'~Y/N POV~'

'As he slapped me someone came there. I was not able to see his face as everyone was wearing Masks. He was wearing black suit. Why do he looks familiar?'

'Old man : "Mr.Jeon? why did you come here?"'

'That Mr.Jeon just came to there and clapped 2 times. Suddenly that old man's men held him and released me. What the hell was happening?'

'Mr.Jeon then came to me

held my hand and dragged me outside.'

'Y/N : "Hey!! Leave me! just leave me! I said le....."'

'Mr.Jeon : "Shhhhhh.."'

'He put his finger on my lips.'

'As we reached outside it was very cold

I was nearly shivering. Mr.Jeon removed his coat and gave it to me.'

'Y/N : "No need....."'

'He then just covered me with his coat. Weird why is he helping me?'

'Y/N : "Thanks. But why are you helping me?"'

'Mr.Jeon : "Who said I am helping you just think that I bought you from him"'

'Y/N : "Hey!! I have heard your voice earlier but I can't recall. I am definitely sure I know you"'

'I was going to remove his mask but he held my hand.'

'Mr.Jeon : "Don't try to be over smart. Okay right now the best thing for you is not to know me"'

'When we were talking I noticed behind Mr.Jeon

a man was standing behind him pointing the gun towards him. I got close to Mr.Jeon which made him surprised

I hugged him and said in his ear.'

'Y/N : "See don't think I am a slut or something but there is someone standing behind you and is pointing the gun in this direction"'

'As I said it he immediately pulled out his gun and turned around pointing it towards that person. That person then came closer.'

'?? : "Oops!! I got caught"'

'Mr.Jeon : "Jimin you bastard"'

'What hell is going on? Who the hell are they? and why do they have guns with them?'

'Jimin : "Oh!! So you are here with a pretty girl huh? Hello

Miss..."

'He was walking towards me but then Mr.Jeon pulled me and hide me behind him.'

'Jimin : "Hey! Chill I am not gonna steal your girl okay. You know me I don't like stealing things but I would rather win them."

'Mr.Jeon : "Oh shut the fuck up. Tell me what do you want?"

'Jimin : "I was here to kill you but you got lucky Mr.Jeon Jungkook"'

'Jungkook?? I looked at him and he looked at me too.'

'Y/N : "Jungkook??"'

'Then I pulled his masks off.'

"Oh My God
