

Chapter 861: A Bad Premonition!

Gong Tianhao's subordinates were very efficient. They waited in the principal's office for less than half an hour before Jiang Shuyu was brought over. They even found the two people who had applied for leave.

"Who are you? Let go of me!" Jiang Shuyu struggled and looked very uncomfortable.

The other two people's faces were filled with confusion and fear.

The men who brought them here were all tall and strong. They wore black clothes and sunglasses. They looked like gangsters. They grabbed them tightly and didn't answer any of their questions. They were brought to school. When they were hauled to the principal's office, they had a guess in their heart. When they saw the people inside the room, their expressions changed.

Jiang Shuyu first saw her parents. Her expression immediately became agitated as she said, "Dad, Mom!"

Then, she pointed at the two men in black who were holding her and said angrily, "Who are they? Why did they directly come to our house and bring me here? Dad, Mom, they are really too daring..."

Madam Jiang stopped her and said, "Shuyu, stop talking!" She even used her eyes to signal for her to pay attention to the situation in the house.

However, Jiang Shuyu was too angered by the two men in black. She always thought that with her current family background, no one would be able to offend her. She even thought that the two men by sent by her parents to invite her to school. Jiang Shuyu knew that her parents had come to the university. She believed that Xiao Lingye wouldn't be able to escape this time. She would not only make him lose his reputation but also make him kneel down and beg her to be his girlfriend.

After all, she had lost her virginity to Xiao Lingye. As long as Xiao Lingye did not want to be chased out of the capital, he had to beg her. However, she seemed to have forgotten about Xiao Lingye's background.

"Alright, Shuyu, stop talking!" Madam Jiang's tone could not help but become heavy. She pinched the back of her daughter's hand and said softly, "Shuyu, stop fooling around. Mr. Gong is here!"

...

"Who..." Jiang Shuyu did not react at first, but then she looked around and was about to say something when she suddenly stopped.

A tall, handsome, and imposing man was hugging a very beautiful woman.

This man was no stranger to her. Furthermore, his surname was Gong, so she naturally guessed who this man was.

She thought of the rumors about Gong Tianhao and connected them to the two men in black who dragged her from home. She then saw the two students who were supposed to be on sick leave.

Jiang Shuyu was afraid. She could not help but hide behind Madam Jiang.

When Jiang Shuyu arrived, the entire principal's office became even quieter.

Principal Li's gaze swept past the expressions of Jiang Shuyu and the other two people. He realized that other than fear, there was also guilt on their faces.

This was especially so for these two students who were on leave. They did not even dare to look at Xiao Lingye.

Principal Li was a shrewd person. He instantly understood everything. His principal's office was only so big. With so many people standing at once, it seemed a little crowded.

When Jiang Shuyu and the others arrived, neither the Xiao family nor the Jiang family spoke.

The Xiao family found it disdainful to say anything, while the Jiang family was afraid to say anything.

As an outsider, Principal Li could only break the silence.

"Ahem, Mr. Gong, Mr. Jiang, everyone is here, right?" Principal Li asked.

Gong Tianhao smiled and said, "Principal, there's no rush. Everyone is not here yet. I'm afraid we still need to wait for a while!"

"Are there still others?" Principal Li was puzzled. He assumed they would start talking once Jiang Shuyu was there.

Gong Tianhao glanced at Jiang Shuyu and sneered, "There are still people who haven't arrived yet. Back then, sixteen students were at the social event of the two classes. Plus, the male lead hasn't arrived yet." After saying that, Gong Tianhao glanced at one of the photos on the ground.

Principal Li took a look and immediately understood that there was indeed another male lead who wasn't here yet.

Jiang Shuyu hid behind Madam Jiang and was still stunned. She asked subconsciously, "What does he mean? What other male lead?"

"Shuyu!" Hearing Jiang Shuyu's voice, Madam Jiang almost went crazy and couldn't help but raise her voice.

At this moment, Xiao Letong walked up and sized up Jiang Shuyu. He frowned and said, "You're not even as pretty as my mommy. Why would my little uncle even want to sleep with you?"

As soon as Xiao Letong said that, Xiao Lingyu immediately stopped him, "Xiao Letong, don't be rude."

Hearing Xiao Letong, Jiang Shuyu immediately said angrily, "Who are you? Who's your uncle?"

Xiao Letong curled his lips and introduced himself, "Oh, my name is Xiao Letong. Xiao Lingye is my uncle!" Then, he pulled Xiao Lingyu over and introduced her, "This beautiful lady is my mommy and also my uncle, Xiao Lingye's sister."

Jiang Shuyu looked at the child and then at Xiao Lingyu. She was a little stunned.

However, when she saw Xiao Lingyu's appearance, jealousy and anger surged into her eyes. 'Why is this bitch so beautiful?'

No wonder Xiao Lingye had always looked down on her. It turned out that she had always been compared to his beautiful sister.

Jiang Shuyu said angrily, "Oh, so you're Xiao Lingye's sister and nephew. No wonder you act like this. It looks like hypocrisy runs in your family."

Xiao Lingyu's face darkened and she said sternly, "Miss Jiang, who is the real hypocrite? I think you should know better."

"You..." Jiang Shuyu was about to retort angrily when she was pulled back by Madam Jiang.

