

FLIRTATIOUS HUSBAND - 21 GUEST

'One month has passed since they got married.'

'During the first to the second week

Tim would send and fetch Kira from work.'

'But in the third week

Tim has become busy with work

so Kira decided to take a public vehicle but Tim won't allow her.'

'He wants his assistant to drive Kira to work but Kira refused.'

'He gave her a car

but since she doesn't know how to drive four wheels

she still refused and she chooses to have a scooter motor instead.'

'Tim gave her what she wants.'

'He takes good care of her.'

'If he comes home late

he would call her to make sure if she has gone home safe

he would call her to make sure if she's done eating her dinner before going to sleep.'

'Kira felt like she is someone special to Tim

and as days passed by

she becomes comfortable with him.'

'It was four in the afternoon.'

'Tim looked out of the glass window and notice the dark clouds.'

"It looks like it's going to rain!" He thought.'

'Tim puts down his pen and took his car key from the top of the table

he gets up from his seat and headed outside.'

'----'

'J International School'

'Kira looked up at the sky as she walks to the parking lot outside the second gate.'

"Oh! Looks like it's going to rain!" She said to her self.'

'She wasn't wrong!'

'As soon as she reached the second gate

the rain started to drop

one

two

three until it pours heavily!

'Kira runs towards the waiting shed near the parking lot.'

'Coincidentally

Alex is there too

waiting for the rain to stop.'

'Alex nodded his head as a greeting to her and Kira did the same too.'

'The two of them stand side by side

but they did not talk to each other.'

'Alex stopped talking to her since she told her to distance their selves from each other.'

'At first

it was hard for Kira

but the other side of her mind told her that

it's the good thing to do.'

'Others of their co-teachers run towards the same waiting shed too

to avoid getting wet with the rain.'

"Oh! Teacher Kira and Teacher Alex are here too!" Myla was the one to notice them.'

'Their co-teachers started to tease them!'

"I just noticed that teacher Kira and teacher Alex are not talking to each other this past few weeks!" The other teacher purposely said it loud.'

"Ooohhh! Is this LQ? Also known as Lover's Quarrel?" Myla added the fuel.'

'Kira and Alex just look at each other and did not give any reactions.'

"Hey! The two of you are not kids anymore!"

"Just talk whatever your problem is or it'd better if you get married as soon as possible!" The senior teacher said followed by the loud teasing screams.'

'Alex and Kira did not say a word.'

'Meanwhile

,

'A man holding an umbrella gets down of the car.'

'He did not mind the heavy rain which made the road flood a little

he did not mind his shoes get wet as he walks to the waiting shed.'

'The teasing continues

and the teasing scream could be heard

but they went silent when they notice a man wearing a navy blue business suit coming into their direction!

'The man is walking through the rain while holding an umbrella to prevent himself from getting wet.'

'They couldn't see his face clearly due to the heavy raindrops.'

'But they notice his intimidating aura!'

'He looked respectable and would make everybody kneel to him!'

'Not to mention his physical appearance which could cause the ladies to go crazy!'

"Oh! Who is this good looking guy?!" The younger teachers whispered to each other.'

"My eyes! "

"It's so hard to take my eyes off him!" The other said in a low voice.'

'The female teachers secretly giggled.'

"Maybe he is one of our student's guardian!"

'Kira notices the sudden silence of her co-teachers.'

'She turns her head to them but all of them are just looking to one direction.'

'Kira followed their gaze.'

'From a distance

she saw a man

holding an umbrella while walking towards their direction.'

'Kira stared at the man's familiar silhouette.'

'Though the rainfall is heavy

and it makes the man look blurry

Kira can still recognize him!'

'Kira's heart skipped a beat and she felt like there are butterflies in her stomach!'

'Kira couldn't take her eyes off the man!'

'She felt like her world spin slowly as she looks at the man walking through the rain!'

"Tim!" She mumbled.'

