The First Heir – Chapter 1570

Philip finally understood after Theo explained.

Then, he turned around, looked at Webster blandly, and asked, “Are you Webster Shaw?”

“How dare you?! Who told you to talk to Uncle Webster like that?! Apologize on your knees at once!”

Standing behind Webster, Blake immediately pointed at Philip and chastised him.

He could not wait to break Philip into tiny pieces!

If not for Philip, Blake would not have been embarrassed in front of Webster.

The worse thing was, he was obviously such a loser, so what right did he have to be so cocky?

Webster looked sideways at Philip again and sneered, “Young man, it seems that you have some status. Otherwise, Theo wouldn’t be helping you like this.”

Philip laughed and said, “In ten minutes, you can declare Loyale Group bankrupt.”

As he said that, he had already sent a text message.

What?!

A group of people was stunned!

What was this kid talking about?

He wanted Webster Shaw to declare Loyale Group bankrupt?

What a ridiculous joke!

“Are you crazy? You want Uncle Webster to declare Loyale Group bankrupt? Have you seen yourself in the mirror lately? What right do you have to say such things?”

Blake was furious as he pointed at Philip and yelled. Douglas also sneered as he stood to the side. He never expected that the kid Theo wanted to protect to be so arrogant!

Did he not know about Webster’s strength and status in Riverdale?

Webster also shook his head with a smile and said, “Very well, you’re the first person who dares threaten me like this. How interesting. I just wonder where you got the courage to say such bold words?”

Webster was so angry that he almost laughed instead. In all these years, he had never met such an arrogant junior.

However...

To everyone's surprise, Philip still said indifferently, "Nine minutes left."

As soon as these words were uttered, the atmosphere in front of Beacon Group became extremely tense!

Webster's face turned blue.

Everyone knew that the former underground lord of Riverdale was angry now!

When Uncle Webster got angry, misfortune would befall!

"How dare you?! How dare you talk to me like that? You're a kid who still drinks milk! Fine, let's see who dares to touch me, Webster Shaw!"

Webster was angry, and his eyes were frosty.

Theo's face darkened as he quickly whispered to Philip, "Mr. Clarke, let's just forget it and leave. We can live and fight another day. We can't afford to mess with Webster Shaw for the time being."

Theo said this for the sake of Philip's safety.

However, Philip smiled coldly and said, "I want to see who in this world I can't afford to mess with! Webster Shaw, huh? Very well, since you want to take the lead, let me break your teeth and claws. I'll show you pain!"
