

# The First Heir –

## Chapter 1738

Hector Dunley got up from the floor and pushed everyone away. He glared at Philip angrily, shouting, “Damn it! How dare you push me? Do you know who I am? My name is Hector Dunley and I’m from the Dunley family of Charbury! Now, I want you to kneel and apologize to me. Lick my shoes as well! Otherwise, I won’t let you see the sunrise tomorrow!”

Hector was angry!

As the young master of the Dunley family, he was actually pushed down by a low life. How humiliating! Even his \*ss was made of gold!

Philip’s face changed as his expression darkened. He looked at Hector who was cursing in front of him and asked, “Are you from the Dunley family?”

Hector immediately sneered and said, “Oh, you’ve heard about the reputation of my Dunley family? Hehe, kid, why don’t you hurry up and apologize, then? After that, give up your spot!”

Hector was very cocky at this moment. The name of the Dunley family was spread all over Charbury!

Who dared to disrespect the Dunley family? That was a death wish!

Although he was the young master of a branch family, he was still a member of the Dunley family!

Pushing him?

That was the same as pushing the Dunley family!

The other young chaps also sneered at this time and said, “Brat, Hector has spoken. Kneel and apologize at once!”

“That’s right, why are you standing there like a fool? Are you waiting for us to do something to you?”

Philip shook his head helplessly and asked, “Who’s Moses Dunley to you?”

Moses Dunley?

Hearing this, Hector instantly shuddered. With fear in his eyes, he stammered and asked, “D-Do you know my cousin?”

It turned out to be his cousin.

Philip realized it and replied, “You can say so.”

Hearing this, Hector instinctively panicked and glanced at his friends around him. He had seen Moses’ ruthlessness with his own eyes. Was this guy Moses’ friend?

“Hector, don’t panic. I think this guy is just sh\*tting you! How can a loser like him know Moses?”

“That’s right, Hector. He must have heard that name from somewhere and is trying to scare us.”

At once, several people spoke to Hector. At the same time, they glared at Philip with more resentment and yelled.

“Brat, do you think Hector will be afraid of you just because you mentioned Moses’ name?”

“Exactly. Hector is the young master of the Dunley family, the beloved grandson of Old Master Dunley!”

“Moses Dunley? Hehe, in front of Hector, even Moses has to lower his head and greet him as Young Master Hector!”

Those guys spared no effort in flattering Hector at this time, praising him up to the sky.

Hector was flustered. Who the heck was the most beloved grandson of Old Master Dunley?

When he saw Moses, he was the one who had to lower his head and greet him as Young Master Moses with great respect. In the Dunley family, Moses was treated like a crown prince!

However, now that Hector was being praised to the skies, it would be embarrassing if he chickened out now.

Thus, Hector sneered and adjusted his suit. He put on an air of arrogant superiority and said, “That’s right, I’m the most favored young master of the Dunley family. You must apologize for pushing me just now and being disrespectful to me!”

Hector looked steady on the surface but was panicking inwardly.

Philip’s eyes were cold as he said, “What if I don’t apologize?”

Hector immediately huffed. “You don’t want to apologize? Then I’ll cripple your limbs and throw you into the river! That way, the Larson family will have no choice but to choose another talent.”
