

Flirtatious Husband: Why He Wants To Marry Me?

FLIRTATIOUS HUSBAND - 61 DANGER IS COMING

"Where is Mr. Fuente

anyway?" Tim asked after a while.'

"I... I did not see him in a few days

sir." Coby replied.'

"Call his assistant

I want to talk to him

" Tim ordered.'

"Yes

Mr. Tan!" Coby replied and then he turned and called for Mr. Fuente's assistant through the intercom.'

'Coby spent a few seconds on the intercom before he put it back and faced Tim.'

"I already called him

sir

" He said.'

"Thanks

" Tim replied.'

"I shall take my leave now

sir

" Coby said as he bowed his head.'

"Ennn..." Tim nodded his head as a response'

'Just a few minutes later after Coby left

Mr. Fuente's assistant came to Tim's office.'

"Good morning

Mr. Tan!" The assistant bowed his head as he greeted Tim.'

'Tim looked up to Jan.'

"Where is your boss?" Tim asked straight forward.'

'Jan froze for a moment

,

" Mr. Fuente left for L Country

he had an urgent thing to do there." He replied.'

" Didn't he went to L Country a few months ago?" Tim questioned.'

"Yes

Mr. Tan."

" Why did he go back then?" Tim interrogated the assistant.'

'Jan gulped.'

" M-Mr. Fuente received a call from Ms. Gaile's manager

the Miss was brought to the hospital due to drug overdose."

"What?!" Tim blurted out with his eyes wide opened.'

"H-how is she

then?" He asked.'

'It took a moment before Jan replied

,

"She's dead

sir!"

'-----'

'Tim is in deep thought while inside the car.'

'He looked outside the window

but his mind is on the news from Mr. Fuente's assistant.'

'Tim took a deep breath.'

'He might be mad at Gaile because she tried to set up Kira

but he didn't wish her to end up like this.'

""We're here

sir

" Coby said which made Tim snapped back to his senses.'

""Oh!" He blurted out when he looked around and realized that they are home.'

'Tim opened the door and got out of the car.'

'Kira is already waiting for him on the front door.'

""Hey

" Kira greeted him.'

""Hey

sweetheart good evening

" Tim replied and smacked a kiss on Kira's lips.'

'Kira took off Tim's blazer and walks with him inside the house and went upstairs.'

'When they reached the master's bedroom

Kira notices that something strange with her husband

" "Hubby

is there any problem?" She can't help but ask.'

'Tim forced a smile

"No

I am just tired." He said as he sat on the couch.'

"Uh

would you like a massage to make you feel better?" Kira asked as she sits beside Tim.'

"Ummm..." Tim looked up and pretended to think

and then he looked at Kira with his naughty smile

" What kind of massage could you offer to me?" He asked meaningfully.'

"Ugh!" Kira rolled her eyes!'

"You're flirting again!" She complained.'

"Hahaha!! Tim laughed

he embraced Kira and kissed her shoulder

" I couldn't help it!"

"It's your fault

anyway!" he said.'

"Why?"

"Because you're irresistible!" Tim replied.'

'He suddenly forgot the sadness that he felt inside.'

'Kira is his happy pill!'

'Kira twitched her mouth and rolled her eyes

" You're just trying to flatter me!" She said.'

" Of course not!" Tim opposed.'

"Do you feel hungry?" Kira asked Tim after a while.'

" You're making me hungry

" Tim hinted to Kira again.'

'Kira sigh!'

'And then an idea came into her mind!'

'She gets up from her seat and stands in front of Tim

she bent down her body and lowered her head and draw her face closer to Tim until they are inches away from each other

" Are you really hungry?" She asked seductively.'

'Tim gulped!'

'Kira started to tease Tim

she lowered her lip to his lips.'

'Tim thought that Kira is going to kiss him but then...'

"Later

hubby!" Kira said and then she straightened her body.'

"Ugh! You're torturing me!" Tim complained.'

" I'm starving

and I couldn't do it whenever I am hungry!" Kira replied.'

'Tim sighs and felt defeated.'

"Alright!" Tim seemed like he surrendered

"You win!"

'-----'

"DingDong!"

'Coby is cooking for dinner when he heard the doorbell.'

'He puts down the spoon and walks to the door to check who is ringing the doorbell

he knitted his brows when he saw Lea on the front door monitor.'

'Coby opens the door

" What brought you here at night?" He asked plainly.'

'Lea frowned

" Hey

shouldn't you greet your guest before asking that question?" She complained.'

'Coby sighs

,

" Alright!"

"Good evening!" Coby bowed his head

and then he looked up to Lea

" What brought you here?"

"Are you not going to let me in?" Lea did not answer Coby's question.'

'Coby seemed annoyed

but he still widened the crack on the door to let her in

" Come in." he said.'

"Thank you!" Lea is being cheeky.'

'Coby closed the door again and ask

"So

could you tell me what brought you here at this hour?" He asked again.'

"Oh!" Lea shoved her hand into her bag and took a small bottle.'

"I came to give you this!" She lifted her hand and showed the bottle to Coby.'

'Coby looked at the small bottle on Lea's hand.'

"What is that?" He asked.'

"It's for the removal of the scar

you should try it! It is from my grandma

you can't see any of that here in the Capital City."

" You came alone just to give that to me?"

"Yes!" Lea nodded her head.'

"You could just give that to me tomorrow morning

you shouldn't be out alone at night!" Coby scolded her but Lea seemed unaffected

and she smiled instead.'

"Why are you smiling?!" Coby asked sternly.'

" Are you worried about me?" Lea asked and giggled

she feel like someone tickled her heart!'

"Don't think too much! I don't want to be blamed by your parents if something bad happens to you!" Coby said in a serious expression.'

"Tsss..." Lea twitched her mouth.'

"And one thing

you should not come to a man's house." He said.'

"Why not?" Lea asked as she gave Coby a side glance.'

" It is not good to see a woman going to a man's house

" Coby replied.'

"Hey

It is already 2015

stop being conservative!" Lea opposed.'

" And besides

we're not doing anything wrong!" She added.'

'Coby stared at Lea with his serious expression.'

"Do you always do this tp every man that you've met?" He asked coldly.'

"Nope!" Lea replied as she raised her head like a proud woman.'

" I only did this to you." She added.'

"Oh!" Coby did not say any word

he just turned against Lea and headed to the kitchen while trying to hide the smile on his face.

FLIRTATIOUS HUSBAND - 62 DANGER IS COMING 2

"Let's eat dinner before I send you home." Coby suddenly said.'

'Lea froze

she turned her head to the kitchen where Coby is currently cooking

"What?" she asked as if she did not hear him clearly.'

"I'll send you home

" Coby repeated.'

'Lea throws Coby a meaningful look

" Why would you send me home?" She asked with a suppressed smile.'

" To make sure that you have gone home safely

" Coby replied in a serious expression.'

"Aayyee!!" Lea couldn't hold her excitement!'

