

## Tony's Dream

Wanda and I were behind Tony, then she waved her hand using her powers to show Tony his worst nightmare, then Wanda showed it to me and I watched it play out in his mind. I. We saw that his fear would destroy him, make him self destruct. Pietro zoomed over and was about to stop Stark from taking the scepter, but Wanda and I both put up our hands to stop him.

"You're just going to let him take it?" Pietro asked.

Wanda and I just smiled.
