" Suzi added.'

'Tim has a sigh of relief.'

"How did this happen?"

"I don't know Mr. Tan"

'Lea is fixing the displays stands when she heard the store's door opened.'

'She left what she's doing and headed to the entrance to entertain the customer

"Good mor---" Lea's next word was stuck in her throat.'

'Her eyes went wide opened and her jaw dropped!'

'She could not believe her eyes!'

'Is this for real?'

" Wait

am I just seeing things?' Lea asked her self.'

'The woman described what she's wearing so that Kira can find her easily.'

'Kira ended the call after getting a little information about the woman.'

'She shoved back he phone into her pocket and hailed for a taxi.'

'Route four is just a few minutes away from route two.'

'Kira gets off the taxi after giving her fare.'

'She looked at the restaurant in front of her.'

'This is the only Chinese restaurant in route four

so Kira supposed that the woman is here.'

'Kira walks to the entrance and entered the restaurant.'

'She looked around to find the woman.'

'Her eyes caught a woman sitting near the glass wall.'

'She is wearing the same dress color that the woman on the phone described to her.'

"I want to thank you for helping me a few days ago

" Dana spoke again.'

"Oh

no worries

I just did what is the right thing to do

" Kira replied.'

'She picks up her glass of water and takes a sip

hoping to feel at ease.'

"How about you?" Dana looked at Kira.'

"Were you hurt when I hit your car?" She asked.'

"Ah

" Kira put down her glass of water as she revealed a faint smile

she doesn't want Dana to notice her uneasiness.'

"Fortunately

I wasn't hurt

" Kira said.'

"That's a relief then

" Dana said.'

"How about your car?"

"Does it have big damage?" Dana continued to ask.'

"Aside from the dented trunk

there's nothing else that was damaged in the car

" Kira replied.'

"I will take the responsibility for what happened

" Dana said.'

"Just tell me how much you've spent on your car's repair

"

"Oh

it's alright

" Kira said.'

"You don't have to worry about it

"

'Kira opened the gate.'

'She then walks straight to the stairs.'

'Tim stopped his car a few meters away from the taxi.'

'He saw when the woman passenger gets off the taxi.'

'He was right!'

'He wasn't just seeing things!'

'It was Kira!'

'Nothing changed in her physical appearance!'

'She's still the same Kira like four years ago!'

'Tim saw Kira entered the apartment building.'

'He hurriedly gets off his car to follow Kira.'

'If she doesn't want to show her self to him

then he will make a way to talk to her now!'

'Drake was left inside the apartment room

in confusion.'

"What is going on?' He asked his self.'

"Why Kira is acting like this?"

'Drake's mind is full of questions

,

"Why Mr. Tan suddenly came into the apartment and say that he came to the wrong place?"

"That doesn't make sense though

"

"Where is Kira going anyway?"

'Drake took a deep breath

'He felt something odd.'

'Drake opened the door.'

'He got out of the apartment and watch Kira from the second floor.'

'It made him more suspicious when she heard Kira called Mr. Tan by his nickname.'

"Tim!" Kira called Tim as she tried to catch up with him.'

'Drake knitted his brows

'Do they know each other?"

'-----'

'Tim already reached his car when he heard Kira called him.'

'Tim stopped in his track

it was the first in four years

that he heard that voice again!

"Explain to me

" He said.'

"Mr. Tan

you already saw the Missus

Mr. Tan?" Coby asked.'

'Tim looked at Coby.'

'He throws him a meaningful look.'

"Did you know that she's back?" Tim asked.'

'He narrowed his eyes as he looked at Coby suspiciously.'

'Coby gulped!'

'He almost bites his tongue for being so talkative!'

"Uh

It's..." Coby is thinking whether to deny it or not!'

'Tim did not pull back his gaze from Coby as he waited for him to finish what he wants to say.'

'Coby couldn't look at Tim straight to his eyes.'

'He is not used to lying to Tim

so

he doesn't have a choice but to tell him the truth.'

"My..." Coby spoke again.'

"My fiancée called me this morning

she told me that the Missus went to her store

" Coby said.'

"She... went to Lea's store?" Tim repeated.'

"Yes

Mr. Tan

" Coby replied as he nodded his head.'

'Tim sighs!'

'This time

he pulled back his gaze from Coby.'

'He looked at the floor as he fell in deep thought.'

'Tim was left alone

standing near the gate.'

'He wanted to hit his head on the wall when he realized what he just said to Kira!'

'Tim balled his fist!'

"You're such an idiot

Tim!"

"You should have not told her those words!"

"You should have approached her politely!" Tim couldn't help but scold himself.'

'Now

he only made Kira got furious to him!'

'He let his jealousy engulf him!'

'Yes!'

'It is because of jealousy!'

'He is jealous of that Drake Samson!'

'Just thinking of his child treating another man as a father

it made his blood boil!'

'He wants to hit him until Kira could barely recognize him!'

'-----'

'Kira gets off the taxi when she arrives at her apartment.'

'It was already dark.'

'Kira headed to the stairs

but then her footsteps came to a stop when she remembers what Tim said to her at the school.'

"I want the child's custody

"

'Kira couldn't help but felt threatened!'

'Tim has everything!'

'He has money

he has the asset

so

he can make a way to take Yana away from her!

but when she reaches the kitchen

she found Aileen already done to cook!

"Auntie

" Kira hurriedly approaches Aileen.'

'She put down her phone on the table

"You should have let me do this

" Kira said as she tried to take the utensils from Aileen's hands.'

"Oh

don't mind me

I used to do this when you were still at M Province

" Aileen refused.'

"Oh

I feel ashamed to you auntie

you keep on doing things for me

but you never accepted any payment

" Kira said.'

"Nah

this kid!"

"I already told you not to mind me

"

"I wasn't able to do these things to my child

at least you gave me a chance to do this to you

" Aileen said.'

'Kira took a deep breath

"Thank you

auntie

" She said.'

"Are you going to see your son today?" Kira asked Aileen as she sat on the chair in front of the dining table.'

"No

" Aileen replied.'

'Kira froze

" Why not?"

FLIRTATIOUS HUSBAND - 120 ONE STEP AT A TIME 3

"Of course she does!" Lea was the one to answer Coby.'

'Ahe then turned her gaze to Kira

"Hey

Kira

" Lea called her best friend.'

"Why won't you tell us about your life when you were away from the Capital City?"

"Where did you go after you left here?" Lea asked.'

'Kira stopped chewing her food as she raised her gaze to Lea.'

'She looked at her with her puzzled look.'

"Why Lea is suddenly asking about it?"

"I already told her where I went after leaving Capital City!"

'Lea seemed to understand Kira's look.'

"Oh

I just want everybody to hear it

"Lea said.'

"Yeah

I am eager to know too." Ella agreed to Lea.'

"Oh!" Kira blurted out.'

"So

tell us!" Lea said again

as she revealed a smile.'

"Uh

"Kira swallowed her food before she spoke.'

"I went to M Province and live there for the past four years

"She said.'

'Tim chew his food slowly as he listens to Kira.'

"Where do you work then?" Ella asked.'