" Really?!" She took big strides towards Coby and looks at him with her twinkling eyes.'

"Didn't you hear me?" Coby asked sternly

but Lea doesn't seem to be affected by his stern behavior.'

"You're worried about me!" Lea Exclaimed!'

"Don't think too much

" Coby said.'

" I just don't want to be blamed by your parents if something bad happens to you." He reasoned.'

'Lea's smile instantly faded

"Oh

" she blurted out.'

"Come and eat

" Coby said as he puts down the foods on the table.'

'Lea opened her mouth to refuse Coby

but she changed her mind as soon as she smells the foods!'

'Lea excitedly walks to the dining table

"Ooohhh!! It smells good!" She exclaimed as she sniffs the food.'

"Help your self

" Coby said as he pulls a chair for him.'

'Lea secretly twitched her mouth

'Tsss... He should at least act like a gentleman and pull a chair for me!' She secretly complained.'

'Coby looks up to Lea when she did not sit

"Are you not going to eat?" He asked.'

'Lea just pulls a chair and ignored Coby.'

'Coby put food to Lea's plate before he put on his own plate.'

'The two of them started to eat silently

no one spoke until they finished eating.'

"Burb!" Lea covered her mouth as she burps!

"Ugh! That's disgusting!" Coby complained.'

'Lea removes her hand from her mouth and she raised her brow

" Shouldn't you be thankful that I am feeling full of the food you cooked?" Lea replied.'

"Ah

you're a good cook

I suddenly want to move here!" She added.'

'(Cough! Cough! Cough!)

'Coby choked when he heard Lea!

"Ugh!" Lea patted Coby's back

" Hey

don't take it seriously

I was just kidding!" she said.'

'-----'

'Just like what Coby promised

he walks Lea home.'

"Oh! The night breeze is cold!" Lea says and then she turns her head to Coby

" Hey

don't you find it romantic?" Lea said with a smile on her face.'

" What's romantic with walking at night?" Coby asked sarcastically.'

"Aish! What would I expect from a robot/grim reaper like you?" Lea mumbled but Coby was still able to hear it.'

" W-What did you say?!" He asked.'

"Hmm?!" Lea looks at Coby innocently

" Oh! Nothing!"

'Lea saw two people walking while holding hands

she couldn't help but envy them

she gives Coby a side glance

'Aish

I am with a dumb person

who doesn't even know how to be romantic!"

'Lea wasn't looking ahead of her

so

she didn't see the group of people heading into their way.'

'Coby was just silent as he looked at the group of people heading to their direction

they were talking and they seem like they are having fun

they are teasing one of their friends and they started pushing

one of them almost bumped Lea.'

"Hey!" Fortunately

Coby was fast to wrap his shoulder around Lea and pulls her away from them.'

"Oh

I'm sorry

sir!" The girl apologized when she realized that she almost bump someone.'

'Coby just ignores the girl

his attention is on Lea.'

'Lea looks down on Coby's hand on her shoulder

and then she looks up to him

but she froze when she realized he is staring at her.'

'Lea slowly revealed a smile

"Hey

what are you looking at?"

"Ah

have you fallen for me?" Lea joked.'

'Coby snapped back to his senses and suddenly remove his hand from Lea's shoulder

"Let's go." He said plainly as he walks ahead.'

" Tsss..." Lea scoffed " He is a total opposite from his boss!" she mumbled and then she followed Coby.'

'The two of them reached Lea's house.'

'Lea presses the doorbell and her mom Lina was the one to open it.'

"Good evening

Mom

"Lea greeted her mother.'

"You're home!" Her mother said

but then her mother notices Coby.'

"And who is this good looking man with you?"

"Is he your boyfriend?" Lina asked.'

'Coby looked at the woman in front of him

she looked like an easy go lucky person just like Lea.'

"Uhm..."

"Mom

He is not..." Lea's next words were stuck in her mouth when Coby suddenly spoke.'

"Good evening

ma'am

I am Coby

"Coby introduces himself.'

"Oh! Hehehehe" Lina giggled.'

" Just call me Mom

you're my daughter's boyfriend anyway!" She added.'

" ... "

'Lea becomes speechless

her mother is assuming!'

'She love her mother but right at this moment

she suddenly wants to deny her!'

'-----'

'A few days since Gaile's death

Mr. Fuente gets back to the S Country.'

'He went straight to the cemetery to place Gaile's urn.'

'Mr. Fuente slowly puts down the urn in one of the vacant stands.'

"Why you're too weak?"

"You chose to end your life without even fighting!"

'He said while looking to the urn as if he is talking to someone.'

"It's their fault!"

"If that woman did not come
you will not end up like this!"

"That woman and her father are just the same!" Mr. Fuente balled his hand and gritted his teeth!

'He looks enraged and his eyes turned bloodshot!'

'At night...'

"Help!"

"Help me!"

'A woman shouted.'

'The surroundings are dark and he couldn't see the woman's face but he could recognize her voice!'

"Why did you do that?!"

"You are paying your sins!"

"Dad! I'm tired of this!"

'Gaile's voice suddenly echoed.'

"Aaahhh!!!"

'He heard the scream of the falling woman!'

'He saw Gaile's face

but it was not Gaile's voice!

"Ha!" Mr. Fuente instantly raised his body!

'He is panting and beads of sweat popped out on his forehead.'

'Mr. Fuente looks around and he realized that he is in his bedroom!'

"A nightmare!"

"It was just a nightmare!"

'Mr. Fuente said to himself!'

'Mr. Fuente gets up from his bed and went to his mini-bar.'

'He took a glass and pour a whiskey on it.'

'Mr. Fuente looks out of the glass wall

'A nightmare again!"

"I shouldn't be scared

this is just in my head! She doesn't exist!"

'Mr. Fuente took a deep breath and take a sip of his whiskey.

'The next day...'

'Coby went to the Villa to fetch Tim

coincidentally

Kira gets downstairs and saw Coby.'

"Good morning

Missus

" Coby bowed his head as he greeted Kira.'

'Kira smiled and replied

" Good morning."

'She was about to pass Coby

but her footsteps came to a stop when she remembers Tim's strange behavior for the past few days.'

"Coby..." Kira called Coby.'

"Yes

Missus?" Coby replied as he turns his head to Kira.'

"Uhm..." Kira walks back closer to Coby

"I just notice Tim's behavior

is there any problem in the company?" she asked.'

"Uh

" Coby thinks for a moment before he responds

" Yes

Missus."

" There is a big amount of money that has gone missing from the company's account

Mr. Tan might be thinking of how to cope with the big loss

" Coby explained.'

"Oh!" Kira blurted out

'No wonder

he looked so bothered these past few days!' She thought

but she doesn't know the real reason that made Tim bothered.'

'-----'

'In the car.'

"Did the Missus talked to you?" Tim asked Coby.'

'Coby glance at the rearview mirror

"Yes

sir!" He replied.'

"The Missus notice your strange behavior these past few days

sir." He added.'

