the empty room, no one could be seen, but a voice could be heard. If someone else were there, they would think they had encountered a ghost.

Then, another young and clear voice said, "A lot of murders have occurred here, so the smell of blood is strong."

"Murders?" Xiao Ling frowned. "Isn't the punishment severe for murders in this world? How come they haven't been punished?"

"Silly!" Xiao Letong said, "That's because they haven't been discovered. So..." At this point, Xiao Letong's eyes lit up. He suddenly thought of something and said, "Oh, I got it!"

Xiao Ling said in puzzlement, "Brother, what are you thinking?"

Xiao Letong said, "I feel that killing Leng Piao-xue is not worth it. Moreover, even though she has an immortal artifact, she is still an ordinary person.

"If I kill her directly, I will suffer a backlash. That will be troublesome.

"But I suddenly thought of the best revenge. This will make her suffer more than death. Eh, Ling 'Er, what's wrong with you?"

Xiao Ling wrinkled his nose and said in confusion, "Brother, I can sense the aura of that immortal artifact, but I can sense that it's very familiar."

"What?" Xiao Letong was shocked. "Let's go and find out what immortal artifact it is!"

Xiao Letong held Xiao Ling's hand and walked into the villa openly.

"Here!" Xiao Ling pointed in a direction. "This way..."

Not long after, Xiao Ling pointed to a room and said, "Brother, the immortal artifact is in this room." When he said this, he wrinkled his nose and said with some doubt and worry, "The smell of blood coming from this room is so strong. How many people have died here?"

The smell of the immortal artifact was very familiar to Xiao Ling. However, when he smelled the thick smell of blood, Xiao Ling was worried that the artifact had committed murder. Once the immortal artifact went on a killing spree, it would become a demon. He didn't like the idea of the immortal artifact becoming a demon artifact at all!

After a moment of silence, Xiao Letong said, "Ling 'Er, let's go in and take a look!"

With that, they went through the door!

When they went in to take a look, the smell of blood filled the air and rushed into their nostrils, almost causing them to vomit.

The two of them focused their attention and blocked their sense of smell.

They looked around and found that the room looked spacious and elegant. There was pink everywhere. However, there were many vengeful souls wandering around in a daze.

Xiao Letong and Xiao Ling ignored them. The first thing they saw was the woman on the bed.

When Xiao Ling suddenly touched the red rope on her wrist, his eyes widened in disbelief.

Chapter 748: Retrieve the Red Rope

Xiao Letong shook Xiao Ling when he noticed how dazed he was.

"Ling 'Er, Ling 'Er, what's wrong?" Xiao Letong called out anxiously.

When Xiao Ling saw the red rope, he let go of Xiao Letong's hand. Then, he slowly walked to the bedside and stared at it without blinking for a long time.

Xiao Letong was shocked and immediately grabbed Xiao Ling's hand. He asked with concern, "Ling 'Er, what's wrong with you? Answer me!"

Xiao Letong realized that the red rope was only a low-grade artifact. It couldn't be compared to Xiao Ling's jade pendant. However, Xiao Ling was drawn by the red rope.

No matter how he thought about it, something was not right. Especially Xiao Ling seemed charmed when he saw the red rope. Xiao Letong was anxious. He called Xiao Ling a few times, but there was no response. Just as Xiao Letong was about to use a spell to wake him up, Xiao Ling suddenly called out, "Brother!"

“Huh?” Xiao Letong frowned and answered in confusion.

“Brother, I remember now!” Xiao Ling said.

“What do you remember? Tell me!” Xiao Letong said anxiously, “You can’t just say half of the story. That is a bad habit.”

Xiao Ling said at this time, “Brother, I remember now. This red rope is mine!”

“Huh?” Xiao Letong was immediately dumbfounded. “What do you mean?” They had thought about many solutions to deal with this mysterious immortal artifact, but they had never considered it would belong to Xiao Ling.

Xiao Letong asked somewhat anxiously, “Xiao Ling, what do you mean by this? Hurry up and say it clearly. I’m really anxious!”

