

Foolish Son 241-242

## Chapter 241

After looking at the surveillance, Ye Xing immediately identified that the person was none other than Fang Bai.

Although Fang Bai wore a hat and deliberately turned his back to the camera when refuelling, the posture of his walk simply could not escape Ye Xing's gaze.

"Are you sure?" Luo Xiaoyun asked.

"Ninety percent sure, it should be him." Ye Xing nodded.

The two of them flew back to the car and continued tracking.

The camera had captured the other party's license plate, which made it easier to track, and after Luo Xiaoyun called, he immediately found out the whereabouts of the car.

It was still a hundred kilometres away from the two of them.

Ye Xing increased the throttle and tracked up quickly. At night, he finally caught up in a small city.

Yan Ruyu and Fang Bai drove into a pu luxury hotel and prepared to stay for the night.

"What are your plans?" Luo Xiaoyun asked.

Ye Xing pulled the car to the side of the road and said, "You find a place to stay first. I'll go and snatch Lingzhi back."

Luo Xiaoyun knew that she would only have to be a liability to him if she was by his side, so she nodded and came to the main driver's make seat and drove away.

Ye Xing walked in stride towards the hotel until he reached the front desk.

"This gentleman, do you want housing?" The receptionist lady asked.

The receptionist lady was in her twenties and was quite tall looking. The appearance was also good looking.

"Miss, I want to check what room a good man and a woman stayed in just now?" Ye Xing asked.

"Sorry sir, we can't disclose the information of our clients." The receptionist lady said politely.

"Let me ask, what time do you get off work?" Ye Xing continued to ask.

"The shift turns at eight o'clock."

"Thank you, you are so pretty, Miss."

Ye Xing didn't give her a hard time and turned around to leave.

By eight o'clock in the evening, the front desk lady finished her shift and had not long walked out of the door when she was suddenly stopped by a man.

“Sir, what do you want?” The receptionist asked sharply.

Ye Xing took out a wad of money from his body that he had prepared long ago and handed it over.

“Here is ten thousand yuan, as long as you tell me which room they are in, this money is yours.” Ye Xing said.

Looking at the wad of banknotes, the receptionist gulped and said, “Sir, sorry, I’m not like that.”

Ye Xing took out two more stacks out, adding up to a total of thirty thousand.

“Here is thirty thousand, you haven’t had this salary for six months, right? As long as you tell me, this money is yours. You can rest assured that no one will know that you told me.” Ye Xing said.

The receptionist hesitated for a moment and took the money over. Said, “It’s at 81 and 83, as for how they stayed, I don’t know.”

“Thanks.”

Ye Xing took a big step towards the hotel, got on the lift, and soon reached the eighth floor.

Arriving in front of room 81, Ye Xing knocked lightly on the room door and then stepped back so that the other party could not see through the hole.

“Who is it?”

Yan Ruyu’s voice came out from inside.

“Senior sister, it’s me.” Ye Xing shouted in a husky voice.

Through the door of the room, and he deliberately lowered his voice, the other party should not be able to hear clearly.

The door to the room opened and a white light was in Ye Xing’s hand. It was already on Yan Ruyu’s neck.

Yan Ruyu’s face turned white in a flash and she said urgently, “It’s you.”

“Didn’t expect me to catch up, did you?”

Ye Xing slammed the door shut and pushed her body against the wall, asking, “Where is Lingzhi?”

He gazed around the room; Lingzhi was not in the room.

“The Lingzhi is not with me, it’s with my senior brother.” Yan Ruyu said back.

Ye Xing set her up beside the bed, cut the sheet with a knife, tied her up and pushed her down on the bed, before looking around.

The whole room was searched, and sure enough. Lingzhi was not in there.

“I’ve said it all, Lingzhi is on Senior’s side, now do you believe me?” Yan Ruyu said again.

Ye Xing picked up the phone she had placed on the desktop, password protected.

“What’s the password?”

“Don’t know.” Yan Ruyu held her head up.

Ye Xing walked over to her and looked at her luscious figure, straight where it should be and curvy where it should be, this little bitch was not bad looking.

He was considering. Should we rob a woman first!

“What do you want?”

Yan Ruyu saw his hot eyes and said with some concern.

“Looks like you forgot how you felt about the silver needles last time.”

Ye Xing took out a row of silver needles from his body and was about to make his move.

“I said, the password is \*\*\*\*”

Having already tried the taste of silver needles, how could she dare to refuse again, and hastily said the password.

Ye Xing opened her phone, tapped on WeChat, and easily found the WeChat on it that said Senior Brother.

He thought for a moment and sent the text over: Senior brother, are you asleep yet?

Soon the other side replied back, “Not yet, it’s not that early.”

“What are you doing?”

“I’m practising!”

“I’m a bit bored, I’m so bored.”

“Why don’t I come over and talk to you?”

Even through the phone. Ye Xing could still feel the other party’s excitement.

“It seems that your senior brother is in love with you!”

Ye Xing put the phone in front of her and let her read the text conversation between the two.

“Nasty.” She scolded.

“Isn’t your senior brother nasty, I’d like to see. How decent is he.”

Ye Xing thought for a moment and typed a quick line, “Sure, senior brother, I’ll wait for you.”

Yan Ruyu was ashamed and angry. She was about to curse, when Ye Xing suddenly gagged her with a piece of cloth so that she could not make a sound.

Immediately, there was a knock on the room door!

Ye Xing walked over and opened the door.

“Senior sister, I’m coming .....

Before he could finish his words, Fang Bai felt a chill on his neck, a dagger was already on his neck, and the fire of lust that filled him instantly descended.

“Surprised or not?”

Ye Xing grinned and racked him into the room, pushing him down to the edge of the bed as well and tying him tightly with the same sheet of cloth.

“I admit it, the Lingzhi is inside my room, just take it.” Fang Bai said.

Ye Xing took the room card out of him. Entering his room, he easily found the Lingzhi.

Bringing the box containing the Lingzhi over, Ye Xing closed the door behind him and had no intention of leaving immediately.

“You’ve already got the Lingzhi, what else do you want?” Fang Bai said urgently.

“Nothing, I want to rob a woman.”

Ye Xing’s eyes fell on Yan Ruyu, his gaze fiery.

“What are you doing, I tell you. Don’t you mess around, if you dare to touch my senior sister, I will definitely break her body into pieces.”

Fang Bai was terrified and kept screaming and cursing.

Ye Xing ignored him and walked over to Yan Ruyu, gently picking up her chin and examining her features.

“Really beautiful, what a beauty.”

Ye Xing tsked in envy, looking as if he couldn’t get enough of her.