'As Tim gets closer and closer to the waiting shed

Kira's co-teachers started to ask each other about who could be the man!'

'Tim did not mind the girls trying to catch his attention.'

'He just walks closer to Kira and says

"Hey Sweetheart!"

'Kira just stared at Tim with her stunned expression!'

'Her heart continues to thump so hard and it feels like it's going out of her chest!'

"Woah! How good looking is this man!" Kira said inside.'

'Kira's co-teachers instantly were stunned when they heard the man's word!'

'They looked at each other with their unbelievable expressions!'

'Alex just glanced at Kira and Tim and he lowered his head.'

"W-Why are you here?" Kira stammered as she speaks

her gaze never left Tim's face!'

"I'm here to fetch you

" Tim replied.'

"I... I thought you're busy."

"I can always make time for you

" Tim said sweetly.'

'Kira pressed her lips to suppressed her smile.'

"Let's go?" Tim offered his hand to Kira.'

'Kira took his hand

but she seems to remember something.'

'She turns to her co-teachers and introduced Tim to them.'

"Co-teachers..." Kira calls the attention of her co-teachers.'

'Her co-teachers couldn't look at her straight to the eyes

they were ashamed of their reactions earlier

but they still listen to her attentively.'

"I... I want to introduce my husband to all of you

" Kira said.'

"This is my husband

Timothy Tan

" Kira said.'

"Tim

they are my co-teachers."

"Hello everyone! Nice meeting you all!" Tim greeted them.'

Flirtatious Husband: Why He Wants To Marry Me? Chapter 22 - Guest 2

Tim couldn't hide his smile, it feels good that Kira doesn't want to hide him anymore!

"H-Hello, Mr. Tan..." The co-teachers respond.

Tim tilted his head to Kira, "Let's go sweetheart?" He said.

Kira nodded her head before she looks back to her co-teachers, "We'll head first." She said.

"O-Oh, s-sure!" Myla was the one to respond.

The two of them turned to head to Tim's car.

Tim wrapped his other arm on Kira's waist, he pulled her closer to him to avoid her from getting wet.

Kira's co-teachers watched them as they go further and further...

"W-Wait..."

"I...I wasn't dreaming... right?" The senior teachers asked the other teachers as her gaze never left the retreating silhouette of Tim and Kira.

"Yeah... We are not dreaming..." The others agreed.

"Oh! She's so lucky!"

"Where did she get that kind of husband?" The younger teacher asked in envy.

The rain continued to pour.

Coby hurriedly opened the car as soon as he saw Tim and Kira coming.

Tim lets Kira get inside the car before he turns to the driver's seat and gave the umbrella to Coby.

Tim sits down and spoke to Kira, after a while Kira gave him something which he passed to Coby.

"Drive the scooter after the rain stop," Tim instructed Coby.

"Yes, Sir!" Coby said as he reaches for the key.

Coby stepped back and Tim closed the car.

Tim glanced at Kira and notice her wet dress..

He took something from the backseat and say, "Take off your dress."

Kira turned her head to Tim, "What?!" She asked as if she misheard him.

"Your dress is wet, take it off before you catch a cold," Tim said again.

"B-But I did not bring any extra dress," Kira said.

Tim lifted his hand which is holding a plain white shirt. "You can wear this." He said.

Kira looked around and is having a second thought.

Tim understands Kira, "Don't worry, no one can see you from the outside." he ured.
Just then, Kira took the shirt from Tim.

She was about to take off her dress but she remembers something!

She turns her head to Tim, throw him a meaningful look and say, "Close your eyes!"

But Tim just let out a short laugh. "Haha!"

"I don't have to." He said.

"I've already seen you , remember?"

"Hey!"

Kira's face flushed red as she remembers what she did that day!

'He's picking on me again!'

Kira thought.

But Tim just revealed a naughty smile!

"Why are you not taking off your dress?"

"Do you need help?" He asked.

Kira sigh!

"No need!" Kira replied.