Xiao Ling said, “Brother, you know that when I was created, I was in the shape of a jade pendant. In order to make it more convenient for the child to carry me around, they made a red rope and strung me around the child’s neck.”

Xiao Letong immediately understood.

Xiao Ling and the red rope came together.

“Is this red rope also a divine artifact?” Xiao Letong asked in puzzlement, “Otherwise, how could it produce a spirit?” Only a relic spirit could form a contract with humans and provide them with spells.

Xiao Ling shook her head and said, “No. This red rope is an abandoned red rope that the little fairy picked up from Yue Lao.”

Xiao Letong immediately understood. He nodded and said, “Oh, I understand!”

Yue Lao’s red rope was originally a matchmaking tool. They all had a certain level of spirit. Only by doing so would they be able to successfully stimulate the match.

After a long time of cultivation, they could generate spirit consciousness.

Xiao Letong thought for a moment and said, “Ling ‘Er, since it’s yours, let’s take it back.”

After saying that, Xiao Letong used a spell, and white light shot toward Leng Piao xue’s wrist. Then, the red rope automatically left her wrist and flew directly into Xiao Letong’s hand.

Xiao Letong looked at the red rope in his hand and sneered, “Since it’s yours, Ling ‘Er, it’s only natural for us to take it back. This cruel and vicious woman is not worthy of using our things!”

Xiao Ling’s eyes brightened when she saw the red rope in Xiao Letong’s hand.

Xiao Letong didn’t give it to Xiao Ling directly. Instead, he held Xiao Letong’s hand and said, “Let’s go back!”

There was no need to kill Leng Piao xue now.

Killing her would dirty their hands.

Now that she had lost the red rope, she had lost her most powerful weapon. Even if they didn't kill her, she would combust on her own. This fate was worse than death for Leng Piao-xue.

Xiao Letong and Xiao Ling left the villa. Neither Leng Piao-xue nor the patrolling bodyguards realized that they were two uninvited guests in the master's bedroom.

Xiao Letong and Xiao Ling used teleportation and instantly returned to the Gong family.

As soon as they entered the room, Xiao Letong quickly set up a soundproof spell and turned the illusory pillows back to normal.

Then, Xiao Letong held the red rope in his hand and said, "Ling 'Er, this spirit seems to have suffered a backlash. Its injuries are very serious, and it seems to be in a deep sleep recuperating! The injuries caused its aura to leak, and that's why you could sense its existence."

Xiao Ling's small face immediately said agitatedly, "It must be Leng Piao-xue. Some time ago, she killed a mortal, and now she and the spirit have both suffered the backlash."

Xiao Letong also nodded in agreement and said, "Yes, that must be Leng Piao-xue's doing. But this is a good thing too. Since the red rope is in hibernation, it means that Leng Piao-xue can't do any bad things!" Having said that, he paused for a moment and said with a gloating expression, "And did you notice? Leng Piao-xue is disfigured due to the backlash."

Leng Piao-xue lay on the bed and looked very normal.

However, Xiao Letong and Xiao Ling were not ordinary people. They could see that Leng Piao-xue was unusual at a glance.

Xiao Ling thought back to what he saw and said, "Yes. I'm glad." He didn't know much about the world, but he knew that Leng Piao-xue was a bad woman. Of course, he was happy that she was disfigured.

Then, his eyes were bright as he looked at the red rope in Xiao Letong's hand.

Xiao Letong saw Xiao Ling's serious and eager eyes and said with a smile, "Well, I'll return this to you. But the red rope suffered a backlash and was seriously injured. Let me heal him."

Xiao Ling immediately stopped him, "No, brother. This is God's punishment for him. Whether he did it intentionally or not, he has harmed mortals." At this point, Xiao Ling's innocent eyes revealed some coldness as he looked at the red rope and said, "Besides, Little Red must have done many bad things when he was with Leng Piao-xue. Whether it was voluntary or forced, he must be punished!"

"Little Red?" Xiao Letong heard the name and smiled. "Who named him?"

Xiao Ling said, "I did. He's a red rope, so I call him Little Red. It's easy to remember!"