"Oh!" Tim blurted out.'

"Did you tell her about Gaile's death?"

"No

sir

" Coby replied.'

"Good

" Tim said

and then he looks outside the window.'

'He doesn't want Kira to feel bothered about Gaile's suicide.'

'-----'

'Tan Corporation...'

"Mr. Fuente!" Tim called Richard when he saw him in the lobby.'

'Mr. Fuente stopped in his track and turned to Tim's direction

" Mr. Tan

"

'Tim walks closer to Mr. Fuente

"I..." Tim doesn't know how to start the conversation.'

'He took a deep breath before he spoke again

" I heard what happened to Gaile."

"Oh!" Mr. Fuente blurted out as he revealed a sorrowful expression.'

"My condolences to you

" Tim said sincerely.'

"Thank you

Tim

" Mr. Fuente replied.'

'Tim patted Mr. Fuente's shoulder before he turned around and headed to his office

he did not see when Mr. Fuente's gaze sharpened.'

'-----'

'Kira got out of work and headed to the second gate

but she wonders why there's no one in the second gate

her question was answered when she realized that the second gate is closed.'

"Why did they close the second gate so early?' Kira asked her self.'

'The second gate usually closed at six in the evening

but it is just five-thirty!'

'Now

she has to find another exit

it's either

the first gate or the third gate.'

'The first gate is further than the third gate from the second gate.'

'The third gate is uncrowded during these hours

so

Kira decided to just choose the third gate.'

'Kira saw the security guard on the third gate and there is also a man with the maintenance's uniform cleaning near the gate.'

"Goodbye teacher!" The guard said when he saw Kira.'

"Goodbye

Mr. Security!" Kira replied with a smile on her face.'

'Kira got out of the gate

she did not see when the man wearing the Maintenance's uniform approached the security and said something to him.'

'The security nodded his head and then he closed the third gate before he left.'

'Kira walks to the second gate's parking lot where her scooter was parked.'

'The second gate a bit far from the third gate is she uses the road

she has to walk a distance to be able to reach there.'

'Kira walks silently

but a white car slowly stopped ahead of her.'

'Kira thought. it was just one of the passers-by and wants to ask something.'

'But she froze when a man wearing the same teacher uniform as Alex

gets out of the car.'

'Kira looks at the man

who is wearing a face mask.'

'The man approached Kira.'

'She doesn't feel good about this!'

'Her instinct told her that this man has a bad intention to her!'

'With that thought

Kira turned and walks back to the third gate

but the man still followed her.'

'Kira started to get alarmed and all she could think is to run which is she did!'

"Hey!" The man yelled and chase Kira!

'The man was so fast!'

'He was able to capture Kira before she could runaway!'

"Aaahhh!!! Let go of me!" Kira shouted but the man did not listen to her

he covered her mouth with his hand instead and pulled her to the car!'

'Kira's thing was thrown including her phone which broke when it fell to the ground!'

'-----'

'Meanwhile

two of the securities headed to the head security's office

they knock before they go in.'

"Good afternoon

sir

"

'The senior security looked up to the two securities who were assigned to guard the second and third gate.'

"What are you guys doing here?" The senior security asked.'

'The two securities looked at each other

" Someone told us to come here

sir." one of them said.'

'The senior security knitted his brows

" But I did not call any of you

" He said.'

'The two securities looked at each other again with their puzzled look.'

'-----'

'Alex was about to hop into his motorbike when he heard his phone ring.'

'Alex shoves his hand into his pocket and took his phone

he checked the caller's ID

but his brows knitted.'

'The call is from an anonymous number.'

'Alex ignores the call.'

'He was about to put back his phone into his pocket

but it rings again

this time

it is a message notification from the number which called him a while ago.'

'Alex clicked the message and read it

but his face slowly turned pale as he read the message!'

'It says

"The third gate.. save the woman you love if you don't want to lose her!"

"Kira!" Alex blurted out!

'He did not waste time

he quickly hopped in his motorbike

turned the engine on and drives to the third gate!

'There

he saw a white car

the backseat door is open and he saw a man wearing a teachers' uniform like him.'

'Alex stopped his motorbike beside the car and his face instantly darkened when he realized that the man is trying to molest Kira!

FLIRTATIOUS HUSBAND - 64 CHEATING WIFE?

""No!""

'Alex heard Kira shouted.'

'He hurriedly gets down of his motorbike

took big strides to the car and grab the man away from Kira.'

'Kira is so frightened

she fights back

but the man was too strong!'

"No! Don't come near me!" Kira shouted to the man but the man just grinned as he crawled on top of her!

"No!"

'Kira almost lost hope!'

'She thought that the man will succeed in what he plans to do to her but then...'

'Someone suddenly grabs the man from behind

and the next Kira heard was man's grunts

as if he is in so much pain!'

'Alex grabbed the man and hit him a few times!'

"Boff!"

"Boff!"

"Ugh!" The man grunted every time Alex's punch lands on his face!'

'Alex did not stop even though the man's face started bleeding!'

'He didn't plan to stop

he will kill this man for trying to harm Kira!'

'Alex was about to throw another punch to the man

but then

another car suddenly arrives and three other men get down from it.'

'Two of the men aimed their gun to Alex

while the other one helped the criminal to get up from the ground.'

'Alex's fist stopped mid-air as he felt the cold gun on his head.'

'The men who are holding the gun waited until the criminal gets inside the car before they pulled back their weapons

one of them took the car key that the criminal use before they ride on the other runaway vehicle and scape as fast as the lightning!'

"Aaargghh!"

'Alex roared and kicks the criminal's car as he watches the runaway vehicle.'

'He was furious!'

'He would kill that man if something bad happens to Kira!'

'Alex froze as he remembers Kira!'

'He hurriedly walks to the backseat and checks for her.'

"Kira!" He called.'

'He opens the door and found Kira pushed her self on the other side of the car.'

'She looked pale and frightened.'

'Alex held Kira but it only made her get alarmed!'

"No! Don't come near me!" Kira shouted!

'Her entire body is shaking and cold sweat popped out from her forehead and her face is as pale as a sheet of paper!'

"Kira! Kira

it's me!" Alex said but Kira is still in a state of shock.'

"Stay Away from me!" She yelled with tears flows from her eyes.'

'She pushed away Alex

thinking it was the same man who tried to harm her!'

"Kira! It's alright! I'm here!" Alex embraces Kira.'

"No! Let go of me!" Kira struggled.'

"Kira

calm down

this is me! Alex!"

'When Kira heard the name Alex

she slowly stopped struggling but she wailed!

" Ssshhh..." Alex tried to comfort Kira

" Everything is alright now

they're gone." He said in a calm voice.'

"I'm scared..." Kira says.'

"You're safe now... No one is going to hurt you now." Alex assured.'

"Huhuhu..." Kira continued to wail.'

"Why are you here

anyway?" Alex asked.'

'Kira sobs

" The... The second gate was closed

and the third gate is the nearest exit to me

so

I decided to go through here." Kira replied in between her sobs.'