“Let me probe if she’s still a virgin.”

Ye Xing put his hand on her wrist and began to test it with his own internal qi.

Yan Ruyu whimpered, but unfortunately her mouth was sealed and she couldn’t say anything.

“Huh, such a heavy Yin Qi, what’s going on?”

Ye Xing also this was a look of surprise, could it be that this woman was a pure Yin body?

## Chapter 242

Soon after, Ye Xing put this possibility behind him.

Most likely, it was because Yan Ruyu had cultivated internal energy, which made the airflow in her body different from that of ordinary women, and her Yin energy was exuberant.

Therefore, it was simply unrealistic to try to use the pulse taking method to find out if the other party was a virgin or not.

“Bastard, let go of her, you bastard dare to touch my senior sister, I’ll get you killed.”

Direction cursed and kept rolling around trying to break free, but unfortunately Ye Xing tied him up to death. He couldn’t break free halfway.

“Shut up, say one more word and I will strip her naked immediately.” Ye Xing warned.

Sure enough, Fang Bai did not dare to speak. He could only stare at Ye Xing with a hateful gaze, staring deadly.

“It’s fine if you want me not to violate her, I have some questions to ask you, as long as you answer truthfully, I won’t touch her. Otherwise, don’t blame me for doing your dainty senior sister in front of you.” Ye Xing laughed heatedly.

“You ask, as long as we know, I will definitely tell.” Fang Bai hurriedly said.

“What sect are you guys from?” Ye Xing asked first.

“The Hidden Sect.”

“What sect does it belong to?”

“Ancient martial sect.”

“Ancient martial sects like yours. How many are there in the world?”

“I don’t know outside the country, not many inside, five or six.”

“What others are there?”

“Apart from our Hidden Sect, there is also the Nine Yin Sect, the Hong Sect, the Buddhist Sect, and so on.”

“What about the Immortal Sect?”

Speaking of the word Immortal Sect, Ye Xing kept suppressing the excitement within himself.

The ones in front of him were all nonsense, whatever they were Yin Sects and Yang Sects, what he was most concerned about was where his wife was.

He learned from Murong Lan’s mouth that Murong Xue was taken to the Immortal Sect by her, but as for what sect the Immortal Sect was and where it was, he didn’t know anything.

“The Immortal Sect does not belong to the Ancient Martial Sect, it belongs to the Cultivation Sect, which is a deadly rival to the Ancient Martial Sect.”

“Deadly rivals, what does that mean?” Ye Xing’s brow furrowed.

“I’m not too sure, I just once heard that our ancient martial sects cultivate internal qi, while the people of the Immortal Sect cultivate yuan qi. Ours is martial arts, theirs is Daoism, the evil way, pretending to be a god.” Fang Bai continued.

Ye Xing remembered the scene when Murong Lan made her move, the way she struck. It was indeed different from ordinary people, especially the way she manipulated the ice ling, it was as if she was casting magic, she didn't move much the whole time, it was very different from ancient martial arts.

"Do you know where the Immortal Gate is?" Ye Xing continued to ask.

"Not to mention that I don't know, even our Sect Leader doesn't know, the Immortal Sect is a most mysterious place."

"Where is your sect?" Ye Xing continued to ask.

"This ....."

"You'd better be honest and truthful, don't think I don't know, there are some issues I do know, once I know you're lying to me, you, a delicate little sister, are going to be destroyed by my spicy hands." Ye Xing warned coldly.

Oooh!

Yan Ruyi kept screaming up. Obviously trying to stop Fang Bai from speaking.

"Sister, than your innocence, so what if you tell the sect's address." Fang Bai gritted his teeth before continuing, "Our sect is deep in the Changbai Mountains, a deserted place."

"How many people are there within the sect?"

"Twenty-five people."

"Who is the sect leader and what is his realm of strength?"

"The Sect Leader is called the self-proclaimed Hidden One, all the real name disciples don't know, and as for the cultivation level, no one even knows."

Next, Ye Xing asked some more words that were more important to him, but unfortunately for the Immortal Sect, he didn't know anything.

Oooh!

Yan Ruoyu still kept screaming.

Ye Xing ripped the cloth off her mouth.

She said urgently, "Senior brother. Why did you tell him, if Master knew that you had revealed the secrets of the division, you would be miserable."

"If I don't tell, he will humiliate you, what can I do?" Fang Bai said urgently.

"He won't humiliate me at all, he's not that kind of person."

"How do you know?" Fang Bai asked, puzzled.

How could someone who would put anti-mosquito medicine on himself humiliate himself, even though Yan Ruyi had spent very little time with Ye Xing. But she had a hunch that this guy wasn't a very bad person, and more often than not, he liked to ask for lip service.

“Because I’m a moral person!” Ye Xing laughed loudly, stood up and said, “Miss Yan, thank you for your trust in me, and thank you for returning the Lingzhi to me, goodbye.”

Throwing down a smug smile, Ye Xing left with big strides.

As for the two of them, they would definitely be able to think of a way to escape in their absence.

Leaving the hotel, Ye Xing immediately dialed Luo Xiaoyun’s number and asked her where she was.

“I’m at the Kyushu Hotel.” Luo Xiaoyun said back.

“I’m going over there now. You check out of the room first and let’s leave here immediately.”

“Has the Lingzhi arrived?”

“It’s here.”

Ye Xing stopped a taxi and arrived at the entrance of the Kyushu Hotel, where Luo Xiaoyun was already waiting.

In order to avoid a long night. Ye Xing left overnight and kept heading south, driving three hundred kilometres as fast as he could, and was already in another city in the early hours of the morning.

Yan Ruyu and Fang Bai did not know their license plate. And without police resources, it was too difficult to find their whereabouts.

The two of them found a hotel to stay in, both of them were quite tired after the long drive.

“Sorry, there’s only one double room left.”

The lady at the front desk said as she checked into the room.

“Then let’s get a room!” Ye Xing said.

Luo Xiaoyun pouted and wanted to say something, but in the end, she said nothing.

The two of them went into the room and Ye Xing immediately laid down on the bed, he was tired enough after a day of driving.

Luo Xiaoyun was about to enter the bathroom to take a shower, then she found out that the bathroom was actually translucent glass, although it was not very clear, but she could still see every move she made in the shower.

This was embarrassing!

Luo Xiaoyun glanced at Ye Xing. She found that he was already lying on the bed and whistling, not knowing whether he was asleep or not.

She went to the other bed to sleep, but she couldn’t sleep because she was alone in the same room, how could she sleep?

The key thing was that she couldn’t sleep at all without taking a shower, she felt uncomfortable all over.