"Okay!" If it was Xiao Ling who named the red rope, then it was nothing weird. He didn't know the normal naming conventions.

Xiao Letong asked, "Then shall we wake him up to ask him questions?"

Xiao Ling thought for a moment and nodded. "Okay, let's wake him up!"

Xiao Letong nodded, then made a hand gesture, and white light shot in.

A moment later, they heard a slight moan.

“Huh?” The voice was a little confused.

“Little Red, are you awake?” A voice entered red rope’s ears even though he technically didn’t have any ears. But when he heard this voice, he was even more confused. “Who is this? The voice is very familiar!”

Then, he suddenly became excited. “It’s Penpen!” Only Penpen would call him Little Red. The Pen was a short form for Pendant.

Then, he woke up. He opened his eyes and saw two children’s faces in front of him.

He looked at a fat and tender face and then looked at the thin face.

Then, he said excitedly and happily to the thin-faced child, “Penpen, is that you? Is that you? Penpen could actually transform into a human. This is great!”

Xiao Ling poked at Little Red and said with a smile, “Of course it’s me. It’s only been a while. Have you forgotten me?”

Little Red suddenly burst into tears. “Penpen, how could I forget you? Penpen, I miss you so much!”

Xiao Ling’s finger brushed the red rope. He appeared to be wiping away Little Red’s tears. “Alright, stop crying. We haven’t seen each other for more than 10,000 years. You still like to cry.”

Little Red said indignantly, “Penpen, I really miss you. I’m really scared when you’re not by my side. I’m so happy to see you now!”

Xiao Ling said, “Alright, alright, stop crying. We won’t be separated from each other in the future, Alright?”

Little Red’s crying immediately stopped. Then, he asked suspiciously, “Really?”

“Yes, of course, it’s true! We have taken you away from Leng Piao-xue.” Xiao Ling told Little Red.

Chapter 749: Leng Piao-xue’s Summon

“Eh? Where’s Leng Piao-xue?” Little Red immediately looked around when Leng Piao-xue was mentioned.

Then, he realized that this room wasn’t Leng Piao-xue’s room at all. Instead, it was a children’s room.

“Where is this?” He looked around.

To Xiao Letong and Xiao Ling, there was a red rope jumping up and down.

Xiao Ling said, “This is my brother and my house!” Xiao Ling reminded Little Red. “Come, Little Red, let me introduce you. This is our brother, Xiao Letong. He is a very powerful cultivator. You must respect him.” Little Red had already done so many stupid things. He made everyone unhappy.

If he still chose to offend Xiao Letong, then he’d really be dead. Little Red had been through life and death with Xiao Ling, so of course, he didn’t want him to die.

Little Red was confused as to how a little kid could be a great cultivator, but since Penpen said he was, then it must be true!

“Hello, Big Brother!” Little Red greeted Xiao Letong sweetly.

Xiao Letong touched little red very happily, and Little Red’s face instantly turned red. The originally red rope became redder.

“Hmm? Shouldn’t I be with Leng Piauxue?” Then, Little Red asked in confusion, “Why am I here? Also, Penpen, where exactly did you come from?”

Speaking of Leng Piauxue, Xiao Ling’s small face immediately became serious. He asked seriously and sternly, “Speaking of Leng Piauxue, I want to ask, how did you end up with her? Also, how many bad things have you done for her? Tell me the truth!”

Little Red also said very seriously, “Penpen, Leng Piauxue is very compatible with me. As for how many bad things she did, this... this...” After stammering, he couldn’t continue, “I didn’t do anything bad.”

Xiao Ling clearly didn’t believe that. “If that’s true, why would you suffer a backlash?” Then, Xiao Ling shouted seriously, “Little Red, do you think you can deceive us?” Leng Piauxue has used invisibility to murder someone, and you said you haven’t done anything bad?”

“No... That’s the only thing I did.” Little Red said in shame, “But... but I didn’t do it on purpose...” Little Red suddenly burst into tears.

“Stop crying!” Xiao Ling shouted in an imposing manner, “Or I’ll throw you away!”