"Where is the security guard?" Alex asked again.'

" I... I don't know

" Kira replied

her voice is still trembling.'

'Alex froze for a moment...'

"The second gate is closed

and the guard in the third gate is gone

then somebody told me to come and save Kira."

"Is this just a coincidence or this is all planned!' Alex thought

,

'Alex tried to figure things out and he chooses to believe the second thing

this is all planned!'

'Someone is trying to do this on purpose!'

'They even have a runaway vehicle!'

'Alex looks at Kira

she wasn't hurt and her dress wasn't torn.'

'Alex has fallen in deep thought

that person who sent him that message

why did he send that message to me instead of calling the authority?"

'He had a bad feeling about this!'

'With that thought

Alex took his phone and started to dial a number.'

"W-What are you doing?" Kira asked.'

"Calling the authority

we have to report this

" Alex replied.'

'Kira thinks for a moment

and then Tim suddenly came into her mind.'

'She froze

Tim has already lots of things to think of

he has a problem in the company and she doesn't want to add to his trouble.'

'With that thought

Kira held Alex's hand and prevented him to call the authority.'

"Alex..."

'Alex looks at Kira

"Why?" He asked.'

"Don't do it..." Kira said.'

"What?!" Alex blurted out.'

"Why not?"

"I... I don't want Tim to know about this

" Kira said in a faint voice

this time she already calm from crying.'

"Why not?!" Alex asked in an unbelievable expression.'

"Tim has a lot to of problem

I don't want to add to it

" Kira replied.'

'Alex stared at Kira.'

"You care too much for him." He said.'

'There is silence between the two of them for a moment.'

"Alright

if that's what you want..." Alex doesn't oppose Kira

he respects her decision.'

"I'll send you home." Alex offered.'

"No

don't bother your self." Kira refuse.'

"But you can't drive in that state

Kira." Alex insisted.'

" Alex

thank you for your offer

but I don't want Tim to misunderstand us."

"Tim again?" There is an annoyance in Alex's voice.'

"Alex

Tim is my husband

I love him

and I don't want to create a misunderstanding between us

" Kira explained.'

"But I love you too Kira

and I want to make sure your safety

" Alex said.'

"A-Alex..." Kira looked at Alex.'

"Don't say anything

I know what you're going to say

" He said.'

"I know I couldn't get you

but just let me protect you

" He added.'

'Alex gets out of the car

" Let's go! I want to make sure that you have gone home safely."

'Alex picks up Kira's things one by one

he looks at the car

took his phone and took a photo of the car's plate number before he put back his phone to his pocket.'

'He turns his head to Kira and held her hand.'

"'Let's go!' he said

but Kira did not move

,

"'Alex

" Kira called.'

'Alex turned his head to Kira

"My hand

" Kira said as she slowly pulls back her hand.'

"'Oh

sorry

"Alex said as he lowered his head.

FLIRTATIOUS HUSBAND - 65 CHEATING WIFE? 2

"'Alex

just drop me here

" Kira said.'

'Alex stopped his motorbike

"Where do you live?" he asked.'

'Kira lifted her hand and pointed the house in a distance

" There..." she said.'

"But it is still far from here

" Alex said.'

"It's alright! I'll just take a walk to the house." Kira replied.'

"Tim might be home by now and I don't want him to see us

" she added.'

" Kira

we're not doing anything wrong..."

" I know

but I don't want to give him a reason to doubt me

" Kira said.'

"You can leave now

"

"No! I'll wait until you get inside the gate." Alex refused to leave.'

"Go on I'll watch you from here

" He added.'

'Kira did not argue with Alex anymore and just walks to the villa.'

'-----'

'Tim parked his car in the garage

he saw Helena outside the house.'

'Tim gets down form his car

"Good evening auntie." He greeted Helena.'

"Good evening

Tim

" Helena replied

she stretched her neck as if she is looking for someone.'

"Where is Kira?" Helena asked.'

'Tim knitted his brows

"She's not home

yet?" He asked.'

"No

" Helena replied.'

"She should be here by now

' He thought.'

'Tim suddenly felt anxious

he took his phone from his pocket and tried to call Kira

but he couldn't reach her!'

"Where could she be?" He asked himself.'

"She should be here now!"

'Tim started to become restless

he doesn't know why

but he has this odd feeling inside

since Gaile's death!'

'He felt like

there's something that is going to happen!'

'Tim tried to call Kira again

but Helena suddenly talk

"Oh

there she is!" she said as she pointed on the pathway.'

'Tim automatically turns his head to the pathway.'

'He felt relieved and he instantly took big strides towards Kira

and without saying a word he embraces her tightly!'

"Oh

you're home!" Tim said.'

'He embraces Kira for a while before he lets go of her

he held her little face and started to ask questions

" Where have you been?"

"I've been trying to call you but I couldn't reach you

" he said worriedly.'

'Kira looks at Tim

" I-I'm sorry..." It's the only word that came out from her mouth.'

'Tim looks around

"Where's your scooter?" he asked when he didn't notice her scooter.'

"Oh

I... the..My..." Kira doesn't know what to say!

'Tim notices Kira's strange behavior

"Sweetheart

are you alright?" he asked worriedly.'

"Huh?!" Kira looks up to Tim

she can see the worries in his eyes

and it made her snapped back to her senses!

"Does she looked obvious?"

"No! I should not show to Tim that there is something wrong!"

'With that thought

Kira secretly took a deep breath to calm her self

and then she revealed a smile.'

"Y-Yes! I am alright!" She said in an energetic tone.'

"Thank God!" Tim has a sigh of relief.'

"Where is your scooter

sweetheart?" Tim asked again.'

"I..." Kira tried to think for an alibi

" I left it in school." she said.'

"Why?" Tim asked with knitted brows.'

" Uhm... because... because the tire is flat..." Kira reasoned.'

"Oh! You should have called me then!" Tim said.'

"My... my phone has no battery." Kira lied again.'

'This time

Helena approach them

just like Tim

Helena has a lot of question but Kira did not dare to tell them what really happened.'

'She will solve this matter

and she won't bother Tim.'

'She will find those men!'

'-----'

'Alex did not leave until Kira gets inside the Villa's gate.'

'He makes sure that she will go home safely.'

'He just decided to leave when he couldn't see Kira.'

'-----'

'In the living room in a big house

the two people are sitting face to face while holding a glass of whiskey.'

"Do you think this will work?" The gang leader Chase asked the man in front of him.'

"Of course!" The old man confidently replied.'

"What if that woman reports it to the police?" Chase doubted.'

'The man just smirked.'

"Then

let her report it!"

"After all

our target is Tim

I know his attitude

he believes in evidence rather than the statements."

'He said

and the evil smirk on his lips did not fade.'

"Evidence is more appropriate and convincing than a statement." He added.'

'Just then

the old man's phone ring.'

'The old man took his phone at the top of the table and answers the call.'

