

Flirtatious Husband: Why He Wants To Marry Me?

FLIRTATIOUS HUSBAND - 81 THE INVESTIGATION RESULT 2

'Tim kissed Kira as he moved to switched their positions.'

'Kira is now below him.'

'Kira responds to Tim's kisses but

after a while

she slowly pushed Tim and throws him a meaningful look.'

"I thought you want to know how much I've learned?" Kira asked as she gives Tim a side glance.'

"Yes!" Tim replied with a smile on his face.'

"When you said you want to see how much I've learned

was it my martial art or

you mean something else?" Kira asked Tim doubtfully.'

'Tim's flirtatious smile widened.'

"Both?" He replied.'

"Then

"

'Kira suddenly moves and switched their positions

she is now on top of him.'

"What do you think

then?"

"Did I pass?" Kira asked as she looked at Tim beneath her.'

"Uhm

"

'Tim pretended to think.'

"About the martial art

well

you have improved a lot." He said.'

"But about the "something else

" (Tim emphasizes the word something) I couldn't tell unless you will try it with me

" Tim added flirtatiously.'

"..."

'Her husband is flirting on her again!'

"Ugh

hubby

how can you not tell when we usually did it?" Kira replied with her sweet yet seductive voice.'

"Do we?" Tim asked with his knitted brows as if he doesn't remember anything.'

"I don't remember it

" He then looked at Kira with his horny look

"Why won't you help me to remember it

sweetheart?"

'Kira looked around before she looks down at Tim.'

"We can't do it here

hubby

someone might suddenly come!" Kira said.'

'Kira was not wrong for Sevi suddenly came into the gym!'

'Sevi entered the gym to call for Tim but froze when he saw Tim and Kira!'

"He is such in a bad timing!"

'Sevi instantly lowered his gaze to avoid seeing Tim and Kira in their awkward positions!'

"Good morning

Mr. Tan

" Sevi spoke to catch their attention.'

'Tim and Kira instantly turned their heads when they heard a voice on the door.'

'Kira's eyes went wide opened and she instantly rolled away from the top of Tim!'

"I'm sorry to interrupt

Mr. Tan but

the private detective Leonard is here to talk to you

" Sevi said politely.'

'Tim and Kira looked at each other before he looks back at Sevi.'

"Tell him we're coming

" He said.'

"Yes

Mr. Tan!" Sevi said and then he turned and headed to the living room.'

'Tim and Kira did not bother to change their dresses.'

'They headed straight to the living room where Leonard is already waiting for them.'

'Leonard was about to get up to greet them

but Tim gestured him to stay in his seat.'

'Tim and Kira walk closer to Leonard.'

"I suppose you already have some information about the attacker?" Tim asked straight forward.'

'Leonard looked at Tim

"Of course

Mr. Tan

I already said that I am an expert in digging people's tiniest information." He said.'

'Tim and Kira sat on the couch opposite to Leonard.'

'So

tell me what you've got

" Tim asked in a serious expression.'

"I tried to compare his physical appearance to the people who has a criminal record."

"And I did not fail

" Leonard said.'

"I recognize the attacker

and I found out his identity

" Leonard added.'

"So

tell us

" Tim said as if he couldn't wait anymore.'

"He is Dreu also known by his codename Fire."

'Kira and Tim's brows knitted.'

"Dreu?"

"Fire?" Kira mumbled.'

"Dreu is a gangster

he is working for the gang leader named Chase

" Leonard said.'

""Wait

wait

wait!" Kira said a's if she was confused.'

""A gangster and a gang leader?""

""Yes

Missus

" Leonard replied.'

""The attacker is a gangster?""

""Why would a gangster attack me?""

"" Ohmo! Did I offended anyone of them without knowing it?!""

""Is this the reason why they are targetting me?" Kira asked with her eyes wide opened!

""That's the best question Missus

" Leonard said.'

""Chase is not only a gang leader.""

""He is also a loan shark

and they target those people in a casino

" Leonard added.'

"Not just that

Chase also do dirty jobs in exchange for money."

"You mean

someone might pay him to attack Kira?" Tim asked.'

"It is possible

Mr. Tan

" Leonard replied.'

"Is there anyone you can think of?" He asked.'

'Kira fell in deep thoughts before she answered. "Yes!"'

'Tim turned his head to Kira

he was about to ask who but

Kira spoke again.'

"It's Gaile and Madame Gezel

" she said.'

"No

" Tim said.'

'Kira looked at Tim when she heard Tim said no.'

"Why not?"

"They were the only people who hate me for marrying you

" Kira said.'

"Kira that's impossible

" Tim said.'

"How could it be impossible?"

"Gaile was desperate to get rid of me."

"She already set me up before."

"What's impossible if she set me up again?"

"And for Madame Gezel?"

"It's not also impossible that she bribe someone to do that

because she hated me

" Kira argued.'

'Tim sigh!'

'He then turned his head to Leonard

" Could you leave us for a moment

please?" He said.'

"Sure

Mr. Tan!" Leonard replied.'

'He then turned and walks out of the house.'

'Tim turned to Kira when Leonard is gone.'

"What?!" Kira asked as she saw Tim's expression.'

"There is something that you should know

" Tim said.'

'Kira knitted her brows

"What is it?" She asked.'

"It's about Gaile

"

"What about Gaile?"

'Tim took a deep breath

"Your accusation towards her is impossible

"

"How do you say so?" Kira asked as she raised her brows.'

"Why Tim is defending Gaile?"

"Kira

Gaile won't be able to do that."

"She won't be able to set you up again

not ever!" Tim said.'

"Why not?"

"Because she is already dead."

'Kira was stunned and speechless as she heard Tim!

'She couldn't believe her ears!

"What?"

"Gaile is already dead?!"

"Gaile died a month after she went back to L Country

" Tim added.'

"W-What?" Kira blurted out

still in her stunned expression!

'She couldn't believe it!

"W-Why I didn't know it?"

"H-How did she die?" Kira asked one after the other.'

"She committed suicide

" Tim replied.'

"What?!" Kira looked at Tim with her unbelievable expression.'

"I guess she suffered in depression

" Tim said.'

"D-Depression?" Kira repeated.'

'She slowly looked down as she fell in deep thoughts.'

"Depression?"

"Did she got depressed because of us?"

"Is it because of my marriage to Tim?"

'Kira asked her self.'

FLIRTATIOUS HUSBAND - 82 THE INVESTIGATION RESULT 3

'Kira is in her deep thoughts.'