The crying immediately stopped. Then, he sobbed and said, “Penpen, I really... I really didn’t do it on purpose. Please don’t throw me away.” He jumped up and down, looking very sad. “I really didn’t do it on purpose. I didn’t have a choice!”

“You didn’t have a choice. What does that mean?” Xiao Ling asked in confusion.

Xiao Letong patted his little head and said in amusement, “What else could it mean? He must have signed a master-servant contract with Leng Piauxue.”

“Huh?” Xiao Ling immediately reacted, “Master-servant contract?!” Then, he remembered. The contract he signed with Xiao Lingyu was also a master-servant contract.

However, Xiao Lingyu never treated him as a servant. Instead, she treated him as a friend and son.

Although she called Xiao Lingyu ‘master’ all day long, she never treated him as a servant. This made him forget that the relationship between him and Xiao Lingyu was actually a master-servant relationship.

At the thought of this, Xiao Ling’s eyes suddenly turned red.

When Xiao Letong and Little Red saw this, they were both shocked.

“Penpen, you... Why are you crying?” Little Red asked in puzzlement. He had stopped crying, so why was Penpen crying instead?

Xiao Letong also asked curiously, “Yes, Ling ‘Er, why are you crying?”

Xiao Ling cried and said, "I... I just feel that I'm very lucky to have met master." If he had a contract with an evil master, he'd probably end up like Little Red.

Xiao Letong immediately said, "You can unbox your emotions later. We should focus on Little Red and Leng Piauxue first. Little Red is still suffering from the punishment of the Heavenly Dao. He'll slumber after the effect of my spell wears off."

Xiao Ling immediately reacted and said, "You're right."

Xiao Letong asked very seriously, "Little Red, how did Leng Piauxue die in her previous life? Also, was it because of you that she was reborn? Last question, why does she hate my parents so much?"

Little Red said, "Leng Piauxue's past life was..."

...

On the other side, when Leng Piauxue woke up, she habitually touched the red rope on her wrist.

This time, she immediately felt that something was wrong. Then, her gaze immediately became fierce. She quickly sat up on the bed and raised her hand. When she saw that there was nothing on her empty wrist, her eyes immediately widened in shock.

She lifted the blanket and got off the bed. She looked around and shouted, "Immortal, immortal, where are you? Come out!

"Immortal, Immortal, don't scare me. I was wrong. Can you come out now?" Leng Piauxue shouted in panic as she looked around.

Without the immortal, she couldn't use the invisibility spell. How could she survive? She had killed so many people. Without the protection of the immortal, those people would definitely come to take revenge. She would definitely be killed.

Also, she was suffering from a backlash and had lost her looks. She was still waiting for the immortal to restore her looks.

But where was the immortal? How come he disappeared as soon as she woke up?

Usually, when the red rope was around her wrist unless the immortal was willing, no one was able to take it off, not even Leng Piauxue. But now that the red rope had disappeared for no reason, Leng Piauxue felt scared just thinking about it.

Without the immortal, she would really die!

Grandfather Leng and the Leng family loved her very much, but once the news of her murders spread, even they couldn't protect her.

"Immortal, come out quickly, I beg you!" Leng Piauxue kept calling.

...

“Little Red, what’s wrong?” Xiao Ling saw Little Red ramming into the barrier and asked in confusion, “Let me tell you, Big Brother is very powerful. With your strength, you can’t break through his barrier and escape. Just give up.”

“Penpen, it’s not that I want to break through the barrier and escape. It’s that Leng Piao xue. She is summoning me! She is my master!” Little Red said aggrievedly.

“Huh?” Xiao Ling was stunned.

Chapter 750: Rescind the Master-servant Contract

Little Red had signed a master-servant contract with Leng Piao xue, but Leng Piao xue did not know about it. She had always treated Little Red as a respected immortal.

However, with the master-servant contract, Little Red was unable to resist Leng Piao xue’s order. Thus, he could only fulfill all of Leng Piao xue’s wishes while making it seem like he was granting her some of his powers. Therefore, Leng Piao xue became more respectful to him. He couldn’t resist Leng Piao xue’s order, so he had to do some despicable things.