"In case you didn't know, I am good at taking off dresses!" Tim said without thinking what he said.

Kira glared at Tim, "Why?"

"How many women have you turned ?!"

"..."

Tim was speechless as he realized what he just said!

Yeah, right, he said a word which could make Kira misunderstand him!

"Uhm... Sweetheart, it's not what you think it is." Tim tried to take back what he just said, but it was too late!

"Tsss..." Kira twitched her mouth.

"Why so defensive, hubby?" Kira said sarcastically!

It made her annoyed just thinking of Tim undressing another woman!

Kira did not mind Tim's presence as she started to unbutton her dress and take it off.

Tim gulped as he saw Kira taken off her top-dress.

He felt like his throat has dried.

Tim cleared his throat, it was cold outside but he suddenly felt hot!

Tim tried to avoid watching Kira.

He sits properly and looked ahead of the car.

Kira notices Tim's reaction and she secretly smirked.

Tim waited for Kira to finish changing her cloth before he started the engine and drives the car away.

Back to the group of teachers in the waiting shed...

"I didn't know that teacher Kira is already married!" The senior teacher said in disbelief!

She doesn't even hear the Kira had a boyfriend!

"I can't believe it! She had a good catch! That man looked good and rich!" The younger teacher Belle said.

"But why did she keep it from us?" Ara (the one who struggled to take her eyes away from Tim earlier, asked).

"Whatever her reason is, it is none of our business! It is her right to keep her personal life private." Myla said.

"But I did not expect it though!" Myla mumbled as she throws a glance to Alex who is standing on the other side of the waiting shed.

She thought that Kira has something for Alex.

Alex couldn't take it anymore, the more he listens to his co-teachers' conversation, the more his heartbreaks!

He did not wait for the rain to stop and he walks away and left the place.

It is starting to dark when Kira and Tim reached home.

Tim opened the passengers' seat for Kira.

The two of them get inside the house but they did not expect to have a guest!

"Tim!" A woman suddenly got out of the kitchen and called Tim!

Tim looks at the woman, "Gaile?!" He blurted out.

Yes!

It was Gaile Fuente!

Gaile smiled, as she approached Tim and peck on his cheek.

Gaile's attention is on Tim, so, she did not notice the woman behind him.

"When did you come back?" Tim asked in a surprised expression.

"Just this morning," Gaile replied.

"Oh, you haven't had rest yet?" Tim asked.

"Yeah... I went to the mansion, but the servants said that you moved here," Gaile explained.

"Oh!" Tim blurted out.

"My wife wants to leave in a smaller house, so, we decided to move here.

Gaile's smile slowly faded when she heard the word "Wife".

"Y-Your wife?" Gaile repeated.

"Ennn..." Tim nodded and turn behind him.

He held Kira's hand and pulled her closer to him.

"Meet my wife, Kira Li." Tim introduced Kira to Gaile.

"Kira, this is Gaile, a family friend."

Kira bowed her head to Gaile as a greeting.

She secretly studied her when she was talking to Tim earlier.

She dressed in a sophisticated dress, she has an extraordinary beauty that every woman wished for!

She looked fierce like nothing can ever take her down.

Gaile revealed a smile, but Kira knew it wasn't sincere!

She doesn't feel good with this woman!

Flirtatious Husband: Why He Wants To Marry Me? Chapter 23 - Guest 3

Gaile's brows slightly raised as she looks at Kira.

Kira is wearing an oversized shirt.

She is simple, she's not using makeup in her face and only using a lip balm on her lips.

"So, y-you've got married," Gaile asked without taking her eyes at Kira.

"Yes," Tim replied.

"Since when?" Gaile asked again.

"A month ago," Tim replied.

"Oh!" This time Gaile averted her gaze to Tim.

"Did auntie Gezel attended?"

"No," Tim replied plainly.

Gaile knitted her brows, "Why not?"

" I did not tell her about it."

"What?!"

