'Kira sigh!'

'She missed her husband so much!'

'It's been three days since she saw him

though she calls her every day

she still missed his presence.'

'Kira went straight to the master's bedroom.'

'She lifted her hand and was about to hold the doorknob

but before she could even touch it

the door suddenly opened and Linda came out from the inside with a laundry tray in her hand.'

'Linda looked startled to see Kira outside the door!'

"Missus!" She blurted out as her face turned pale!'

"Linda!" Kira blurted out

she was startled too!'

"Uhm

I... I just..." Linda stammered as she talks.'

"I just put the clean clothes inside the closet." She explained.'

"Ennn..." Kira just nodded her head.'

"I... I'll get going

Missus." Linda excused her self and walks away.'

'But Kira notices something strange about Linda

today.'

"Linda?" Kira called.'

'Linda stopped in her track.'

'Kira walks closer to her

"Are you alright?" she asked.'

"You looked pale

you're sweating even if it is cold

and you're shaking too."

"Ah

hehe..." Linda revealed a forced smile.'

"I... I am just tired

Missus." she reasoned.'

"Oh! Take a rest then." Kira said.'

"Y-Yes

Missus

" Linda replied

she bowed her head and left hurriedly.'

'Kira's gaze followed Linda.'

'She felt odd about her behavior.'

'-----'

'Gaile did not go to Tim's Villa for two days now.'

'She is busy with the preparations for her birthday banquet.'

'She has a meeting with the party organizer.'

'Though she was busy

she did not forget to call Madame Gezel.'

" Hello

Auntie!" Gaile greeted Madame Gezel.'

" Hello Gaile

why haven't you come here?" Madame Gezel asked.'

"Oh! I'm sorry

Auntie

I was busy for the past few days." Gaile apologized.'

"I am preparing for my birthday banquet next week and I am expecting you to attend

Auntie

" Gaile said.'

"Of course

I will!" Madame Gezel replied.'

"I'd like to see you wearing the ruby necklace that I gave you in the banquet

Auntie."

"Oh

Yes! I will surely wear it at your banquet

dear." MAdame Gezel agreed.'

'Gaile revealed a smirk.'

'-----'

'The next day...'

'The servants and Helena frowned as they saw three men enter the house.'

'They are wearing black sunglasses

with an attached case in their hands.'

'The servants were about to block the way

but madame Gezel who is standing in the staircase suddenly spoke.'

"Let them in!"

'The servants and Helena looked up to Madame Gezel.'

"This way please." Madame Gezel said to the three men.'

'The men followed Madame Gezel.'

'The three servants couldn't do anything and just looked at each other.'

'-----'

'At night

Kira is inside the bathroom and taking a bath...'

'She did not bother to lock the door

she's confident that she is alone.'

'Meanwhile

Tim's car stopped in the garage.'

"You can bring home the car

Coby

" Tim said to Coby before he opened the door and gets down of the car and headed inside the house.'

'Tim went straight to the master's bedroom.'

'It was a bit dark when Tim opened the door.'

'The only thing that gives light the entire room is the lampshade on the bedside table.'

'Tim looked around

there is no one inside the room.'

'Tim knitted his brows

"Where is she?" He mumbled.'

'Just then he heard a sound of running water in the bathroom.'

'Tim turned his head to the bathroom door.'

'He slowly took a step forward.'

'The door was slightly opened

Tim froze for a moment.'

'And then his eyes sparked!'

'Kira stands beneath the shower.'

'The cold water flows down into her body.'

'Kira raised her head with her eyes closed.'

'She stroked her hair as she enjoyed the water flow from the shower.'

"Would you mind if I join you?"

"Aaahh!" Kira screamed due to fright when someone spoke behind her!

'Her first reaction is to pick up a bottle of liquid body soap and throw it to the person who spoke!'

'She didn't realize that the person was Tim!'

"Ah!" Tim cried as he holds his forehead where the bottle landed!

'(Gasp!)

'Kira gasped when she realized it was Tim!'

"Ohmo!"

'Kira forgets her nakedness and she hurriedly approaches Tim.'

"Hey

are you alright?!" She asked worriedly as she tried to look at Tim's forehead.'

"It hurts

" Tim said.'

"Uh

I'm sorry..." Kira apologized.'

'Tim opened his eyes

but then he froze when he realized that Kira is not wearing anything!

'His heart suddenly beats faster!'

'It feels uncontrolled and it feels like it's going to jump out of his chest!'

'Kira froze when she notice Tim's stares to her.'

