"Promise me that you will never leave me like Taehyung did and will always be there for me coz it hurts

it hurts when someone leaves you without giving a proper explanation. It feels like you are no one

you don't exist for them."

'I don't know why but I can feel everything that she said.'

'Jungkook : "I promise you I'll always be with you"'

'She sat on the ground on grass.'

'Y/N : "Sit here"'

'She said while patting near her.'

'I did as she said. As I sat there she laid her head on my shoulder which made my heart flutter.'
