

FORBIDDEN LOVE IS SWEETEST. - 4 ALL IS WELL

'~Y/N's POV~'

'Dahyun : "Hey I thought you said you will be fine"'

'Y/N : "I know but I don't know

its very complicated. I also thought I would be fine but when I saw him with someone else... happy

I felt a very strong pain in my heart that I just can't explain."

'Dahyun : "But you can't do anything so I guess you should just move on too. Forget him he is not made for you."'

'Y/N : "I know I can't do anything and that's what hurts me. But you know you are right I guess we were not meant to be together. Let's go to our next class

I don't want to talk about this more."

'Dahyun nodded.'

'The day ended like that I tried my best to not think about Taehyung and I didn't see him all day .'

'I reached at home and straight away went to take shower. I decided to play some music while showering just to relax that's what I do whenever I feel sad or emotional. For me Music is the Best Medicine.'

'After that I did some studying and then at 5:00 pm went to my part time job as I don't want my parents to take pressure of my expenses

they already have so many things to take care of they pay my fees

my grandma's medical expenses and other stuff. They went to Daegu as my grandma lives alone there. Its been 2 years since they went there and my parents works in our farm there.'

'I was getting ready and went to the place where I work its a supermarket. I work there as a cashier for 6:00pm to 10:00pm that's the only perfect time for me.'

'I took the bus and reached there.'

'Namjoon : "Hey! Y/N you don't look in a good mood today"'

'Namjoon oppa is my co worker there and trust me he is really understanding

dependable

smart

good advisor and the purest and best human being I have ever met. I can share anything with him like anything.'

'Y/N : "Oppaaaaa I met Taehyung today"'

'Namjoon : "Ohhhh that's why you are upset well I knew that would happen then..."

'I told him everything.'

'Namjoon : "You know some people are meant to come in your life just to make you more stronger

tougher life is not always a bed of roses there are thorns too. So just think that he came in your life to give you an experience otherwise your life will be boring as hell."

'Talking to him makes me feel comfortable and light.'

'Y/N : Smiling "That's right

you can never be wrong. Thank you I feel so much better now."

'The work went well and I went home after that by the last bus.'

'I came home

took shower and straight away went to sleep.'

'*NEXT MORNING*'

'I went to my class and Dahyun was already sitting there waiting for me.'

'Dahyun : "Hey!! How are you now?"'

'Y/N : "I am all good but why you alone?"'

'Dahyun : "Why should I be with someone?"'

'Y/N : "I mean where is Jungkook?"'

'She shrugged.'

'Then suddenly someone sat beside me and as I turned around I thought it is Jungkook.'

'Y/N : "Jungkook I was just.....You? What are you doing here?"'