"Yes

"

"Boss

they already left." The man from the other line said.'

"Did you do what I told you?" The old man asked.'

"Yes

boss

I have captured everything."

"Good!" The old man smiled.'

"Just leave the place now." He instructed the man on the other line.'

"But what about the car

boss?" The man from the other line asked.'

"Oh!" The old man is still calm.'

"I will send someone to take the car." He said.'

"Alright boss!" the man from the other line says before he ended the call.'

'The old man's evil smile widened.'

"Hey

old man. Why do you have to do that?"

"We can just get rid of her easily!" Chase said.'

"Tsk

tsk

tsk." The old man chuckled as he shook his head.'

"We couldn't harm her

as long as Tim is on her side." The old man said.'

"Let's wait for the right time

we will ruin Tim's trust to that woman until he decides to dump her." The old man added.'

'He knows Tim

he trusts people only once!'

'It would be easy for him to get rid of that woman

without Tim's protection.'

'If he finds out that his wife is doing something behind his back

he knows that he will not forgive her easily!

FLIRTATIOUS HUSBAND - 66 CHEATING WIFE? 3

'Kira couldn't sleep that night.'

'Every time she closes her eyes

all she could see is the silhouette of the man who is trying to molest her!'

'She hasn't seen his face clearly because he was wearing a face mask

and she has not seen him when Alex has beaten him.'

'But

she will find a way to find out who they are!'

"Sweetheart?"

'Kira snapped back to her senses when she heard Tim's voice.'

"H-Huh?!" She blurted out.'

"Are you alright?" Tim asked when he notices her wife being restless.'

"Huh?!" Kira froze.'

"I can see you're being restless

" Tim said.'

"You keep on tossing on the bed."

'Kira turned to Tim.'

"I-I'm sorry Tim

I... I just couldn't sleep." Kira replied.'

"Why?"

"Are you afraid

you might have a nightmare again?" Tim asked.'

'Kira looked at Tim and she nodded her head.'

"She's still awake but she already having a nightmare!"

'Tim embraces Kira

"Don't worry

I am right here beside you." Tim assured.'

'Kira felt the warmth of Tim's embrace and it made her feel secured!'

'-----'

'The next morning...'

'Tim knitted his brows when he saw Kira's broken phone at the top of the table.'

"Sweetheart

why your phone is broken?" He asked.'

"Huh?!" Kira tilted her head to Tim.'

'Tim lifted the phone and show it to Kira.'

"Oh!"

'Kira stepped forward and took the phone from Tim.'

"I... I accidentally dropped it." She said without looking at him.'

'Tim stared at Kira

and he felt odd

there is something wrong with her!

'She can't even look at him straight to his eyes!'

"Oh! Is that the reason why I couldn't reach you yesterday?" Tim asked.'

"Huh?!" Kira looked up at Tim

but she instantly takes back her gaze. "Y-Yes!" She said without thinking.'

"But you said your phone is out of battery

" Tim commented.'

'Kira froze!'

'My God!'

'How could she forget about it?'

'Kira

you're not thinking before talking!'

'Kira scolded her self.'

"D-Did I?" Kira just pretended to forget!'

"Kira

are you hiding something from me?" Tim asked suspiciously.'

"N-No! Of course not!" Kira turned to avoid Tim's gaze.'

"Why can't you even look at me straight to the eyes?" Tim asked again.'

'Kira stopped in her track

she closed her eyes as she took a deep breath before she turned to Tim and spoke

"Tim

I am not hiding anything from you

alright?!" She said before she turns back and instantly walks out of the master's bedroom.'

'Tim was left stunned inside the bedroom

'Why she's being sensitive?"

'Tim sighs!'

'He can feel that Kira is hiding something from him!'

'-----'

'Alex left from his house early in the morning

but he did not go straight to J International school

he went to the Department of Motor Vehicles instead

and looked for his friend

Rick.'

"Dude! Long-time no see!" Rick exclaimed when he saw Alex.'

"Yeah

long time no see

" He replied as with a smile on his face.'

'The two of them shook hands before Alex sits down on the chair in front of Rick's desk.'

"So

what brought you here?" Rick asked.'

"Oh

I'm here to ask you a favor

" Alex said straight forward.'

"Favor?" Rick repeated.'

'Alex took his phone from his pocket

he swiped it a few times

before he showed a photo to Rick.'

"Could you help me with this?" He asked as he shows the photo to Rick.'

"A plate number?" Rick asked as he saw the photo.'

"Yes!" Alex replied.'

"Could you trace the owner of this car?" He asked.'

"Sure!" Rick replied.'

"It's an easy task for me."

"Just give me a moment." He added and then he started to tap his desktop.'

'Alex silently waited

after a while

Rick stopped tapping his desktop and faced Alex again.'

"Have you find it?" Alex asked.'

"I couldn't find any record of this plate number

" Rick said with his puzzled look.'

"It wasn't in the registrars."

'Alex looks at Rick

"What do you mean?" He asked with his brow knitted.'

" There are two possible things

this plate number may not be registered yet or this may be fake

" Rick said.'

"What?!" Alex blurted out and then he fell into deep thought.'

'The car doesn't look like it was new

so

it's impossible if it wasn't registered yet!

'If that's the case

everything may be... Alex paused as the idea flashed into his mind.'

"It is possible that everything was planned!"

"They manipulated the plate number."

"They used a fake plate number to avoid us from tracing the real owner!"

'They planned it very well!'

'They must know that the third gate becomes uncrowded late in the afternoon and the culprit might know that there are no CCTV cameras in the place!'

'But why?'

'Why would they attack Kira?'

'Kira is a good person

he never heard she fought with someone!

'Alex couldn't think of a reason why would somebody attack Kira.'

'There are a lot of questions on Alex's mind

like...'

'Who was the person who sent him that message?'

'Why does he or she send me that message instead of calling for the police?'

'How he or she did know my number and my feelings for Kira?'

'Could it be that person was also the culprit behind this?'

'If their target is Kira

why does the culprit have to involve me then?'

'Why did he or she sent me a message and tell me where is Kira at that moment?'

'Who would do this?'

'Alex doesn't know what to think anymore!'

'But one thing he is sure about

Kira's life is in danger!

'Alex couldn't imagine what could have possibly happened to her if he did not arrive on time.'

'Kira needs protection and he knows someone who can provide her the protection that she needs!'

'He doesn't want to be selfish this time!'

'Kira's safety is more important to him!'

FLIRTATIOUS HUSBAND - 67 CHEATING WIFE 4

'Tim send Kira to work.'

'The two of them did not talk until they reached J international school.'

'Tim just let Kira open the car door and then he drives away without even saying goodbye.'

'Kira's gaze followed Tim's car and then she sighs!'

"Is it wrong to hide it from him?"

"I just don't want to add to his troubles.' Kira said to her self.'

'Tim watched Kira through the rearview mirror.'

'He saw when Kira turns to enter the second gate.'