“Don’t worry, I’m not the kind of person who takes advantage of the situation.” Ye Xing said with her eyes closed.

“You don’t know the face of a person. Who the hell knows what kind of person you are?” Luo Xiaoyun hummed.

“You are Xue’er’s bosom friend, if something really happens between us and Xue’er finds out, it would be strange if she doesn’t chop me up. Even if I have the heart of a thief, I don’t have the guts!” Ye Xing continued.

“Now you finally admit that you have a thief’s heart!” Luo Xiaoyun’s whole body jumped up from the bed and said, “No, I still don’t feel at ease with you, this pervert, in case you climb into my bed in the middle of the night and I can’t beat you, then wouldn’t I be screaming at the top of my lungs?”

“You’re not at ease, go find a place to sleep by yourself, I don’t care about you.”

Ye Xing was tired enough to roll over and was too lazy to care about her.

Luo Xiaoyun wanted to leave, but it was the middle of the night, and she didn’t know where to find a guest room, so she had no choice but to settle for a night’s sleep.

#### Chapter 243

Ye Xing was so tired and dazed that he suddenly heard the sound of water and opened his eyes to take a look.

The bed next to him was empty, Luo Xiaoyun was not there.

There was a light inside the bathroom, and when he looked through the mill screen window, Ye Xing suddenly had some blood rushing to his head.

Luo Xiaoyun, this little ninny, was actually taking a bath in secret, in the middle of the night.

Although he could not see clearly, the outline of that body already made his blood boil a little.

“Don’t look at it in a rude manner, don’t look at it in a rude manner.”

Ye Xing’s mouth kept saying, and his eyes widened even more!

Luo Xiaoyun washed quickly. It seemed that she was afraid that Ye Xing would suddenly wake up, and before Ye Xing could feast his eyes on her, she had already started to get dressed.

The bathroom door opened gently and she stepped out regally. Her eyes immediately fell on Ye Xing.

Ye Xing hurriedly closed his eyes and pretended to be sleeping.

“Don’t pretend, you’re not sleeping at all, get up.” Luo Xiaoyun said angrily.

Ye Xing did not respond.

Slap!

A slap on his head and Ye Xing’s whole body jumped up.

“What are you doing, what’s wrong with you.” Ye Xing pretended to be just awake and said angrily.

“Pretend, pretend again. You haven’t slept at all.”

“Who said I didn’t sleep?”

“Before I took a shower just now, you clearly had your back to the bathroom, and now your face is facing the bathroom, and you’re saying you didn’t peek.”

“Come on, you didn’t roll over when you were sleeping, what does that tell you.” Ye Xing continued to retort.

“You dare to swear that you peeped, that’s a turtle egg?” Luo Xiaoyun said angrily.

“Why should I swear, I’m too lazy to care about you.”

Ye Xing rolled over and stopped paying attention to her, women are like that, the more you pay attention to her, the more fierce she becomes, plunder her for a while, the fire will slowly subside.

“Scum, scum, shameless, nasty.”

Luo Xiaoyun cursed countless words before she went back to her bed to lie down.

It was just that as she lay in bed, she couldn’t sleep no matter how she slept.

Originally, she thought she couldn’t sleep because she hadn’t taken a bath and was uncomfortable, but after taking a bath, she still couldn’t sleep, which was a matter of her state of mind.

On the other hand, Ye Xing could not sleep either. Inside his head was all about Luo Xiaoyun being inside just now, that hidden body.

Ye Xing could not help but think of Su Xiaoqiao, if only she was around.

I don’t know how long it took, but Ye Xing fell asleep in a daze.

The next morning at ten o’clock, Ye Xing got up and found Luo Xiaoyun next to him still asleep.

She had gone to bed even later than herself last night, almost until dawn.

Ye Xing didn’t disturb her and walked gently into the bathroom to wash up and prepare for some breakfast later.

Just after washing her face and stepping out of the bathroom, Luo Xiaoyun suddenly sat up as a whole and quickly checked her clothes.

“Come on, how long have we known each other. You still don’t trust me, am I that classless?” Ye Xing was also speechless.

Luo Xiaoyun was indeed attractive, but she was Murong Xue’s bestie, even if he had thoughts, he had to suppress them!

“None of the men are good, who knows when you will be bestial.” Luo Xiaoyun said back.

“Look at your sleepy eyes, go back to sleep, I’ll go down to find something to eat and pack it back for you by the way.”

Ye Xing said, took the Lingzhi box with him and went out for breakfast.

After filling up his stomach, he packed it back. Luo Xiaoyun was inside the bathroom brushing her teeth.

Putting the breakfast on the tabletop, Ye Xing lay down on his bed and silently recited the Three Worlds Karma Sutra a few times, then his consciousness entered that mysterious space to see if the third memory fragment had opened ah.

Unfortunately, there was still none.

Next to him, Luo Xiaoyun wolfed down his breakfast.

“Where do we go next?” Luo Xiaoyun asked as he ate.

“Let’s find a place to refine pills first, with this Lingzhi. It’s enough for me to refine some high quality pills.”

“Where to?”

“Anywhere is fine, just don’t go back to Huaijiang.”

Yan Ru Ru Ru and Fang Bai had been robbed of the Lingzhi by him, they might go back to Huaijiang to keep watch, they definitely couldn’t go back at such a time.

Although he was not afraid of these two, but what if they threatened themselves with something?

Suddenly, the phone rang.

Ye Xing took it out and saw that it was Su Xiao Qiao calling.

“Hey, Xiao Qiao.”

Ye Xing picked up the phone straight away.

“Ye Xing, what are you doing?”

“I’m out on a business trip, what’s up?”

“Can’t I call you if there’s nothing?”

“Of course I can, you can call me whenever you want, I can’t wait!” Ye Xing laughed.

“I miss you.”

“I miss you too.”

Luo Xiaoyun slapped her chopsticks onto the table. Angrily, she said, “Meathead, won’t you go out and call on the phone, adulterer and slut.”

“Is there any sound over there?” Su Xiaoqiao asked.

“An older lady is shrewishly cursing, leave her alone.” Ye Xing said.

In front of Murong Xue. He was still restrained, but in front of Luo Xiaoyun, he didn't need to at all.

It was not like she was anyone of his own.

"Who did you say Big Mother?"

Luo Xiaoyun suddenly walked next to Ye Xing and shouted into the phone, "Ah ..... don't. You bad egg ....."

The voice was so realistic that Ye Xing didn't react.

"Ye Xing, you shouldn't ....."

"Don't get me wrong, a friend is teasing." Ye Xing covered the microphone and scolded, "Luo Xiaoyun, are you nuts, can't stand to find a man to go, eat dog food reaction like you so big there is no one, single dog."

