

Foolish Son 211-212

Chapter 211

? Province,? City.

Inside the Shangguan family villa.

Outside the main hall, a young figure walked in.

“Master.”

“Little An, how is the investigation of the matter you were asked to investigate?” Shangguan Jinyun asked.

“Master, it’s all been checked out, that person is the newly emerged Lord of the Dragon Palace in the south recently, the Dragon King.”

“The one who is being chased by the Hell’s Angels?” A look of shock appeared on Shangguan Jinyun’s face.

“That’s right, it’s him, the Hells Angels have already had three gold medal killers die under him. Rumour has it that he also seems to have a military background.” Having said that to this point, Xiao An said seriously, “Master. This guy is not simple, I heard that he is quite vindictive, he even scrapped his own brother, he is a ruthless person.”

“What about his strength?”

“Not quite sure. Since he easily defeated Uncle Fu, he should not be weak, I’m afraid he may not necessarily be below your lordship.”

Shangguan Jinyun’s face showed a gloomy look, not expecting at all that his daughter would cause such a big trouble and invite such a strong opponent.

“Master, the video of Miss and Uncle Fu is going crazy outside, and from the video, it looks bad for us.”

The video was watched by Shangguan Jinyun too. It was his own daughter who was arrogant and wei ribbed the other party in front of him, and the other party had not done too much.

However, if we don’t take revenge, it would be too bad for the reputation of our own Shangguan family.

“I’ll think about it, you go out!”

“Yes, Master.”

Just as his handlers went out, a figure rushed in, it was none other than Shangguan Qiushuang.

As soon as Shangguan Qiushuang walked into the hall, she ran up to her father and whimpered loudly.

Her forehead was bandaged and she looked very ugly, and she was kowtowing to beg for mercy.

“Dad, if you don’t help me take revenge, the Shangguan family’s face will be disgraced, how can our family go out to see others in the future?”

Shangguan Qiushan whimpered and cried out, her appearance indescribably pitiful.

“Baby daughter, get up, dad will definitely help you take revenge.”

Shangguan Jinyun hurriedly helped his daughter up.

“Dad, he is in Huaijiang, when are you going to help me take revenge?”

“This matter needs to be considered in the long run, that guy is not simple.”

“Dad, are even you afraid of him?” Shangguan Qiushan said sharply.

“Dad is not afraid of him. Rather, we have to prepare

“I don’t care, you must help me, if you don’t, I won’t live.”

Shangguan Qiu-shan cried and ran out.

“Qiushuang, Qiushuang

Shangguan Jinyun hurriedly shouted, but where else was her daughter’s figure

.....

After returning to Huaijiang, Ye Xing immediately started to refine the elixir using the valuable Chinese herbs he got from Han Siqian.

After a day of refining, he finally produced six blackish pills.

These pills emitted a very strong medicinal smell and actually smelled aromatic.

Ye Xing took the first elixir and then waited quietly for a few moments later. A wave of heat came from his abdomen, and in a few moments it spread to the four meridians, indescribably comfortable, and it looked like his strength had grown a little stronger.

For the next few days, Ye Xing took this elixir, refining all of them.

He clearly felt that his internal qi was much stronger than before.

However, this was not enough.

Murong Xue’s birth mother Shangguan Lan had said that sooner or later she would come back and take Murong Xue away, if he was not strong enough, Murong Xue would be taken away sooner or later, he had to be strong within the shortest possible time.

In the evening, Ye Xing had just returned to his hotel room. He found the room door open.

Inside, a familiar figure sat on the sofa.

The person who came was a woman with short haircut, and was clearly the Shangguan family’s young lady, Shangguan Qiushuang.

After having her hair cut off by Ye Xing, she had kept her hair short, looking not quite the same as before.

Murong Xue was not inside.

“Shangguan Qiushan, where is my wife?” Ye Xing’s face instantly changed.

“I took her away.”

“You seek death.”

Ye Xing’s body gave a whoosh. Already rushing to Shangguan Qiushuang’s side, he stuck one hand around her neck and said coldly, “I warned you, if you dare to hit me again, I will make you die a horrible death, have you forgotten?”

Being stuck to the point where she couldn’t even breathe properly, Shangguan Qiushuang’s face smiled fiercely instead of being afraid.

“What you do to me, my men will do to your wife, are you sure you don’t want to put me down for a proper talk?” Shangguan Qiushan said with a red face.

Ye Xing pushed her hard, pushing her down on the sofa and said angrily, “You have something to do with me. If you dare to touch a single cold hair on her, I will make you die a horrible death, and your Shangguan family, I will make your whole family buried with you.”

“Do you believe it or not. I’ll have someone wheel your wife around?”

“You dare?”

“You see if I dare?”

Shangguan Qiushan returned home and sought her father’s help to take revenge, but she didn’t know that after her father learned the identity of the other party, he didn’t move for a few days.

In anger, Shangguan Qiushan. Alone, she ran to Huaijiang.

She knew that she was not a match for Ye Xing, so she thought of a way to force her father’s hand.

“Cut the crap, what do you want?” Ye Xing asked.

Shangguan Qiushan smiled coldly, a hateful gaze on her face.

In the next stroke, she suddenly took off her outer clothes, revealing a body wearing only her underwear.

Messing up her hair and shredding the clothes she had taken off, she suddenly screamed out.

“Rape, someone’s raping, help!”

She screamed as she ran out.

This woman couldn’t be psychotic, could she?

Murong Xue was still missing, so naturally Ye Xing could not let her escape and hurriedly chased after her, trying to catch her.

“Help, who will save me!”

Shangguan Qiushan screamed miserably. That look was as if Ye Xing was really a rapist.

Soon, the doors of the various rooms pushed out and some of the residents came out of the doorway, each pointing.

Some guests ran out and tried to heroically save the beauty, but they were quickly knocked to the ground by Ye Xing.

“Ye Xing, what’s going on?”

A familiar voice came out. Murong Xue suddenly appeared.

“Xue’er, where have you been, are you alright?” Ye Xing hurriedly went forward and asked.

“I went downstairs to buy some things.”

Murong Xue looked at Shangguan Qiushuang who was squatting on the ground, clothed, and asked strangely, “What’s going on?”

“This psycho stripped herself and said that I raped her, and didn’t even look at what kind of goods she was.” Ye Xing coldly snorted.

For Ye Xing’s words, Murong Xue was convinced, and said at once, “Leave her alone, let’s go back to our room!”

The two of them went back to their room, outside they could still hear Shangguan Qiushuang’s heartbreaking cries, that look, it was a waste not to become an actress.

Murong Xue stayed inside, a little uneasy, said, “Ye Xing, which drama do you think Shangguan Qiushan is making here?”

“What other drama could it be, it must be that Shangguan Jinyun doesn’t dare to make a move against me and she’s adding fuel to the fire.” Ye Xing quickly figured it out.

For the sake of revenge, she didn’t even want her reputation, this woman was really not ordinary ruthless!

Chapter 212

“What do we do?” Murong Xue head asked.

“Don’t bother with her, he can make a scene if he likes, she is the one who loses her reputation anyway.”

Even if Shangguan Jinyun came, he was not afraid in the slightest, after taking a batch of pills, his strength had increased a lot more.

Although Shangguan Jinyun was not weak and had a good reputation in the north, she was definitely not the top kind, and he really didn’t care about it.

After a few moments of fuss outside, the sound died down.

A few moments later, Ye Xing's phone rang, it was an unfamiliar phone number.

"Ye Xing. You dare to humiliate my daughter, I will break you into pieces."

On the other side of the phone, a coarse and pale voice came out, extremely angry.

From the tone of voice, it sounded. It was obvious that the other party was the Shangguan Family's family head, Shangguan Jinyun.

There were quite a few people who knew Ye Xing's phone number, and it was not difficult for him to find his number.

"Shangguan Jinyun, you yourself know very well what kind of goods your daughter is, right?" Ye Xing snorted coldly and asked, "What did she tell you, that I had attempted rape. Or was it a successful rape?"

"Ye Xing, you want to duel with you." Shangguan Jinyun roared.

"If I really want to humiliate her, can she get away with it?"

"A father's fault for not raising a child, you are also responsible for giving birth to such a daughter."

"I'll take your duel, but before the duel, you'd better make it clear that you won't be used as a gun by your own daughter."

After saying that, Ye Xing hung up the phone straight away and stopped paying attention to him.

"Ye Xing, will it be alright?" Murong Xue asked.

"It's just a child's play, I'll take a shower first, you can give me a bite later." Ye Xing laughed.

"F*ck off."

Murong Xue's face instantly turned red and she couldn't help but curse out.

.....

In the next room, Shangguan Qiushuang was lying on the bed with a smug look on her face.

Just now, she called her father and ran out of Ye Xing's room with her clothes unkempt, many people saw it, plus when she called just now, some acting emperor general performance, she believed that her father, would definitely come over to settle the score with Ye Xing.