'Tim stepped on the brake and pulled over the car

and then he made a U-turn and went back to the second gate to talk to Kira.'

'He doesn't want to leave like this!'

'He felt so bothered.'

'Communication is the best foundation for every relationship.'

'Tim parked the car outside the gate.'

'He walks towards the gate and was about to enter but the security guard prevented him.'

"Excuse me

sir! May I see your Identification Card?" The security asked.'

'Tim took his wallet and gave his identification card to the security

the security was a bit stunned when he read Tim's name.'

"Oh

you can get inside Mr. Tan! I'm sorry I didn't recognize you

sir!" The security apologized.'

'Tim just nodded his head

he took back his Identification card and walks away.'

'Tim headed to the admin office

but his footsteps came to a stop when he saw something.'

'-----'

'Kira is walking to the admin office when he heard someone called her.'

""Kira!""

'Kira stopped in her track and she turns her head to the voice's direction.'

""Alex!" Kira blurted out when she saw Alex approaching her.'

""How are you feeling?" Alex asked as soon as he reached Kira.'

""I-I'm fine..." Kira replied.'

""Kira

there is something I want to tell you

" Alex said.'

""What is it?""

""From now on

you should be more careful

" Alex warned Kira.'

"Why?" Kira asked again.'

"I think

someone is targetting you

" Alex said.'

"How do you say that?" Kira knitted her brows.'

"This is all I could say for now. It would be better if you won't leave alone. It is not safe for you to be alone outside

those men might be back for you." Alex said.'

"But

who would target me?" Kira tried to think.'

'And there are two people in her mind

Gaile and Madame Gezel.'

'Kira froze...'

'Madame Gezel has already gone back to E Country and Gaile in L Country did they bribed someone to take revenge on me?'

'Kira couldn't think anyone else who would do this to her.'

'Kira snapped back to her senses when Alex suddenly hold her hand

she automatically looks up at him.'

"Kira

please be careful always

I think it's better to tell your husband about this. He can surely give you protection." Alex suggested.'

'Yes! He is ready to protect Kira

but he has his limit!

'He's not on her side every minute

he doesn't know when will they attack her again.'

'If Kira will tell Tim about this

Alex is sure that Tim could provide Kira a personal bodyguard to protect her from any danger!'

'Meanwhile

not far from them

Tim stepped back.'

'He saw how Alex held Kira's hand and she did not object!'

'Tim doesn't want to judge by what he saw

but he couldn't help but feel jealous!

'He doesn't want another man to hold or even just touch his woman!'

'Tim couldn't stay here any longer!'

'He is afraid

he might lose his temper and hurt Alex

he should leave before he can cause trouble!'

'With that thought

Tim turns away and headed to the exit.'

'He rode in his car and drives away.'

'-----'

'Mr. Fuente is in his office

he is sitting in his chair in front of his wooden table while reading documents when his phone suddenly rings!'

'Mr. Fuente stopped reading the documents.'

'He puts it down and picks up his phone and answers it.'

"Yes." He said plainly.'

"Boss

I have good news." The man from the other line said.'

"You captured another photo of them?" Mr. Fuente man asked.'

"It is better than capturing a photo of them together

boss."

'The old man knitted his brows

" I'm interested." he said with excitement.'

"So

tell me." He added.'

"I don't need to capture another photo of them together

Boss."

"Why?"

"Because Mr. Tan saw them with his eyes!"

"Oh! That's better then!" The old man smirked.'

"It's time to send those photos to Tim."

"Yes

boss!" the man replied.'

'The old man turned off his phone and he revealed a smile of victory!'

"Get ready to suffer

woman!" He said with his sharp gaze.'

'-----'

'Tim is sitting in his swivel chair while in deep thought.'

'(Knock

knock

knock!).'

'Tim snapped back to his senses when he heard the knock on the door.'

"Come in!" He responds.'

'The door slowly opened

"Good morning

Mr. Tan!" it was Coby.'

"Mr. Tan

somebody sent you this..." Coby said while showing the brown envelope to Tim.'

'He walks closer to Tim's table and put it at the top of his table.'

'Tim knitted his brows as he looks at the envelope.'

"Who sent this?" he asked.'

"It's anonymous

sir" Coby replied.'

'Tim picks up the envelope

he takes a look at it before he removes the seal.'

'Tim shoves his hand and pulled the contents of the envelope.

FLIRTATIOUS HUSBAND - 68 I'M SORRY

'Tim slowly pulled out the content of the envelope

and his expression slowly changed when he saw what it is!

'It was a photo of a man and a woman inside the car!'

'The woman seems like she is lying on the backseat while the man in a teacher's uniform is on top of her!'

'Just by seeing this photo

it seems like these two people are doing a thing which only married couples should do!

'Tim proceeds to the next photo and he felt like someone splashed him ice-cold water and his hand started to tremble as he stared at the photo.'

"No! It can't be!' Tim said to himself.'

'There are two people in the photo.'

'It's Kira and Alex!'

'Alex is wearing the same uniform as the man in the first photo.'

'This time the two of them have got out of the car.'

'Alex is holding Kira's things with his left hand while the other is holding Kira's hand!'

'Tim suddenly remembers Kira's strange behavior this morning

and then he also remembers what he saw at the school!'

'Is this the reason why she's acting strange?'

'Is this the reason why she can't look at me in the eyes?'

'Is she having an affair with Alex and she felt guilty about it?'

"Mr. Tan

are you alright?" Coby asked when he notices Tim's change of expression.'

"Get out

" Tim said coldly.'

"But

Mr. Tan---"

"I said get out!" Tim has gone furious!

'Coby instantly shut her mouth when Tim yelled.'

"Alright

Mr. Tan

" he said as he stepped back

turned away

and then he walks out of Tim's office.'

'Just then

Mr. Fuente arrived as soon as Coby closed the door of Tim's office.'

"Good morning

Mr. Fuente." Coby bowed his head as he greeted Mr. Fuente.'

"Good morning

" Mr. Fuente replied. " Is Tim inside his office?" He asked.'

"Yes

Mr. Fuente

" Coby replied.'

"May I speak with him?" Mr. Fuente asked again.'

" I'm sorry

Mr. Fuente

but Mr. Tan is not available at the moment

" Coby replied.'

"Why?" Mr. Fuente asked as if he doesn't have any idea.'

"Mr. Tan is not in a mood to right now

" Coby said

,

"Oh!" Mr. Fuente blurted out.'

"I'll be right back when he feels alright already

" He added.'

"Alright

Mr. Fuente

" Coby replied.'

'Mr. Fuente turns to leave

but he revealed an evil smirk as soon as he turned his back away from Coby.'

"It works

all I have to do is to wait until he dumps that woman!' He thought.'

'Back inside Tim's office...'

'Tim crumpled the photo in his hand as he gritted his teeth!'

'I thought everything is alright between us!'

'Tim couldn't help but feel insecure!'

'He knows Kira doesn't love him from the very start.'

'He knows that she likes Alex

she was just forced to marry him for her auntie's sake!'

