

Flirtatious Husband: Why He Wants To Marry Me?

Chapter 12 - Husband and Wife 3

Kira secretly pinched Tim.

Tim breathes deeply as he feels the pain of Kira's pinch, but he acted to be unmoved!

"H-Honey, next month?" Kira acted sweet to Tim.

Tim tilted his head to Kira and he smiled at her sweetly.

"Why?"

"Would you like to move it earlier than next month?" He asked with a sweet smile on his lips.

Kira revealed a fake smile, "Honey, isn't it too early?"

"I mean, we still need to prepare everything, remember?"

Oh!

God knows how she wanted to beat this guy for being so insensitive!

Didn't he get what she means to say when she said it's too early?

What she means is to give her some time to prepare her self for the married life!

"Don't worry sweetheart, I have my people to do all the preparations," Tim said.

'Aaarrggghh!'

Kira secretly roared due to frustration!

She knows what this guy is doing!

He didn't give her any excuse to run away from him!

"Kira, are you going to ask your co-teachers to attend your wedding?" Helena asked.

"No!" Kira instantly refused!

"Why?" Helena asked again.

"I... I want to make it private, auntie."

"I don't want to invite anyone except you and Lea," Kira added.

"Me neither," Tim agreed.

Helena just nodded her head and did not ask any questions anymore.

Tim bade goodbye when they finished talking about the wedding.

Kira offered to see him off but when they reached outside, Kira's sweetness instantly faded.

"Seriously Mr. Tan?!"

Tim stopped in his track and turns his head to Kira, "Why?"

"Next month?!"

"Can't you give me a chance to prepare my self for the married life?"

"There's nothing to prepare, Ms. Li."

"I ure you, nothing would change even if we get married, you can still enjoy the things that you like even if we're married. And besides..." Tim paused for a moment as he looks at her.

"I am afraid that you might change your mind!" He added.

Kira stared at the man in front of her, "Why did you choose me, Mr. Tan?" she asked.

"I mean... Why me?"

Tim tilted his body to face Kira and say, "Because you need something from me and I need something from you." Tim simply answered.

Kira frowned.

Yes, it's true!

She needs something from him, but what would he need from her?"

Tim touched Kira's face and pinch her chin lightly, "I have to leave now." He said and then he lowered his head and kissed Kira on her forehead!

Kira's body turned stiffed!

"Don't get mad if I kissed you, your auntie is watching on us," Tim whispered before he straightened his body rode to his motorbike.

Kira watched as Tim's motorbike go further and further until he is out of sight, just then she decided to get inside the house.

Her Auntie is standing on the door.

"Auntie..."

Kira approached her auntie.

Helena stared at Kira with her teary eyes.

"Why?" Kira asked.

"Nothing..." Helena said as he wiped her tears.

"Auntie..." Kira gets worried.

"Kira, do you love that man?" Helena asked.

"Auntie... What kind of question is that?" Kira asked back.

"I just don't want you to regret your decision, one day," Helena said.

"Auntie, I thought everything is okay with you," Kira said.

"I know, I know... But what if one day, you'll discover that he is hiding a secret from you?" Helena said as if she is hinting something to Kira.

Kira felt strange too with auntie.

"Auntie... Tim is not keeping a secret from me." Kira replied.

'Of course! How would he keep a secret from me?'

'We've just known each other!'

Kira thought.

One month has passed.

Today is the wedding day!

Kira is sitting in front of the mirror.

Helena approached her, "Dear..." She called Kira.

Kira looked at Helena through the mirror.

"Auntie..."

Helena sits down beside Kira, "You're so beautiful..." Helena said as she touched Kira's face.

"Thank you, auntie..." Kira said.

"Kira, you still have a chance to retreat..." Helena suddenly said.

"Auntie!" Kira was stunned for a moment.

"I am just testing you..." Helena said.

'I can't retreat, auntie... I will do this for you...' Kira secretly said.

At the wedding venue...

Kira is wearing her white gown while Tim wears a white wedding tuxedo.

The two of them are standing in front of the wedding officiant.

They only have four guests, it was Lea, Helena, Coby, and the Tan family's lawyer, Vince.

"You may now kiss the bride." The wedding officiant said.

Kira and Tim faced each other.

Tim slowly raised Kira's veil, but Kira widened her eyes as if giving Tim a warning, 'don't you dare to kiss me!'

But Tim seems unaffected by her warning look!

He wraps his arm around Kira's body and suddenly laid her down on it before he kissed her on her lips!

Tim moved so fast!

Kira doesn't have time to react!

The kiss lasted for only three seconds.

Tim raised Kira's body and helped her to stand straight.

Kira is still in shock and all she could do is to blink her eyes a few times!

'Did I just lost my first kiss?'

"Congratulations!"

Kira snapped back to her senses when Lea and Helena congratulated her.

'You look so beautiful, babe! (A friendship endearment)' Lea said to Kira.

"Thank you, babe!" Kira replied.

Meanwhile, on the other side of the venue, Tim and Vince are talking to each other.

Vince is Tan family's lawyer.

Vince is thirty-three-year-old he is four years older than Tim.

"Congratulations!" Vince said to Tim.

"Thanks!" Tim replied.

"I will deliver the documents to you, tomorrow."

"Ennn..." Tim nodded.

"I am sure that your father is satisfied with the decision that you made."

"He should be!" Tim replied.

"He had lived with regrets and guilt for a long time and no matter how he tries to give everything to her, he still can't give her back the lives that he took by accident."

"Ennn..." Vince nodded his head. " You're right!"

"I should go then, I still have something to do in my office." Vince bade his goodbye.

It was already dark when the newlywed got out of the venue.

Tim was the one to drive the car.

"Eh! What about my auntie?" Kira asked when Tim started the engine.

"Don't worry, Coby will send her to our new house," Tim replied.

Tim drives the car away.

He drives for about twenty minutes before they arrive in the villa.

Kira gets down from the car.

She stared at the villa.

"You said you don't want to live in the mansion, so, we will going to live here," Tim spoke from behind Kira.