'If Gaile is already dead

then she can't consider her as a suspect for bribing someone to attack her!

'About Madame Gezel?'

'Kira sighs as she remembers what Tim said to her earlier.'

'Tim's word echoed in Kira's mind.'

"Auntie is already out of the country

and as of what I know with her attitude?"

"I know

that she is not that kind of person who would do this sort of thing

" Tim said.'

'Kira snapped back to her senses.'

"If it wasn't also Madame Gezel

then

who?' Kira asked her self.'

'She is so confused!'

'Is there anyone else out there who holds a grudge on her

secretly?'

'Who is the person?'

'Does he or she hate her that much to hire someone to ruin her?'

'What did she do to make that person hate her?'

'Kira has a lot of questions in her mind

but she doesn't know the answers!'

'-----'

'Meanwhile

Tim is in his study room

sitting in his swivel chair while in deep thoughts.'

'Leonard's report to him earlier this morning flash into his mind.'

"Chase is not only a gangster."

"He is also a loan shark and

they target those people who are in the casino

"

"Chase also does dirty jobs in exchange for money

"

'Tim straightened his body as he rubbed his chin.'

'He then took his phone and make a call to someone.'

'Tim put his phone to his ear and waited for the other line to ring.'

'The other line rings and

the voice of a young lady answered.'

"Hello?"

"Ella?" Tim answered.'

"Yes

Mr. Tan

speaking

" Ella replied.'

"Could you come to Tan Corporation this afternoon?"

"I want to ask you something

" he said.'

"Yes

Mr. Tan

I will!" Ella instantly replied.'

"Thank you

" Tim said before he ended the call.'

'He then picks up the photo of the man that Leonard gave him.'

'-----'

'In the afternoon at Tan Corporation

,

'Ella knocks on the door a few times before she opens it.'

'She saw Tim in front of his table and reading some documents.'

"Good afternoon

Mr. Tan

" Lea greeted Tim which caught his attention.'

'Tim stopped reading the documents and he looked at the door when he heard someone greeted him.'

"Oh

Ella

come in and have a seat!" Tim invited her.'

'Ella gets inside the office

" Thank you

" she said as she seats on the chair in front of Tim's table.'

"Why did you ask me to come

Mr. Tan?" Ella asked.'

"Oh

I want to ask you something

" he said and then he took something in his drawer.'

'Ella watches Tim as he took an envelope from his drawer.'

'Tim shoves his hand inside the envelope.'

'He pulls something from the inside and put it on the top of the table.'

"'Kindly take a look at this?' Tim ask.'

'Ella took the thing and realized it was a photo of a man.'

"'Can you recognize him?' Tim asked.'

'Ella looks at the photo

but then

she shook her head.'

"'No

"'

"'Is he not one of the loan sharks who chased you when you were still at C Province?"

Tim makes it sure.'

'He thought that the loan sharks that were chasing Ella before was the one to attack Kira.'

'He thought

they already found out that he was the one who help

Ella

to escape and now they're having revenge through Kira.'

'Ella shook her head again

"No

"

"He is not one of them

" She added.'

'Tim fell in deep thoughts.'

'If it wasn't them

who else?'

'Tim and Ella's conversation was interrupted when they heard a knock on the door.'

'The two of them turned their heads on the door's direction.'

"Come in

" Tim said.'

'Just then

the door opened and

Coby entered with files in his hand.'

"Good afternoon

Mr. Tan

" Coby said as he bowed his head.'

"Good afternoon Coby

is there anything you need?" Tim asked.'

"Uhm

" Coby seems like he is having second thoughts as he looked at Ella.'

"Oh

" Ella seems to understand Coby's look towards her.'

"I guess I have to go now Mr. Tan

" She said as she gets up from her seat.'

"Ennn..." Tim nodded his head.'

"Thank you for coming to answer my questions

" He said.'

"You're welcome

Mr. Tan!" Ella replied before she turned her back away from Tim and Coby

and she walks out of the office.'

'Tim looks at Coby again

is there anything you want to say?" He asked again.'

"Yes

Mr. Tan."

"I guess you need to take a look at the investigation result about the missing money from the company's account." Coby said as he put down the files that he was holding."

'Tim looked at the files at the top of the table before he picks it up.'

"What took them so long to finish the investigation?" Tim questioned.'

"I'm sorry

Mr. Tan."

"The investigating team has to verify every bank accounts of the employees that were under investigation

" Coby replied.'

'Tim opened the files and started reading its content.'

'His expression slowly changed as he reads the result.'

'Tim looked up to Coby

" Mr. Fuente has involvement in the anomalies?" he asked with his knitted brows.'

"He is not just involved

Mr. Tan"

"He is the mastermind

" Coby replied.'

"There are a lot of overpricing transactions under Mr. Fuente

"

"They tried to check his bank account

and they found out that he has three bank accounts in different names."

"There's a big amount of money that was deposited in each account for the last quarter

and if we add all of the money

it has the same total of the money that was lost from the company's account."

'Tim tightened his grip as he listened to Coby.'

"How about the money?"

"Is it still in his account?" Tim asked.'

"Half of the amount was transferred to another account

sir

" Coby said.'

"To whom?" Tim asked again.'

"Its account name is Drake Alvinda

" Coby replied.'

"Drake Alvinda?" Tim asked with his knitted brows.'

"Who is that?"

"The investigation team is still doing the investigation about this Drake Alvinda

sir!" Coby replied.'

"Seems like Mr. Fuente is doing something fishy!" Tim mumbled.'

"Don't let this news to spread

this news should not reach Mr. Fuente until we have all the evidence against him!"

'Tim said as his gaze sharpened

,

'He won't let that old man escape!

FLIRTATIOUS HUSBAND - 83 THE INVESTIGATION REPORT 4

'When Coby left

Tim took his phone to call someone.'

"Come to my office

" He said before he ended the call.'

'-----'

"Why did you make me come to your office

Mr. Tan?" Leonard asks as he looks at Tim sitting in his swivel chair.'

'Tim looked at Leonard.'

"Why won't you have a seat first?" he asked.'

"Oh

sure!" Leonard said.'

'He pulled the chair in front of Tim's desk before he sat on it.'

'Tim straightened his body as he spoke to Leonard.'

"I have an important task for you

" he said.'

'Leonard looks at Tim

"What is it

Mr. Tan?" he asked.'

"I want you to follow this person wherever he goes and tell me what's his activities

" Tim said as he pushed a photo to Leonard's direction.'