Madam Jiang scolded in a low voice, "Shuyu, stop talking!" Her daughter had just arrived and didn't know anything. She was only making herself look worse.

Jiang Shuyu immediately said aggrieved, "Mom, they are bullying me. Why aren't you helping me, but reprimanding me?"

Madam Jiang looked at her and said in a low voice, "Do you know who they are? One is Gong Tianhao's wife, and the other is Gong Tianhao's son. Do you think we can offend them easily?"

Jiang Shuyu's face turned pale and her arrogance immediately weakened. However, a trace of hatred flashed across her slightly lowered head.

'So she married a powerful man. What's so great about that?'

Just as Jiang Shuyu lowered her head, the principal's office door was opened once again.

Then, Gong Tianhao said, "Alright, everyone is here. We can begin!"

'Who is here?' Jiang Shuyu looked up to see what was going on. When she saw the people who came in, she had a bad premonition.

Chapter 862: Reversal of the Truth

"Alright, everyone is here now. We can get to the bottom of the matter!" After the last witness was brought to the principal's office, Gong Tianhao said calmly.

The previously spacious and bright principal's office, which was 20 to 30 square meters, was now filled with people. It was crowded and oppressive.

Those who were suddenly brought to the principal's office looked a little confused. Why were they suddenly brought to the principal's office by a group of fierce-looking men?

This was especially true for the class monitor next door, Zhong Yu.

He was sitting in the classroom reading a book. Jiang Shuyu called him and told him that her parents had come to the school to seek justice for her from Xiao Lingye. She told him to be careful and not give himself away.

He had been excited all day. He wanted to look at Xiao Lingye all disheveled. However, at the same time, he felt a kind of anxiety and unease in his heart.

After all, Xiao Lingye was not a simple person. Even if he was a kid from the countryside, he definitely could not be underestimated. Otherwise, how could Su Yang, Qiao Ruoyang, and the rest of the six of them fall so hard when they tried to deal with him?

At that moment, a group of men in black, wearing sunglasses and wearing black clothes walked into his class. Without saying a word, they dragged him and some of his classmates away. He immediately became flustered.

“Who are you? Where are you bringing me?” Zhong Yu shouted in fear and anxiety, his face pale and green.

A man in black grabbed his arm and shouted coldly, “Shut up!”

His aura was fierce and very frightening. Zhong Yu and his classmates immediately shut their mouths in fear. They were in public, so even if these people were gangsters, they probably wouldn’t dare to do anything too crazy.

Not long after, they were brought to the principal’s office.

Just as they were brought in, they heard the voice of a dignified and imposing man.

.....

Hearing this voice, Zhong Yu’s legs went weak. His gaze carefully swept across the entire room.

There were people he knew and people he didn’t.

He knew his classmates, and all of them had participated in the party that night.

As for the people he didn’t know... There was a middle-aged couple who furrowed their brows tightly as if they had encountered a difficult problem. Jiang Shuyu hid behind the woman. Her expression was slightly angry, flustered, and uneasy.

Zhong Yu’s heart couldn’t help but thump, looking even more uneasy and terrified.

‘What on Earth is happening? Aren’t Jiang Shuyu’s parents supposed to come to school to punish Xiao Lingye? Why does it look like they’re the ones being punished?’

Before he could clear his head, Gong Tianhao’s voice sounded again.

He didn’t ask Jiang Shuyu any questions. Instead, he directly asked these so-called witnesses. He said coldly, “You are all the students who attended the party between the two classes that night, right?”

These students looked at each other, not daring to make a sound.

Ning Junpeng glanced at the students present. All of them were there. Even the two who had asked for leave were there. He nodded and said, “That’s right, they were all there. Not one is missing!”

Ning Junpeng looked at the two students who had asked for leave with anger in his eyes. He sneered and said, “Aren’t you two supposed to be sick? But you look perfectly fine to me!” Ning Junpeng knew that the two were probably threatened by Jiang Shuyu, but he was still angry.

The two classmates lowered their heads slightly and said in a low voice with a guilty look, “I’m sorry.”

Ning Junpeng sneered and said, "What's the point of an apology now? Plus, you should apologize to Xiao Lingye!"

The two people lowered their heads and didn't say anything.

Ning Junpeng walked to Xiao Lingye and patted his shoulder, saying, "Brother, the truth will be out. We will definitely find evidence to prove your innocence."

Xiao Lingye smiled and said, "Thanks, brother! I'm really happy to hear that."

However, Ning Junpeng looked around the room and asked in a low voice, "Brother, can you tell me what is going on?" He was always invited by the men in black. However, the men were very polite to him.

Xiao Lingye brought Ning Junpeng to his brother-in-law and sister-in-law and introduced them with a smile, "This is my sister and brother-in-law. These two are my nephews! When they heard about what happened to me at school, they immediately rushed to the school to help me unveil the truth."

When Ning Junpeng saw Gong Tianhao and Xiao Lingyu, he couldn't help but exclaim inside his heart. "They are so handsome and beautiful. These two children are so cute."

Ning Junpeng was very polite and greeted them, "Sister, brother-in-law, and two cute little nephews!"