It was at this time that the video phone rang.

Shangguan Qiushan rubbed her eyes fiercely. Letting her eyes turn red, before she picked up.

"Dad, go to bed early, you have to come over tomorrow." Shangguan Qiushan said with a sobbing voice.

"Qiushuang, tell me the truth, did Ye Xing almost humiliate you?" Over the screen, Shangguan Jinyun asked seriously.

“Dad, I’ve become like this, and you still don’t believe me?” Shangguan Qiushan immediately whimpered, tears streaming down her face. “Just now outside, many people saw me in my dishevelled state, your daughter has lost all her face. Would I use my dignity to lie to you?”

“I just want to make sure, don’t you cry.” Shangguan Jinyun said hastily.

“Dad, I don’t even know if I can still get married in the future, what am I going to do!”

Shangguan Qiushuang cried out loudly, her tears and nose sobbing all over her face, that look made Shangguan Jinyun’s heart ache.

“Baby, don’t cry, lock the door, I’ll take the earliest flight tomorrow.”

After hanging up the phone, Shangguan Qiushan’s face immediately changed, revealing a cold smile.

“Son of a b*tch. When my father comes over, he will definitely teach you to behave.”

That night, Shangguan Qiu-shan had a beautiful dream in which she dreamed that guy was kneeling in front of her, like a dog.

The next day at noon, Shangguan Qiushuang was hungry and went down to the hotel to eat.

She caught a glimpse of it. Ye Xing was in the hotel lobby with Murong Xue, and the two of them were eating and chatting, so she walked over at once.

“Surnamed Ye, eat more, don’t lose the chance to eat if you want to by then.”

Shangguan Qiushan said coldly as she pressed her hands on the table.

“Get lost!”

Ye Xing only spat out this one word from his mouth.

“Is this place owned by your family, why should I be told to get lost, I’m standing here, you have the guts to kill me, huh?”

Shangguan Qiushan simply stood in place and didn’t walk away, just facing him like this.

Ye Xing’s eyes mimicked up.

Murong Xue shook her head at him, signalling to leave her alone.

The Shangguan family had a very powerful position in the north. If it could be resolved peacefully, Murong Xue still wanted it to be resolved peacefully.

In case Ye Xing really hurt Shangguan Qiushuang, then it would be a complete break with the Shangguan family.

Ye Xing suddenly chucked a chicken bone and threw it to the ground. He said, “Here, eat the bone.”

He was treating Shangguan Qiushuang like a dog.

“Surnamed Ye, you wait, my father will be here soon. You’ll be dead by then.”

Shangguan Qiushuang had no face to stay on and left in a huff.

Eating at someone else was indeed like a dog.

It was at this time that a familiar figure walked over.

From afar, I could see a pair of long, healthy and slender legs, walking with wind and thunder, who else had this walking posture but Luo Xiaoyun!

“Xiao Yun, this way.” Murong Xue shouted from afar.

Luo Xiaoyun walked towards this side and sat down beside Murong Xue.

Ye Xing looked at Luo Xiaoyun, today she was wearing a body-idle sweatshirt, which still couldn't cover her plump body completely.

What a devilish figure!

Ye Xing couldn't help but compare her with Qiang Wei, and in the end, the conclusion was that each had its own merits.

Qiang Wei was bigger, but Luo Xiaoyun was a bit more sturdy.

“Where are your eyes looking?” Luo Xiaoyun gave him a blank look and said to Murong Xue, “Xiaoxue. He's glancing at my boobs.”

Ye Xing almost didn't spurt out a mouthful of blood, this girl was too direct in her words!

“Ye Xing.” Murong Xue said angrily.

“Nonsense, I just looked up at her, it would be rude if I didn't look at her.” Ye Xing's face instantly darkened and said angrily, “Luo Xiaoyun, if you slander me again, we won't even have to be friends with each other.”

“Who cares to be friends with a rapist like you.” Luo Xiaoyun snorted coldly.

“Say it clearly. Who is a rapist now, things can be said nonsense, words cannot be said nonsense.” Ye Xing hurriedly said.

“Xiao Yun, it's all a rumour. That woman has a grudge against Ye Xing and deliberately set him up.” Murong Xue hurriedly explained.

“Not now, it will be hard to guarantee in the future, Xue'er, be careful in your situation!”

Her words were no different from speaking to Murong Xue's sore point, which was exactly what she was having the hardest time with.

Ye Xing was a good man and would not go out and mess around.

What if she couldn't be cured in a year, two years, three years?

“You die if you don't talk nonsense?” Ye Xing stepped on Luo Xiaoyun's foot under the table and said angrily, “If you talk nonsense again, I'll get you killed.”

“Don't lift your shoulders as soon as you meet, Xiao Yun, hurry up and eat!”

Murong Xue helped her take a bowl and washed it up with tea.

“Xue’er, she has hands and feet, she won’t wash herself, you eat your food, don’t mind her.”

Ye Xing had just finished speaking when he noticed that his foot had been stepped on and Luo Xiaoyun gave him a fierce glare.

He was about to step back on it, but thought better of it.

Women, you will always lose when you carry on with them.

The next moment, his foot was stepped on again.

Ye Xing simply retracted his foot and did not extend it to see if her foot could still be so long.

A slap on the wrist doesn’t ring a bell, and without a response, Luo Xiaoyun was tasteless.

Chapter 213

A dozen metres away.

Shangguan Qiushan sat in front of a table, looking at the three Ye Xing in the distance, her heart filled with hate and jealousy.

Murong Xue did not say that her looks far surpassed her; even the woman who had just arrived was much better than her.

Among the two women, Murong Xue was like a snow lotus on the iceberg, with a noble aura emanating from her body; Luo Xiaoyun had a hot body, with a front and a back, a front and a back, a perfect figure that she would like even if she was a man.

What made her most jealous was this. Ye Xing’s attitude towards both women was so good that even talking back had a sense of fun in it.

On the contrary, when Ye Xing saw her, it was as if he didn’t want to see her.

Having been spoiled since childhood. Used to being surrounded, when had she ever been treated so coldly, and the more she thought about it, the angrier she became.

At that moment, an old man dressed in a Tang suit appeared in the hall.

The old man was followed by two attendants with extraordinary auras.

“Dad, this way.” Shangguan Qiushuang shouted.

Shangguan Jinyun’s gaze fell on his daughter and walked over towards her.

“Dad, you’re finally here. That guy is over there.” Shangguan Qiu-shan said as she pointed to the distance.

“I saw it, eat first.”

Shangguan Jinyun sat down, and his two men left sensibly and stood by the wall.

All around, eyes looked over, in speculation about Shangguan Jinyun’s identity.

In the eyes of ordinary people, people with bodyguards were still extremely rare.

“Dad, you must take revenge for me!” Shangguan Qiushan said urgently.

“Dad has just arrived and is a bit tired, let’s have a bite to eat first.”

Shangguan Jinyun called for the waiter and served a bowl of rice, not even eating the meat. After eating, he put down the bowl and walked towards Ye Xing.

Shangguan Qiushan was like finding her main backbone, even walking differently.

In a few moments, the two walked to Ye Xing’s side.

“Ye Xing, you scrapped my housekeeper and humiliated my daughter, how do you want to settle this score?” Shangguan Jinyun said coldly.

“I admit the matter of scrapping your housekeeper, but I won’t take the blame for humiliating your daughter.” Ye Xing put down his chopsticks and said back.

“The evidence is all there, you still want to slyly argue.” Shangguan Qiushan coldly snorted.

“Shangguan Jinyun, take a look at the two young ladies beside me.” Ye Xing pointed at Murong Xue and Luo Xiaoyun. He said proudly, “Which one of them is not better than your daughter, which one is weaker than your daughter in terms of skin and figure?”

Shangguan Jinyun looked at her two daughters, indeed they were better than her daughter’s posture.

“With my current status, what kind of women do I want, to humiliate such a flying field, am I blind?”

“Ye Xing, who are you calling a flying field?” Shangguan Qiushan was so angry that her lungs were about to burst.

“So what if I just scold you, next time before you slander someone, look at the target first, the 50 or 60 year old man you slandered, maybe there are still people who believe it.”

“Ye Xing. You are unbridled.” Shangguan Jinyun roared.

Not to mention whether he had tried to violate his daughter, just the fact that he had spoken out and humiliated her daughter in front of so many people was unacceptable to him.

“Want to fight, right, you set the time and place, let me know when it’s set.”

Ye Xing finished and waved his hand, just like shooing away flies.

Shangguan Jinyun’s fists clenched up tightly.

The next moment, he suddenly slapped out his palm!

Bang!

There was a loud sound, and the table in front of him was directly collapsed by this slap of his.

Ye Xing grabbed the two women with one left and one right, and retreated. Dodging the astral wind.

The diners inside the hotel, seeing the conflict here, retreated and watched from afar.