'Leonard picks up the photo and takes a look at it

"Who is this?" he asked.'

'Tim leaned back to his swivel chair

"He is someone I know

" he replied.'

"Alright!" Leonard did not ask too many questions.'

" Is there anything else?" Leonard asked.'

"Nothing more

" Tim replied.'

"I shall take my leave now

" Leonard said

and then he walks out of the office.'

'-----'

'In the afternoon

during the coffee break

Jan (Mr. Fuente's assistant) went to the company's cafeteria.'

'He searched for an available seat.'

'He found a vacant seat on the corner part of the cafeteria.'

'Jan walks towards the available seat

but his footsteps automatically stopped when he overheard the two ladies from the auditing department talking about something interesting!'

"Is it true that someone embezzled a big amount of money from the company?!" The lady who looked like in her late twenties blurted out

with her eyes wide opened.'

"Ennn..." The lady second nodded her head.'

"Mr. Tan formed an investigating team to investigate the missing money from the company

" she added.'

'Jan turned his head to the two ladies who are sitting not far from where he is standing.'

'He knows these two ladies!'

'They were from the auditing department!'

'The first lady is Grace

and the second lady is Alou.'

'Jan secretly gulped as he listened to the two ladies.'

'He did not continue to walk to the available seat.'

'Instead

he takes a seat at the nearest table from the two ladies.'

'He continued to listen to their conversation.'

""Really?!" Grace covered her mouth.'

""Who would dare to steal money from a big company like Tan Corporation?!"

""Girl

" Alou turned her head to Grace

"You don't know what kind of temptation money can bring you." She added.'

""Ohmo!""

""Is there already a result of the investigation?" Grace asked.'

"I'm not sure

but I think they already know the identity of the thief

" Alou replied.'

"Who do you think it is?" Grace asked again.'

"Hey!" Alou turned her head to Grace and throws her a meaningful look.'

"Why you seemed so interested?!"

" ... "

'Grace was speechless.'

"H-Hey

" She reacted after a while.'

"Don't look at me like that!"

"I am just curious!" she defended her self.'

"Aish!"

"Let's end this conversation here

there's nothing we can get from it anyway!" Grace said and then she gets up from her seat and walks away.'

"Hey

"

"I was just kidding!" Alou said

and she followed Grace.'

'Jan stays seated on his chair

with his head lowered.'

'His hands are trembling and he felt anxious.'

"Mr. Tan has already found out about the missing money from the company?!"

"What should I do?"

"What should I do?"

'-----'

'Inside the Casino

Mr. Fuente is sitting in front of the gambling table.'

'There are also three other people sitting in front of the same table.'

'The croupier

and his other two opponents.'

'Mr. Fuente annoyingly pushed his chips to the croupier.'

'This is his third loss for this game!'

'Mr. Fuente was a bit startled when his phone suddenly rings.'

'Mr. Fuente annoyingly took his phone and answers it.'

"Hello!" He said sternly.'

"M-Mr. Fuente..."

'Mr. Fuente knitted his brows when he heard Jan's trembling voice.'

"Why?" He asked

still in his stern expression.'

"Mr. Fuente

there's bad news

" Jan said.'

"What?" Mr. Fuente seemed uninterested.'

"I overheard the employees from the auditing department

"

"I heard that Mr. Tan already knows about the missing money from the company!"

'Mr. Fuente instantly turned pale!'

"W-What?!" he blurted out.'

"Yes

Mr. Fuente

Mr. Tan has also formed an investigating team to investigate this matter

" Jan added.'

'Mr. Fuente tightened his grip on his phone.'

'He was enraged that he did not notice the man sitting opposite him is secretly watching him.'

'Leonard revealed a faint smile as he took all the chips from the croupier.'

'He is in the same casino as Mr. Fuente

and guess what?'

'He was his opponent since the first game and Mr. Fuente did not even notice something different about him!'

'-----'

'Fuente Residence'

"Aaarrgghh!!!" Mr. Fuente slammed his hand on his wooden table and followed by the cursings!

'That man!'

'He did an investigation without telling me about it!'

'It only means that he doesn't trust me!'

'That money!'

'I deserve all the money that I took from the company!'

'I worked for Tan Corporation for a long time now

so I deserve to receive that big amount of money!'

'Mr. Fuente's gaze turned sharp.'

"He wants to fight me?"

"Then I'll give him a fight!"

'He said inside as he gritted his teeth and tightened his grip!'

'-----'

'(Bang! Bang! Bang!)'

'The loud gunshots resounded in the entire shooting range.'

'(Clap

clap

clap)'

'Tim's clap could be heard.'

"Bravo

sweetheart

bravo!" he exclaimed as he looks at the target.'

'He approaches Kira and kissed her lips

"You have learned a lot this past few days." he said.'

'Kira smiled confidently

"Of course!"

"I have the best coach ever!" she added.'

'Tim revealed a smile

"You're just trying to flatter me!" he said.'

'Kira did not say a word

she just smiles and reloads a bullet on the gun.'

'Tim's expression suddenly turned serious

"Sweetheart

"

"Hmmm??" Kira replied without looking at Tim.'

"Can I ask you something?" Tim asked.'

"What is it?"

FLIRTATIOUS HUSBAND - 84 THE EXPLOSSION

"Sweetheart

can I ask you something?"

"What is it?" Kira asked as she continued loading the bullet.'

"Its..." Tim seems like he is having a second thought.'

'He gulped before he spoke again.'

"It's about the accident fifteen years ago

" he said.'

'Kira automatically stopped what she's doing

she then turns her head to Tim.'

"Accident?" she repeated.'

" Ennn..." Tim nodded his head.'

"Why did you suddenly ask?"

"Ah

" Tim thinks for a moment before he speaks again.'

"I... I just want to know if you have any memory about what happened before or during the accident?" Tim asks again.'

'Kira was silent for a moment.'

"But..."

"It's alright if you don't like to answer..." Tim said when he remembers that Kira doesn't like remembering that accident.'

'Kira sigh

and then she speaks.'

"All I remember was..."

"I and my mom is at the bus terminal."

"We have just arrived from visiting a sick relative at A Province."

'Tim keep silent as he listens to Kira's story.'

"My dad fetched us at the terminal. I don't remember that much. I fell asleep as soon as I rode into his car."

"I was just woken up when my mom screams as if she was so frightened. And then I suddenly feel the pain in my entire body

" Kira shook her head.'

"And then my world went dark. I don't know for how long I've been unconscious but my mom tried to wake me up. She pushed me out of the car.'

