

The First Heir Chapter 1634

What did he mean by that? Would he dare to do anything to him?

“What do you mean?” Martin asked warily.

Philip chuckled and said, “Martin Johnston, my decision has never changed since the beginning. Since you’ve chosen to be Beacon and Wynn’s enemy, you should’ve gotten prepared for my retaliation. As for that secret in your hands, leak it out if you have the guts. Do you dare to make a bet with me? As long as you dare to expose the secret, I’ll kill you!”

Martin froze, stunned by Philip’s indifferent appearance and calm attitude.

The look in his eyes was terrifying.

It seemed that as long as he leaked it out, what awaited him would be death!

Hmph!

Bernard snorted coldly, pointed at Philip, and shouted angrily, “Philip, don’t be arrogant! Are you treating us like pushovers who’ll be intimidated by a few words? We now own Martin Pharmaceutical and have so many talents. Can you really compete with us? Besides, even if we expose the secret, so what? Do you really dare to kill us?”

The corners of Bernard’s eyes were sinister. He did not believe that Philip had the guts to do so.

“Exactly!” Martin clenched his fists at this moment and said grimly, “Philip, since you’re displaying such an attitude right now, there’s nothing else to talk about between us. This secret will soon wreak havoc in

the entire city. At that time, you and Wynn will have to withstand all the criticisms and backlash that you're bound to face!"

Martin was annoyed. The last bit of kinship in his heart was completely shredded at this moment!

Philip's arrogant attitude made him very upset! In that case, he would take a gamble.

The others also echoed.

"Oh, Philip, I hope that you and Beacon can endure what comes next."

"Chairman Clarke, for whatever it takes, you're still too young. Why do you have to insist on doing this?"

"As long as you bow down and admit your mistakes to Mr. Johnston right now, and give up Beacon to him unconditionally, I'm sure Mr. Johnston won't treat you harshly. After all, you're still family."

With a menacing smile, Martin said, "Yes, we are family, after all."

Having said that, he took two steps forward, patted Philip on the shoulder, and said, "Philip, I'll give you one last minute to think about it. Do you really want to sacrifice Wynn's reputation and fight with me?"

However, Philip only snorted coldly in response. "Martin, you're not worthy to talk to me in that way. In my eyes, you're nothing but an ant. The only reason why I haven't made a move against you is to see who else is supporting you from behind. Do you really think I dare not do anything to you?"

This stern rebuke shook the entire suite abuzz!

Martin was also startled. With a frown, he shouted, "Since you don't know what's good for you, don't blame me for being ruthless!"

After that, he said to Bernard, "Inform the city's media right now and broadcast that secret all over the city for three days. I want the entire Riverdale to know what kind of person Wynn is!"

"Martin Johnston, how dare you?!"

Philip shouted angrily. The dormant killing intent in his eyes erupted endlessly as his body surged with monstrous anger!