“Xiao Yun, help me watch Xue’er.”

Ye Xing said, before taking a few steps forward and coming face to face with Shangguan Jinyun.

The two men locked gazes, killing each other.

Shangguan Jinyun let out a loud roar, and astral wind shot out from his body. His clothes bulged up and moved without wind.

The aura of the Inner Strength realm spread out in an instant, and the air around him seemed to flow faster.

Shangguan Jinyun threw a punch with a faint sound of breaking wind.

“Slow down.” Ye Xing let out a loud roar.

Shangguan Jinyun stopped at once.

“Shangguan Jinyun, how do you fight, a life and death fight, or a sparring match?” Ye Xing asked after stopping him.

“If you lose, kneel down and apologize to my daughter and break your own arm, if I lose, I’ll just let you do whatever you want.” Shangguan Jinyun drank.

“It’s a deal.”

Shangguan Jinyun’s body was half crouched on the ground. His horse stance was as steady as if he was rooted to the ground.

From this look, one could tell that he had practiced martial arts since childhood and his basic skills were solid.

The next moment. With a loud shout, he took a large step forward and blasted out with a fist.

Cannon Fist!

A very simple fist, but very terrifying in its power!

Especially under the augmentation of inner strength. It was even more powerful.

Shangguan Jinyun was full of confidence, he had been practising martial arts for forty years and had long since entered the Inner Strength realm, and was a renowned martial arts master in the Northwest. He did not believe that he would not be able to beat a guy who had just become famous less than a year ago and was only in his early twenties.

Facing his opponent’s cannon fist, not only did Ye Xing not dodge it, he also threw a punch.

The two fists collided with each other with a dull sound, and both of them withdrew five or six steps at the same time.

“Shangguan Jinyun, you have lost.” Ye Xing said indifferently.

After the test just now, the two of them had similar internal energy, and in terms of fighting experience and killing skills, Ye Xing, who had been reborn more than a thousand times, did not know how many times stronger than his opponent.

The most important point. Fist fears the young and strong, Shangguan Jinyun was already in his fifties, how could his breath be his twenty-something opponent.

“The fight hasn’t even started yet, where did you get the confidence to be arrogant.”

Shangguan Jinyun’s mouth let out a trumpet like a tiger’s roar and dragon’s cry as his entire body charged forward, his palms changing into countless forms.

Fist, palm. Grasping, pointing, all kinds of martial art forms were displayed from his hands, attacking Ye Xing fiercely.

Ye Xing took a step back, coping with it lightly.

“Good!”

Shangguan Qiushan could not help but applaud.

Some of the surrounding spectators could not help but applaud as well, and some of them even took out their mobile phones and recorded the video.

It was too bad that such a wonderful fight was not filmed.

Ye Xing retreated a dozen steps, and finally backed up to the wall, unable to retreat.

The next moment, a cold smile appeared at the corner of his mouth!

“Running out of air, right!”

Bang!

He threw a fist out and collided with Shangguan Jinyun’s palm!

Shangguan Jinyun only felt a strong force coming from him and stomped, withdrawing seven or eight steps on one side.

His face changed slightly, he did not expect his opponent, who was so young, to throw such a dominating punch.

Little did he know that Ye Xing had taken a batch of pills and his inner strength had risen greatly at the moment, he was no longer the same strength as before when he confronted Uncle Fu!

Without giving the opponent time to react, Ye Xing’s fists struck out like rain!

Bang, bang, bang, bang!

Numerous fists landed on Shangguan Jinyun’s arms that were defending against the grid.

Peng!

Ye Xing kicked out, directly on Shangguan Jinyun’s chest, sending him flying.

Like a defeated grass, he knocked over three tables in a row before Shangguan Jinyun stopped and a mouthful of blood spurted out with a wow.

“Dad, are you alright?”

Shangguan Qiushan rushed over and helped him up, saying urgently, “Get up and knock him down.”

Shangguan Jinyun stood up, took a deep breath and took a fighting stance, his gaze locked on Ye Xing.

The blood at the corner of his mouth, dripping down a little, he didn’t even care.

Chapter 214

“Shangguan Jinyun, stop now and I can let you go, keep doing it and it won’t be as simple as getting hurt.” Ye Xing said coldly.

Shangguan Jinyun’s eyes flickered and he began to hesitate.

He knew that if he continued to fight, there was only one way to die.

“Dad, hit him, I’m sure you’ll be able to beat him.” Shangguan Qiushan encouraged.

Huo!

Shangguan Jinyun slid forward, his feet stepped on the eight trigrams, his body was like a swimming dragon, like a snake killing towards Ye Xing.

Ye Xing dodged a few moves. Finding an opportunity, he threw a punch that landed on Shangguan Jinyun’s chest.

Shangguan Jinyun fell out again and fell to the ground. It took him a long time to get up.

After getting up, he once again assumed a fighting stance.

“Ye Xing, don’t fight.”

Murong Xue looked unbearable and spoke out to stop it.

“For the sake of Xue’er, I will spare you once more, this is the last time, if you strike again, don’t blame me for not being polite.” Ye Xing said angrily.

Shangguan Qiushuang stepped forward. Holding her father back, she said urgently, “Dad, can you still fight?”

“No problem, Dad doesn’t fall down that easily.”

Shangguan Jinyun bellowed and took up another fighting stance.

With luck on his chest, he was about to strike when the next moment he let out a mouthful of black blood with a wow.

Then, his body fell limply to the ground.

“Black blood, dark disease.”

Not good!

Ye Xing hurriedly went forward and helped Shangguan Jinyun take his pulse.

“No need for you to look, don’t pretend”

“Shut up, speak again and I’ll get you killed.” Ye Xing roared.

Shangguan Qiushuang didn’t dare to speak anymore and stood to the side, shivering.

Ye Xing glanced at the black blood on the ground, took a round of pulse, and looked at Shangguan Jinyun’s pupils.

“How is it?” Murong Xue asked urgently.

“He has a broken heart, I didn’t know he had a hidden illness, and that punch just now was too hard.” Ye Xing sighed.

“Ye Xing, what do you mean by that?” Shangguan Qiushan couldn’t believe her ears.

“He’s hopeless, are you satisfied!” Ye Xing snorted coldly!

“You bastard, killing my father, I’ll fight you.”

Shangguan Qiushuang Huo pulled out a greenish dagger from her body and stabbed towards Ye Xing.

Ye Xing’s face changed instantly. This woman was truly the most vicious woman he had ever encountered in his life.

He easily grabbed the other party’s dagger and prepared to completely waste this woman.

“Ye Xing, I beg you to let her live.”

Shangguan Jinyun opened her eyes and said in a dying voice.

Slap!

Ye Xing flew up and slapped Shangguan Qiushan directly to the ground, her face swollen.

“Knowing that your father has a hidden illness, you didn’t tell me and let him out, how cruel is your heart!”

“Now your father is hopeless, are you satisfied!”

“I’m telling you, he was killed by you.”

Ye Xing did not intend to kill Shangguan Jinyun, he was not afraid of the Shangguan family. Rather, it was because he felt that Shangguan Jinyun was bent on avenging his daughter, just a pitiful daughter slave, and there was no reason why he must be killed.

He felt quite guilty for having killed him by mistake.

“Ye Xing, aren’t you very good at healing, why didn’t you save him?” Murong Xue said urgently.

“What he hurt was his heart

“Ye Xing, I have something I want to say to you.” Shangguan Jinyun was breathless.

“You say, I may not be able to do it.”

The dying words should have been promised, but he did not know what the other party wanted to say, so he stated in advance.

“Qiushen mother died as a child I did not teach her well. I hope that if I die, she will come to her senses

“If she goes astray, I hope you spare a horse

Shangguan Jinyun gripped his hand tightly, and there was expectation in her gaze.

“I promise you, if she is still saved, I can let her go, but if she is not saved, I don’t mind giving her a ride.”

Shangguan Jinyun’s hand loosened. The body collapsed limply.

“Dad

Shangguan Qiushan screamed at the top of her lungs.

.....

Walking out of the hotel, the atmosphere was a little depressing.

“I should have known to kill this b*tch back in White Mountain.” Ye Xing couldn’t help but curse.

“Shangguan Jinyun has been wise all her life, it’s bad luck to have such a daughter.” Luo Xiaoyun said.

“In the end, it’s still a lack of upbringing, the character of a woman like this who has not been taught by her mother since she was a child is too lacking.” Murong Xue finished and asked, “By the way, what did Shangguan Jinyun say to you before he died?”

“He asked me to spare Shangguan Qiushuang’s life, and asked me to watch over her, saying that he would pull her along when she went astray.” Speaking of this, Ye Xing got angry again. Cursing, he said, “He even told to pull her along, I still wanted to give her a ride!”

“Ye Xing, be careful, before you leave. I saw her looking at you in a horrible way, she will definitely phase ways to find you for revenge.” Luo Xiaoyun reminded.