'She saved me before her self." Kira said with her lonely expression.'

"No one helped us

" She added as the image of a man's silhouette flash into her mind.'

'She was not sure of what she saw that night

she was not sure if it was just her delusion when she saw a man walking towards her that night.'

"You... You don't know the reason for the accident?" Tim asked.'

"The authority said that it was a driver's error

they said my dad was drunk while driving the car

" Kira replied.'

"Oh

" Tim blurted out as he looked down.'

'He did not ask any questions anymore.'

'Kira

on the other hand

continues with what she was doing earlier.'

'She then lifted the gun and focus her attention on the target.'

'She did not notice Tim's guilty expression.'

"Bang!" The gunshot resounded the entire shooting range

but Tim seemed like he didn't hear anything.'

'-----'

'Mr. Fuente drives his car to one of his house outside the Capital City.'

'He saw a black van parked on the other lane of the road.'

'Mr. Fuente blows his horn to catch the attention of the van's driver.'

'The people inside seem to hear the horn as they opened their door and get off the van.'

'-----'

'Leonard continued to follow Mr. Fuente.'

'He thought that Mr. Fuente would just go to the casino as usual

but today he will discover something more interesting!'

'Leonard stopped his car a few meters away from Mr. Fuente's house.'

'He notices a black van parked on the other side of the road

but Leonard just ignores it

thinking it was just a car parked by just anyone who lives nearby

but Leonard's interest was caught when he saw a man gets off the van.'

'The man is wearing a black shirt paired with black pants and black sunglasses

with him were other men wearing the same dress color.'

'Mr. Fuente gets off his car too.'

'Leonard saw the man in black approaches

Mr. Fuente.'

'The two of them shook hands.'

'The two of them talked

but Leonard doesn't have any idea of what they were talking about.'

'Leonard narrowed his eyes.'

'The man seems familiar to him!'

'Leonard instantly took his camera and secretly took a photo of the man.'

'Just as soon as Leonard finished taking pictures

Mr. Fuente and the other man and his minions rode on their cars.'

'The gate of the house opened and Mr. Fuente's car and the black van drives inside.'

'-----'

'Tim closed his eyes as he leaned into his swivel chair as if he was so tired.'

"How can I tell her about it?"

"I hate to see the loneliness in her eyes."

"I am afraid to see her reaction if I tell her the truth."

'Tim sighs!'

"I hope that one day

I will have the courage to tell her the truth

' Tim said to himself.'

'(Knock

knock

knock!)

'Tim opened his eyes when he heard a knock on the door.'

'The door opened and Kira peeks inside.'

"Hubby

" She called.'

"Hey

" Tim straightened his body when he saw his wife.'

"Leonard is here

he wants to talk to you

" Kira said.'

"Oh

let him in

" Tim said.'

'Kira widened the crack on the door and let Leonard enter.'

"Good evening Mr. Tan. It was a bit late

but I have an important thing to tell you." Leonard said.'

"Oh

no problem!" Tim replied.'

"Come and have a seat." He added.'

'Leonard walks closer to Tim's desk.'

"I'll just make you a coffee

" Kira said before she closed the door.'

"So

what have you got?" Tim asked as soon as Leonard sat on the chair.'

'Leonard put an envelope at the top of Tim's table.'

"You should see this

" he said.'

'Tim picks up the envelope and he opens it.'

'Tim pull out the content of the envelope.'

'He takes a look at it and realized it was a photo of Mr. Fuente

with another man.'

"What do you mean by this?" Tim asked with his brows knitted.'

"I continued to follow Mr. Fuente just like what you instructed to me

" Leonard said.'

"I thought he will just go to the casino as usual

but today

he met someone." Leonard continues.'

'Tim look at the photo again

"You mean

him?" He asked as he pointed the man in black on the photo.'

"Yes

Mr. Tan!" Leonard replied.'

"What's with this man?" Tim asked again.'

'He doesn't have any idea of what Leonard wants to say to him.'

"Mr. Tan

that other man on the photo is Drake Alvinda

"

FLIRTATIOUS HUSBAND - 85 THE EXPLOSION 2

"Drake Alvinda?" Tim repeated inside.'

'The name sounds so familiar to him!'

'Tim looks up to Leonard again.'

"Who is this Drake Alvinda?" He asked.'

"Drake Alvinda

a loan shark also known by the code name Chase

" Leonard replied.'

'Tim froze as he heard Leonard.'

"Chase..." He repeated.'

'Tim's eyes went wide opened as he remembers the name Chase.'

'He looked up to Leonard with his stunned expression!'

"This Chase is the Drake Alvinda

which Mr. Fuente deposited a big amount of money to his bank account."

"Chase is a loan shark who also do dirty works in exchange for money!"

'Tim couldn't help but suspect.'

"This is not just a coincidence!"

"It is possible that Mr. Fuente has something to do with the attack on Kira a few months ago."

"He might be the one who bribed Chase's man to attack her!"

'He may don't have any proof but Mr. Fuente has the reason to do that to Kira!'

'Gaile hated Kira

Mr. Fuente may hold a grudge to Kira too.'

'With that thought

Tim's gaze turned sharp.'

"That old man dare to harm my wife!' Tim secretly gritted his teeth.'

'Just thinking of Mr. Fuente trying to destroy his marriage with Kira made him feel furious!'

'Tim's deep thoughts were interrupted when Kira arrived with two cups of coffee.'

"Hey

" Kira greeted them as she walks towards Tim's table.'

'Kira knitted her brows when she notices the silence between Tim and Leonard.'

"What's the matter?" She asked while putting down the coffee at the top of the table.'

"Leonard

I want you to gather information about Mr. Fuente and this Chase

"

"I want to know how long they have known each other

" Tim said.'

"Alright

Mr. Tan

" Leonard said before he gets up from his seat.'

"I shall take my leave now

" Leonard added and then he turned and walks out of the room.'

'Kira's gaze followed Leonard's retreating silhouette until he is out of the study room before she turned her gaze back to Tim

"What did he report to you?" she asked.'

"Sweetheart

I think... We found the culprit behind the attack on you

" Tim said.'

"R-Really?" Kira blurted out.'

"W-Who?" She asked.'

"Mr. Fuente

" Tim replied.'

'Kira knitted her brows again

"Mr. Fuente?" she repeated.'

"Gaile's father

" Tim said.'

'Kira's mouth went slightly opened as she heard Tim.'

"What?!" She blurted out.'

"W-Why?"