'Kira's body turned stiff!'

'Her heart thumped so hard!'

'She doesn't know what to do!'

'Just then remembers that she's not wearing anything!'

'Kira instantly turned to get her bathrobe but Tim suddenly grab her arm!'

and he looked at Kira with admiration.'

"I don't accept an apology

sweetheart." He said in a hoarse voice.'

'Kira's body stiffened!'

'Tim gulped as he stared at Kira's lips.'

'He felt like his throat had dried!'

'Kira's pouted lips seems like inviting him to kiss her!'

"Uhm..." Kira just stared at Tim.'

'She felt awkward and doesn't know what to say!'

'Kira bit her lip but it was a wrong move

because it only triggered Tim's flaming desire!'

'Tim suddenly lowered his head and kiss her!'

'Kira was stunned for a moment!'

'Her body turned stiff

her heart is thumping so hard!'

'Kira felt Tim's lips against hers and she seems to forget everything as she close her eyes and feel the warmth of Tim's lips on her lips.'

'Tim pushed Kira under the shower as the kiss deepened.'

'The two of them are kissing beneath the flowing water from the shower.'

'Tim's hair got wet down to his dress and Kira can feel the traces of Tim's masculinity.'

'Tim started to undress his self

he pushed Klira to the wall and press her body against his.'

'Kira wrapped her arms aroind Tim's neck

and responded to his kisses

it is her first time to be kiss deeply

she doesn't know how to kiss but Tim guided her.'

'Tim carry Kira and bring her to bed.'

'Kira just found her self lying on the bed with Tim on top of her.'

'They are bith naked.'

'Tim kiss Kira's neck

down to her chest

Kira was drifted by the sensual desire that Tim brought to her. But when Tim attempted to enter hers

Kira instantly snapped back to her senses!'

""Tim!" She blurted out.'

'Tim automatically stopped what he is doing!'

'He looked at Kira and he saw her crying expression and he can feel her body trembled.'

'Tim's expression turned into a puzzled look.'

"W-Why?" He asked worriedly.'

'Kira looks at Tim

"I... I couldn't." She said in a faint voice.'

'Tim went blank for a moment

he looked down and realized what he almost did to Kira!

'Tim was speechless

he looked at Kira again and he can see the fears in her eyes!

'He doesn't know if she is scared to him.'

"Uh

" Tim quickly distance himself from Kira and he gets down of the bed.'

"I... I'm sorry!" He apologized.'

'He took a clean towel to cover his lower body.'

'He took another clean towel for Kira

" Finish what you are doing earlier

'I'm really sorry." He said and then he hurriedly gets out of the master's bedroom and went to his study room's bathroom.'

'Kira was left alone in the master's bedroom.'

'She is in a daze.'

'They almost did it!'

'She almost gives her self to Tim!'

'She knows there is nothing wrong with it because they are already married.'

'But the thing is

she is not yet ready!'

'She is not scared of Tim

she is just afraid to get pregnant.'

'She feels like she's not yet ready to be a mother!'

'Kira went back to the bathroom and finished up to take a bath.'

'She gets dressed and lay down on the bed

she couldn't sleep.'

'She keeps on thinking about what happened earlier!'

'Kira waited for Tim to get back the room

but Tim did not get back until Kira fell asleep.'

'-----'

'The next morning

Kira wakes up and found Tim seating on the couch.'

"Good morning

sweetheart!" Tim greeted her with a wide smile on his face.'

'Kira stared at her husband.'

"Is he not mad at me anymore?"

'Kira asked her self.'

'Tim gets up from his seat

"Come

let's have breakfast together

" he said as he approaches her on the bed.'

"Are you not mad at me?" Kira can't help but ask.'

'Tim froze for a moment and he knitted his brows.'

"Mad?"

"Why would I get mad at you?" Tim asked back.'

"Because..." Kira doesn't know how to finish her question but Tim understands what she wants to say.'

'Tim seats down to the bed.'

"If you're asking if I'm mad about what happened last night
you're wrong."

"I am not mad at you

alright?" Tim said sweetly.'

'Kira look at Tim

"But you did not sleep here last night." she said.'

'Tim smiled

"I did not sleep here last night because I am afraid that I might lose my self-restraint if I
see you."

"Oh!" Kira blurted out as her face flushed red.'

"You looked cute when you blush." Tim complimented.'

"Let's go!" Tim said and then he gets up from the bed and suddenly carries Kira!

"Hey!" Kira was startled!