“I’m not even afraid of Shangguan Jinyun, how can I be afraid of a little b*tch like her? If Shangguan Jinyun hadn’t begged for mercy just now, I would have nullified her right there. If she has a next time. I will definitely waste her.” Ye Xing said.

Just then, the police car came with the ambulance.

“You guys go back first, I will handle this place, don’t take things to heart.” Luo Xiaoyun said.

“Thank you for your trouble, Little Yun Yun, it’s not in vain for us to treat you to dinner.” Ye Xing laughed.

“Molesting your wife’s bestie in front of her, Xue’er, don’t you care?” Luo Xiaoyun complained again.

“Xiaoyun, I’ll trouble you, we’ll go back first.”

On the way back, Murong Xue didn’t say much, very sullen.

“What’s on your mind?” Ye Xing asked.

“Shangguan Jin Yun is quite pitiful, to have such a daughter. When we have children in the future, we must educate them properly, we must never spoil them like Shangguan Qiushan.”

“That’s for sure, our children will definitely be well educated, to be amassed with such a good wife. Will the education be poor?” Ye Xing laughed.

“Even with the same room, how will the child be born.” When she thought about it, Murong Xue was stuffed up again.

“Wife, I’m not even in a hurry, so why are you in a hurry. Don’t worry, I will definitely cure you.” Ye Xing assured.

Back at home, Ye Xing made Murong lie on the bed and lifted her clothes. Pressing his palm on the small of her abdomen, he infused his internal qi into it and slowly checked it out.

As soon as the Yuan Qi was infused into her, Ye Xing immediately felt a cold hair bouncing out from the small of Murong Xue’s belly, resisting his internal Qi invasion.

In the past, Ye Xing would not have had the strength to resist at all if he had encountered resistance.

But now, after a period of time taking pills, he obviously felt that his internal qi was much stronger and already had the ability to fight against the cold qi.

He used his internal qi to wear down the cold qi deep in his belly, and because he was afraid of the danger to Murong Xue, he didn’t dare to hit hard, so he could only wear it down very slowly, little by little, which required a lot of will power for him.

After carrying Murong Xue for an hour, she fell asleep from exhaustion. Ye Xing continued to grind away since until he was a bit exhausted, then he fell into bed and fell into a deep sleep.

When Ye Xing woke up the next day, it was already past nine o’clock when he got up.

He was tired enough from last night.

Just after washing up, a WeChat sounded on his phone, it was from Su Xiaoqiao.

Chapter 215

Every time Su Xiaoqiao looked for him, she picked some time when Murong Xue was unlikely to be around him.

In the past, Ye Xing would have woken up at nine o’clock, and since he was too tired from treating Murong Xue last night, that’s why he got up so late today.

“What are you doing?” Su Xiaoqiao asked as she texted over.

Ye Xing didn't reply right away, but went downstairs and turned around to see if Murong Xue was there.

There was a note on the desktop downstairs: breakfast is warming up in the pot, there are some urgent matters at the company, I'll go back first.

The company must have had quite a few things going on for such a long day of business trip, Murong Xue had gone back to the company early in the morning to deal with it.

"Thinking of you!" Ye Xing sent a message over.

"I miss you too." Su Xiaoqiao returned.

"Are you filming a movie?"

"No scenes for me these days. So free... I miss you being around!"

A warm current welled up in Ye Xing's heart, even through the phone, he could feel Su Xiao Qiao's stream of missing.

Almost instantly. Ye Xing made an impulse to go see her right away.

"I'm not free recently, I'll go see you when I'm free."

After returning the message, Ye Xing immediately took out his phone and dialed out.

"Fatty Li, book a ticket for me to fly to Tianhai, the sooner the better."

After the phone was dialed, Ye Xing immediately said.

"Brother Xing. Don't worry, I'll get it done right away." Fat Li said excitedly.

"Don't let anyone know about this matter, do you understand?"

"Brother Xing, don't worry."

Since his introduction on the mao, Fat Li had been reappointed, and Ye Xing had placed the task of overseeing the twenty-odd companies under his name on his head.

What a powerful position this was; in ancient times, it was a minister of the Imperial Household. Fat Li obviously felt that since he had taken up this position, the general managers and bosses of the companies he had previously tried to work for were all treating him with great respect.

But he knew very well that his power was given to him by his boss, and as long as his boss was not happy, he would have nothing left.

After receiving the notice, Fat Li used all his conditions to investigate.

Five minutes later, Ye Xing's phone rang.

"Brother Xing, the company has a famous employee under the door to fly to Tianhai, it's the earliest shift, I can transfer it to your name, let's leave right away, we should be able to catch up."

"Come and pick me up at the entrance of the International Hotel."

"Okay!"

In less than ten minutes, Fat Li drove a car to the door.

“Brother Xing, get in!” Fat Li got out of the car. He pulled open the back door of the car.

Ye Xing gave Fat Li a look and thought that this guy was quite good at what he did.

Not to mention that he was able to book a flight within such a short time, since he had taken up his position, he had also made a good living and had not heard any complaints against him, and the Black Angels had a pretty high opinion of him.

“Fat Li, you sit in the back, I’ll drive.” Ye Xing said.

“Boss, let me do it, don’t worry, I can make it.” Fat Li laughed.

“I’ll do it.”

Ye Xing walked to the driver’s seat without saying anything.

Fat Li was helpless. He had to come to the back seat of the car.

After getting into the car, Ye Xing started the car and drove as fast as he could.

A three hour drive, Ye Xing arrived in two hard hours.

After getting the conversion ticket, Ye Xing immediately boarded the plane.

Two little time journey, after Ye Xing got off the plane, he opened his mobile phone and a series of two messages popped up, one was a missed call and one was a WeChat.

“Honey, where are you, why aren’t you answering your phone?” Murong Xue’s voice came through.

Ye Xing thought for a moment. He replied, “Just now I was cultivating and didn’t check my phone, now I’m in a meeting at the company.”

“Then, you get busy, I’ll take a nap first.”

How could Murong Xue have thought that in just a few hours, he would have arrived at Tianhai.

After hanging up the phone, Ye Xing immediately called a taxi and went straight to the flat where Yang Xiao Qiao lived.

When he went there. Ye Xing immediately dialed Yang Xiao Qiao’s phone number, and the sound of a phone call faintly came from inside the room.

“Young lady, come out and open the door.”

Su Xiao Qiao opened the door and looked at Ye Xing who had almost fallen from the sky and couldn’t believe her eyes.

“Surprised, excited, happy or not?”

Ye Xing propped one hand on the edge of the door and propped one hand on his ba, revealing his white teeth.

The next moment, Su Xiaoqiao’s entire body pounced over and hugged him.

With one movement, she completely ignited Ye Xing.

Ye Xing hugged her. As if his feet grew eyes, he kicked the door shut and kissed her while carrying her towards the room.

“No way. I can’t, you have to put me down.” Su Xiaoqiao was startled and hurriedly pushed him away.

Almost instantly, Ye Xing had a feeling of heavenly thunder

It was hard not to. She was having her period!

Oh my god!

Just as he was blindsided, the sound of footsteps came from inside the room.

“Xiao Qiao, who’s here?”

Xiao Di came out from inside the room, and the next moment, her mouth opened wide and she stood dumbfounded in her spot.

“Sorry, you guys go on, just pretend I don’t exist.” After reacting, he smiled badly.

Su Xiaoqiao’s face instantly turned red, like a red apple.

“Don’t put me down yet.” Su Xiao Qiao gave him a blank look.

Ye Xing rubbed his head awkwardly and only then did he remember that Su Xiao Qiao was still living with Xiao Di.

“Your old friend didn’t come, did he?” Ye Xing asked in a small voice.

Su Xiaoqiao blushed and shook her head.

What a great fortune in misfortune!

“A little thirsty, help me pour and make a cup of tea.” Ye Xing commanded.

Su Xiaoqiao nodded and went into the kitchen to make tea.

Ye Xing walked up to Xiao Di’s room and knocked gently.

A moment later, the door to the room opened.

“I’m listening to music. I can’t hear anything, so you can all pretend I don’t exist.” Xiao Di laughed.

Cough cough!

Ye Xing coughed lightly before he said, “Xiao Di, it’s such a nice day, it’s a waste not to go out shopping, I’ll pay for all your spending today.”

“Really?” Xiao Di’s eyes lit up and she said urgently, “Buy anything?”

“Of course, provided that you can advance it out first.” Ye Xing laughed.

“No problem. Give me a minute.”

Xiao Di made a ? gesture and immediately walked to the wardrobe to find a set of clothes and changed.

Ye Xing returned to the sofa, and Su Xiaoqiao had just made a cup of tea when Xiao Di came out from inside the room, carrying a backpack.

“Xiao Di, are you going out?” Su Xiaoqiao asked.

“I have some urgent business to attend to, I won’t be back tonight, you guys enjoy yourselves!”