" But she is your auntie," Gaile said.

"I don't have to tell anyone what I want to do with my own life, I don't need anyone's opinion," Tim replied.

Gaile becomes silent.

Tim turned his head to Kira, "Sweetheart, why won't you go upstairs and change your clothes before you catch a cold." He said in a sweet voice.

Kira smiled at Tim and nodded her head.

Gaile looked away she doesn't like to see these two together.

Kira went upstairs.

She closed the door and twitched her mouth!

"So you get married!"

"Since when?"

"Blah blah blah!" Kira imitated Gaile.

"Tsss..." She scoffed.

She felt annoyed just by thinking of Gaile, the way she talks to Tim is different!

She is a woman too and her instinct told that Gaile likes Tim!

Kira froze for a moment.

That woman is almost perfect!

Why he did not choose to marry her instead?

"Aish!"

"Why am I too affected by that woman?!"

Kira shook her and tried to erase her thoughts.

After fixing her self, Kira went back downstairs and found Tim and Gaile talking in the living room while laughing.

Gaile would touch Tim sometimes, but Tim did not mind it.

Kira rolled her eyes as she watches the two of them.

'Hmph! That guy let that woman touch him and he seems like he is enjoying her company!'

Kira heard Tim's laugh as he listens to Gaile's story.

She doesn't know why, but it makes her feel irritated!

Kira took a step in the staircase, she purposely made her footsteps noisy to distract Tim and Gaile.

Tim and Gaile turned their heads to the direction of the stairs when they heard the noise.

Gaile's expression instantly changed when she saw Kira.

Kira notices Gaile's change of expression.

"You're here sweetheart!" Tim gets up from his seat.

Kira smiled sweetly to Tim, she approached him and wrap her arms around his waist, (As if saying, "This man is mine!")

"Yup!" Kira replied.

Gaile looked at Kira's arms around Tim.

Kira secretly glanced at Gaile and she saw her expression turned sour.

"Are you hungry?" Tim asked.

"Ennn..."

Kira nodded her head.

"Why don't we go to the kitchen and have dinner?" Gaile joined their conversation.

"You know Tim," Gaile touched Tim's shoulder.

" I cooked your favorite food and I know you'll like it!"

Kira's expression turned cold as she looked at Gaile's hand on Tim's shoulder.

The three of them headed to the kitchen.

The table is already prepared.

Kira and Tim sit side by side while Gaile sits opposite them.

"Kira dear, I cooked your favorite red shrimp," Helena said when she saw Kira. Kira's eyes instantly sparked when she saw her favorite food!

"Oh, thanks, auntie!" She said.

"Tim, would you like to eat this?" Gaile said as she showed to Tim the beefsteak that she cooked.

"I know this is your favorite," Gaile added.

Gaile gets up from her seat and was about to serve the food to Tim but Kira spoke.

"Let me do it Gaile, It is the wife's duty," Kira said with a smile on her face that did not reach her eyes.

Gaile's hand stopped mid-air, she is out of words!

Kira is showing to her that she has more rights to Tim!

Kira took the food from Gaile and put it on Tim's plate.

"Here." She said.

Tim revealed a smile, "Thank you, sweetheart!"

Kira just smiled back to Tim.

Gaile's brows raised for a moment as she watches the couple in front of her.

Tim started to eat his food.

Gaile did not show her annoyance, and she gets back to her seat.

"So, how does it taste?" Gaile doesn't want to get defeated!

"It tasted good!" Tim replied.

Gaile automatically smiled and throw a meaningful look to Kira as if saying, 'See? Your husband likes my cooking!'

Tim cut a portion of the steak and feed it to Kira, " Try it, sweetheart!"

Kira stopped peeling off her shrimp and he looked at Tim, "Uhm..."

Kira glanced at Gaile.

Gaile's smile instantly faded when she saw Tim trying to feed Kira the food that she cooks for him.