"Hey! You startled me!" She complained!

"Sorry!" Tim whispered.'

'But his gaze unintentionally fell to Kira's arm.'

'Tim knitted his brows

"What happened to your arm?" He asked.'

'Kira froze for a moment

" Uhm..." She tried to think for an alibi.'

"I...I accidentally

spill a hot water on it."

"What?!"

"You should have been careful!"

"Oh

I'm sorry

I was in a hurry

then." Kira reasoned.'

'Tim sighs!'

"From now on

you are not allowed to touch any hot object!" Tim said in a serious expression.'

"Huh?" Kira notice Tim's cold expression.'

"So

It means

I am not allowed to touch you?" Kira tried to take Tim's coldness.'

"Don't try to flatter me." Tim said and was not moved by Kira's cheekiness.'

FLIRTATIOUS HUSBAND - 33 ACCUSATION 5

'In the afternoon

Kira got out in the second gate.'

'She stretched her neck and searched for Tim's car but she couldn't find it!'

'Kira frowned

Tim promised her to fetch her from work

and he is usually early when he fetches her

but why hasn't he arrived yet?'

'Kira took her phone and called Tim.'

"Hello

sweetheart?" Tim answered.'

"Tim

where are you now?" Kira asked.'

'Tim unconsciously glances at his wristwatch and realizes that it is time to fetch Kira from work.'

" I'm sorry

sweetheart

I didn't notice the time!" He said.'

"Oh! Are you busy?" Kira asked.'

"No---" Tim's word was stuck in his mouth when Coby suddenly spoke.'

"Mr. Tan

here are more files that need your approval." Kira heard Coby's voice.'

"Hey

I think you're busy

" Kira said to Tim.'

"Uh

I'm sorry sweetheart

I was out of town and left my work for a few days. So

I got a lot of files to review." Tim apologized.'

'Kira smiled

"You don't need to apologize

I understand. You have a big responsibility in the company."

"I'll let Coby fetch you at work

" Tim said.'

"There's no need

I can take a cab. You might need Coby there." Kira refused.'

"But sweet ---"

"Hubby

don't worry about me

your wife will be alright

okay?" Kira insisted.'

'Tim automatically smiles as soon as he heard Kira's endearment.'

'He seems to forget Kira's next words.'

"Alright then." He agreed.'

"Bye." Kira ended the call.'

'Tim put down his phone while still wearing a smile on his face.'

"Should I fetch the Missus

sir?" Coby asked when Tim put down the phone.'

"No need---" Tim froze when he realizes something...'

'Did he just allow Kira to take a cab?'

"Wait

I'll just call her back! " Tim hurriedly took his phone and called Kira.'

'After a while

he spoke

,

"Sweetheart

stay where you---" Tim paused for a moment as if listening to the other line.'

"You're heading home now?"

"Oh! Alright! Take care." Tim said and then he ends the call.'

'He looked at Coby again

"She already takes a cab."

'Coby nodded his head.'

"Do you need anything else

sir?" Coby asked.'

"Just make me a cup of coffee

please

" Tim replied.'

"Alright

sir!"

'Coby nodded his head and he turns to head outside the office

but his footsteps came to a stop when he remembers something.'

'Coby turned back to Tim and ask

" Mr. Tan

I just remember

how is the Missus' burn in her arm? "

'Tim stopped reading the file in his hand and he looked up to Coby

"How did you know it?"

'He asked and throw Coby a suspicious look.'

'Coby seemed to understand Tim's look to him

"Uhm..." He gulped!

"Oh

boss! Please don' t get jealous of me! "

" I didn't do anything! ' Coby wants to cry.'

"Please

don't misunderstand me

sir." He started to explain.'

" I... I have just seen her burn when I went to the Villa to fetch the documents that you've asked for." Coby explained.'

"I'm sorry if I haven't told you about it right away

sir

it went out of my mind. " Coby added.'

"Oh

" Tim blurted out as he heard Coby's explanation.'

"It is getting better now." He said.'

"Oh

good then

I hope that Madame Gezel won't be too rude to the Missus

again." Coby blurted out unconsciously.'

'Tim's brows automatically knitted.'

"What do you mean?" He asked.'

"Huh!?" Coby looked at Tim.'

"Does my auntie has something to do with the burn on Kira's arm?"

"Uhm..."

"Mr. Tan

there is something that you should know

" Coby added.'

"What is it?"

"The Missus said that she accidentally spilled a newly boiled water in her arm

but I overheard the servants talking about it and they said that..." Coby paused for a moment as if having second thoughts.'