"Who are you saying is a single dog, I don't want to condescend to myself, if I wanted to find one, men could line up from here to Huaijiang."

"Fine, fine, you're pretty and you're a bully, I'll go out and fight, okay!"

Ye Xing jumped up from the bed and went out to the corridor to make a phone call.

The two of them talked for half an hour before Ye Xing hung up the phone. He went back to his room.

We couldn't see each other, so only the phone could tell us the pain of longing.

Luo Xiaoyun was lying on the bed playing with her phone, gave him a white look and cursed, "Adulterer and slut."

Ye Xing walked to her and sat down, saying seriously, "Luo Xiaoyun, I need to talk to you."

"If you have something to say, say it, if you have a fart, say it."

"Do you still remember what we came over for?"

"You have the nerve to ask, we came here to find a way to save Xue'er. But what about you now, taking advantage of Xue'er's absence to have sex outside, are you still a man?" Luo Xiaoyun took advantage of the situation to scold again.

"Forget about what I'm doing for now, let me ask you, what is the purpose of your trip?"

"To save Xue'er!"

"It's good that you understand, you begged me to bring you here. There is no other intersection between us except for the same purpose of saving Xue'er, so who are you to care what I do?"

"By virtue of the fact that I'm Xue'er's friend, and I won't allow you to do that."

"You're afraid you're jealous!" Ye Xing laughed.

"I'm jealous, what a laughing matter in the world."

Luo Xiaoyun laughed out loud with a funny look.

“We don’t have the same path, let’s just part ways here and forget about it.”

After Ye Xing said that, he turned around and left, not daring to pay any attention to this spirited girl.

She had to take care of even if he picked up a girl, what was the point of bringing her along?

## Chapter 244

Just as he walked out of the room, Luo Xiaoyun immediately caught up with him, stopping him and said, “Ye Xing, are you killing the donkey by unloading the grinding, I just helped you to get the Lingzhi, and now you turn around and disown me, are you still a man?”

“How dare you say that, if it wasn’t for you, I would have gotten the Lingzhi long ago.”

“Without me. You wouldn’t have gotten the Lingzhi at all.”

Ye Xing was also helpless, this woman was too unbelievable!

“What do you want, you say.”

“Don’t try to get rid of me.” Luo Xiaoyun hummed a little.

Ye Xing was also speechless. Luckily there was no one here, otherwise whoever heard this from her would have thought that he was one of those scumbags who had banged her and then tried to dump her.

“It’s fine to let me take you with me, you must not interfere with anything I do in the future. Can I do that and I’ll let you follow me?”

“Yes, but I also have one request, that you can’t do anything wrong to Xue’er.” Luo Xiaoyun said back.

This woman, why was she so difficult to deal with?

“Let me stress one thing, it’s anything.” Ye Xing reiterated.

“No.”

“Then there’s no negotiation, goodbye.”

Ye Xing said, turned around and walked away without looking back.

He didn’t want to take a monitor with him.

Just after he returned to the car, Luo Xiaoyun caught up with him again and went straight into the cab.

“I promise you that I don’t care about your personal matters, as long as you bring me to cultivate and make me strong.”

Luo Xiaoyun finally compromised.

Because she knew that if she didn’t compromise, she wouldn’t even have the chance to stay by his side.

“Count on your good sense, let’s go, let’s go to the Sky Sea.”

“Where?”

“The Sea of Heaven, I’m looking for a place to refine pills anyway, it’s the same wherever I go. Tianhai is not bad.”

The corners of Luo Xiaoyun’s mouth kept twitching, this bastard, ninety percent went hormonal and went to Tianhai to meet that little bitch Su Xiaoqiao.

“What, got a problem with that?” Ye Xing asked.

“No opinion.”

“That’s good.”

In the afternoon, the two of them went straight to the nearest airport, then returned the rented car and booked a flight to Tianhai.

Throughout the whole process, Luo Xiaoyun was black-faced. She didn’t say anything, probably holding a lot of anger inside her stomach.

Ye Xing didn’t bother with her, what she did had nothing to do with her anyway.

Two hours later, they got off the plane at Tianhai Airport.

The first thing they did was to take a taxi to find a hotel and stay there.

As soon as they checked in at the hotel, Ye Xing immediately called Su Xiaoqiao and asked her if she was home alone.

Su Xiaoqiao told him that Xiao Di was at home and it was not very convenient. He asked him which hotel he was in.

Ye Xing’s room was adjacent to Luo Xiaoyun’s, so in order not to be disturbed by this crazy woman, he went to the front desk and got another room, before telling Su Xiaoqiao the room number.

An hour later, Su Xiao Qiao finally came, the moment she opened the door. Ye Xing’s whole body picked her up.

“My little Qiao Qiao, I’ve missed you so much.” Ye Xing laughed.

“I missed you too.” Su Xiaoqiao clasped his neck and laughed.

When they reunited after a long time, it was naturally something that was not humanly possible.

An hour later, Ye Xing climbed up, picked up his phone and found that there were several missed calls, all from Luo Xiaoyun.

Just now, he had turned his phone to silent for fear of being affected by this shadowy woman.

Sure enough, his choice was wise.

“What’s wrong?” Su Xiaoqiao asked strangely.

“Nothing.” Ye Xing tossed the phone to the side.

“Have you found Mr. Mu?” Su Xiaoqiao asked.

“Not yet.” Ye Xing’s complexion had dulled.

“There is no rush. Take your time, I’m sure you can find her.” Su Xiaoqiao reassured her.

“Little Qiao, it’s still you.”

Ye Xing could not help but take her into his arms.

There were too few women like Su Xiao Qiao.

Knowing that she was married. Still willing to stay with herself, not asking for a name, not making a scene. No begging, only a giving heart, never asking for anything.

Even if Ye Xing wanted to give her compensation countless times, she did not accept it.

Such a good woman, where to find?

Su Xiaoqiao lay in his arms, enjoying his embrace.

“Xiao Qiao, have you ever considered learning martial arts from me?” Ye Xing suddenly asked.

“Can I learn martial arts in this condition?”

“Of course you can, Xue’er can, and so can you.” Ye Xing nodded.

“But I don’t know anything!”

“I can just do it, you just need to tell me, are you willing?”

“Of course I’m willing, I’m just afraid I can’t stand such suffering.” Su Xiaoqiao stuck her tongue out. Made a face.

“There’s no need to suffer, just doze off the medicine.” Ye Xing laughed.

The two were warming up when the phone next to them lit up again, Luo Xiaoyun was calling her again.