"Hubby, why won't you try this shrimp instead?" Kira showed the shrimp to Tim.

"I don't think so..." Gaile suddenly spoke.

"Tim doesn't eat shrimps!" She added.

Kira looked at Gaile, "Oh!" she blurted out.

Gaile found a chance to show to Kira that she knows so much about Tim than her!

"Kira, don't tell me you don't know the foods that Tim liked and the food that he doesn't like?"

Kira and Tim looked at each other.

Kira secretly gulped!

'Yeah! She doesn't know about his likes and dislikes!'

"Tim, your wife doesn't know that you have allergies to shrimp?" Gaile looked at Tim.

"Uhm..." Tim puts down his fork.

He notices that Gaile is trying to intimidate Kira, and he won't let that happen!

" Actually, I've started eating shrimps a few months ago!" He said.

Gaile's face turned pale when Tim defended Kira.

"No way!" She blurted out in an unbelievable expression!

"Of course!" He said and then he eats the shrimps that Kira's holding.

"It tastes good though."

Gaile and Kira just looked at Tim with their stunned expressions!

Gaile did not stay longer at Tim's villa.

She doesn't like seeing Tim and Kira together.

She is in rage while driving her car home.

She can't believe it!

She thought that Tim has a high standard when choosing a woman!

But why did he pick and marry that mere teacher?!

Why does it have to be Kira!

Why not her?!

She is much way better than that Kira!

She doesn't even have a good background like her!

Fuente Residence...

"Hello." Richard Fuente answered the call.

"Mr. Fuente, I'm glad that you've already had time to talk to me."

The man from the other line said.

Richard gulped when he heard that deep and horse voice from the other line.

"I'm sorry, Chase, I just went out of the country."

"Oh! You went out of the country, but you have not paid your debt to me!" Chase said.

"C-Chase I already told you to give me more time," Richard said.

"I've had enough Richard!"

"One month! Give me one month!" Richard tried to beg.

"Alright! One month Richard! Just make sure that you're going to pay for your debt within one month otherwise, I will get everything you have!" Chase threatened!

The call ended.

Richard tightened his grip on his phone.

One month.

Five million for one month?

Where would he get that big amount of money?!

He doesn't have so much left in him!

He got addicted to gambling and almost all of his savings are gone!

Richard took a deep breath.

After a while, he heard a car's engine.

And then Gaile came into the house.

"Gaile!" Richard called his daughter.

Gaile annoyingly tossed the car's key on the center table.

"Why?" Richard asked with his puzzled expression.

Gaile throws her dad a mad look.

"I thought Tim is searching for a bride?!" Gaile asked sternly.

" Yes," Richard replied.

"Dad! He is already married!" Gaile said.

"What?!" Richard blurted out!

"She's married to that girl named Kira!"

"And do you know what made me mad?"

"That woman is just nothing compared to me!"

Richard took a deep breath and held his daughter.

"Dear, if that woman is nothing compared to you, that means, it will be easy for you to snatch Tim away from her!" Richard said.

Gaile looks at her father. "Dad... You know I like Tim since I was young." Gaile said and tears started to form on her eyes.

"I know, I know..." Richard said.

"I will help you to get him. I will look for that woman's flaws, " he added.

Flirtatious Husband: Why He Wants To Marry Me? Chapter 24 - The Auntie

Kira turned as soon as Gaile's car drives away.

"I can see that she knows a lot about you," Kira said coldly as she turns away from Tim.

"Yeah, we've known each other since we were young," Tim replied as he scratches his skin.

"Ah, so that is why you just let her touch your body," Kira replied with annoyance.

"And it seems like you're enjoying her company, why didn't you marry her instead?!"

Kira releases all her annoyance to that woman!

She doesn't like the way that woman looks at Tim, she doesn't like the way she laughs to Tim's story, and she doesn't want that woman to be near to Tim!

She felt like she's going to snatch Tim away from her and she doesn't know why she's feelin' this way!

