"Good job

Storm!" Mr. Fuente said to storm in between his laughs.'

"The Old Master Tan is such an idiot!" He said.'

"He lives with guilt for a long time?"

"Hahaha!" Mr. Fuente laughed again.'

'His shoulders shook as he laughs so hard.'

"Guilt?"

"I should not feel guilty about what I did then!"

"Someone has already assumed that he killed them by accident!" Mr. Fuente thought as he continued to laugh!

"This journal is a big help to me!"

"Let's see if she will still stay with him after finding out the truth!" Mr. Fuente said when he calmed down.'

'He then revealed an evil smirk.'

"Ah

"

"It feels good!"

"I can already see succeeding in my plans!"

""This is it!" He mumbled.'

'He asked for help from Mr. Fuente when Tim fired him from the company.'

'Mr. Fuente made him come to the address that was written on a text message.'

'Jan presses the doorbell on the gate.'

'After a while

a man wearing rip jeans and a black shirt opened the gate.'

'Jan was stunned for a moment.'

'Did he come to the right place?'

'Jan looked at the man.'

'The man has a long beard and he is holding a long gun!'

""Who are you?!" The man asked Jan sternly.'

'Jan gulped!'

'He is the kind of person who gets scared easily!'

'Jan's face slowly turned pale and he started to tremble as he heard the man's thunder-like voice!'

'This man looked like a thug!'

"'Is this the house of Mr. Richard Fuente?" Jan asked in a trembling voice.

"Why?" Mr. Tab's eyes turned red and he seems like tears are going to flow from his eyes.'

'Aileen looked at Mr. Tan straight to the eyes

"I am not happy with you

you are always busy with your work and you don't even know what your sister is doing to me whenever you're not around

" said.'

"Oh come on Aileen!" Gezel spoke sarcastically as she defended herself.'

"Don't blame me!"

"Why won't you tell my brother that you're going to run away with your other man?!"

"W-What?!" He blurted out in a stunned expression.'

"I wanted to apologize to the little girl

but I couldn't dare to look at her straight to the eyes."

"I am the reason why she lost her parents

I am the reason why she has to grow up without them."

"But I still tried to make it up to her

by giving her an adoptive parent

Helena

but I know it wasn't enough."

'Tears fill Kira's eyes as she reads the journal

she doesn't know what to feel!

'Her Auntie Helena adopted her because the old master son told her to?'

"Hey

did you see that?" Jan asked Storm.'

"Of course!" Storm replied.'

"This is our chance to get her!" Fire spoke.'

"Hey! What are you doing?!"

"Why are you not turning on the engine?!" Storm sternly asked Jan.'

"W-What?!" Jan looked at Storm with his rattled expression.'

'They might be a bit far

but with the help of the light from the post

he can still recognize Kira even in the distance!'

"Yes!" He said with his eyes wide opened!

"Follow them!" Tim ordered when he saw the car drives away with its full speed!

'Tim hurriedly took his phone and call the authority!'

"We will give that woman to the authority and we will surrender to them!" Jan said while aiming the gun to Storm.'

'Kira was stunned!'

'She did not expect this!'

"Hahaha!" Storm laughed as he looked at Jan holding the gun with his trembling hand!

"Do you think you can scared me with that gun?!" He asked sarcastically.'

"You're just nothing but a coward!" He added.'

'Storm doesn't think that Jan would shot him!'

"Come on!"

"You won't dare to shoot me!" Storm said confidently.'

'He is just waiting for the right time to attack Jan.'

'He felt like someone has clutched his heart.'

'He doesn't know for how long will she treat him like this.'

'Tim is confused about what to do just to fix this problem between him and Kira.'

'Tim sighs as he looked at Kira who is now walking to the exit.'