Xiao Di grinned cheekily and put on her shoes and flew off as quickly as she could.

Su Xiao Qiao’s face instantly turned red, knowing that it must have been Ye Xing who had told her something.

As soon as the door closed, Ye Xing immediately picked Su Xiao Qiao up and made her sit on his lap as the two of them made out.

Bam!

The door was pushed open and Xiao Di said with an embarrassed look on her face, “Sorry, I forgot to take my phone, you guys continue.”

Covering her eyes, Xiao Di ran into the room and got her mobile phone, before she flew away.

The two of them looked at each other, crying and laughing.

Su Xiaoqiao slapped him and scolded him shyly, “It’s all your fault, how can I hold up my head in front of Xiao Di in the future.”

Chapter 216

“She doesn’t know how jealous she is of you and how she can’t hold her head up.”

Fearing that Xiao Di, a woman of great nerves, would suddenly drop something else, Ye Xing hurriedly walked over and unlocked the door before walking over to the sofa.

“Why are you suddenly here, does Xue’er know?” Su Xiaoqiao asked, a little worried.

“Why do you care so much, in one’s life, one has to do a few things that defy the odds.”

As soon as Ye Xing picked her up, he walked towards the room, now no one would disturb.

Soon, inside the room, there were sounds that could not be described.

For the whole afternoon. Both of them were glued together, enjoying the solitude they had long admired.

After Ye Xing pretended to be dead last time, Su Xiao Qiao almost fainted, if not for Cheng Yulin’s help. She wouldn’t even have had the strength to stand.

Later, she cried tears of joy when she knew that Ye Xing did not want to die, but there was only the pain of longing in her heart and she had not been able to see him.

Even though she had unrequited feelings in her heart, she could only suppress them in her heart, because she felt that she was not right in name.

This time was the first time the two met after Ye Xing's fake death.

How could Su Xiaoqiao not be happy. She felt that this moment was the happiest time for her.

As night fell, both of them were hungry, which was why they went out to eat together.

It was at this time that the phone rang, it was Murong Xue calling.

"Xue'er?" Su Xiaoqiao asked.

"It's nothing, let's go!"

Ye Xing didn't want to take Murong Xue's call in front of Su Xiao Qiao, although Su Xiao Qiao said she didn't care, she would definitely be a little lost in her heart.

Since he was going to accompany her in these two days, he naturally wanted to accompany her to have a good time.

The two of them found a hotel, booked a private room and took their time to enjoy the world of the two of them.

When it was time to eat, Murong Xue called and asked if he wanted to go to dinner together, but Ye Xing put it off by saying that he was busy with work and that he had to work overtime tonight and might not be able to return to the hotel.

Since he often did not return to the hotel and sometimes cultivated inside the villa and made pills, Murong Xue probably would not suspect.

"Ye Xing, a lot of young girls have disappeared from our place recently, causing a lot of panic, and the case has not been solved yet." Su Xiaoqiao said.

"The case of missing young girls, did it also appear in Tianhai?" Ye Xing's brow furrowed.

A few months ago, there was also a case of missing young girls in Huaijiang. It hadn't appeared again until after the priest and the clown were killed.

Ye Xing knew that the priest and the clown would definitely not be the mastermind, there was someone else who was the mastermind.

The people of the Dragon Group had been tracking down the mastermind behind the disappearance of the young girl, but they had never found it, only that the movements had become more hidden.

"On the outskirts of the Sea of Heaven, there are troops stationed right here, they dare to strike here, how bold they are." Ye Xing said.

"No wonder when I came out just now, I saw a lot more plainclothes on the street." Speaking of this. Ye Xing got serious and said, "Xiao Qiao, you should be more careful when you go in and out in the future, don't go out at night."

"Don't worry, our neighborhood is still quite safe."

At this moment, Su Xiao Qiao's phone rang.

"It's Cheng Yulin, do you want her to join us for dinner?" Su Xiaoqiao asked.

"Don't, I don't want others to disturb us." Ye Xing said.

There was another more important reason was that Cheng Yulin was a big star, every place she went, she would get attention, in case someone secretly filmed herself. When the time came to go back, he didn't know how to explain to Murong Xue.

"Xiao Qiao, where are you now?" Cheng Yulin asked as soon as the call was connected.

"Having dinner, what's the matter?"

"Han Li from our drama group, do you remember?"

"Is that the girl who's still at art school? I remember, quite a lively little girl."

"She's gone missing. The director is still discussing whether to mess with the role today. Rumour has it that a girl in her class is missing with her. You must be careful, don't go out in the middle of the night, it's very messy out there now." Cheng Yulin admonished.

"I know, Ye Xing also admonished me." Su Xiaoqiao nodded.

"How did Ye Xing know that he had come to Tianhai?" Cheng Yulin asked keenly.

Su Xiaoqiao glanced at Ye Xing and for a moment did not know how to answer.

Ye Xing secretly sighed, Su Xiao Qiao is just too simple, she can't even lie, how can she mix in the entertainment industry!

"Yes, I just arrived, I'm eating out with Xiao Qiao, do you want to come over?" Ye Xing interjected.

"Where are you guys, I'll be right over."

Su Xiao Qiao reported a location. Cheng Yulin then hurriedly hung up the phone.

Half an hour later, a girl with a hat on her head and a mask on her face walked into the box, who was it if not Cheng Yulin.

After entering. She took off her hat and the mask, revealing her face.

She tossed her long, waterfall-like hair, even though Ye Xing had seen countless beautiful women. He was still stunned by this movement of her hair ruffling.

"Coming to Tianhai without telling me, don't you treat me as a friend anymore?" Cheng Yulin glanced at Ye Xing and laughed.

"Didn't I just arrive here, I must have been looking for you, and I didn't expect you to call." Ye Xing explained.

"Yu Lin, have you eaten yet?" Su Xiaoqiao asked.

"I ate half a bite at home and ran over here." Cheng Yulin made a face and laughed, "I'm still happy to eat outside with my friends, it's too boring to eat at home, my father would lecture me at the dinner table every time, every time I eat, I'm always tortured."

"A strict father produces a tall daughter, it's also your father's fault that you're where you are today." Su Xiaoqiao said.

"It's also thanks to Ye Xing, as soon as he heard that I was coming out to have dinner with you guys, he immediately agreed to go out with someone else instead. I would have had to explain a lot."

"Your dad is too strict too, you're an adult." Ye Xing laughed.

"It's not a matter of being strict or not, he didn't restrict me from going out before, he knows that I do things in moderation, it's just that Tianhai has been too chaotic lately, Xiao Qiao told you about it, right?" Speaking of this, Cheng Yulin's face turned serious.

"Told him." Su Xiaoqiao looked at Ye Xing and said, "Ye Xing, if you are free. Can you stay for a few days to solve this case?"

"Yes, if you solve this case, it will be safer for Xiao Qiao to stay over here in the future." Cheng Yulin also said.

The two women were very confident in Ye Xing's ability, as long as he made a move, the chances were high.

"I heard Xiao Qiao say that there was originally a case of a missing young girl over there too, and you not only solved the case, but also established a base that belongs to you in Huaijiang, with no external forces dripping in. Ye Xing, I'm sorry to trouble you." Cheng Yulin continued.

"I just promise you guys, look at your looks, making it sound like I'm not very nice to talk to."

"It's not that you're not nice to talk to, it's because I'm afraid you're a strict wife." Cheng Yulin laughed.

"I'll go out and make a phone call."

Ye Xing walked out and dialed a phone number that belonged to none other than the leader of the Dragon Group, Bei Ye.

In a moment, the call was answered, and a thick and pale voice came from the other side.

"Ye Xing, looking for me for something?" Bei Ye asked.

"Chief, what is going on in Tianhai?" Ye Xing asked straight to the point.

Chapter 217

"Are you in Tenkai?" Kitano asked.

"Came over to visit a friend."

"Just in time, you can help with the case over there, I'm not in Tianhai, Fang Fang is over there, I'll ask her to contact you."

Kitano didn't seem too convenient and hung up the phone in a hurry.

A few moments later, Ye Xing's phone rang, it was an unfamiliar number.

"It's me, what's your current location?" Beifang asked.

"I'm not available today, I'll see you in the morning, what's your location?"

"City Bureau."

"OK, I'll come to you first thing in the morning."

After hanging up the phone. The two women were still chatting inside, whispering and looking at each other strangely.

Seeing Ye Xing come in, Cheng Yulin's gaze instantly fell on him. It looked like a smile, not a laugh.

"What's the conversation about, mysterious." Ye Xing asked strangely.

"Nothing, just chatting." Cheng Yulin laughed.

Ye Xing looked at Cheng Yulin and then Su Xiao Qiao, guessing that they must have said something, but they didn't say anything, so he didn't ask.

After finishing the meal, Cheng Yulin left. And Ye Xing and Su Xiao Qiao also went back home.