Xiao Lingye immediately rolled his eyes and said in amusement, "Get it straight. This is my sister and my little nephews. They are not your family."

Ning Junpeng put his arm around Xiao Lingye's shoulder and said with a smile, "Hehe, are you and I good brothers? Your sister and nephews are my sister and nephews."

Xiao Lingye did not say anything.

Then, Ning Junpeng whispered to Xiao Lingye, "Brother, your sister is really beautiful. No wonder you look down on a hypocritical beauty like Jiang Shuyu. In front of your sister, she's simply plain-looking. No wonder you keep saying that you know many beautiful women. Oh, do you have other sisters? Can you introduce one to me? We're brothers, after all."

Xiao Lingye couldn't help but roll his eyes at him again and said in a low voice, "Alright, stop talking nonsense. We have to deal with business first."

Ning Junpeng immediately quieted down. Then, he stood beside Xiao Lingye and watched.

Since Xiao Lingye's sister and brother-in-law looked extraordinary and wore expensive clothes, it was obvious that they were not ordinary people. They would definitely handle this matter well and clear Xiao Lingye's name.

Ning Junpeng's gaze swept across the entire room. He noticed that the Jiang couple's expressions seemed a little serious and uneasy. He was somewhat relieved.

Gong Tianhao pointed to a photo and asked a classmate, "Was it you who said that Xiao Lingye took advantage of Jiang Shuyu when she was drunk?" This student was one of the few who claimed that Xiao Lingye was a rapist.

The classmate's eyes flashed when he saw the picture of Jiang Shuyu and Xiao Lingye in the hotel room. He nodded. "That's right."

Gong Tianhao nodded and said, "What about the rest of you? Do you think so too?"

When the other classmates heard Gong Tianhao's question, they were a little flustered and confused. Some of them even had a guilty look in their eyes. Then, they looked at each other and didn't know how to answer.

Some of them lowered their heads and were unwilling to answer. Some of them answered very quietly.

Chapter 863: The Truth is Reversed

Gong Tianhao listened to these replies and nodded.

Ning Junpeng looked at their expressions and was furious.

He shouted loudly, "Do you still have a conscience? How can you lie like this?"

When Mr. Jiang heard this, he frowned and said seriously, "These students are all telling the truth. When did they lie? Please don't slander them."

The Jiang couple was happy that the students were still siding with their daughter. Of course, most of the students were neutral. They kept quiet.

Ning Junpeng retorted, "These people are obviously lying through their teeth. Fine. We'll see the punishment you'll face later!"

Even he could tell that Jiang Shuyu's parents were afraid of Xiao Lingye's brother-in-law and sister. It was obvious that things would change soon. However, these people still wanted to court death.

One classmate immediately countered, "Ning Junpeng, what are you talking about? When did we lie? We were just telling the truth about the situation. We know you have a good relationship with Xiao Lingye, so you're biased towards him. Do you expect all of us to be the same?"

When Ning Junpeng heard this, he did not get angry. Instead, he laughed and said, "I'm glad that you're saying you're telling the truth. I hope you won't regret it later."

A few students snorted.

...

Xiao Lingye only watched and did not say anything.

Madam Jiang took the initiative and spoke with some confidence, "Mr. Gong, did you hear that? These good students are good witnesses. That day, your brother-in-law took advantage of my daughter when she was drunk. Did I wrongly accuse him?"

Gong Tianhao did not say anything, but Xiao Lingye looked at her brother and asked seriously, "Xiao Lingye, tell me the truth. Did you take advantage of a girl at the party that day?"

Xiao Lingye said without hesitation, "No! I don't even like her."

Xiao Lingyu nodded after hearing that. Then, she said to madam Jiang, "Madam Jiang, I know my brother. Since he said he didn't do it, then he didn't."

Madam Jiang pointed at the students who testified with a livid face and said, "But these students saw it. Are you telling me they are working together to commit perjury?"

Xiao Lingyu said coldly, "I don't know. But I know that I can always believe in my brother's character."

Madam Jiang said with conviction, "Of course, you'll believe him. But the truth is otherwise."

Xiao Letong snorted coldly and said, "Hmph, our Taoyuan Village has many beautiful sisters. My little uncle has many pursuers back home. Why would he come here to take advantage of an auntie? This is funny."

Upon hearing Xiao Letong's words, Madam Jiang and Jiang Shuyu's expressions instantly turned ugly.

This child was too detestable. He wasn't cute at all!

Madam Jiang sneered and said, "Little friend, you're still young. What do you know? Men are creatures who think with their lower bodies. Just because he doesn't like a woman, it doesn't mean that he won't take advantage of her."

Xiao Letong said in puzzlement, "Grandma, you're so strange. Shouldn't parents be very protective of their daughter's innocence? Normally, they would try their best to hide this fact. But you are going around flaunting that your daughter has lost her innocence to my little uncle, saying that he's a hypocrite." Then Xiao Letong turned around and stuck out his tongue at Xiao Lingye, saying very cutely, "Uncle, I'm sorry for calling you a hypocrite. I know that you're not one."

As soon as Xiao Letong finished speaking, the entire room became quiet again.

Many people looked at the Jiang couple with strange gazes.

At this moment, the students outside the window began to discuss.

"I think this child is right. Normally, the parents will hide something as shameless as this. This is especially true in our culture."