This was the fifth time, something couldn’t have happened, right?

Ye Xing picked up the phone and made a silent gesture with Xiao Qiao. Only then did she pick up.

“Where are you, why aren’t you answering the phone?” Luo Xiaoyun asked.

“I’m hungry, I went out to get a snack to eat.”

“What kind of place for a late night snack, so quiet?”

“Luo Xiaoyun, what the hell is the matter with you, get straight to the point will you, don’t talk so much nonsense.” Ye Xing said angrily.

“I’m a bit uncomfortable, I want you to buy some medicine back for me.” Luo Xiaoyun said.

Hanging up the phone, Ye Xing said, “Xiao Qiao, my friend is a bit unwell, I’ll go take a look.”

“You go ahead, I’ll be fine here by myself.” Su Xiaoqiao nodded.

Ye Xing instructed her to lock the door behind her, before leaving the room, going upstairs and knocking on Luo Xiaoyun's room door.

#### Chapter 245

Arriving at Luo Xiaoyun's room, Ye Xing rang the doorbell.

A moment later, the room door was pushed open and Luo Xiaoyun stood at the door with a tired face.

"What's up?" Ye Xing asked.

"Not feeling too well, it seems like I have a fever."

Ye Xing stepped forward and put her hand on her forehead. She found that her forehead was very hot.

"Why is it burning so badly?" He thought for a moment and asked, "Did you use cool water when you took a bath that night?"

That night. When the two of them were staying in the same room, in the middle of the night, Luo Xiaoyun got up to take a shower, and it seemed that the water she was washing in was cold water.

Luo Xiaoyun didn't say anything back. Obviously it was by default.

"If you don't have hot water, why are you washing cold water?"

"It's not because I was afraid of being peeked at by you, so I washed in a hurry and couldn't wait for the hot water." Luo Xiaoyun gave him a blank look without good humour.

"Wait a moment, I'll go into my room and get silver needles to help you with acupuncture."

Ye Xing went back to his room and took a pair of silver needles out.

After inserting a dozen silver needles on her forehead, Ye Xing said, "Wait a moment, it will be ready soon."

In less than ten minutes, Luo Xiaoyun felt herself sweating a lot, her clothes were wet, and her fever was slowly subsiding.

No injections, no medicine. It was so easy to get well, she couldn't even believe it a little.

"It's just a routine operation, if you can't even cure a fever, how can you still call yourself a miracle doctor."

Ye Xing put the silver needles away and said, "Drink more water and change your clothes. Rest well and you'll be alive and well tomorrow."

"Where did you go just now?" Luo Xiaoyun asked so strangely.

"Didn't I tell you to go for a snack?"

"Hell believe you, stay with Su Xiaoqiao!" Luo Xiaoyun grunted.

"Confucius said that food is sexual, isn't that normal?"

Ye Xing laughed, before turning around and leaving the room.

“Succubus.”

Luo Xiaoyun cursed. Slamming the pillow hard on the door.

When he returned to his room, Su Xiaoqiao was playing with his phone and waiting for him.

“How’s it going, is it taken care of yet?” Seeing her return, Su Xiaoqiao asked.

“It’s taken care of.”

Ye Xing walked to the bed and laid down. Said, “It’s late, go to sleep!”

The next morning, Ye Xing and Su Xiao Qiao Long went inside the restaurant to have an automatic breakfast and found that Luo Xiaoyun was also there.

Su Xiaoqiao was a bit embarrassed and didn’t want to go in, she knew that Luo Xiaoyun had an opinion about herself.

“Go in. Don’t mind her.” Ye Xing said.

The two of them walked in and found a place to sit away from Luo Xiaoyun.

“What do you want to eat. I’ll get it for you.” Ye Xing asked.

“A bread, an egg. A bowl of millet congee will do.” Su Xiaoqiao said.

Ye Xing walked over and brought what she liked to eat on a tray, and the two of them ate unhurriedly.

Suddenly, only a bang was heard!

Luo Xiaoyun slapped the dinner plate fiercely under the tabletop and left.

The people around looked at her with strange faces, but she did not feel ashamed at all.

This tigress, whoever married her in the future would have bad luck in life. It was a wonder she didn’t abuse them.

“Eat up, ignore her.”

After she finished her breakfast, Su Xiaoqiao left to go shoot her drama, which was in progress. There wasn’t as much time as before.

Of course, Ye Xing could use his power to help her take time off, but Su Xiao Qiao didn’t want to do that, anyway, Ye Xing would stay here for the whole time, and the two of them would have plenty of time to get together.

Ye Xing took out his phone and called Xiao Qi, asking him if he had collected any high status herbal medicines over there.

There was, but unfortunately the quality was average, but it was better than nothing.

Ye Xing asked him to send it over, and by the way, he also sent over that dan furnace of his.

It would take quite a bit of time to make a new potion furnace, so he might as well send it over.

The next evening, the stuff was sent over. Ye Xing went out to the pharmacy outside and picked up some side herbs, ready to match the high vintage herbs sent over by Xiao Qi, and then with that three hundred year old ginseng as the main medicine, he would refine a potion.

As long as the refining was successful, his own strength would probably go up again.

## Chapter 246

In a newly purchased villa, within a room on the third floor.

There were two prescriptions on the table, one for ordinary Chinese medicine and one for high vintage Chinese medicine.

Ye Xing was going to refine two copies of the pills out.

The first one was an ordinary Chinese herbal medicine to be refined and given to Luo Xiaoyun and Su Xiaoqiao.

They were still ordinary people, so if they were to take pills made from high vintage Chinese medicines all at once, Ye Xing was worried that they would not be able to bear it for a while.

Inside the villa, after three days of seclusion, he finally refined two pills.

Five ordinary pills and five precious pills.

After refining them, Ye Xing immediately took one of the precious pills and sat down on the ground. Refining it up.

Soon, he felt a surge of heat coming up from his abdomen, spreading towards the four meridians and veins, and his body felt like soaking in warm water. It was warm and comfortable.

This feeling lasted for an hour before it disappeared.

Ye Xing felt it and found that his internal qi had flooded a lot thicker, and indeed, the Lingzhi was very useful in improving his strength.

After resting for a few hours, when all the medicinal properties of the first elixir had been refined, Ye Xing then took the second elixir.

The second elixir, only lasted for less than half an hour before it disappeared. The effect was far less than the first one.

It seemed that after his strength had risen, the effect of the elixir began to weaken.

If he took a third one, the effect should be even weaker.

Ye Xing put the two pills into two separate bottles before he left the villa and headed towards the hotel.