This time, he couldn’t resist Leng Piao xue’s summon either. He had to return to her side.

Xiao Ling instantly understood everything when he heard the contract being brought up.

Seeing Little Red continuously colliding with the barrier, Xiao Ling became anxious. He looked at Xiao Letong and asked, “Brother, can you break their contract?” One of them was the master, and the other was the servant. The difference in status was obvious. As servants, they didn’t have the power or ability to break the contract. But the master could break the contract at any time.

They used blood as a medium to sign the contract. The humans were the masters, and the relics were the servants. If the masters felt like it, they could easily break the contract.

Little Red kept hitting the barrier, but he asked excitedly, “Brother, can you really break the contract between Leng Piao xue and me?” Without waiting for Xiao Letong’s reply, he said excitedly, “I don’t want to have a contract with that crazy woman anymore, no matter how compatible we are! I’d rather hibernate than help her. That crazy woman is really willing to do anything for love.”

Xiao Letong’s eyes flashed, and he asked with a faint smile, “You mean Leng Piao xue is targeting my parents for love?”

Little Red nodded. “Yes, she has gone crazy because of love!”

“Who is Leng Piao xue in love with?” Xiao Letong asked with some confusion, “Could it be my father?”

“No!” Little Red immediately denied, “She loves Jiang Tao.”

“Uncle Jiang?” Xiao Letong was very surprised and asked with some confusion, “Since she likes my uncle Jiang, why would she come after my parents? Isn’t she engaged to uncle Jiang? Aren’t they a couple now?” Xiao Letong really didn’t understand.

Little Red said, “That’s why I said she’s a lunatic. She likes Jiang Tao and wants to occupy his heart. However, Jiang Tao only has Xiao Lingyu in his heart, so she wants to get rid of Xiao Lingyu. She thinks

that once Xiao Lingyu disappears, Jiang Tao will no longer care about Xiao Lingyu. Then, she can take her place in his heart.”

Xiao Letong and Xiao Ling, “...” They didn’t know much about love, so they really didn’t understand what Leng Piauxue was thinking. Why would she think that Jiang Tao would definitely fall in love with her once Xiao Lingyu was gone?

Xiao Letong immediately said seriously, “Did Leng Piauxue start liking Jiang Tao in her past life, or did she start liking Jiang Tao in this life?”

Xiao Ling asked with some doubt, “Brother, is there a difference?”

Xiao Letong said, “There’s a big difference.”

Xiao Ling did not understand.

Little Red thought for a moment and said, “Leng Piauxue has liked Jiang Tao since her previous life.”

“Oh?” Xiao Letong raised his eyebrows, “That means that Jiang Tao also secretly liked my mother in her previous life. So, Leng Piauxue knew from the beginning that Jiang Tao liked my mother. So, her goal after her rebirth should be to get rid of my mother, right?”

Little Red nodded and said, “Yes, your analysis is correct.”

“Then when did you two reincarnate?” Xiao Letong asked.

“Four years ago!” Little Red said.

“Four years ago?!” Xiao Letong was slightly surprised, “The year my mother and father met?”

“Yes!” Little Red nodded and said.

“Why didn’t she attack my mother at that time?” Xiao Letong asked in confusion, “Also, my father was in a coma for two years. It was also the best time to attack my mother. Why didn’t she take action?”

Little Red sighed softly, “She was not powerful enough then. Moreover, she was reborn. She is very clear about Gong Tianhao’s ability and ruthlessness. Even if she could easily kill Xiao Lingyu, she couldn’t escape from Gong Tianhao’s revenge.”

Xiao Letong immediately understood and nodded. “So, her plan is to drive a wedge between my mother and father. That’s why the fake Weng Jingjing appeared. Isn’t that so?”

“Yes!” Little Red sighed and said, “But no one expected this Weng Jingjing to be discovered once she appeared by Gong Tianhao’s side. As a result, the subsequent plans couldn’t proceed smoothly. Brother, my head is already full of bumps. Can you cancel the master-servant contract for me first? Otherwise, with the constant bumping, my head and limbs will break!”