Xiao Di was really sensible and did not come back in the evening, enjoying the rare world of two people.

Before going to bed, someone added himself as a friend, and judging from his avatar, it was none other than Xiao Di.

This little ninny, it seems that she had come to settle a score.

I went through.

There was nothing to say, and a bill was sent over directly.

Seeing the bill, Ye Xing was speechless, on it was a spending of more than one million, this was simply a robbery.

Forget it, what you promise someone must be done.

Ye Xing immediately transferred the money over.

"Take care of your kidney body, small and long!" Xiao Di sent over the text, along with a bad expression.

Those who are in the entertainment industry are really open, and they don't avoid talking.

If it were any other woman, how could she have said such naked words to him.

Ye Xing sent a crying and laughing emoji over.

Early the next morning, Ye Xing said hello to Su Xiaoqiao and went to the city bureau.

When he got there, he called Bei Fang, and a moment later, a tall figure came out of it, thundering.

“We’re in the middle of a meeting, go in!” Beifang didn’t say a word. He was taken straight in.

When he entered the conference room of the Municipal Bureau, there were more than a dozen people meeting inside, and Ye Xing knew one of them, it was none other than Chen Jianguo, the first captain of the Municipal Bureau.

Last time when he came to Tianhai, when Ye Xing had a conflict with the Song family, Song Yuan had once sent Chen Jianguo to arrest him, as a result, Ye Xing directly asked Black Tiger to transfer the warrior from the army, and there was a little conflict between the two sides.

“Introduce, this is Chief Yang Qi, Deputy Chief Su An and Captain Chen Jianguo.” Just after entering, Bei Fang directly introduced them, then pointed to the rest of them, “These are the elites of the city bureau, and the members I brought over.”

“Ye Xing. Citizens cooperate, it’s been hard for you.” Yang Qi said politely.

Before coming, Bei Fang had briefly introduced Ye Xing, without explicitly saying so, only that he was someone his father had brought himself.

As the head of the municipal bureau, how could he not know him? A while ago, Ye Xing almost turned Tianhai upside down, and brought troops into the city, Song Yuan’s family was completely ruined and could never get up again, such a character. It was not simple.

“Chief is polite, it’s a citizen’s duty to cooperate with the police.” Ye Xing didn’t want to talk more nonsense and continued, “Don’t waste time, give me the qualification, I won’t stay in Tianhai for too long, I hope to solve the case within two or three days.”

The people around, their eyes were a little brilliant for a moment, but none dared to say anything.

The disappearance case had appeared for more than a month. There were also more than twenty missing young girls and the police were out in full force, only to find nothing, not even a hint of a clue. This guy actually said that the case would be solved within two or three days, that’s too arrogant!

Doesn’t he show that these people in the city bureau are wastes?

“The information is all here.” Bei Fang said, pointing to a stack of documents on the desktop.

Ye Xing picked up the information and said to Bei Fang, “Arrange a room for me, I’ll take a good look at the information.”

“Ye Xing, why don’t we discuss it together here?” Bei Fang said.

“From the moment a group of you discuss it here, you are not destined to solve this case.” Ye Xing said indifferently.

“What do you mean by that?” Yang Qi’s face turned serious.

“What do you mean Pin yourself, I only say one thing, the case of the missing young girl. I understand it better than you guys.”

Ye Xing finished speaking, held up a stack of information and walked straight out of the conference room.

“Head, who is this bastard. Such a drag?” A police officer couldn’t help but ask.

“If he can’t solve this case, let’s try to solve it, break it up!”

Bei Fang finished speaking and followed Ye Xing. Walking out of the office.

Here, no one knew better than Bei Fang how powerful Red Dragon was, on the surface, Red Dragon seemed to be comparable in strength to the current Dragon Soul Team Leader Tu Long, but only those who were familiar with him knew that his intelligence was the most terrifying, far above his strength.

A man who had been reborn over a thousand times would have a high IQ even if he was stupid.

“This office is for your sole use.” Bei Fang pushed open an office and said.

Ye Xing walked in, put the information on the desktop and said, “Order a takeaway for me at noon, don’t let anyone disturb me.”

“Okay, call me if you need it.”

Bei Fang nodded and went out to close the door behind him.

Throughout the day, Ye Xing stayed inside the office, bored in reading the case file.

Beifang came in a few times. Once to bring water, once to bring food, and once to ask if there was anything he needed to help.

Every time he went in, he was studying the case file, his serious look was, to be honest, quite handsome.

A man who is focused is most attractive.

It was until five o’clock in the afternoon. Only then did Ye Xing finish reading all the case files.

He promised Su Xiaoqiao and Cheng Yulin that he would solve this case, so naturally, the sooner the better.

As a person who pretended to be more important than his life, there was too much difference between solving the case in three days and solving it in a month!

In order to make the two beauties look shocked after hearing that he had solved the case, he had also worked hard.

If Bei Fang knew that he was working so hard to read the dossier just to act tough, he would probably vomit blood.

“How’s it going, finding some entry points yet?” Beifang asked as she happened to come in.

“Get me a car and fill it up with fuel, I need it for the next two days.”

“No problem. How are you going to find out?” Beifang continued to ask.

“Confidential.”

Ye Xing stood up and stretched, his stomach rumbled.

“I’m hungry, I’m going to eat.”

“I’ll go with you.”

“I want to accompany my girlfriend, you’re too bright a light bulb.” Ye Xing refused without hesitation.

Bei Fang’s face darkened, Ye Xing’s attitude made her very unhappy!

Let you pretend, when you can’t solve the case, let’s see how you will step down, she said to herself.

After he went out, Bei Fang arranged a special car for him, and Ye Xing drove it back to Su Xiao Qiao.

He took Su Xiaoqiao to dinner, and when the two of them went to the hotel, Cheng Yulin was already waiting.

“Sorry, I just couldn’t stand Dad’s lecture and ran over to have dinner with you guys, didn’t disturb you, right?” Cheng Yulin looked at Ye Xing and smiled.

Chapter 218

“No interruptions, we have plenty of time alone in the evening.” Ye Xing said.

After ordering food, the two women got straight to the point and asked him about the progress of the case.

“I just read the case file today, it’s not that fast. By the way Yu Lin, the young girl who went missing from your crew, is her name Han Li?”

“That’s right, that’s her, a third year student at the Art School.”

“She’s pretty, and an art school student, and she’s actually a virgin, that’s rare.”

“How do you know?” Cheng Yu Lin’s eyes widened.

“The kidnapppers specialise in capturing these young girls to use to practise their kung fu. Using the virgin’s yin energy to practice, not a virgin wouldn’t be caught.”

“Then wouldn’t I be in danger.” Cheng Yulin’s eyes were wide.

Ye Xing gave her a look and couldn’t help but laugh.

She was a virgin, the ghost believed it?

In a place like the entertainment industry. A woman like her, on fire like this, even if she had a background, it would be hard to be clean.

Even if she could be clean, she was twenty-five or twenty-six, at such an age, and she had to be pretty to have a boyfriend. Who would believe it?

“What do you mean by that smile?” Cheng Yulin couldn’t help but ask.

“Nothing, let’s eat, I still have something to do tonight!”

Cheng Yulin was a little bit careful of the stuffing, but didn’t say anything.

After eating, Ye Xing sent the two women back, before he drove his car, around the street.

Today he had read the information all day, all the young girls had disappeared in the middle of the night, and the kidnapppers specifically chose young girls who were left alone in the middle of the night to strike.

Unlike the priest clown who sent someone to do the job, the kidnapppers on the Tianhai side did not seem to have hired anyone and did it all by themselves, without using any of the cars. The targets were not identified and were all improvised.

Most of the missing girls were in the North District area, and the other side was more active on this side.

Driving the car and wandering around the streets of the North End, police officers could be seen stationed everywhere, and there were many plain clothes coming and going.

Many police cars were patrolling the streets and it was clear that the disappearances had put the police under a lot of pressure.

Tianhai was a big city with a very rich nightlife, and even at twelve o'clock at night, there were still many people coming and going, running around and working for a living.

Ye Xing parked his car at the roadside, directly in front of a large supermarket. There were very many people coming and going.

At the top was the 5?cinema.

“The kidnapper did it without any target, how did he know if these women were virgins or not?”

After reading the case file today, Ye Xing had been thinking about this question all day.

Before coming out, Ye Xing thought of a few directions to investigate the case.

For example, if the number of missing young girls reached thirty, these people had to eat and drink, and the amount of food per meal was not a small amount, they could be investigated from that direction.

However, the police must have known about this simple fact and started to investigate it. The fact that it had taken so long to find out meant that the other side had already known about this loophole and had filled it.

So, the only thing that was left for Ye Xing was: how did the other side distinguish the virgins.

After a long night of guarding with no luck, he mimicked his eyes when Su Xiaoqiao called at almost dawn.