Tim silently listen to Kira while scratching his skin, he is having difficulty to breathe but he did not mind it!

He walks closer to Kira and embraces her from behind, "I'm sorry," He whispered.

"I'm sorry if I've been insensitive to what you feel."

"Gaile is just a friend of mine, she's just a little sister to me," Tim said.

Kira's annoyance slowly faded when she heard Tim's word.

"You... You don't like her?" She asked.

"Nope!" Tim said in between his deep breathing.

Kira notices Tim's strange breathing, she quickly removes his arms from her waist and turns to face him.

And she was shocked to see Tim's reddish skin!

"H-Hey... Y-Your..." Kira suddenly remember what Gaile said during the dinner!

'Tim has allergies to shrimps!'

Kira gasps!

"Ohmo!".

"You're having an allergy reaction to the shrimps!" Kira blurted out.

"Oh!"

"I-I have difficulty breathing," Tim replied in a faint voice!

Kira instantly gets rattled!

"W-What should I do?!" Kira asked worriedly.

"P-Please take the epinephrine on my medicine kit," Tim struggles to breathe!

Kira instantly runs to take the medicine kit and took the syringe with medicine.

She is rattled and her hand is trembling!

Kira hurriedly get back to Tim, 'What should I do?'

All in Kira's mind is to save Tim!

She dug the syringe on Tim's arm and push the bulb to eject the liquid to Tim's body.

"Tim just hold on, I will bring you to the hospital!" Kira said worriedly.

Tim is lying on the bed, and he seems like he is sleeping.

"I have already told him to avoid this kind of foods, why did he still eat?" The doctor mumbled.

Kira lowered her head, she felt guilty, if she did not offer that shrimp to him, this might have not happened to him!

"It's good that you've injected him the medicine that I gave him, in case something like this happens." The doctor said.

The doctor faced Kira, he took a note from the nurse behind him and gave it to Kira, "This is the list of food that he should avoid."

"Alright, doctor!" Kira said as she took the note from the doctor.

"I shall take my leave now." The doctor got out of the room.

Tim just pretended to be asleep, but the fact is, he is just listening to the doctor and Kira's conversation.

Tim opens his eyes slightly and secretly looked at Kira, but Kira caught him!

"Hey!" Kira hit Tim's arm!

"Awh!" Tim cried!

"Why did you do that?!"

"Do, what?" Tim acted like he doesn't know what Kira mean to say.

"Why did you eat shrimp when you know you have an allergy on it?! Do you know how you made me scared?!"

"I thought something bad would happen to you!" Kira seems like crying.

Tim smiled as he listens to Kira.

"Why are you smiling, huh?!" Kira asked sternly.

"Is there something funny?!" Kira is still mad!

"Are you happy to see me got rattled, and doesn't even know what to do?!"

"No," Tim stared at Kira, "I'm just happy to know that you're worried about me," Tim replied.

"..."

Kira is out of words for a moment...

"I-I'm not worried about!"

Kira tried to hide her concern.

"I just feel guilty, because I was the who give you that shrimp!" She said and then she walks out of the room.

Tim's smile widened, "You're not a good liar, sweetheart!" He mumbled.

In the garden of a mansion, a woman in her late fifties is sitting in the chair.

A servant is massaging her back while she is reading a magazine.

She is still beautiful and youthful even in her fifties but she looks unapproachable because of her stern look.

She is Madame Gezel Madrigal, Tim's Aunt.

Gezel's phone ring.

She tilted her head and looked at her phone on the table before she picks it up and checked the caller's ID.

Madame Gezel swiped her phone and answers it.

"Gaile dear, why did you call auntie?" Gezel asked in a sweet and calm voice.

"Hello, auntie."

Gaile greeted Madame Gezel.

"How are you?" She added.

"Oh! I'm fine dear."

Madame Gezel replied.

"It's good to hear that!" Gaile said.

"Anyways, Auntie have you heard that Tim has already got married?" Gaile asked.