"That?" Tim waited for Coby to continue.'

'Coby cleared his throat before he spoke again

"That the Madame was to one who did it."

"What?!" Tim blurted out.'

"The madame was the one who splashed hot water to the Missus."

'Tim's expression instantly turned dark as he gritted his teeth and without saying a word

he gets up from his seat and picks up his car's key and stormed out of his office!

"Uh..." Coby was left speechless.'

'-----'

'After paying the driver

Kira gets down of the taxi and gets inside

but Madame Gezel

Gaile and three other men in black are in the living room waiting for her arrival.'

'Madame Gezel gets up from her seat as soon as she saw Kira.'

"So

you're here!" Madame Gezel said sternly.'

'Kira sighs when she saw Madame Gezel with her stern expression

" I don't want to fight with you auntie

" She said.'

"If you don't want to fight with me

give it back to me

then." Madame Gezel suddenly said

still wearing her stern expression.'

'Kira knitted her brows

"What should I give to you?" She asked.'

"I know that you know what I mean." Madame Gezel said coldly.'

"What are you saying

auntie?" Kira asked with her puzzled look.'

'She doesn't know what Madame Gezel's saying!'

"Oh

stop playing innocent Kira!" Madame Gezel's voice raised.'

"Auntie

please calm down

"Gaile said while stroking Madame Gezel's back.'

"I don't know what you're talking about

auntie

"Kira said.'

'Helena heard the noises and she went to the living room and approaches Kira.'

"What are you doing to Kira again

Gezel?" Helena asked sternly.'

"Oh! The auntie!" Madame Gezel said sarcastically.'

"I am just trying to get back something from Kira

" she said coldly.'

"I have nothing to give you

auntie." Kira insisted.'

"Alright

then I'll find it!"

"Go to her room and find my necklace!" Kira commanded the three men in black.'

'Kira got even more confused

"What?"

"Necklace?" She repeated.'

"What necklace is she saying?' she asked her self.'

"Go!" Madame Gezel shouted to her men.'

'The three men in black instantly followed Madame Gezel's instruction and they went upstairs.'

'Madame Gezel and Gaile followed them.'

"Hey!" Kira yelled to the men when she realizes where they are heading and she followed upstairs to stop them!'

FLIRTATIOUS HUSBAND - 34 ACCUSATION 6

"What do you think you're doing?!" Kira follows them to the master's bedroom.'

"Stop it!" She yelled when the men in black started to touch everything in the room

but the men did not listen to her!'

'They continued to search all over the place they almost turned the bed upside down

they also searched her drawers

and the closet too.'

"I didn't take anything from you

auntie!" Kira said to Madame Gezel with her voice raised.'

"If you did not take anything from me

then let my men search the whole room!" Madame Gezel replied.'

"Stop this right now

or else..."

"Or else

what?" Madame Gezel interrupted Kira.'

"Or else you will tell Tim?"

"Ha!" Madame Gezel let out a sarcastic laugh.'

"Do you think he will take sides on you if he knows that the woman he marries is a thief?" Madame Gezel asked sarcastically.'

"I am not a thief!"

"I already said

that I did not take anything from you!" Kira said with her teeth gritted teeth.'

'Kira and Madame Gezel looked at each other with their sharp gazes

while Gaile is secretly enjoying the scene in front of her.'

'Their confrontation just stopped when one of the men spoke.'

"We found it!" One of the men suddenly said.'

'Kira turns her head to the man

and she was stunned to see the man holding a ruby

diamond necklace!

'Helena who is outside the door was stunned too!'

"We found it inside her closet."

The man added.'

'Madame Gezel's expression went colder while Gaile has a sigh of relief!'

'-----'

'Tim runs inside the house

but no one is in the living room.'

'He runs upstairs and headed straight to the master's bedroom

but he knitted his brows when he saw Helena outside the master's bedroom

the door is open and he saw Gaile

his auntie

Kira and other three men in black inside the room.'

"What is going on here?!" Tim asked.'

'The people inside the room turned their heads to the newly arrived Tim.'

'Madame Gezel seemed relieved to see Tim

while a smirk flashes into Gaile's face.'

"It's a good thing that you are here

Tim." Madame Gezel was the one to spoke.'

"It is better to see it yourself what kind of person you have married."

'Tim looked at his auntie.'

"What are you saying?" He asked.'

"This woman is a thief!" Madame Gezel said without holding back.'