"Why would he bribed someone to..." Kira stopped talking as realization flashed into her mind.'

'Kira slowly sat down on the chair in front of Tim's table as if she felt too weak.'

"Did..."

"Did he blame me for Gaile's death?" Kira can't help but ask.'

'She doesn't see any reason why would Gaile's father do this to her!'

'Kira looked at Tim with fears in her eyes

"Tim

am I the reason why Gaile chooses to end her life?"

'Tim hurriedly gets up from his seat and approaches Kira.'

'He kneeled in front of her and tried to coax her.'

"Sweetheart

don't blame your self for Gaile's death. It was her choice to end her life." Tim said as he touched Kira's face.'

"Don't be scared

I am here to protect you

I won't let anyone hurt you. You will be safe as long as I live." Tim assured.'

'Kira looked at Tim

"That is what I am being scared

Tim."

"What if he will also attack you?"

"No

"

"I won't let that happen

I will make sure that he will go to jail

" He said.'

'-----'

'The next day

,

'Tim suddenly push to open the door to Mr. Fuente's office.'

'Jan was startled when the door suddenly opened.'

"M-Mr. Tan!" He blurted out as he gets up from his seat!

"Where is Mr. Fuente!" Tim asked coldly.'

'Jan gulped!'

"M-Mr. Fuente is not here

Mr. Tan!" he said in a trembling voice.'

"He hasn't come for a few days now

" he added.'

'Tim narrowed his eyes

"What?"

"Where is he right now?!" he asked again.'

"I don't know

sir

"

"I couldn't reach him since the other day

" Jan replied.'

'Tim tightened his grip and gritted his teeth.'

'He entered the office and closed the door.'

"I know whenever people lie to me

" he said coldly as he walks closer to Jan.'

'Jan's knees trembled when he saw Tim's sharp gaze towards him.'

"M-Mr. Tan

I don't know where Mr. Fuente is!" Jan insisted.'

"He did not come here since he knows about the investigations for the missing money from the company's account!" Jan was so scared that he did not think of what he is saying!

'Tim stopped in his track.'

"He knows about it?" he asked.'

"Y-Yes

Mr. Tan

" Jan replied.'

"From whom?" Tim is still in his cold expression.'

'Jan was not able to reply instantly

he suddenly regretted telling Tim about it!

"From whom?!" Tim roared.'

"F-From me

" Jan doesn't have a choice but

to tell the truth.'

'Tim gritted his teeth

" How did you know about it?"

"I just overheard the employees from the auditing department

sir!"

"This matter should be confidential!" Tim thought.'

"Who are they?" Tim asked.'

"They were Alou and Grace

" Jan replied.'

'Tim instantly turned and stormed out of the office as soon as he heard Jan's reply.'

'-----'

'Back to Tim's office

,

'The two ladies are standing in front of Tim

with their heads lowered.'

'The two ladies were Alou and Grace.'

"You know that the investigation is confidential

" Tim said to Alou and Grace.'

"I'm sorry for being so careless

Mr. Tan

"Alou was the first one to answer."

"How could I trust people like you?" Tim ignores Alou's apology.

"Mr. Tan

we will not do the same mistake again

"Grace spoke."

"You know that I only trust people

once

"

'Grace and Alou did not say any word.'

"I don't need unreliable employees like the two of you!"

'This time

Grace and Alou looked up to Tim with their stunned expressions!

"M-Mr. Tan!" They blurted out!

"From this day onward

the two of you are no longer an employee of this company!" Tim said.'

FLIRTATIOUS HUSBAND - 86 THE EXPLOSION 3

'Mr. Fuente's disappearance only confirmed that he is guilty of everything!'

'Tim has been searching for Mr. Fuente for a week now

but he hasn't seen even of his shadows.'

'Tim is running out of patience!'

'He can't be confident as long as Mr. Fuente is free!'

'Kira's life is in danger as long as Mr. Fuented is free!'

'He can harm Kira in every possible way!'

""Tell the securities to find

Mr. Fuente

no matter what happens!""

""If they have to search all of his properties

then let them do it!""

'Tim ordered to Coby.'

'He don't care if they will search Mr. Fuente's properties illegally!'

'All he wants is to find him and locked him to jail!'

"Yes

sir!" Coby replied.'

'He was about to turn to leave

but he seems to remember something.'

'Hev faces Tim again

"How about Jan

sir?" He asked.'

"Just let him stay

we can't fire him yet. We can use him to find Mr. Fuente's whereabouts." Tim replied.'

"Alright

sir!" Coby said and then he left Tim's office.'

'-----'

'Fuente's secret property

outside the Capital City.'

'Mr. Fuente is standing at the balcony with a cigar in between his fingers.'

'Mr. Fuente takes a drag on the cigarette.'

'Just then

his phone suddenly rings.'

'Mr. Fuente put down his cigarette on the ashtray before he picks up his phone.'

'It was Jan

his assistant.'

"Hello

" Mr. Fuente answered.'

"Mr. Fuente

Mr. Tan has been searching for you for a week now."

"He already hired a lot of securities to find you and to search for your properties

" Jan reported.'

"Ha!" Mr. Fuente let out a short yet sarcastic laugh.'

"Let them do that

" he said as if he wasn't bothered.'

"But sir

what if they find you?" Jan asked in concern.'

"Isn't it better for you to escape out of the country?" Jan suggested.'

"No

not yet

" Mr. Fuente refused.'

"I can't escape out of the country

unless

I am done with all my plans

" he added.'

"But sir

" Jan wanted to insist

but Mr. Fuente interrupted him.'

"Don't worry too much about me

" He said.'

" But..." Mr. Fuente seems to think of an idea.'

" I need your help

" He said.'

"What is it

Mr. Fuente?" Jan asked.'

"I want you to report to me what is going on in the company."

"You have to report to me every Tim's next moves

"

"Sir

do you want me to spy on them?" Jan asked.'

"Yes!" Mr. Fuente said.'

"Do everything you can just to get any information about their plans

" Mr. Fuente added.'

'Jan suddenly becomes silent.'

"Why are you silent?" Mr. Fuente asked doubtfully when he heard nothing from Jan.'

'-----'

'Meanwhile

in the Tan Corporation...'

'Jan felt like someone splashed him icy cold water when Tim suddenly popped out of nowhere!'

'He was not able to speak a word as he looked at Tim standing in front of him!'

"Why are you silent?" Jan heard Mr. Fuente asked.'

'He couldn't do anything but to gulp!'