This is her main reason why she called auntie Gezel!

It's to tell her that Tim has got married without her approval.

She knew Madame Gezel, she's close to Tim and her opinion would matter to Tim!

Madame Gezel has a high standard for everything, and she will use her to torture Kira until she decides to have a divorce to Tim!

What?!" Gezel was shocked by the news!

"You sounds so surprised, auntie! Didn't Tim told you about it?" Gaile asked as if she did not know anything!

"No! He didn't tell me about it!"

"That brat! He did not even bother to tell me!" Madame Gezel said.

"Oh! I'm sorry, he might want to surprise you." Gaile said with guilt. (Pretend)

"Oh no, it is better that you told me about this."

"So, do you know who's the girl?" Madame Gezel asked in curiosity.

Gaile smiled, this is her chance!

Madame Gezel would surely react when she heard about that woman's background!

"Yeah! I've already met her." Gaile replied.

"So, what do you think?"

"Well, I guess, she's a kind woman but..." Gaile stopped as if giving a thrill to Madame Gezel.

"But?" Madame Gezel waited for Gaile to continue.

"But I think, she doesn't have that good background. I mean... She is just a mere teacher, Auntie." Gaile continued.

"A mere teacher?" Madame Gezel repeated.

"Yes. A pre-school teacher in an International School."

"Ha!" Madame Gezel laughed sarcastically which made Gaile's smile went wider.

"A teacher?" She blurted out in disbelief.

"And where did he pick this girl?!"

"I don't know auntie," Gaile replied.

"I also heard that she is an orphan since she's nine years old."

"An orphan?!"

"Yes," Gaile replied.

"Why did he chose to marry an orphan and mere teacher instead of a businesswoman?"

"How could a teacher help him with his business?"

"It would be even better if it was you!" Gezel said.

"Auntie..." Gaile pretended to be humble.

"I don't know how that woman gets Tim but she should know her place!"

"She shouldn't be the Tan family's next queen!"

Richard's office.

Richard is holding the report about Kira's background check.

His grip tightened as he read the report.

He seems like he was reminded by something!

Richard crumpled the paper and throw it violently!

Flirtatious Husband: Why He Wants To Marry Me? Chapter 25 - The Auntie 2

After three days, Tim was discharged from the hospital and on the fourth day, he already gets back to work.

"Are you sure you can already manage?" Kira asked in concern.

"Of course, sweetheart! I feel better now." Tim said.

"It was just an allergy, it won't affect me too much!" He added.

"Hey!"

"It was not just a simple allergy, it was severe!" Kira replied.

"I promise, I am alright now, I have the best nurse in the whole world!"

"You're just trying to flatter me!" Kira said.

"I have to go, sweetheart!" Tim said and then he kissed Kira's forehead before he headed downstairs.

Thirty minutes after Tim left, a car stopped in the garage of Tan's villa.

A woman gets down of the car and looked around.

She is wearing sunglasses and a beige colored cloche style hat with black lace around it and in her wrist is an expensive handbag.

The servants got rattled as soon as they saw her!

Thirty minutes after Tim left, Kira decided to clean up before getting downstairs.

She wears a plain white shirt, denim short pants, and sleepers.

Kira opened the door and went downstairs.

She is in the middle of the stairs when she noticed an old woman standing in the living room while giving an order to the servants who are busy pulling the luggage.

"What's going on?" Kira asked Jane when they met on the stairs.

"The witch is here!" Jane said in a low voice.

"Witch?" Kira repeated with her knitted brows..

"Yes, Missus, the witch is here," Jane repeated and then she hurriedly continued to take a step upstairs with the luggage in her hand.

Kira looked at the woman in the living room with her puzzled look.

She continued to take a step downstairs.

Kira headed to the living room and approached the old lady.

"Excuse me..." Kira tried to catch the attention of the woman.

The woman turned and face Kira.

The woman looked at her from head to toe with her stern expression.