"She stole the necklace that Gaile gave to me a few days ago!"

"No! I did not steal anything!"

'Kira's entire body is trembling but she still tried to defend her self.'

"Oh really?!" Madame Gezel raised her brows

"How can you explain your fingerprints in my things inside my room?" She asked sternly.'

'Kira froze...'

"Fingerprints?"

"I found out that the necklace has gone missing

so

I hired investigators to investigate

and guess what they find?"

"Your fingerprints are all over my jewelry."

"Yes!" Kira spoke.'

'The people inside the room stared at her.'

"I went to your room to help someone to search for your medicine

" Kira said.'

"Ha!" Madame Gezel let out a sarcastic laugh.'

"Do you think we will believe your alibi?"

"I am not making an alibi

I am telling the truth!" Kira said and then she looked at Gaile.'

"Why won't you tell them that you asked for my help to search for Auntie's medicine a few days ago?" Kira said to Gaile.'

'Gaile acted stunned as she straightened her body. " K-Kira..."

"W-What are you saying?" Gaile acted innocent.'

'Kira frowned when she heard Gaile's reply.'

'Did she forget or she si just denying it? Kira asked her self.'

"You---" Kira froze when she realized something!

'There is something wrong here!'

'Kira looked at the people inside the room.'

'All of them are looking at her and they are judging her!'

'This is a setup!'

'Someone is trying to set her up!'

'Kira's gaze fell into Gaile and she can see the faint smile plastered on her face!'

'Kira looked at Tim

she can't see any emotion on his face.'

'Did he also judge me and believe these people?'

"What now

Kira?!" Madame Gezel spoke again.'

"Why are you not talking anymore?"

"Have you run out of lies?"

"Stop it

auntie!" Tim suddenly yelled at his auntie which made everybody stunned!'

"Stop talking nonsense! Kira would never do that! She would never take anything that doesn't belong to her!" Tim defended Kira.'

'Tim throws his auntie a cold look

" And also

how could a "guest" harass its "owner" inside her house?" Tim emphasizes the word guest and owner as if telling his auntie that she has no right to act like a master than Kira.'

"Are you trying to say that the guest has no right to complain if her thing was stolen by the "owner" of the house?!"

"I knew her more than anyone of you here

so I believe her!" Tim replied.'

"Come on Tim!"

"Stop defending your wife!"

"You're tolerating her wrongdoings!" Madame Gezel still insisted.'

"I am defending her because I know she is telling the truth!"

"Ha!" Madame Gezel blurted out in an unbelievable expression.'

"Tim

the evidence is already here!" Madame Gezel insisted.'

'Gaile on the other side started to feel anxious!

"How would I know that that evidence hasn't tampered?" Tim replied.'

'Gaile was stunned in the corner!'

"Just like Kira said

she entered your room to find your medicine

that is why she has fingerprints in your things!" Tim continued to defend Kira.'

"Tim! What is going on with you?!" Madame Gezel's voice raised.'

" You were blinded by your love for this woman!"

"She will just do the same thing that your mother did!"

"She's just after your money!"

'Tim's expression instantly turned dark when Madame Gezel mentioned his mother!'

"Don't you dare compare my wife to my mother!" Tim said coldly.'

'Kira saw how Tim's expression changed

and she got scared that he might lose his temper for defending her

so she decided to speak up for herself!'

"I can prove my innocence!" Kira suddenly spoke.'

'Everybody looked at Kira.'

FLIRTATIOUS HUSBAND - 35 THE CULPRIT

"And how would you do it?" Gezel asked sarcastically.'

"What if I can prove my self innocent?"

"What would I get in return then? Kira asked back sternly.'

"I will apologize to you!" Gezel said as if she is sure that Kira won't succeed in proving her self.'

"She's digging a hole for her self!' She thought.'

"No." Kira opposed.'

"It's too easy to do it

auntie." She added.'

'Gezel narrowed her eyes

" What would you like then?"

"I want you to kneel in front of me and apologize."

"And I want you to leave this house!" Kira said with a fierce look in her eyes.'

'Gezel was confident that Kira really stole the necklace

so

she did not think twice and she instantly agreed to Kira.'

"Alright!" She said confidently.'

'After getting Madame Gezel's response

Kira turn her head to the men in black

,

"I want a forensic fingerprint analysis on the necklace!" She demanded.'

"You found my fingerprint in auntie's jewelry box. If I stole that necklace

my fingerprint should be there too. But I can assure you

I never touch that necklace and I can prove it to you through the forensic analysis." Kira said.'