"Even if Jiang Shuyu was taken advantage of by Xiao Lingye, the Jiang family is people of status. They should find Xiao Lingye and deal with him in private. Why would they broadcast this instead?"

Someone raised a different opinion.

They said, "Don't forget those photos that have spread through campus. Even if the Jiang family wanted to hide this incident, it was impossible. Have you noticed the photos on the ground? It's very likely that someone sent them to their house."

"Yes, the incident was known by everyone. How could they hide it?"

Someone couldn't help but laugh, "But have you considered where the photos come from? Plus, there were all those classmates who said that Jiang Shuyu had been ruined at the party. Normally, with Jiang's Family's power, they could have easily silenced those students. However, they didn't do anything and, in

fact, had allowed these students to broadcast all over school that Jiang Shuyu had lost her innocence to Xiao Lingye.

“Plus, the photos around campus only proved that Xiao Lingye and Jiang Shuyu were at the same event. Of course, there was one picture of Xiao Lingye holding Jiang Shuyu, but that doesn’t prove that they slept together.

“The Jiang Family didn’t stop the rumors when they could have. In fact, they seemed proud of it.

“Plus, didn’t they say that Jiang Shuyu was devastated by this? But look at her now. Does she look devastated to you? She was so energetic when she screamed at the kid earlier.”

As the students discussed and investigated in detail, it became clear that this was most likely a conspiracy. The conspiracy was like a bubble covering up the truth.

Xiao Letong’s words were like a needle puncturing that bubble.

Gong Tianhao also asked sharply, “Mr. Jiang, Mrs. Jiang, actually, I am also very curious. What is your goal that you’d go around telling everyone that your daughter’s reputation is ruined?”

The Jiang couple’s expression changed abruptly.

Chapter 864: Reversal of the Truth

As soon as Gong Tianhao’s words left his mouth, the expression of the Jiang family changed drastically. They were all stunned.

Mr. Jiang was the first to react. He suppressed his anger and said with a stiff expression, “Mr. Gong, you are being too ridiculous. Our children have been wronged. As parents, we should seek justice for them. There shouldn’t be anything wrong with that, right?”

Gong Tianhao nodded and said, “That does make sense, but...” He said sharply, “As parents, you didn’t find out the truth and had everyone know that your daughter has been ruined. Is that how you seek justice for your daughter?”

Mr. Jiang’s expression changed again, and he didn’t know how to refute it.

From the bed photo just now, he knew that the man in the photo was not Xiao Lingye. Everyone knew that his daughter had slept with someone else, and it was a very shameful thing.

When Jiang Shuyu heard this, she immediately said loudly, “What do you mean? The truth is that Xiao Lingye, this hypocrite, took advantage of me when I was drunk. My parents are doing everything to protect me. What’s wrong with that? Am I supposed to swallow my pride and ensure the humiliation?”

Gong Tianhao clapped his hands. Then, he sneered and said, “Yes, that’s right. Your parents didn’t do anything wrong, and Miss Jiang, you are also very courageous. However,” then, his face turned cold, he said sharply, “Miss Jiang, are you sure that the man you slept with is Xiao Lingye?”

“What do you mean?” Jiang Shuyu was angered by Gong Tianhao. The biggest reason for her anger was her guilty conscience. She tried to hide her anger, “If it’s not him, who else could it be? Would I not know the man to whom I lost my virginity?”

Gong Tianhao shrugged and looked at the Jiang couple with a smile that had a hint of mockery. He said, "That's hard to say!"

Jiang Shuyu had no idea that the truth of the photos had already been exposed. So, she was really like a clown now.

...

Hearing Gong Tianhao, she suddenly jumped up and said loudly, "What do you mean by that?"

Mr. Jiang felt very embarrassed.

They came here to corner a rich husband for their daughter, but they had offended Gong Tianhao instead.

"Shut up!" Mr. Jiang shouted at Jiang Shuyu angrily, "If you don't speak, no one will treat you as a mute!"

Jiang Shuyu immediately shed crocodile tears in grievance and said unwillingly, "Dad, it's clearly..." it's clearly them who are bullying us.

"I told you to shut up. Didn't you hear me?" Mr. Jiang shouted again. Then, he said to Mrs. Jiang, "You better control your daughter! Can't you see that she's embarrassing herself now?"

After Mrs. Jiang heard that, she immediately said unwillingly, "Why are you shouting at me now? Is she not your daughter too?"

Mr. Jiang felt a little tired. He said in a slightly dispirited manner, "I'm not going to argue with a woman like you."

Mrs. Jiang was about to jump up and quarrel when Mr. Jiang immediately said in an imposing manner, "Shut up! I'll settle the score with you when we get home!"

Then, he said with an embarrassed smile, "Mr. Gong, my daughter is young and ignorant. Please forgive her!"

Gong Tianhao said coldly, "Mr. Jiang, I don't care about that. Now, I just want to clarify my brother-in-law's name."

Mr. Jiang could only smile and say, "Haven't we already figured this out? Since there's a misunderstanding, I'll bring my daughter to apologize one day. What do you think?"