Half an hour later, inside a private dining room, Su Xiao Qiao and Cheng Yulin were already waiting.

After entering, Ye Xing grabbed the snacks on the table and gobbled them up.

After staying up all night, he was hungry enough.

“Take your time with the case. Don't work so hard, it's not good for your health.” Su Xiaoqiao admonished.

“The police don’t even work as hard as you do to stay up half the night to investigate a case.” Cheng Yulin said.

“The sooner we catch the kidnappers, the more people we might save, and who knows what condition these young girls are in now. I also dare not guarantee that they will be as lucky as the Huaijiang batch.” Ye Xing said while not chewing on a bun.

“Any clues?”

“Not for now.”

Su Xiaoqiao grabbed his hand and said heartily, “The case has to be investigated, but you can’t stay awake, right?”

Looking at her holding his hand. Ye Xing suddenly had a thought!

In the next moment, he put the internal Qi from his body through Su Xiao Qiao’s hand and entered her body.

“What’s wrong?” Su Xiaoqiao asked.

“Don’t talk.”

Su Xiaoqiao looked at her with wide eyes and a puzzled expression.

A moment later, Ye Xing let go of her hand and walked over to Cheng Yulin, saying, “Stretch out your hand, I’ll take your pulse.”

“Ye Xing, you’re not deliberately earning me a bargain, are you?”

“No time to joke with you.”

Seeing how serious he was, Cheng Yulin instantly stretched her hand out and put it on the table.

Her small hands were beautiful and very white. The five fingers were thin and long, like jade onions, Ye Xing had never seen such beautiful little hands.

At this moment, he didn’t have the heart to be charming. Immediately, he put his five fingers on her pulse and inputted the internal qi he had cultivated into her body.

He carefully experienced the difference between Su Xiaoqiao and Cheng Yulin.

“Cheng Yulin, are you really a virgin?” Ye Xing asked, staring at her.

“Can you speak more euphemistically?” Cheng Yulin also blushed at his question.

At this moment, Ye Xing gave her a strange feeling.

“Tell me honestly. Isn’t it?”

“Yes.”

Cheng Yulin nodded heavily before she gave him a blank look and said, “Yesterday, didn’t you say you didn’t believe it?”

"I understand." Ye Xing came to a sudden realization.

The two women both looked at him with puzzled faces.

"Yesterday, I looked at the police station's case files and found that the kidnappers did not have any connection to the target they struck, nor did they have any accomplices, basically they were a single person who committed the crime. I thought about it all night and couldn't figure out how the other guy could tell if a woman was a virgin or not, and now I get it."

"How do you tell?"

"The degree of Yin energy on a non-virgin's body is different. Like Su Xiaoqiao, the Yin Qi in her body is obviously not as strong as Yu Lin's."

"You can tell if it's a virgin just by taking a pulse, that's too amazing, isn't it?" Su Xiaoqiao couldn't believe it.

If this didn't come out of Ye Xing's mouth, she would definitely think that the other party was bullshitting.

"An ordinary person naturally can't detect it. However, if this person is like me, they can feel it if they carry internal qi within their body."

Ye Xing himself would not believe it if he did not test it himself.

"In that case, the clue is out, the other party is most likely a doctor, and only a doctor can take a woman's pulse openly and honestly." Cheng Yulin said.

"Then what do you think, if it's you. What should you check next?" Ye Xing asked with interest.

Cheng Yulin thought for a moment before saying, "There are two types of doctors, one inside the hospital and one in the clinic. The doctors inside the hospital have titles and are very old doctors, this person is new to the scene, he can't be an old doctor and it's not easy to mix inside the hospital. So I think it's most likely that he appeared inside the clinic, appearing as a Chinese doctor and treating some minor illnesses."

"What else?" Ye Xing looked at her with a smile.

"The other party must be in places with high traffic, especially places with more young women, such as high schools and universities, or cinemas, shopping malls and the like" Cheng Yulin continued.

Chapter 219

"Is there more?" Ye Xing continued to ask.

"This clinic should be relatively new, it hasn't been open for long." Cheng Yulin continued.

"That's not necessarily true, he could have taken over someone else's pharmacy, there's one crucial point that you didn't mention."

"What is it?" Cheng Yu Lin asked curiously.

“Generally small clinics only see minor illnesses, they won’t register their identity, let alone ask for the other person’s address. After seeing the patient, the doctor can’t follow the patient right away, and in this case, he needs a tracker.”

“So, just get a virgin to go to the doctor in disguise, test one clinic after another, and only find someone to follow. It’ll be eight or nine.” Cheng Yu Lin said.

“That’s right, that’s what I’m going to do.” Ye Xing nodded, “The problem is, now where to find a virgin who also knows how to act.”

“Me!” Cheng Yulin laughed.

“You’re a big star. How can you do that? Once you go, you’ll be exposed.”

“Ye Xing, I have a classmate, do you want me to ask her for you?” Su Xiaoqiao asked.

“Yes, but you have to make sure she’s still a virgin.”

“Last month we were talking about the department, she said she was still, but now she doesn’t know.” Su Xiaoqiao laughed.

She took out her phone and dialed out.

A few moments later. The phone came through and Su Xiaoqiao pressed the speakerphone.

“Ye Xinran, is your First Blood still there?” Su Xiaoqiao asked straight away.

“Su Xiao Qiao, what’s wrong with you, asking this as soon as you come up.” On the other side of the phone, came a girl’s voice that spoke quickly.

“I have a rich and handsome classmate who has a virginity complex, and I want to introduce you to him, and I don’t know if you’re still a virgin.”

“You’re not lying to me, are you?”

“No, you’re still not!”

“Of course I am.”

“Then come over, we happen to be having dinner.”

“Send over an address, I’ll be right over.”

Su Xiaoqiao hung up the phone and sent an address over.

Half an hour later, a figure walked into the box in a blaze of glory and was stunned to see the three people inside.

One of the people inside was actually the big star Cheng Yulin, something she never dreamed of.

“Come here, let me introduce you.” Su Xiaoqiao pointed at Ye Xing and said, “This is my boyfriend Ye Xing, and this one you also know, the big star Cheng Yulin.”

“My God Su Xiao Qiao, when did you meet a big star, why didn’t you tell me earlier.” Ye Xinran said excitedly.

Ye Xing looked at Ye Xinran, the woman was chubby looking. Not quite pretty, not the ugly kind either, with a big grin and a tomboyish personality.

“You didn’t ask me, so how can I tell you.”

“Where’s the high-flyer?” Ye Xinran asked immediately.

“There’s no high-flying handsome, sorry I lied to you, I actually have something I want your help with.” Su Xiaoqiao said.

“With your current condition, what other things do you want my help with?” Ye Xinran’s eyes widened.

“I’ll tell you!”

Ye Xing interjected and told what had happened, and what he wanted her to do.

“You’re not making a movie, are you?”

Ye Xinran looked around to see if there was a camera head.

To take a pulse and find out if it was a virgin or not. It was so unbelievable, it was unbelievable.

Ye Xing stood up, looked around and saw a chair next to him with four legs of iron.

He walked over, lifted the chair up, put his strength into his hands and bent it up with force.

As fast as the naked eye could see, the chair’s legs bent up, with such force that ordinary humans could not do it at all.

“Look, is this a prop.” Ye Xing laughed.

Ye Xinran walked over. She touched the chair and tried to bend it herself, and it did not move at all.

She looked at Ye Xing in shock and somewhat believed his words, this guy was not an ordinary person!

“Don’t worry, I will keep you safe and definitely won’t let you lose a single hair. As a reward for helping, I will give you a million. Consider it a labour fee for you, as long as you promise, I will transfer it to you now.” Ye Xing continued.

“It really won’t be dangerous?” Ye Xinran was still a little worried.

“What can happen in broad daylight, in the middle of the night, it’s not like it’s the middle of the night.”

Ye Xinran nodded, feeling that it made sense, and her heart was much more solid.

“Alright, I promise you.” Ye Xinran nodded.

Pretending to be a patient to see a doctor and earning a million, how could she not do such a good thing.

“You guys talk first. I’m going out for a while, I’ll be in touch then.”

Ye Xing returned to the car and dialed Bei Fang's number.

"Fang Fang, help me look up information on all the clinic profiles in the city. The sooner the better. Remember, it must be your own to check, you can't let anyone know."

People from the police station, Ye Xing did not trust at the moment. The less people knew about the direction of his own investigation, the better.

"No problem, I'll go check it out now."

A few moments later, Bei Fang sent over the information of the clinics, one had one hundred and three.

The locations of these clinics were first entered into a breakdown and half of them were eliminated, leaving only fifty or so.

These fifty or so, all of which were in places with high foot traffic, were more suspicious.

Next, he graded the fifty again.

After detailed subdivision from registration time, location, Chinese and Western medicine, Ye Xing divided the fifty rooms into four levels.