"I will prove to you that somebody is trying to set me up here

" Kira added.'

"I agree with her auntie

let's wait for the result before we judge her." Tim agreed.'

"Alright then

" Madame Gezel tilted her head to the investigators. " Undergo the necklace to forensic fingerprint analysis." She ordered.'

"Yes

ma'am

" they replied.'

'Tim looked at Helena

"Auntie Helena

could you please gather all the servants in the living room

including the gardener."

"Yes

" Helena replied.'

'----'

'In the living room

the servants stood in front of Tim while Kira

Madame Gezel and Gaile sit on the couch.'

"Something happened in this house

" Tim spoke as he faces the servants.'

"I want all of you to surrender your phones to me

" Tim added.'

'The servants

Gaile and Madame Gezel looked at each other.'

"Turn off all of your gadgets and put it on the table

now

" Tim ordered.'

'Kira was the first one to get up and followed Tim's instructions

followed by Helena

the servants

and the gardener.'

'Tim looked at Gaile and Madame Gezel who did not stand to put their phones at the top of the table.'

"Gaile

Auntie?" Tim throws them a meaningful look.'

"Is this necessary

Tim?" Gaile was the one to ask.'

"Of course! This is to prevent any of you to have contact from the outside and call someone to tamper the result." He explained.'

"But it's not like we're going to fake the forensic result!" Gaile continued to object.'

"Are you trying to question me

Gaile?" Tim asked coldly

which brings a chill to Gaile's nerves.'

"N-No... I mean..." Gaile stammered.'

"Then

put your phone on the table

" Tim said plainly.'

'Gaile has no choice but to get up from being seated on the couch and walk to the table and put her phone on top of it.'

'Madame Gezel did the same too.'

'Tim tap his phone and called Coby.'

"Yes

Mr. Tan?" Coby answers from the other line.'

"Call the security agency and tell them to send ten securities in the Villa."

"T-Ten securities?" Coby thought he misheard his boss.'

'Ten securities?'

'Are they going to escort the Prime Minister?'

'Coby asked himself.'

"Do I have to repeat my self

Coby?" Tim asked coldly.'

'Coby gulped!'

"N-No

Mr. Tan

I am going to call the security agency right away

sir!" Coby said.'

"Good

" Tim said and then he ended the call.'

'Tim looked at the people in front of him

" No one is allowed to go outside until the result is out."

"What?!" Gaile was the one to react again.'

"But Tim

how will I go home?"

"There is an available room upstairs

you can occupy it

" Tim replied.'

"How about my personal stuff?" Gaile asked again.'

" I will allow you to call your servant and tell her to get ready for your things. I will let Coby pick your things in your house."

'Gaile's shoulders dropped as she lowered her head.'

"Is there anything you want to say Gaile?" Tim asked Gaile.'

'Gaile looked up to Tim.'

'Tim might suspect her if she keeps on objecting to him.'

'Gaile slowly shook her head as her response to Tim.'

"Good!" Tim said and then he turned his gaze to his auntie.'

"Auntie

" Tim called.'

"Whatever the result is

you have to leave this place after the result is out." He said without holding back.'

'Kira and the others were stunned to hear Tim.'

'Madame Gezel narrowed her eyes and slightly tilted her head as if she wasn't sure of what she heard.'

"What?" She blurted out.'

" You have to leave this house after the result is out

" Tim repeated as he looked at Madame Gezel straight to her eyes.'

"Ha!" Madame Gezel let out a short and sarcastic laugh.'

"Are you kicking me out of here

Tim?" Madam Gezel asked in a sarcastic tone.'

"Yes!" Tim replied straight forward.'

'The people in the living room were stunned including Gaile!'

"Tim

I am your auntie and you're kicking me out?!" Madam Gezel asked in an unbelievable expression!'

"Why not?" Tim asked back.'

"How could you do this to me?!" Madame Gezel got enraged!'

" I am the owner of this house

I can welcome and kick out a guest if I want to

" Tim said coldly.'

"Why?"

"Why are you doing this?!" Madame Gezel is a proud person

and she won't let anyone treat her cruelly!

"Because you hurt my wife!" Tim said with his teeth gritted.'

'Kira's eyes went wide opened as she looked at Tim.'

"That is your biggest mistake auntie. How dare you splash hot water to my wife

how could you treat her cruelly inside her own house?!"

"How did he know?!" Kira asked herself.'

'Madame Gezel's face instantly turned pale and she was not able to say a word!'
