'Y/N : "What???"

'Jungkook made a confused look.'

'Jungkook : "What

What....Ohhhh you have such a dirty mind"

'Y/N : "Nooo I didn't think anything like that"

'Jungkook : "So how do you know what I mean"

'Y/N : "Huh! I am going"

'He Laughed.'

'Jungkook : "Cute.....I mean just help me to go to Bathroom."

'Y/N : "Ohkkk"

'I helped to go to Bathroom and then went to Kitchen to make breakfast.'

'\*After 30min\*'

'I made Pancakes and Sandwich. Then Jungkook came As I turned around I saw him just covering him his lower part with a towel. I just looked at him for some seconds and Holy Shit!! he was looking very hot with his toned abs and muscles. But i then started doing my work so that I don't look like a fool or stalker again.'

'Y/N : "How can you walk? earlier you were not even able to move your feet"'

'Jungkook : "I feel better now

I can walk a bit. But aren't you going to cover your eyes or something"'

'Y/N : "Seriously do you think it's a Drama or something that I would cover my eyes saying 'oh my god!! wear your clothes' and then....."'

'Jungkook : "And then what?"'

'Y/N : "Then nothing"'

'I was setting the plates when I felt Jungkook's hot breath on my neck and he whispered in my ear.'

'Jungkook : "Then??"'

'My heart was beating like a drum it felt like even he could hear it.'

'He suddenly held my hand and pulled me which made me face him.'

'Now my one hand was on his chest and I was able to feel his heart beat it was fast to.'

'We were so close and then he leaned in and again whispered in my ear.'

'Jungkook : "Let me show you

then what"'

'Then a thought strikes my mind

I remembered something similar with Taehyung it was when we had our first kiss.'

'I didn't even realised that I started to cry.'

'Jungkook : "Hey! I am sorry I didn't wanted to make you feel uncomfortable

it was just a joke"

'He started panicking.'

'I moved away from him and ran towards my room and locked it from inside. I don't know why Taehyung came to my mind suddenly. I rushed to Bathroom and turned the shower on and cried. It was first time that I cried for him after so long

maybe coz that situation made me think of him.'

'~Jungkook POV~'

'Oh god I guess I should not have done that but I just can't control myself around her. She's is just too cute and perfect. Suddenly my phone started buzzing.'

'Jungkook : "What?"'

'?? : "Sir there is a problem"'

'~Y/N's POV~'

'I came out of shower and wear clothes. As I came out of my room I saw that the breakfast was as it was earlier not even touched. I didn't see Jungkook there.'

'Y/N : "Jungkook?"'

'His clothes were not there. I moved towards the dining table. I found a note under the plate it said'

'~Sorry to leave like that but have to go. Thanks for everything and Sorry if I hurt you.'

'Jungkook~'

'Was I too rude? Ohhh!! I must have told him that didn't cried coz of him but Taehyung.'

'\*TIME SKIP\*'

'~After 4 days~'

'I reached at university.'

'Dahyun : "Hey!! did you see Jungkook? He didn't come today too"'

'Y/N : "No I didn't."'

'Dahyun : "I don't know what happened to him. Well let's just go"'

'Suddenly I heard students specially girls screaming.'

'Girl : "Oh god!! who is he? He is soooo hot"'

'Girls were going crazy.'

'As we turned around I saw Jungkook. He was looking really handsome with a grey hoddie and black jeans.'

'Dahyun : "Oh God!! This is Jungkook right?"'

'Y/N : "Yes"'

'He looked fine but how did he healed so fast.'

'Dahyun : "Hey!! Jungkook"'

'Jungkook looked at us and ignored.'

'Dahyun : "What?? did he just ignored us? Oh now is all famous. He don't need us"'
