

Skylar Moss

I spent my days thinking about my family and talking to Wanda and Pietro. They made everything better, even being tortured. We were called to the room with the thugs and Strucker himself. We heard sirens and a voice saying we are under attack.

"Who gave the order to attack?" Strucker asked.

"Herr Strucker, it's the Avengers," said Tom, one of the least threatening people Strucker hired.

"Can we hold them o?"

"Their the Avengers!"

đ

Strucker and his right hand man started talking about sending out the trio, that's what they called us. Strucker quickly said no, and Pietro Wanda and I took o .
