

Finding the Avengers

I went to Helen Cho's lab after hearing Ultron's plan. When I got there, Captain America was there and Helen Cho was hurt. I walked over and said, "Wait, I can heal her!"

"Why should I trust you?" Steve asked.

"Why would I help you unless I lie Ultron?" I said.

Steve stepped back and I walked over and healed Helen. Helen said she could help everyone else. We then went over to fight Ultron.