He had promised Luo Xiaoyun that he would help her enhance her strength, so he could not go back on his word.

After returning to the hotel, Ye Xing knocked on Luo Xiaoyun's room door.

A moment later, Luo Xiaoyun opened the door and asked urgently, "Has the potion been refined yet?"

Ye Xing had greeted her before refining the elixir, and she had been looking forward to it.

"It's done."

Ye Xing walked into the room and went to the sofa and sat down, before taking out the small bottle containing the elixir.

He poured out one and handed it over.

Luo Xiaoyun took the elixir and smelled it, it had a strange smell, "This isn't an enchantment, is it?"

Ye Xing was directly speechless, was he that bad in her heart?

"That's right, it's an enchantment pill, you will faint after taking it and let me do whatever I want, convinced or not?" Ye Xing said without good humour.

"Why don't you serve it, I think you just have the heart of a thief but not the guts."

Luo Xiaoyun finished speaking and took the potion in one gulp. Quietly, she waited for the medicinal power to take effect.

A few moments later, she felt a hot cloud of pain rising in her abdomen!

"My stomach is a bit uncomfortable, quickly tell me what to do next?" Luo Xiaoyun said urgently.

"Refine it!"

"How do I refine it?"

Ye Xing suddenly realised a very big problem, Luo Xiaoyun hadn't trained martial arts at all and didn't know how to refine pills yet.

"Guide the internal qi brought out by these elixirs and spread it towards the whole body ah!"

"You do tell me how to guide it!"

"I'm not sure, I feel like I'll be able to channel it, but I don't know how to teach you.

Luo Xiaoyun almost cried, her abdomen was hurting so badly, the feeling was driving her crazy, she doubted. Ye Xing was not torturing her on purpose.

Ye Xing guided up with his hands and knees, after two hours, I don't know if his guidance was effective, or if the effect of the medicine receded, Luo Xiaoyun then stopped hurting.

"Ye Xing, are you trying to harm me or not?"

Just as she got better, Luo Xiaoyun was about to pounce on him and fight him.

"Alright, stop it, let me think."

Seeing his serious look, Luo Xiaoyun didn't dare to disturb him anymore and sat on the side and waited quietly.

She found herself sweating a lot and her body was sticky and thick. It was very uncomfortable.

“Think about it, I’m going to take a shower.”

She picked up her clothes and walked into the bathroom, which had no transparent screens, so she didn’t have to worry about being peeked at.

Ye Xing pondered up, why did his stomach not hurt when he took the elixir, while Luo Xiaoyun would have a stomachache instead.

After thinking about it, he thought it should be because he had intruded into the closed room where Lu Yuan had collected the herbs that time and unintentionally absorbed the smell of the herbs. Opening the first memory fragment allowed him to break through to a certain realm, so the next was smoother.

Luo Xiaoyun was in this situation because he had no martial arts training, and after taking the elixir, he had no gongfu to refine it.

He was secretly glad that he had given her a precious Chinese medicine that was not refined from high vintage herbs, otherwise, she would have had to have her blood veins burst.

“It looks like I need to find a gong method for Luo Xiaoyun to cultivate, or find someone to lead her, otherwise practicing blindly on my own might be dangerous.”

The question was. What kind of person to find to teach Luo Xiaoyun martial arts?

He only knew three people who knew ancient martial arts: Gu Nanfeng, Yan Ruyu and Fang Bai, none of whom he knew well. He would definitely not teach them.

In the middle of his thoughts, Luo Xiaoyun came out of the bathroom, wearing his pajamas.

“How was it, did you think it out?” Luo Xiaoyun asked.

Ye Xing glanced at her. A breath of cold air was drawn backwards.

It was deliberate, she must have done it on purpose, she was actually not wearing it inside, jutting out two small dots.

“I haven’t thought of it yet, I’ll tell you when I think of it, I’ll go back to my room first.”

Fearing that if she stayed any longer, she would do something worse than a beast, Ye Xing fled as if to leave.

“Look at your wimpy look, you really have the heart of a thief but not the guts.”

Seeing him so scared, Luo Xiaoyun felt that she could trust him in the future and did not have to be on guard at every turn.

When Ye Xing returned to his room, Su Xiaoqiao was inside memorising her lines and rehearsing in front of the mirror.

“You’re back.”

Seeing his return, Su Xiao Qiao hurriedly welcomed him up and knocked her hands around his neck.

"It's only been a day since we've seen each other, and you miss me so much?" Ye Xing laughed.

"I haven't seen you for a day. It's like three years apart!" Su Xiaoqiao laughed.

"I'll take a bath first, I'll hurt you properly later."

Ye Xing went to the bathroom to take a shower, and when he came out, he was about to soak her properly, when Su Xiao Qiao hurriedly stopped him and said, "I haven't memorized my lines yet, I have to shoot a scene tomorrow, I don't want to."

"What lines, let me see."

Ye Xing took her manuscript. After a glance, he laughed: "Can't you even remember these lines?"

"The old mistake of one or two unimportant words, the director that person is very serious, not a single line is allowed to be wrong." Su Xiaoqiao said seriously.

"Actually, the director doesn't require 100% of the lines to be right, as long as you act properly, there's no problem." Ye Xing laughed.

"Why don't we practice?"

"Sure!"

Seeing that she was so interested, Ye Xing did not want to spoil her fun, so he practiced with her in the room.

After practicing for a few moments, Su Xiaoqiao was increasingly shocked that this guy's acting skills were much more powerful than she had imagined, at least two levels ahead of her.

"Ye Xing, it's a waste for you not to become an actor." Su Xiaoqiao exclaimed.

"I don't like being an actor." Ye Xing smiled and asked, "Xiao Qiao, do you want to learn martial arts from me?"

Last time Ye Xing had asked her and Su Xiao Qiao said she wanted to, so he wanted to ask again.

Chapter 247

"Think!"

The voice was small, but it was still loud and clear.

If there was this chance, Su Xiaoqiao would never give up this chance!

This chance to follow Ye Xing and stand together, instead of looking up to him from behind!

"Not afraid of being particularly hard?"

Su Xiao Qiao had no particular reverence for martial arts, her purpose for practising martial arts was just for herself.

All this. Ye Xing knew all that, so he felt extra pain for Su Xiao Qiao.

"Not afraid!"

Su Xiao Qiao tilted her head up and looked at Ye Xing.

As long as she could follow him. She was not afraid of anything.

“Good! Then I’ll think of a way for you!” He touched Su Xiao Qiao’s nose.

“I didn’t expect my Qiao Qiao to be so capable of suffering!”

With Su Xiaoqiao in his arms, the thoughts in his mind involuntarily drifted to Murong Xue’s body.