'Tim gestured Jan to continue talking

but Jan keeps silent.'

"I... I think I have to go now

" Jan said to the person on the other line.'

'He thought that Tim did not hear anything

but he was wrong!'

'Jan put down his phone and was about to end the call

but Tim suddenly grabbed the phone from him. "Not so fast!" Tim said before he put the phone on his ear.'

'Mr. Fuente heard Tim's voice from the other line.'

"Oh

so Tim is there?" He asked thinking it was still Jan holding his phone.'

"Yes

I am here

Mr. Fuente

" Tim said coldly.'

"I'm glad that you still recognize me

" He added.'

'Mr

Fuente was not able to spoke instantly.'

'He was silent for a moment

and he tried to collect himself

"Of course!" He said.'

"How could I not recognize a family friend?" He added as if he didn't do anything wrong with the company.'

"A family friend?!" Tim asked sarcastically.'

"A family friend that you betray!" He said coldly.'

"Oh

"

"It is all your fault

Tim!" Mr. Fuente blamed Tim.'

"I have been loyal to your company

thinking that one day our families will become one through marriage!"

"I was thinking of marrying Gaile to you

but what did you do?!"

"You rejected my daughter and marry a low life teacher?!"

"My daughter suffered from depression."

"She ended her life because you married another woman!"

"Is this the reason why you tried to ruin my marriage with Kira?!" Tim asked.'

'Mr. Fuente's word confirmed all his suspicions!'

"Ha!" Mr. Fuente let out a sarcastic laugh.'

"It seems like you already know everything!" he said.'

"You know me

Mr. Fuente."

"I have my way of knowing even just a little information!" Tim replied.'

"Alright!"

"Since you already know everything

I will tell you then

" Mr. Fuente is ready to reveal everything to Tim.'

"Yes!"

"I am the culprit behind the attack on your wife and I am not done yet!"

'Tim balled his fist as he heard Mr. Fuente

" I won't let you hurt her!"

"Oh

really?"

"How will you stop me?"

"By hiring bodyguards?" Mr. Fuente asked sarcastically.'

"I will find you no matter where you hide!"

"I will find you even in hell!" Tim said in gritted teeth!

"Oh

really?!" Mr. Fuente smirked.'

"Come and find me then

but one thing I am sure of

I won't let you catch me

alive!" Mr. Fuente said before he ended the call.'

'Tim felt furious!'

"Argh!" He roared as he hit the wall with his fist to vent his anger!'

'Jan started to tremble again!'

'Tim turned his head to Jan

with his sharp gaze.'

'Jan turned pale

"M-Mr. Tan... I..." Jan doesn't know what to say!'

'Tim grabbed Jan's collar.'

'His eyes turned bloodshot due to anger!'

"You!"

'Tim lifted his fist and was about to hit Jan.'

"Mr. Tan

No!" Jan begged with his trembling voice.'

"Please spare me!"

"I can work for you!"

"I can spy on Mr. Fuente for you!" Jan added.'

'Tim's hand stopped mid-air!

'He is still furious that his chest darted up and down due to his fast breathing.'

"I don't need unreliable people like you!" Tim said and pushed Jan which made his body slumped on the wall!

"Ugh!" Jan groaned when his back hit the wall.'

"Fix your things and leave this company this instance!" Tim said with authority.'

FLIRTATIOUS HUSBAND - 87 THE EXPLOSION 4

"What?!" Lea blurted out when she heard Kira's story.'

'She went to the Villa to visit Kira.'

'The two of them talked about the development of the investigation about the attack on Kira a few months ago.'

"Whoa!"

"Those father and daughter were scary!"

"The two of them tried to set you up!" Lea said with her eyes wide opened.'

"Why are they so desperate to get rid of you?!" Lea couldn't help but wonder.'

'Kira sigh!

"Gaile hated me when she was still alive."

"As a father

it is normal for Mr. Fuente to take the side of his daughter

maybe he also hated me because Gaile hates me

" Kira said.'

"Oh come one!"

"Do they really need to ruin you ?!"

"Hating someone is not a reason to harm them!" Lea commented.'

"Lea

not all people have the same thoughts as you

"

"Mr. Fuente might have also blamed me for Gaile's suicide

" Kira said

she couldn't find any reason why on earth would he hate her!

"Why would he blame someone for his daughter's suicide?!"

"It is her choice to end her life!"

"It wasn't your fault!" Lea insisted.'

"I know

" Kira replied.'

"Oh!" Lea touches her head

"I hate those people who would blame anyone for their mistakes!"

'-----'

"Mr. Tan

I've got all the information that you asked for

" Leonard said.'

"Good

" Tim replied.'

'Leonard takes a seat in front of Tim's table.'

"Mr. Fuente has been gambling for a year now

" Leonard spoke.'

"He has an addiction to gambling to the point that he sold some of his properties just to sustain his gambling."

'Tim leaned to his swivel chair

he put his elbow on the armrest and swung his swivel from left to right.'

"And this is where he and Chase met?" Tim asked.'

"Yes

Mr. Tan

" Leonard replied.'

"Mr. Fuente lent a big amount of money from Chase

" He added.'

'Tim stopped swinging his swivel chair

"He lent a big amount of money from Chase

" he repeated.'

"This explains the reason why he deposited a big amount of money to Chase's bank account." He mumbled.'

"Are there any other pieces of information you've gathered?" Tim asked Leonard again.'

"Have you seen Mr. Fuente recently?" he added.'

"No

Mr. Tan

I haven't seen him in the casino for a week now

" Leonard replied.'

"Oh

" Tim blurted out.'

"He is already hiding

" Tim thought.'

"Hide wherever you can hide Mr. Fuente!"

"I can still find you!"

'-----'

'It was already late when Tim got home.'

'Kira is still waiting for him in the living room.'

'Kira gets up from the couch when she heard a car's engine.'

'She opened the front door and headed to the garage where Tim parked his car.'

"Hey!" Kira greeted Tim as soon as he gets off the car.'

'Tim revealed a wide smile when he saw his wife

"Hey

sweetheart!" He approaches her and kissed her lips. " Have you eaten your dinner?" he asked sweetly.'

"Ennn..." Kira nodded

"How about you?" She asked back.'

"Oh

I am done

I'm sorry if I come home late

" He apologized.'

"It's alright

I know that you're busy managing the company

" Kira replied.'

'Tim stared at his wife with a faint smile on his face.'

'Seeing his wife make him feel enlightened!'

'He felt like all his tiredness has gone away.'