The three most suspicious ones were Ping An Pharmacy, Xilang Pharmacy, and Jian Sheng Chinese Medicine. Jian Sheng Chinese Medicine Shop.

These three shops had several identical characteristics, all were registered within a year, then Chinese medicine, and the lot had a very high flow of people.

Ye Xing took out his phone and dialed Ye Xinran, asking her to come down and get ready for work.

A few moments later, Ye Xinran came down and sat inside the car. There was some nervousness.

"Don't be nervous, just go in and see the doctor as usual." Ye Xing said.

"What am I going to see a doctor for? I'm not sick at all, I won't be found out, right?" Ye Xinran asked.

Ye Xing looked at her face and found that she had a few small pimples on her face and her breath was a little red.

"Do you have menstrual cramps?" He asked.

"How do you know?"

"I'm a famous doctor, of course I can know, When the time comes, just say that you have very bad menstrual pain, every time you have your period, and you wish to use some Chinese medicine to regulate it." Ye Xing gave her an excuse to see a doctor.

Next, Ye Xing drove towards the first of the three target pharmacies, Ping An Pharmacy.

Fifteen minutes later, Ye Xing found the Ping An Pharmacy, which was a pharmacy that opened underneath a big shopping mall and had a very high flow of people.

"Go in, remember, you're just seeing a doctor, don't think about anything, okay?" Ye Xing admonished.

“I’m just seeing a doctor, just seeing a doctor.”

Ye Xinran took a few deep breaths before she got out of the car and headed towards that pharmacy.

“One more thing, after you leave the pharmacy, go straight towards the other side of the street, don’t come to my car.”

“Understood.”

Ye Xinran took big steps and walked towards that pharmacy.

Ye Xing waited in the car, watching Ye Xinran walk into the pharmacy and slowly waiting.

Chapter 220

Ten minutes later, Ye Xinran came out from inside the pharmacy and walked towards the other side.

Ye Xing followed behind her in his car to see if anyone was following, and after following her for a long time, no one was following, so he parked the car beside her.

“Not this one, let’s go to the next one.”

Driving to the second Xilang Pharmacy, just like the previous one, there was no one following after Ye Xinran came out.

Finally, Ye Xing drove to the Jian Sheng Chinese Medicine House.

This Chinese medicine shop was in the third ring road section of the city centre. In front of the City People’s Hospital, business was very busy, and there were many people queuing up to see the doctor.

Looking at such a good road section, Ye Xing had a vague feeling. Maybe this pharmacy was really related to the missing girl case.

“Go ahead, just do the same as the front.” Ye Xing admonished.

With the two previous experiences, Ye Xinran had much more confidence.

She got out of the car and headed for the pharmacy. Ye Xing watched her enter the pharmacy from afar and waited quietly.

As there were more people inside the pharmacy, this time, Ye Xinran stayed for a longer time, almost an hour. Only then did she come out from inside.

After she came out, she walked in the opposite direction of Ye Xing’s car again.

Ye Xing kept his eyes on the entrance of the medical school to see if anyone came out to follow.

After a few minutes, Ye Xinran’s figure was almost gone, and no one came out to follow inside the medical hall.

“Could it be that I’m going in the wrong direction?”

Ye Xing started the car and slowly followed Ye Xinran.

After following for ten minutes, there was still no one following Ye Xinran, and just when he was about to give up and go up to pick up Ye Xinran, he suddenly found a Little Sheep booster car appearing in his sight.

The woman in the little sheep car, her eyes staring at Ye Xinran every now and then, the car drove past her and was gone in an instant.

Ye Xing immediately took out his mobile phone and sent a message over: continue on, into the Bailey Mall.

After Ye Xinran looked at her phone, she continued heading to walk, directly in front of the big shopping mall.

Ye Xing drove his car and drove past in front of Ye Xinran. At the corner intersection ahead, he saw the little sheep again. The woman was sitting in the car on the phone, her eyes intentionally or unintentionally, sweeping past Ye Xinran.

It didn't take long for Ye Xinran to arrive at the shopping mall and enter inside.

The woman driving the little sheep stopped her car. She also entered the mall.

At this point, Ye Xing was basically sure that there was definitely something wrong with that Chinese medical school.

He dialled Ye Xinran's phone number.

The call soon came through.

"Ye Xinran, who is the person who took your pulse at the Chinese Medicine House and how old is he?" Ye Xing asked.

"A man in his forties, wearing glasses, with a beard and a svelte look."

"You find a cafe now, sit down inside and pretend to be waiting for someone, I'll take care of the rest."

After hanging up the phone, Ye Xing immediately dialed Bei Fang's number. He told her to come here at once, keep an eye on this woman and be ready to make a move.

The reason why he didn't dare to make a move now was that he was afraid of alerting the snake.

After giving the order, Ye Xing then went back inside the car and drove towards the Medical Center.

A few minutes later, Ye Xing arrived at the medical hall, parked the car directly at the roadside and walked to the medical hall.

There were quite a few people inside the medical centre, and the doctor was the same middle-aged doctor that Ye Xinran had described.

Seeing someone come in, the middle-aged doctor looked up at Ye Xing with a clear trace of panic in his eyes. A flash of it passed.

Ye Xing had read countless people, so how could he not see the meaning contained in this look.

He instantly walked over in big strides and came to the table.

“Those who are looking for a doctor should register first and then queue up.” The middle-aged doctor said calmly.

Ye Xing abruptly drew out a dagger and stabbed at his neck, fast and quick.

This stroke was heavy on testing, and not on hurting anyone.

The other party reacted very strongly and his whole body backed up sharply. A kick sent the table flying and crashed towards Ye Xing.

There was a patient beside the table who was seeing a doctor and was directly knocked to the ground, spewing blood from his mouth.

Bang!

Ye Xing kicked out, breaking the table in half, and stabbed the dagger straight over in his hand.

The middle-aged doctor instantly pulled out a short willow leaf knife from his body and met him.

Clink, clink, clink!

Weapons clashed and flames flew everywhere.

The clash here frightened the customers who were watching the doctor, and they rushed outside like a tidal wave.

After a few moments of fighting, the middle-aged doctor fell behind, his strength was far worse than Ye Xing's.

In terms of strength. He was just like a clown. The current Ye Xing was much stronger than before, so how could this man be his match.

The fight lasted for a moment. Ye Xing found an opportunity and flew up and kicked the middle-aged doctor in the stomach.

Bang!

A hole was directly knocked out of the wall and the middle-aged doctor's body fell outside the hole.

The surrounding onlookers were all stunned. Looking at the hole in the wall, they couldn't believe their eyes.

This was the first time they had seen such a powerful figure.

Wow!

A mouthful of blood spurted out of the middle-aged doctor's mouth, looking at Ye Xing with a scornful face as he slowly climbed up.

“Don't make a pointless struggle, you are no match for me, and you can't escape.” Ye Xing said coldly.

“Ye Xing, you have repeatedly ruined our big event, sooner or later you will be finished.” The middle-aged doctor said angrily.

“It seems that many people in this organization of yours know me!” Ye Xing couldn’t help but laugh and said, “This is better, save me the introduction. Say it, where are those girls hidden, be a good boy and say it, you can suffer less.”

“I won’t tell, you’d better let me go. Otherwise, they’ll wait to be starved to death!” The middle-aged doctor threatened up.

“Will rib me? You know I’m a person who is most unthreatened.” Ye Xing snorted coldly.

“Then you can wait for them to be starved to death alive!”

Ye Xing walked over and grabbed his entire body off the ground and carried it back inside the medical hall.

Finding a strap, he wrapped his body around it, then Ye Xing found another piece of cloth to gag him.

“What the hell do you want?” The middle-aged doctor asked urgently.

“Severe torture to force a confession. I’m afraid you won’t be able to take it and scream like a pig, so I’ll gag you first.”

Stuffing the cloth in his mouth, Ye Xing then pulled out a row of silver needles from his body.

“This needle technique of mine is called Soul Refining Needle, there are thirty-two needles in total, but I have never tried to use thirty-two needles, the most powerful one only lasted up to twenty-eight needles. In a moment, if you can’t stand the taste, just nod your head.”

Ye Xing said as he began to apply the needles, first inserting them from the Yongquan point on the bottom of his feet.

At the first two stitches, the middle-aged doctor only felt a little numb, but after the fourth stitch, a strange itchy feeling spread all over his body, like ants crawling up on his body, scratching and not being able to scratch, it was very uncomfortable. After the sixth stitch, the itch became more painful, as if the silver needles were inserted not into acupuncture points, but into fingernails.

The middle-aged doctor’s forehead began to sweat as he was in pain and itchy, and at this time, Ye Xing applied two more stitches.

Here comes the eighth needle!

Oooooooooo!

The middle-aged doctor cried out, his forehead was bean-sized sweat, and his eyes were bloodshot.

Ye Xing ignored him and withdrew two more needles, and the tenth needle came.