Gong Tianhao sneered and said, "Mr. Jiang, do you think my family is so easily dispatched? Besides, has the truth been revealed? We have to wait for the truth to be revealed before we can decide whether we should accept your apology or not."

Mr. Jiang was speechless.

Jiang Shuyu was still confused. She didn't understand what they were trying to do. There were witnesses and evidence supporting her.

However, she was scolded by her father and even her mother. She could only stand there aggrievedly.

She pulled her mother and asked softly, "Mom, what exactly happened?" She wasn't stupid, so she finally came back to her senses.

Madam Jiang glared at her, then asked in a serious and low voice, "Tell me the truth. Did Xiao Lingye really sleep with you?"

Jiang Shuyu panicked and nodded guiltily, "Of course he did!"

A mother knows her daughter well!

Madam Jiang's eyes showed disappointment. How could she not know that her daughter was lying?

However, now was not the time to scold her daughter. She whispered to Jiang Shuyu, "Yu 'Er, let me put it this way. The man in your photo is not Xiao Lingye!"

Jiang Shuyu immediately denied, "Impossible!"

"What do you mean?" Madam Jiang said angrily and helplessly, "The man in this photo has Xiao Lingye's head but not his body. Xiao Lingye has a washboard ab, but this man is so fat. How can they even be the same person." Mrs. Jiang paused for a moment, then said seriously, "Someone told me just now that this is the result of Photoshop!"

Jiang Shuyu was shocked and terrified.

She couldn't help but be shocked. "Mom, how did you know?"

Mrs. Jiang sighed and said, "Before you came, Xiao Lingye took off his shirt and compared it with the man's figure in the photo. So, what do you think?"

Jiang Shuyu's heart suddenly jumped. It was a feeling of fear and unease.

She knew that her death toll was ringing.

Chapter 865: Reversal of the Truth

Gong Tianhao took out another photo and turned to the two students who had asked for leave. "Someone asked you to testify for Xiao Lingye, but you took leave because of illness. What a coincidence. Two of you got ill at the same time. And do you have to take leave on the day these photos were exposed?"

The two covered when they faced Gong Tianhao. Gong Tianhao didn't really threaten them, but for them, it felt like the whole world was pressing down on them, making them unable to breathe. They wanted to escape, but they couldn't move.

Their faces were pale, and their bodies were trembling.

Gong Tianhao looked at the photos and continued, "The angle of this photo is questionable too. It felt so posed."

As he said this, Zhong Yu and Jiang Shuyu's pupils constricted. They looked very nervous, and a hint of panic appeared in their eyes.

However, everyone's attention was attracted by Gong Tianhao. Naturally, the crowd did not notice the changes in the two students' expressions.

Gong Tianhao continued, "It's clear that one of you took this photo. Furthermore, from the angle of the photo, it's not hard to reconstruct the scene and find out who the cameraman is."

No name was mentioned, but the cameraman's palms were sweaty.

Gong Tianhao suddenly changed the topic and turned to the two classmates who were on leave. He asked very seriously, "At that time, you two were sitting next to Xiao Lingye. Did you really see Xiao Lingye take advantage of Miss Jiang?"

Hu Fei and Qiu Ming looked at the photos and lowered their heads. They did not dare to say anything now.

Ning Junpeng looked at them and became angry again. he shouted at them, "Why, have you become mute? You're being asked a question!" When these photos were released, he had looked for the two of them. But they were both on leave. Now, they couldn't escape anymore.

After waiting for a while, the two of them still did not answer. Ning Junpeng's fiery temper flared up again. He said loudly, "Are you deaf?"

Qiu Ming was angered by Ning Junpeng's roar. He said with an angry expression, "We saw Xiao Lingye taking advantage of Jiang Shuyu. Is there something wrong with that? Can't we tell the truth?"

.....

Gong Tianhao nodded and looked at another person, asking, "What about you? What do you have to say?"

Hu Fei lowered his head and murmured, "I... I didn't see anything!"

Hu Fei was smarter than Qiu Ming, and he was more observant than Qiu Ming.

He noticed the Jiang couple's expressions as soon as he came in. He found that they were respectful and cautious of this man, and this man was obviously biased toward Xiao Lingye. Then, he remembered how they were dragged away from home to the university. This whole thing was strange.

Therefore, it was the wisest choice to be neutral.

Gong Tianhao then asked Ning Junpeng, "This student, the party that night should only be limited to the students of the two classes, right?"

Ning Junpeng nodded and said, "That's right. However, Miss Jiang appeared at our party. At that time, for the sake of face, we had no choice but to keep her." Speaking up to this point, he said indignantly, "If I had known this would happen, I definitely wouldn't have let her stay."

Gong Tianhao patted his shoulder and said, "Don't be angry. Some people will go to great lengths to achieve their goals. There's not much you can do to stop them."

Then, Gong Tianhao asked Jiang Shuyu, "Miss Jiang, how much did you drink that night before you got drunk?"

Jiang Shuyu opened her mouth, but just as she was about to say something, Gong Tianhao reminded her, "Miss Jiang, think carefully before you say anything. I can easily get my people to find out about your alcohol tolerance."

The Jiang couple," ..."

Chapter 866: Reversal of the Truth

Gong Tianhao's aggressive questioning immediately caused the faces of the three members of the Jiang family to turn pale.