'But Tim's faint smile faded when Mr. Fuente's word suddenly echoed into his mind!'

"I am the culprit behind the attack on your wife and I am not done yet!"

'Kira notices Tim's sudden change of expression

" Why?" she asked.'

'Tim did not say a word

he just pulled Kira into his embrace.'

"I'm sorry if I put your life in danger

' Tim secretly said.'

'He thought that Mr. Fuente's anger towards Kira was all because he married her.'

'He doesn't know that there is another reason why Mr. Fuente hates Kira!'

'Tim and Kira went upstairs.'

'Kira went to bed.'

'She pick up a book at the bedside table.'

'She leaned on the headboard and started reading the book.'

'Tim sits beside Kira

" Sweetheart

can we talk?" Tim asked.'

"About what?" Kira asked with her gaze still on the book.'

"The..." Tim seems like he is having second thoughts.'

"Still about the accident

" he said after a while.'

'He wants to talk about it because he wants to slowly tell Kira about his father's dark secret.'

'Kira shifted her gaze to Tim

"Why you seemed so interested in that accident?" she asked.'

"Uhm

" Tim gulped!'

"Because I want to tell you something!"

"I already had a lot to think

I feel so bothered and I don't know what to think first!' Tim thought but he never dares to speak it out.'

"Uhm

I just want to ask

what if..." Tim paused as he turned his gaze to Kira.'

"What if?" Kira waited for Tim to continue.'

"W-What if there is someone else who is involved during that accident?"

'Kira blink her eyes a few times

"Why did you suddenly ask that?"

"Uhm..." Tim pulled back his gaze

" I just want to know your reaction

" he said.'

"Well

if someone is involved with that accident

I just hope that they did not lose their loved ones during the accident

as I do

" Kira said.'

"But what if..."

"What if the one who is involved was the reason for the accident?" Tim asked again.'

'Kira froze

and then she looked at Tim with her puzzled look

" Where did you get that idea?" she asked.'

"Ah

" Tim revealed a forced smile

" I was just thinking

what if it wasn't a driver's error?"

"What if it was not your father's fault why you guys got into an accident."

"What if there's another car hit your family's car

but the driver choose to run away because he was afraid to go to jail?"

"What will you do then?" Tim continued to ask.'

'Kira closes the book that she's reading.'

'She faces Tim and speaks

"I will find that person and I will make him pay for running away from his sin." Kira said straight forward.'

FLIRTATIOUS HUSBAND - 88 THE EXPLOSION 5

'It was already late at night

but Tim couldn't sleep.'

'He felt bothered by Kira's word earlier.'

'Tim raised his body from lying on the bed.'

'He then gets off the bed

he took his phone at the top of the bedside table and took a key before he got out of the bedroom.'

'Tim headed to his study room.'

'He put his phone at the top of the table before he sat on his swivel chair.'

'Tim opened his drawer and took his father's journal.'

"I'm sorry

I don't have enough courage

to tell her the truth

' Tim said inside.'

'He doesn't know how to start telling Kira that his father has something to do with the accident fifteen years ago

which causes her parent's death.'

'Every time he attempts to tell her

he would suddenly lose his courage

being in his place is not easy.'

'He is hiding a dark secret from his wife

and he is the reason why her life is in danger.'

"Was he wrong for marrying her?"

'Tim leaned into his swivel chair as he took a deep breath.'

'He is now bearing the consequences of not listening to Helena.'

'She was against his decision to marry Kira

but he still insisted.'

'Tim missed his hair

he is so confused!'

'He felt like he is going insane!'

'Tim's deep thoughts were interrupted when his phone suddenly rings!'

'Tim froze before he looks at the phone at the top of the table.'

'It took a few seconds before he decided to pick the call.'

'Tim swiped his finger on the phone before he brings it to his ear.'

""Hello?" he answered.'

""Mr. Tan

" It was Coby.'

""Coby

why did you call late at night?" Tim asked.'

'He can hear noises from Coby's background.'

""I'm sorry to disturb you

sir

but this is an emergency

" Coby replied.'

'Tim knitted his brows

he straightened his body when he heard the noises of a fire truck siren.'

""What emergency?" He asked

alarmed.'

"There is an explosion in the garage

sir

" Coby replied.'

"What?!" Tim was stunned!

"The explosion causes a big fire which burned a few buses units

sir

" Coby said.'

'Tim got rattled

"I'll be there!" He said as he hurriedly put back the journal on his drawer.'

'He then hurriedly gets up from his seat without locking his drawer.'

'Tim got out of his study room and headed back to the bedroom.'

'He just took the jacket and his car keys and did not bother to change his dress.'

'Tim hurriedly gets out of the room again.'

'He headed downstairs and opened the front door.'

'He took big strides toward the garage and hurriedly rode in his car.'

'He turned on the engine and drives away.'

'Tim was in a hurry that he did not notice the car parked a few meters away from the Villa's gate.'

'Inside the car

the man who is sitting in the driver's seat straightened his body when he saw a car drives away.'

'He instantly took his phone and made a phone call.'

""Boss

I think he already knows about the explosion

" He said to the person in the other line.'

""That's good then

" The man from the other line said.'

""I think this is the perfect time to go in

boss

" The man said.'

""Go and find anything that we can use against him

Storm

" The man from the other line agreed.'

'The man who is called Storm ended the call.'

'He then wears his mask-like ninja before he gets out of his car.'

'Storm climbed up on the Villa's wall.'

'He moved swiftly that the securities that are doing a roving did not notice him.'

'Storm jumped down and hurried run towards the house.'

'He stopped and hide when he notices the security coming into his direction.'

'Storm waited for the security guards to pass before he continued heading to the house.'

'Storm found a portal to the house through the ceiling to floor window.'

'He was able to enter the house without catching the attention of the securities.'

'Storm headed straight upstairs

he opened each room one by one.'

'He opened the guest room and entered

but he gets out again when he did not find something useful.'

'He transferred to the other room but still couldn't find anything.'

'The next room he opened is the master's bedroom.'

'Storm saw a person lying on the bed

fast asleep.'

'Storm carefully widened the crack on the door and carefully closed it again.'

'He took light steps towards the closet

he checked the drawers on the table and every possible place where Tim might put his important documents

but

like the two previous rooms

he did not find any important documents that he could bring to Mr. Fuente.'

'Storm carefully got out of the room.'

'He was about to leave but he saw the fourth door.'

'He hasn't entered that room yet!'

'Storm hurriedly yet carefully headed to the door.'