But in a moment, Ye Xing pulled back his thoughts.

“By the way, I’m shooting tomorrow. Do you want to go and see it?”

Su Xiaoqiao hugged Ye Xing and pampered her, she would rarely make such a request.

But this time, she suddenly wanted to, probably because Ye Xing had brought over Luo Xiaoyun.

That girl, Su Xiao Qiao intuitively felt the danger.

“Sure!”

It was rare for Su Xiao Qiao to have a request, and Ye Xing agreed straight away.

Su Xiao Qiao was so happy that she hugged Ye Xing and rubbed him, which rubbed out the fire of flowers.

So, another night of red being tossed around.

The next day, Ye Xing came to the set with Su Xiao Qiao early in the morning.

“Ye Xing! What are you doing here!” The director came over to greet.

Ye Xing patted Su Xiao Qiao beside him and smiled at that director, what it meant was self-explanatory.

The director nodded in understanding, “Okay. You can find a place to sit, I won’t bother you guys.”

So it turned out that he was just here to keep Su Xiaoqiao company, so the director was relieved, as long as he wasn’t here to cause trouble.

He couldn’t afford to offend Ye Xing, the great Buddha, in this place.

“Deputy director, give an account of the person sitting over there. Don’t mess with it.”

The director spoke in the assistant director’s ear.

The assistant director looked at the director suspiciously, and the director glared at him.

“Don’t look, just listen honestly!”

“Okay, I’ll explain!”

The director was telling to be respectful, he must be a big shot, it was better for him to settle down.

As soon as Luo Xiaoyun got up, she went to knock on the next door. It never opened.

He still hadn't settled the score for the stomach ache he got from letting Ye Xing feed him an elixir yesterday!

"Bastard, don't let me catch you!" Luo Luo Xiaoyun cursed in anger.

That dog man yesterday, heh, had the heart of a thief but not the guts. Eyes were glued to her and ran away hard, wimp!

"These two are not in ..... should not Ye Xing accompanied that little demon to the drama set, right?"

Luo Luo Xiaoyun rare IQ online for a time, immediately wind up running to the crew.

Want to get rid of her and the little leprechaun to make love? No way!

"Ka!"

Su Xiaoqiao had just finished the scene and trotted over to sit beside Ye Xing.

Looking at Ye Xing with special admiration.

"You're awesome! I went by the scene I did with you yesterday! It really went through all over again!"

Ye Xing laughed: "That's also Qiao Qiao's great! I remembered it after sparring with me once!"

"It's better that you taught me well, hubby!"

There were people in the cast, and Su Xiao Qiao called her husband in a whisper.

It poked at Ye Xing's cute spot. Su Xiao Qiao was really too well-behaved.

"Are you thirsty? I'll ask my assistant to get you some water, right?" Su Xiao Qiao said.

Ye Xing nodded, and Su Xiao Qiao's assistant went out to buy water with great understanding.

Not long after. The assistant came back with two cups of water.

The assistant was beside her and was a little bit eager to speak.

Su Xiaoqiao was always gentle, and when she saw the assistant like this. So she hurriedly asked, "What's wrong? Did something happen?"

"Sister, I saw the woman who lives in the next room, being pestered by someone outside ....."

Ye Xing and Su Xiao Qiao looked at each other, the one who lived in the room next to theirs, wasn't that Luo Xiaoyun!

"Let's go out and take a look!"

Su Xiaoqiao pulled Ye Xing and left.

When the two of them arrived outside, Luo Xiaoyun was saying to the greasy middle-aged man with a cold face, "I told you, you can't f'cking afford it! Can't afford it, understand?"

"How can you want to support me with this kind of goods? Don't even look at what you are!"

The middle-aged greasy man's face turned blue at Luo Xiaoyun's dislike: "You b\*tch, I adopted you. It's to give you face!"

"So you don't have to film, I'm supporting you, and you still don't know what's good for you!"

The middle-aged greasy man was obviously furious with Luo Luo Xiaoyun, and his hand began to shiver as he pointed at her.

"You guys go on and grab her! Catch this b\*tch. I'll reward you guys when I'm tired of playing with her."

The middle-aged greasy man's gaze was full of greed and vulgarity as he looked at Luo Luo Xiaoyun, he had never tried such a hot girl.

Seeing that the bodyguards behind the middle-aged greasy man were about to make a move on Luo Xiaoyun.

Su Xiaoqiao directly pushed Ye Xing out with one hand.

"Quickly go and save her!"

Although Su Xiao Qiao knew that Luo Xiaoyun was a threat to her.

But Su Xiao Qiao still couldn't just stand by and watch Luo Xiaoyun being insulted in front of her.

Ye Xing was pushed out by Su Xiao Qiao to attract their attention.

"Ye Xing!" Luo Xiaoyun called out! Then he saw Su Xiao Qiao.

Sure enough! Ye Xing was the one who came out with this vixen!

When the middle-aged greasy man saw Su Xiao Qiao behind Ye Xing, his double eyes instantly glowed, "Yo-ho, this chick is not bad either, am I so lucky today?"

"Blessed?" Ye Xing sneered twice and mocked.

"Kid, I advise you to get away and be an honest bastard, and you can still spare your dog's life! Otherwise ..... humph!"

He gestured to the two bodyguards beside him to give Ye Xing some colour.

Ye Xing coldly snorted, did not bother to talk to this fat pig, noiselessly went to the two bodyguards, gently tapped, put the two bodyguards down, silent, let people afraid.

"With two thuds, the two bodyguards fell straight to the ground.

The middle-aged greasy man's forehead instantly crawled with cold sweat! How did this man do it?

How did this man manage to put his two bodyguards to the ground without a sound?

Easily put down two people with a light tap .....

Is this something that people can do?

He was so stupid that he knew he had messed with the wrong person and was scared to death!

A hero saving a beauty is always so unforgettable.

Since the last kidnapping, Ye Xing once again appeared in front of Luo Luo Xiaoyun in her moment of crisis.

He saved her like a goddess.

The impression of Ye Xing in Luo Xiaoyun's heart seemed to have grown a little heavier.

It seemed that as long as Ye Xing was there, what kind of danger could be feared.

Such a person, at one's side, would silently and invisibly commit trust to him .....

"Still don't get lost?"

Ye Xing scolded, and the man immediately rolled and crawled away.

"What are you doing over here?"

"I'm just coming over to see what you're doing~ What's wrong with not being allowed to see?"

Ye Xing glared at her, "Don't forget what you promised me before."

Luo Xiaoyun ruffled her hair and snorted, "Fine, fine, I don't care, I won't ask, I won't interfere, okay?"