"Yes?"

'Oh! This woman is like my terror teacher in secondary school!'

Kira thought.

Though she doesn't have a good feeling with this woman, Kira still tried to be polite.

"Good morning..." Kira bowed her head as a sign of respect.

"I am Kira Li," Kira introduces her self.

But the woman's expression got even sour when Kira introduced her self!

"So, you're the wife!" It was not a question but a confirmation.

Kira understands what the woman means to say.

"Ah, Y-Yes... I am." She replied.

"Ha!" The woman let out a short and sarcastic laugh.

" You are just like what I've heard!" Madame Gezel said.

"Look at that dress that you are wearing!"

"Can you even face a guest with that tacky dress?"

Kira looks down at her dress.

'What's wrong with my dress?' She asked her self.

"Why?"

"There's nothing wrong with my dress. I am comfortable wearing this kind of dress."

Kira replied to Madame Gezel.

Madame Gezel throws Kira a cold gaze, "You are not in a slum where you grew up, girl."

" You are in a rich man's house, you are the wife of an influential man, stop acting ignorant!"

'Ha!' Kira secretly sigh inside.

This woman is being difficult!

"Ha! I wonder what you did to my nephew for you to convince him to marry a mere person like you!"

Kira froze...

'Nephew?'

'So, she is Tim's auntie!'

'But he never talked to me about his auntie!' Kira thought.

Kira secretly bit her tongue to avoid her self from talking back to the old woman.

She doesn't want to be disrespectful, she was taught not to talk back to elders, so, all she could do is to endure this woman's attitude, because she is an elder!

"What is going on here?" Helena suddenly spoke from behind Kira, she heard the noises in her room and she gets out to check on it.

Kira and Madame Gezel looked at Helena's direction.

"Oh!" Madame Gezel seemed surprised!

"Helena?!" She blurted out sarcastically.

Helena looked at the lady who called her, and her expression instantly turned cold!

"Gezel..." She said plainly.

Kira was shocked for a moment.

Does her auntie know this old woman?!

"What is the former servant doing here in my nephew's house?" Madame Gezel asked with insult.

'Former servant?' Kira repeated, 'Her auntie works for the Tan family before?!' Kira thought, but she forgets her thoughts for a moment and defended Helena.

"She's with me, auntie," Kira replied.

"Oh!"

"And how are you related to this woman?" Gezel's attitude is still the same.

"She's my foster parent," Kira replied.

"Your foster parent?" Gezel got suspicious.

"So, is she the one who told you to seduce my nephew?!"

"What?!" Kira was stunned by the old lady's question!

She didn't expect her to say that!

" You better watch out, I'm going to stay here, be prepared to be kicked out of this house, Lady!" Madame Gezel said and then she walks away.

Kira and Helena were left stunned in the living room.

Seems like her next days in this house are going to be tough!

Tan Corporation...

Inside Tim's office,

"Mr. Tan, LCX Bus Line's CEO is requesting your presence at C Province," Coby said.

"Why?" Tim asked while playing the pen in his hand.

"He has a proposal for you, sir," Coby replied.

"Why won't he come here to meet me personally?"

"Mr. Tan, Mr. Villariez is not in good condition. He couldn't travel because of his illness."

Tim thinks for a moment.

The Villariez was the one who helped his father when they almost declare bankruptcy.

"Alright, I will go to C Province to talk to him." Tim agreed.

"Book me a flight to C Province tomorrow," Tim instructed Coby.

"Yes, Sir!" Coby instantly followed Tim's order.

Coby got out of Tim's office and Tim started to tap his top, but then his phone suddenly rings.

Tim picks up his phone and reads the caller's ID.

It was from Helena.

Tim swiped his phone and answered the call.

"Yes?" Tim answered.

He keeps silent as if he is listening to the person from the other line.

"What?" He blurted out after a while.

"Alright, I am heading home now." He ended the call and picks up his car's key and got out of his office.