Xiao Letong looked at the red rope that was flying back and forth. No matter how he looked at it, he couldn’t see where his head or limbs were.

Then, he waved his hand and said, "No rush. In any case, you're just a rope now. You don't have a head or limbs. So you won't be hurt. You better clarify the matters of Leng Piauxue's past life and this life first. Once you've explained everything, I'll naturally cancel the contract for you."

Of course, for the sake of his parents' safety, he would definitely help Little Red cancel the master-servant contract.

When Little Red heard this, he said, "Alright, I'll explain everything clearly to you. But we have a deal. Once I've explained everything, brother, you have to cancel my contract with that crazy woman. If not for my good nature, I would have become an evil spirit already."

Xiao Ling said, "Little Red, is your master really that dangerous?"

Little Red said gloomily, "She's not dangerous per se. She is just crazy. She's vicious and unscrupulous. In short, she's not a good person."

As spiritual artifacts, if they didn't follow a good master, their cultivation would be destroyed.

...

On the other side, Leng Piauxue continued to search for the red rope in the room. When she couldn't find it, she ran outside to look for it.

When she went out, she simply shocked everyone in the villa.

When did their eldest miss become bald, and when did her face become so pockmarked? She was so ugly! No wonder she locked herself in her room all day long. This was the truth!

While they were in shock, Leng Piauxue was looking for something. She bent down, lowered her head, and even crawled into corners.

'Has eldest miss gone crazy? Otherwise, why would she do such an outrageous thing that is unworthy of her status?'

Leng Piauxue anxiously ordered, "Find me a red rope. Find it. Go and find it!"

"Red rope?" Everyone was somewhat shocked.

It was just a red rope. Did she need to go through so much trouble to find it?

Leng Piauxue ignored their strange gazes and shouted angrily, "Why aren't you looking for it? What are you all standing here for?"

Then, everyone scattered and went to look for the red rope.

As they dispersed, they whispered to their companions, "How did the eldest miss become like this?" They kept their voices to a whisper because they were afraid that Leng Piauxue would hear them.

"Who knows? But I think it should have happened a few days ago. Think about it. At that time, there was a very strong smell of blood in her room. Moreover, when the cleaning lady went to clean the room, she saw blood and hair all over the floor. Also, weren't a lot of people sent to look for wigs at that time? Do you still remember?"

“Of course, I remember!” Another replied, “At the time, I was so confused. The eldest miss loves her hair very much, so why would she suddenly look for wigs. So...”

“Shh, do you all want to die? You must know that the eldest miss is very powerful.”

The eldest miss was indeed very powerful. She could suddenly appear in front of you without making a sound and give you a shot in the head.

With the reminder, everyone quickly got back to work.

At this moment, Leng Piao xue was sitting on the floor in a daze. Her expression was dull and dejected. She looked very pitiful. The red rope must be very important to her.

“Red rope? Oh, I remember that the eldest miss often wears a red rope on her wrist, right? Is it that one?”

“It should be!”

“The eldest miss never leaves that red rope behind. How did she suddenly lose it?”

“Who knows?”

Just as everyone was looking for the red rope, Leng Piao xue suddenly spat out a mouthful of blood.

Leng Piao xue looked at the fresh blood on the ground and touched the corner of her lips. When she saw the blood on her fingertip, she had a bad feeling.

She said in a panic, “What’s going on? Am I still suffering from the backlash?”

Impossible!

...

Xiao Letong held the red rope and said with a smile, “Since you really hate Leng Piao xue, I’ve already helped you break the master-servant contract with Leng Piao xue.”

Little Red immediately thanked him happily, “Thank you, Brother!”

“Don’t be in a hurry to thank me!” Xiao Letong’s small face revealed a sinister smile as he continued, “You’ve already broken the contract with Leng Piao xue. Doesn’t that mean that you should return to your destined spot already?”

Little Red was stunned, “Brother, what do you mean by that?”

“Don’t play dumb with me!” Xiao Letong fiercely said, “I can give you freedom, but I can also restrict your freedom. Think about it carefully!”