'Tim closed his eyes tightly as he put his hand on his head.'

'He doesn't know what to think anymore!'

'His heart refuses to believe that Kira might be cheating on him

but his mind says

it is possible!

'-----'

'Kira waited for Tim to come home

she had made up her mind!

'She will take Alex's advice.'

'She will tell Tim what happened yesterday!'

'Kira keeps on pacing back and forth

she is restless!

'After a while

Kira heard a car's engine coming.'

'Kira stopped pacing back and forth and got out of the house.'

'She waited for Tim to gets down of the car.'

"Tim..." Kira called when she saw Tim.'

"Can we talk?" Kira added.'

'Tim froze...'

'He glanced at Kira

"I'm busy." He said

and then he just passed Kira and headed straight upstairs.'

'Kira was left alone outside the door.'

'Tim is treating her cold.'

'Is it because of what happened this morning?'

'Kira felt like crying

it was her fault!'

'She caused this misunderstanding between them!'

'Helena noticed Kira standing alone outside the house.'

"Kira?" Helena called Kira as she approached Kira.'

"What are you doing here outside

alone?" She asked.'

"A-Auntie..."

'Helena froze when she saw Kira's crying expression.'

"Why?"

"Is there something wrong?"

"N-No

Auntie..." Kira replied

but Helena knows whether she's lying or not.'

'Helena lifted her hand and touched Kira's face.'

"Kira

I know you... I know that you're lying." She said.'

"Auntie..." It's the only words that Kira was able to say.'

"Tell me what's the matter."

"I-It's just a misunderstanding between me and Tim

" Kira replied.'

"Oh

dear

misunderstanding happens anytime

especially to a married couple like you and Tim. But what is more important

is that you should not lose communication with each other. Even if you see each other every day

you still need to communicate with each other. Talk about this matter with him and everything will be fixed."

'Kira nodded her head.'

'Kira went upstairs after talking to her auntie.'

'She didn't eat her dinner because she doesn't have the appetite to eat.'

'Kira headed straight to the master's bedroom

she thought that Tim is there.'

'Kira opened the door but she hasn't seen Tim inside the bedroom!'

"He might be in the study room!"

'With that thought

Kira closed the master's bedroom and headed to the study room.'

'She held the doorknob and was about to turn it open

but it was locked!'

'Kira knocks on the door and called for Tim

"Tim

are you there?" She asked

but no one answered.'

FLIRTATIOUS HUSBAND - 69 I'M SORRY 2

'Kira waited for a few more minutes

hoping that Tim will open the door.'

'But he didn't.'

'Kira turns and went to the master's bedroom with his shoulders dropped.'

'She laid on the bed and wait for Tim to get back into the bedroom

but time passed and Kira has not seen Tim even just his shadow.'

'-----'

'In the study room'

'Tim is sitting in his swivel chair

there are a bottle and glass of whiskey at the top of the table.'

'Tim drinks the contents of the glass.'

'He heard a knock on the door

but he did not open it

he doesn't want to talk to her

he is afraid to hear what she wants to say.'

'He is afraid that Kira might ask for a divorce!'

'Tim pour another whiskey on the glass

'No! He won't let Kira left beside him!'

'He won't give her a divorce!'

'Not yet!'

'He might be selfish

but he will do everything to make her stay with him!'

'Maybe his efforts on making her fall for him wasn't enough.'

'Maybe he still needs to work hard to make her love him.'

'Whoever sent those photos of her and Alex has only one goal

it's to ruin his marriage with Kira!'

'And he won't allow it to happen!'

'He won't mind even if people called him stupid

but if Kira cheated on him

he is still willing to forgive and accept her!

'-----'

'The next morning

it's weekend

Kira has woken up

but she hasn't seen Tim when she turned her head in the space beside her.'

'Kira sighs!

'Tim might have misunderstood her act yesterday.'

"No! She won't let this happen!"

"They have to talk about this matter

and fix everything between them!"

'Kira decided to get up and headed to the study room.'

'She knocked three times before she turned opened the doorknob

the door wasn't locked

unlike last night.'

'Kira enters the study room

but she was met with silence.'

'Kira knitted her brows

'Where did he go too early in the morning?' she asked her self.'

"Ah! He might be having his breakfast!" Kira assumed.'

'With that thought

she hurriedly went downstairs and headed to the dining area

but she only sees Becca

Jane

and Helena.'

"Dear

you're already awake. Come and eat your breakfast!" Helena said.'

"I'm still full auntie

" Kira replied.'

"But Kira

you have not eaten dinner last night

" Helena said worriedly.'

"'I'm alright auntie

I don't feel hungry anyway

" She replied'

"'Anyways

have you saw Tim?" She asked instead.'

"'No

I haven't seen him this morning

" Helena replied.'

"'Missus

I saw the Young Master left this morning." Jane joined the conversation.'

"'Too early in the morning?" Kira asked.'

"'Yes. Missus

he left in a hurry

" Jane replied.'

'Kira looked down as her thoughts went deep.'

"Is he avoiding me?" she thought.'

'No!'

'This won't do!'

'We can't fix this misunderstanding if he keeps on avoiding me!'

'Kira turned and went back upstairs.'

'She takes a bath

gets dressed

and fixes her self.'

'She picks up her bag and went downstairs.'

'Helena saw Kira

" Kira?" She called her.'

"Auntie..." Kira stopped in her track.'

"Where are you going

dear?" Helena asked.'

"I'm going to Tan Corporation

I will talk to Tim." She replied.'

"I have to go

auntie..." Kira said and then she hurriedly gets out of the house and headed to the garage.'

'She placed her bag in front of her scooter before she rode

turned on the engine and drives away.'

'In just forty-five minutes

Kira reached the Tan Corporation's Building.'

"Excuse me

ma'am

how may I help you?" The security asked when he notices Kira standing at the entrance.'

"I----" Kira opened her mouth to respond

but someone suddenly spoke behind the security.'

"Missus!" Coby blurted out when he saw Kira standing outside the building.'

'This is her first time to come here!'

"C-Coby!" Kira becomes hopeful when she saw Coby.'

'The security was stunned as he heard Coby called Kira a "Missus".'

'Is she Mr. Tan's wife?'

'The security secretly observed Coby.'

'Coby spoke to the woman the way he spoke to Mr. Tan

it is full of respect!'

'With that thought

the security instantly asks for an apology

"I'm sorry if I have not recognized you

Mrs. Tan!" The security apologized.'

"Oh

it's nothing!" Kira replied to the security and then she faced Coby again.'

"Coby

has Tim arrived yet?" Kira asked.'

'Coby knitted his brows

"Mr. Tan is not here

Missus." he replied.'

"Oh!" Kira's shoulder's dropped.'

"Where could he be?" Kira mumbled as she looked down.'

"Missus

would you like to wait for Mr. Tan in his office?" Coby asked.'

"Oh

I...I think I'll just leave and go home." Kira refused.'