The others might not know, but the Jiang couple was familiar with their daughter's alcohol tolerance.

Gong Tianhao said again, "Student Ning, what kind of wine did you order that night?"

Ning Junpeng said without thinking, "Just a few bottles of champagne and a few bottles of red wine. Then someone ordered some beer!" They were just students, and this was a simple gathering. They didn't order anything too expensive.

"Do you have any white wine?" Gong Tianhao asked again.

"No!" Ning Junpeng said, "The event is for the two classes to bond. Plus, there were female students. We didn't want to mix wine." As he said that, he realized the flaws in Jiang Shuyu's story.

Xiao Lingyu could not help but chuckle. "It looks like Miss Jiang really can't drink. Just a little champagne and red wine, and you're already so drunk."

Ning Junpeng also looked at the other students. "Actually, I remember all of you can handle your alcohol. Li Xiaosan, you can drink 1000 cups without getting drunk. And Yue Laosi, you normally wouldn't get drunk even after having 10 beers. But this time, you are drunk after a few glasses? You got so drunk that you couldn't even remember the events from that night clearly?"

Ning Junpeng was inspired and immediately questioned these people aggressively. His heart was filled with excitement. This was the resentment that had been bottled up in his heart for the past few days.

The faces of the students who were called out by Ning Junpeng immediately turned red.

...

Gong Tianhao glanced at them and said indifferently, "I don't know if they were really drunk or not. However, my people have found out something." Then, someone handed an envelope to Gong Tianhao. Gong Tianhao held the envelope and said nothing.

Except for Xiao Lingyu, no one knew what was inside the envelope.

However, for Jiang Shuyu and the others, seeing this envelope gave them a very bad premonition.

Gong Tianhao said, "Miss Jiang, do you want to open it and see what it is?"

Jiang Shuyu's face was pale, and she hid behind Madam Jiang in fear. She shrank her head and didn't dare to look at the envelope at all.

Gong Tianhao laughed coldly and said, "Hehe, since Miss Jiang doesn't dare to look at it, then please open it and have a look, Mister Jiang."

Mister Jiang took the envelope from Gong Tianhao in confusion. When he opened the envelope, his pupils constricted and his expression was slightly shocked.

Madam Jiang looked at her husband's expression and asked curiously, "Husband, what is it?" With that, she took the item from Mr. Jiang's hands. Mr. Jiang was not expecting that. He didn't want his wife to see it. In a panic, he blocked her, but the item fell from his hand.

It was another stack of photos.

Then, everyone in the room and those outside the window stared at the photos on the ground and were dumbfounded.

"Fuck, what is this?" Ning Junpeng suddenly shouted. Then, he picked up a few photos from the ground. When he saw what was in the photos, he looked at Zhang Laowu and asked, "This is taken at a high-end restaurant, right? Zhang Laowu, why are you in a high-end restaurant with Miss Jiang? Moreover, Miss Jiang gave you money! Why would she give you money..."

Zhang Laowu was the one who testified against Xiao Lingye, and he said Xiao Lingye was a rapist.

In an instant, Ning Junpeng reacted and shouted, "Zhang Laowu, no wonder you keep saying that Xiao Lingye is a hypocrite. It turns out that you have been bribed!"

Everyone, "... " Everyone started to understand what the pictures were.

Chapter 867: Reversal of the Truth

Ning Junpeng's roar was heard not only by the people in the room but outside as well.

These photos were scattered on the ground. Although they were quite far away, they could see the contents quite clearly.

"Damn!" Someone couldn't help but exclaim in surprise, "They were all bribed by someone. Look at that pile of money. It must be at least five thousand RMB!"

Someone said, "Five thousand RMB for a student, that's quite a lot of money!"

"Tsk tsk, I have to say, Miss Jiang is really rich," someone said with a smile, "That is equivalent to four years of tuition. No wonder these people had lied."

As for those who did not come forward to testify and said that they did not know anything, they were neutral. They didn't want to offend anyone. However, there were only a handful of people in the neutral camp.

As for those who were on Xiao Lingye's side, there was only Ning Junpeng.

"Damn. These are some bastards! Just for a few thousand RMB, they betrayed their conscience." Someone stood outside the window and scolded angrily, "I really thought that Xiao Lingye was a hypocrite."

“Most of us think so too. But...” the person narrowed his eyes and said angrily, “Who would have thought that these people would be bribed? The culprit had prepared fake witnesses and evidence. How could we not fall for it?”

“Exactly.”

“Money really makes the world go around. The Jiang family is rich and powerful. What Miss Jiang offers seems like a lot of us, but she probably spends more on her handbags.”

“It’s great to be rich!”

“You’re right! Otherwise, why do we study so hard? Isn’t it to have money in the future to make our lives better?”

.....

“I told you that Xiao Lingye isn’t a hypocrite.”

“If Xiao Lingye were as they said, he could easily pretend to agree to be Miss Jiang’s boyfriend and do anything he wanted. After that, he could break up with her. There was no need for him to do this.”

Although this person was speaking the truth, something was wrong.

If the Jiang family heard this, they would be so angry. Did they think Miss Jiang could be used like that?

Of course, the person who said this kept his voice low so that the people inside wouldn’t hear him. The people around him heard him and agreed with him.

