

She Kissed Me

The boats were being loaded. I was by Cap. We were working hard to get the people onto the boats safely.

One of the boats was bombed on the engine, so Tony and I flew over to keep it up. Tony suddenly said, "Thor, I've got a plan!"

"We're out of time. They're coming for the core." Thor replied gravely.

"Rhodey, get the rest of the people on board that carrier. Avengers, come to work for a living."

Cap and I nodded and ran to the church. Pietro walked over to Wanda and asked if she was okay, and when she nodded, he walked over to me, Wanda right beside him.

"You good?" Pietro asked.

"Yeah." I responded.

Wanda and I looked at each other and she did something I hadn't known I had been waiting for. She kissed me.