'He turned it open but it was locked!'

'Storm pulls something sharp from his pocket and used it to open the study room's door.'

'He entered and closes it again.'

'The room is dark

but Storm is still able to see things using his flashlight.'

'Storm checked on the bookshelves and the files at the top of the table but he did not find something.'

'Storm releases an annoyed sigh!'

'He was about to give up

but he notices the drawers in the table.'

'Storm tried to open it and bingo!'

'It wasn't locked!'

'Storm searched the draw

but still

nothing is interesting but then...'

'A red-book-like journal fell into the floor.'

'Storm picks up the red book.'

'He should not make a mess

he should not leave traces of evidence to make them suspect that they were intruded.'

'Storm was about to put back the red book but he froze when he notices a photo in between the pages of the book.'

'Storm pulls the photo out of curiosity.'

'He then takes a look at it.'

'It is a photo of a young girl with two grown-ups

which he suspected to be her parents.'

'Storm looked at the photo and he seems interested.'

'He was about to put it back on the book

but he got curious about what is written in the journal.'

FLIRTATIOUS HUSBAND - 89 THE JOURNAL

'Tim saw the thick smoke in the garage.'

'Some firemen are still distinguishing the fire.'

'Tim stopped his car.'

'He hurriedly gets off his car and walks closer to the garage.'

'"Mr. Tan!" Tim heard Coby called him.'

'He stopped in his track and turned his head to Coby's direction.'

'Coby took big strides towards Tim.'

'He is panting as he reached him.'

"Coby

what exactly happened?" He asked.'

'Coby took a few deep breaths before he spoke.'

"The security said

that there is an explosion in the north side of the garage

" Coby replied.'

'Tim went silent as if he is thinking.'

"An explosion?"

'Tim looked at Coby again.'

"Did they notice any suspicious person in the garage before the explosion?" He asked.'

"According to the security guard

there is someone who came tonight to have a check on the newly arrived bus units

but after an hour the explosion happened

" Coby reported.'

'Tim narrowed his eyes.'

"A check-up at night?" He wonders.'

"That is already suspicious!' He thought.'

'Tim looked at Coby again

"Did you confirm it from the maintenance department?" He asked again.'

"Yes

sir

" Coby replied.'

" But the manager said that they did not send anyone to do a check-up because they don't do a check-up at night." He added.'

'Tim took a deep breath.'

"Someone did this on purpose." He mumbled.'

"I was thinking the same too

sir." Coby agreed.'

"How many units have been burnt?"

"About ten units

sir

" Coby replied.'

"Prepare the papers to claim the insurance

" Tim ordered.'

"Copy that sir!" Coby replied.'

"How about the garage

sir?" He asked.'

"The fire department said that we have to do a clearing

they will also investigate the cause of the fire. Where will we put the other units

sir?'

"We have to transfer to the garage at Hilltop Village temporarily

" Tim replied.'

'Coby froze as he looked at Tim.'

'The garage at the Hilltop Village was the old garage of Tan Corporation's busses.'

'It is outside the City and the road is a bit risky.'

"But Mr. Tan. I heard that the old Master Tan already ordered to abandon that place a long time ago." Coby commented.'

'Tim sigh!'

"I know!" He thought.'

'And he knows the reason why his father ordered to close that garage fifteen years ago.'

'Because he doesn't want to go back to that place again!'

"We don't have a choice

we have to fix this garage."

"We need a wide space for all the units and I can't think of any temporary garage but the garage at the Hilltop Village

it's just temporary

anyway

" Tim said.'

"Alright

sir!" Coby did not object anymore.'

'-----'

'Kira is half awake

she shifted her position and was about to embrace Tim

who she thought that is sleeping beside her.'

'Kira knitted her brows when she couldn't touch Tim beside her.'

'She slowly opens her eyes and looks beside her.'

'Tim is not there!'

'Kira looked around before she raised her body.'

'She checked the time at the clock in the bedside table.'

'It is almost midnight!'

"Where did he go at this hour?' Kira asked her self.'

'Kira gets off the bed and checked the bathroom

but Tim isn't there.'

'Kira doesn't know why

but she feels uneasy.'

'She gets out of the bedroom and went to Tim's study room.'

'-----'

'Storm smirked as he read the journal.'

"The boss will get interested in this!' he said inside.'

'He then folded the journal and put it in his pocket.'

'Just then

he heard noises of footsteps from the outside of the room.'

'Storm looked at the door's direction and realized that he did not lock it again!

'Kira knocked on the door before she turned the doorknob to open

but she was met with darkness and silence.'

"Click!"

'Kira turned on the light to make sure if Tim is not inside the room.'

'Kira knitted her brows when she saw Tim's messy table.'

'Her husband is an organized kind of person

so

she wonders why his study room is a mess!'

"He might have left in a hurry

' Kira thought.'

'She entered the study room and started to fix Tim's things.'

'Kira is focused on what she is doing

but she was a bit startled when she heard a noise on the window's direction.'

'Kira stopped what she's doing as she turned her head to the window.'

'She notices the long and thick curtains move a bit.'

'Kira knitted her brows

'What's behind the curtains?' she wondered.'

'Ohmo! Is there a ghost here?!' Kira couldn't help but think.'

'Why on earth would the curtain move?'

'She can't say it's because of the wind.'

'The windows were always kept shut

so the wind couldn't enter the room.'

'Kira put down the files that she's holding.'

'She slowly took a step towards the window.'

'She wants to make sure what is behind the curtains!'

FLIRTATIOUS HUSBAND - 90 THE JOURNAL 2

'Kira held the curtains.'

'She is a bit scared.'

'Her heart is thumping so hard and she's trembling!'

'Kira closed her eyes as she took a deep breath before opens her eyes and suddenly flipped the curtains!'

'The cold night breeze automatically blows her face as soon as she flipped the curtains!'

'Kira knitted her brows.'

'Why the window is opened?'

'Do the servants forget to close it again after cleaning?'

'Kira just assumed that the servants forgot to close the window after cleaning it.'

'She just closed it and then she gets back to what she was doing earlier.'

'-----'

'In the securities headquarter

the building beside the Villa.'

'Sevi has woken up from his sleep.'

'He felt thirsty so he decided tho go to the kitchen to fetch water.'

'The security headquarters has its kitchen and bedrooms for the stay in securities.'

'Sevi walks to the fridge and fetches cold water.'

'Sevi looked outside through the glass windows.'

'The night shift security guards are doing a roving around the Villa.'