“What you said makes sense. Previously, we were misled by a few photos and a few so-called witnesses. We have misunderstood Xiao Lingye.”

“Speaking of which, who is this brother-in-law of Xiao Lingye? He exposed the fake evidence and fake witnesses so quickly. This is simply too unbelievable.”

“However, I now understand where Xiao Lingye’s heavy and calm confidence comes from.”

At this moment, someone suddenly said, “Since Xiao Lingye didn’t take advantage of Miss Jiang, it’s obvious that the person who helped Miss Jiang to the hotel wasn’t Xiao Lingye. Then, who was the person who really slept with Miss Jiang?”

Everyone, “...”

Indeed, who was that person?

Chapter 868: Reserval of the Truth

One could eliminate Xiao Lingye. Since he was not the person who slept with Jiang Shuyu, then who was it?

Everyone outside was curious about this question. Principal Li was intrigued as well. He was the only one out of the loop. However, as an educator, Principal Li didn’t ask the question.

At this moment, Ning Junpeng suddenly remembered and asked in puzzlement, "Right now, the entire school is saying that Xiao Lingye took advantage of Jiang Shuyu and slept with her. We know now that is not true, but..." He picked up a photo from the ground and said with a frown, "Although this photo is photoshopped, there is a fake head on a real body. This incident did happen. The male lead does exist. So, he must be..."

He glanced at everyone in the room suspiciously.

When his gaze swept past Zhong Yu, the latter's expression suddenly became a little guilty as he lowered his head.

Ning Junpeng suddenly pointed at Zhong Yu and said, "That day, you were the last one to leave. Before we left, Miss Jiang went to the bathroom. You said you would send her back. Zhong Yu, you helped Jiang Shuyu to the hotel. You... why did you frame Xiao Lingye?"

Zhong Yu balked and countered, "Don't try to frame me! You have no evidence!"

Ning Junpeng said angrily, "Do you really think that? These two days, Hu Dongjun and I have been following you. We also obtained the video footage from the hotel."

Actually, this frame job was full of flaws. However, people struck first, and with fake evidence and witnesses, everyone targeted Xiao Lingye. No one, except Xiao Lingye's friends, cared about the truth. Thankfully, his friends never gave up on him.

Zhong Yu clenched his fists, and his face flushed red. He felt humiliated and angry. He said angrily, "Bullshit! If you have evidence, then show it. Stop bluffing!"

When they planned this, they had taken into account the hotel's surveillance cameras. Jiang Shuyu had used her connections to get the hotel to delete this surveillance video. Therefore, it was impossible for Ning Junpeng to have the surveillance video.

...

Ning Junpeng curled his lips and said with a smile, "Zhong Yu, you seem to be very confident. I know you have the hotel delete their surveillance video. But..." Then, his tone shifted, "Have you forgotten what Xiao Lingye does for a living?"

When Zhong Yu heard this, it was as if he had been hit in the head. His face instantly turned pale. Xiao Lingye was a computer genius, even though he was a finance major.

Ning Junpeng continued to attack, "Xiao Lingye can restore the video with just a simple button click. Do you really think we can't get the evidence?"

Then, he took out his phone and started the video. Everyone could see it.

It was the scene where Zhong Yu helped Jiang Shuyu into the hotel room. This image was also posted around campus. However, the one around campus had Zhong Yu swapped out for Xiao Lingye.

Another part of the truth was revealed.

At this moment, someone outside the window exclaimed, "Ah, so the person who slept with Jiang Shuyu wasn't Xiao Lingye at all. It was Zhong Yu!"

The teachers and students outside, "... Do you have to say that out loud? Aren't you afraid that the Jiang family will hold a grudge against you?"

In any case, the truth was revealed!

Everyone's eyes were focused on Zhong Yu and Jiang Shuyu!

Chapter 869: Reserval of Truth

Many people looked at Zhong Yu and Jiang Shuyu in disbelief.

Someone said in disbelief, "This... how is this possible? Zhong Yu and Jiang Shuyu?"

Jiang Shuyu was a proud and arrogant woman. Why would she sleep with a random guy? It was another story if Zhong Yu had a powerful status or family background. However, he had neither.

Everyone in the school knew that Zhong Yu loved Jiang Shuyu, but Jiang Shuyu didn't care about Zhong Yu at all.

The person she liked was Xiao Lingye.

But Jiang Shuyu had slept with Zhong Yu? This was very hard to believe.

"No, no, I didn't sleep with him. The person who slept with me was obviously Xiao Lingye!" Jiang Shuyu suddenly shouted in agitation. "The person who slept with me was Xiao Lingye. These videos can only mean that Zhong Yu carried me to the hotel, but it doesn't mean that the person who slept with me was him, right?"

In front of everyone, Mr. Jiang and Mrs. Jiang's faces turned green and red. They were embarrassed and angry.

"Shut up!" Mr. Jiang shouted at Jiang Shuyu angrily. He was very ashamed.

"It looks like Miss Jiang still hasn't given up." Gong Tianhao said mockingly, "Since that's the case, I'll have to continue to provide the evidence!"