"Alright

Missus

" Coby replied.'

'Kira nodded her head lightly

but her mind is in deep thought

'Tim

where are you?' She secretly cried inside.'

'Kira turned to leave

she is absent-minded at the moment and she did not notice the man coming into her way.'

'Kira bumped into the man as soon as she turned!'

"Ohmo!" Kira blurted out as she staggered back!

'-----'

'Earlier

,

'Mr. Fuente gets down of his car and headed to the Tan Corporation's entrance

he looked at his watch and didn't notice the woman on his way.'

"Oh!" Mr. Fuente was startled when someone bumped into him!

'He looked up to the woman but he was stunned!

"Missus!" Coby hurriedly hold Kira to prevent her from falling on the ground!

'Thanks to Coby's reflexes

Kira did not fell on the ground and she gets back to her balance instantly.'

'Kira looked up to the person in front of her to apologize.'

"I'm sorry---" Kira's next words were stuck in her mouth when she saw the old man in front of her!

'Kira stared at the old man with her mouth slightly opened.'

'This man is giving her a vibe of familiarity!'

'Mr. Fuente's face turned pale and he can't look at Kira straight to the eyes!'

"Missus! Are you alright?!" Coby asked Kira.'

"I-I'm sorry... I didn't see you..." Mr. Fuente said and then he hurriedly walks away.'

'Kira was left stunned outside!'

'Her heart is beating so fast!'

'She doesn't know why

but she feels odd with that man!'

FLIRTATIOUS HUSBAND - 70 I'M SORRY 3

'Mr. Fuente slumped the door of his office!'

'He did not expect to see that woman!'

'He doesn't like the feeling that the woman brings to him after seeing her!'

'Mr. Fuente becomes restless

he started pacing back and forth as he rubbed his hands.'

"No! " he keeps mumbling.'

"She didn't recognize me!" He said to himself.'

'He old his head

he felt like he's going insane!

"I know she didn't recognize me!" He mumbled again as his eyes darted left and right.'

"Of course! No one knows about it!" he added as if he convincing his self.'

'Mr. Fuente's entire body is shaking!'

"Those eyes! Mr

Fuente's mind cried.'

'He couldn't forget those eyes!'

'Those eyes are giving him nightmares for a long time!'

'Mr

Fuente is acting differently.'

'Just then

his assistant comes inside his office.'

"Mr. Fuente---" His assistant was not able to finish his word as he saw Mr. Fuente's state!'

"Sir!" Jan hurriedly approaches Mr. Fuente.'

'Jan held Mr. Fuente and realized that he is having an anxiety attack again!'

'With that thought

Jan quickly took Mr. Fuente's medicine and gave it to him.'

"Sir

eat your medicine!" He said as he stretches his hand to Mr. Fuente.'

'This is not the first time that he saw him in this state

so

he already knows of what to do whenever he had an anxiety attack.'

'Mr. Fuente hurriedly took his medicine with his trembling hands!'

'He opened the bottle and eat his medicine.'

'Jan helped Mr. Fuente to take a seat.'

'A few minutes later

Mr. Fuente started to calm down

but his body felt weak!'

'Mr. Fuente took a deep breath before he slowly leans into his swivel chair.'

'He fell in deep thought again

now

he has the biggest reason to get rid of that woman as soon as possible!

'Meanwhile outside Tan Corporation...'

"Missus

are you hurt?" Coby asked worriedly.'

'Kira snapped back to her senses

she looked up to Coby and spoke in a faint voice

"N-No..."

"It a relief then

" Coby replied.'

'Kira slowly turned her head to Coby

"I have to go now

" Kira said.'

"Let me drive you home

Missus." Coby offered.'

"No need

I brought my scooter

I can drive on my own." Kira refused and then she headed to the car park.'

"Where are you

Tim?' she asked inside.'

'-----'

'Alex's house'

'In the living room

the two men are sitting face to face.'

"What brought you here early in the morning

Mr. Tan?" Alex asked the man sitting opposite to him.'

"I am here to tell you that

I won't give up on my wife!" Tim said straight forward.'

'Alex's automatically knitted his brows

"What are you saying

Mr. Tan?" he asked in confusion.'

'Tim puts down the envelope in front of Alex.'

'Alex looked at the envelope

"What is this?" He asked.'

"Somebody sent those photos to me

" Tim replied.'

"Photos?" Alex's knitted brows got even deeper.'

'Tim secretly observes Alex's expression.'

'He suspected that Alex was the one who sent those photos to him

to ruin him and Kira

but now he is having a doubt if his suspicion was right

because Alex seems like he doesn't know anything about the photo!'

'Alex picks up the envelope

he shoves his hand and took the photos.'

'Alex takes a look at the photos one by one.'

'At first

he was stunned but later on

he realized something!'

'The photo of two people inside the car is wearing the teacher's uniform.'

"Now it made sense to him why the man who attempted to molest Kira was wearing the same uniform as his.'

'His main reason was not to molest Kira

,

"The culprit just wants it to look like he and Kira are having a secret affair and sent these photos to Tim!"

"The culprit wants to think that Kira is cheating on him!"

"They have a goal

it is to ruin Kira and Tim.'

'He was right!'

'Someone is targeting Kira!'

'Alex puts down the photo at the top of the table

he looked at Tim straight to his eyes

"I have a question to you

Mr. Tan."

'Tim narrowed his eyes as he straightened his body.'

"Do you love Kira?" Alex asked.'

"Of course!" Tim replied without a doubt.'

"Giving your love to someone also means you give your trust to her

" Alex paused for a moment and throws Tim a meaningful look

" Don't you trust your wife?" Alex continued.'

'Tim was not able to answer.'

"Stop fussing! Tell me what you want to say!"

'Alex took a deep breath.'

"Mr. Tan

do you think Kira could do such a thing to you?"

"Do you think she will cheat on you?"

"Do you even have an idea what happened that day?" Alex asked one after the other.'

"What do you mean?" Tim asked in a puzzled look.'

"Someone is targetting your wife!" Alex replied.'

"W-What?!" Tim blurted out!

"I wasn't the one on that photo." Alex pointed out the photo on the table.'

"That afternoon

I was getting ready to head home

but an anonymous number sent me a message."

'Alex took his phone

he swiped it a few times and show the text message to Tim.'

'Tim reads the message.'

"What does it mean?" He asked.'

"He means Kira."

"The culprit behind this knows about my feelings towards Kira. He used me to achieve his plan."

"I went to the place

there

I found Kira inside the car

calling for help while trying to defend her self from this man

" Alex pointed out the man on the photo

" he is trying to molest her!"

"W-What?!"

'Alex's words are like a bomb that explodes in front of Tim!'

"Kira was molested?"

"Someone is targeting here?"

"How could he not know any of these?!"

"S-She did not tell me about this..." Tim mumbled.'

"Because she doesn't want to add to your burdens

" Alex said.'

'Tim looked up at Alex.'

"She is worried about you

Mr. Tan."