After saying that, Gong Tianhao called out to a man in black and pointed at Zhong Yu. He said coldly, "Take off all of his clothes!" Speaking up to this point, he looked at his wife beside him and changed his words, "Uh, leave his underwear." He didn't want his wife to look at these unsightly things.

Soon, the man in black ignored Zhong Yu's struggle and took off all of his clothes and pants. He only left behind a pair of boxers.

Gong Tianhao took the photo from Madam Jiang's hands and showed it to everyone. "Everyone knows that this photo was photoshopped, right? It was only pieced together with Xiao Lingye's head and another person's body. Do you know whose body this is?"

.....

Ning Junpeng and the people outside said together, "Of course, it's Zhong Yu's!"

Zhong Yu's face alternated between white and red. He asked very shamefully, "How can you say that so easily? How can you tell it's me?"

Ning Junpeng walked up to him and sized him up. Then, he walked up to Gong Tianhao, took the photo, and said with a cold smile, "Zhong Yu, you usually look smart. Why are you acting so dumb now?" Ning Junpeng studied the man's body and said, "Zhong Yu, I have no idea you are so chubby. Look at this stomach. You look like a pregnant woman." He then showed the picture to Zhong Yu. Zhong Yu's face instantly turned green.

Ning Junpeng pointed to a spot on the picture and said, "You might not admit to having this big belly in the picture, but what about the red birthmark on your shoulder?"

When Zhong Yu heard this, his head suddenly pounded as if it was about to explode. His entire body trembled violently.

This was irrefutable evidence!

Chapter 870: Reversal of Truth

"There's another point," Gong Tianhao added, "With the angle this picture is taken, it's not hard finding the person who took this picture on that night of the party."

Gong Tianhao took out the picture where Xiao Lingye was in Jiang Shuyu's arms. He asked Ning Junpeng, "Do you remember who was sitting at the position of the photographer?"

Ning Junpeng took the photo and thought for a moment. Then, he said loudly, "Oh, I remember now. It was Zhong Yu!"

Some of the other students quickly echoed, "Yes, it's Zhong Yu. At that time, I was sitting next to him!"

A wise man submits to circumstances!

Now, it was obvious that Xiao Lingye's group had the advantage. The people who were bribed by Jiang Shuyu wanted to atone for their crimes, so they slowly stood up to testify.

As for whether or not they would offend the Jiang Family, that would be pondered on another day. After all, it was stupid to side with the Jiang Family now.

"Right, the person sitting there is indeed Zhong Yu!"

Some of the other students also chimed in.

At this moment, Xiao Lingye said with a serious expression, "Mr. Jiang, Mrs. Jiang, now that the witnesses and evidence are conclusive, the truth has been revealed. In fact, the boy who slept with Miss Jiang was not my brother Xiao Lingye, but another classmate. Since that's the case, then my brother's wrongdoings have been cleared. Therefore, shouldn't you apologize to my brother?"

Mr. Jiang and Mrs. Jiang had never been so humiliated.

...

They had come to the school to cause trouble for Xiao Lingye in order to ask for benefits from the Gong family.

Even if Jiang Shuyu couldn't successfully marry Xiao Lingye, with her status as the victim, the Gong family had no choice but to do something to compensate them for the sake of protecting Xiao Lingye.

However, what the Jiang couple had never expected was that their daughter had lied to them.

It was because of this lie that they had been extremely embarrassed in public.

"Slap!"

Mr. Jiang angrily slapped Jiang Shuyu's face and said angrily, "You unfilial daughter! Hurry up and apologize to student Xiao!"

The most important matter now was to appease Gong Tianhao. Since Gong Tianhao was there, this would blow up in the Jiang Family's face if it was not handled properly.

Mr. Jiang's slap was extremely vicious. In an instant, Jiang Shuyu's face turned red and swollen.

Jiang Shuyu was hit and instantly felt pain. Her tears instantly fell, and she cried out loudly, feeling very wronged.

All of a sudden, only her loud cries could be heard in the room.

Mr. Jiang saw his daughter like this and felt both distressed and angry. He shouted loudly, "Do you only know how to cry? Now hurry up and apologize to student Xiao!"

"What are you shouting for?!" Mrs. Jiang's heart was really aching for her daughter. "Can't you see how sad our daughter is? Can't she apologize later?"

Mr. Jiang was so angry that his face turned green. He pointed at madam Jiang and shouted, "Spare the rod and spoil the child! This is why Shuyu is acting like this?"

"Is she not your daughter too? Didn't you spoil her as well?" Madam Jiang retorted loudly.

Mr. Jiang pointed angrily at Madam Jiang and wanted to continue arguing. However, he noticed the expressions of Gong Tianhao. He immediately put down his finger and said, "We'll talk about this later!"

Then, he turned around and said to Gong Tianhao with an apologetic tone while trying to curry favor with him, "I'm sorry, Mr. Gong. I've made a fool of myself. My daughter is very emotional right now. When her emotions calm down, I'll make sure she apologizes to student Xiao properly for this incident."

Gong Tianhao waved a finger and said indifferently, "Mr. Jiang, it's only right for her to apologize to my brother-in-law. However, are you sure this is the only incident she has to apologize for?"

Mr. Jiang said, "Huh? Mr. Gong, what do you mean?"

Gong Tianhao looked at him with an ambiguous smile.