"Besides, the one you did yesterday almost cost me half my life!"

## Chapter 248

Ye Xing's face darkened, Luo Xiaoyun deliberately made her words somewhat ambiguous, was this not a deliberate attempt to harm him?

Su Xiaoqiao heard everything, if not for the fact that she and Ye Xing had been together at night yesterday, she might have really believed this woman's words.

"You can't talk nonsense, feeding you an elixir talking so ambiguously."

It was fine to tease Luo Xiaoyun any way when no one was around. But now that he was next to Su Xiaoqiao, Ye Xing still didn't want to upset Su Xiaoqiao.

Sure enough. Su Xiao Qiao heard Ye Xing's explanation. A shy smile immediately appeared on her face.

"Chit!" Luo Xiaoyun brushed off her mouth in a bored manner.

Su Xiao Qiao's assistant trotted over at this time, "Sister, the director has called."

Su Xiao Qiao walked up, wrapped her arm around Ye Xing and said to Ye Xing, "Then I'll go shoot the scene first, why don't you guys go back first?"

"How many more scenes do you have to shoot today?"

"There are two more scenes."

“Then we’ll wait for you here.”

As for Luo Xiaoyun. Her opinion didn’t matter at all.

As Luo Xiaoyun looked at these two loving people in front of her, an inexplicable emotion welled up in her heart.

It seemed that it wasn’t just as simple as being upset for their good bestie.

“Well, Su Xiaoqiao’s scene is over for today.”

Su Xiao Qiao was also originally a relatively good actress, plus last night Ye Xing and the two of them even went over the scene with her.

So today’s state was very good, almost all of them were in a passing state.

“Then we’d better go back.”

Ye Xing was keenly aware that the atmosphere between the two women didn’t seem to be very good.

But it was no wonder.

Su Xiaoqiao and Luo Xiaoyun were two people, one gentle and lovely, the other with a hot body, two flowery beauties walking beside Ye Xing left and right.

The set did not know how many men were jealous of Ye Xing.

“This man is so lucky! Both women are such beautiful and big beauties!”

“Stop it, I see that the director is also very respectful to this man, I wonder whose family’s son he is again!”

“Come on, come on, don’t mention it! I’m afraid you won’t have such a good fate in your life!”

“Chit, only you have!”

The chatter of the people behind them. As the wind drifted into Ye Xing’s ears, Ye Xing only gently tugged the corner of his mouth after hearing it.

Such a life was something he had reborn 1 time before he got it.

It was not something that could be obtained so easily.

The three of them casually ate a little bit of food and then went back to their respective rooms.

“I’ll go up to the third floor to do some work first, and come down to look for you later.”

Ye Xing explained to Su Xiaoqiao, then turned around and went up to the third floor.

Luo Xiaoyun swallowing the elixir did not quantify the absorption. It could only achieve a body-strengthening effect.

Ye Xing frowned, if this kind of pain was allowed to Su Xiao Qiao once, Ye Xing naturally could not let go of it.

Then let's change to another method?

How about making the elixir bigger and rolling it into a bath ball for them to soak in?

As long as the temperature was maintained, they could absorb the medicinal properties.

The more Ye Xing thought about it, the more he thought this method was feasible.

So he prepared the herbs and started to work on the potion.

Suddenly, Ye Xing frowned.

"Someone is passing by the villa?"

He had just sensed a hint of an outsider's aura, but the hint was soon gone.

It was as if it had passed by his villa.

Someone had passed by here at this time, and it looked as if they were an expert.

These messages made Ye Xing immediately alert.

Ye Xing immediately rolled out and followed him.

It was always important to know who this person was in order to put his mind at ease.

Ye Xing's newly purchased villa this time had high specifications, with dense forests outside the mountainous, single-family villas.

The interval between each villa is far apart. The nature of secrecy is very strong.

There was also a mountain forest behind it. Ye Xing tracked the scent just now all the way to the mountain forest directly behind the villa.

And the scent's became fainter and fainter after entering the mountain forest.

"Where is this going to be found?"

The mountain forest already had its own scent, plus the mountain was so big that the scent just now disappeared very quickly.

It was quite difficult to find someone inside such a large mountain forest.

Ye Xing took a cursory look and felt that he could not detect the scent just now. Only later did he decide to go back to the villa to continue refining pills.

However, just when Ye Xing decided to leave.

His sensitive sense of smell detected a hint of blood.

Ye Xing followed the smell of blood all the way towards the depths of the mountain forest.

"Oh Huo~"

Ye Xing crouched on a gnarled tree, the dense leaves of which easily covered his body.

But through the line of sight between the gaps. Ye Xing could still see clearly the woman sitting on the ground, covered in blood.

If it wasn't Yan Ruyu, who was it?

What a way to find her. It took no time at all to find her.

He was just worried, but he had never thought that he would come across Yan Ruyu.

Looking at Yan Ruyu's frail appearance below, not to mention Ye Xing's heart really ached a little.

However, in order to make Yan Ruyu work for him, Ye Xing decided to wait for a while, after all, that person was coming.

Ye Xing gathered his aura and hid himself cleverly behind the branches and leaves.

Suddenly, a figure instantly rushed to Yan Ruyu's heels.

"Little girl, I told you a long time ago. Don't try to run. Where can you run to?"

The person who came was about 4 years old and his body looked quite hard.

This person's strength was not bad! Ye Xing cheated for a while, this person's strength was probably that slightly lower than his own.

Such strength to fight Yan Ruyu.

That Yan Ruyu would almost be passive and unable to fight back.

"Cough, cough!" Yan Ruyu coughed twice. He spat out a mouthful of crimson blood.

"Wang Deacon Wei, you have actually become Gu Nanfeng's lackey!"

Yan Ruyu looked furious and her face turned red.

"Man for money – bird for food. Gu Nanfeng has exactly what I need in his hands. I'm just doing a job for him."

Wang Deewei didn't feel how deviant and treacherous he was in doing so.

We are all just in a relationship of interest. Wang Deewei did not take morality and benevolence so seriously.

Everything was not as important as oneself, and this was Wang Deqiwei's way of dealing with the world.

"You!"

Obviously, Wang Deqiwei's words made Yan Ruyu very angry.

Yan Ruyu angrily pointed her finger at Wang Deewei, her gaze seemed to be filled with fire, she had never seen such a shameless person before.

"Tsk! Yan Ruyu, why are you so miserable this time!"

"Who!"

The voice from the tree made Wang Deewei instantly raise his guard.

Ye Xing leapt down from the tree. Wang Deewei instantly pushed away two steps.

It was his fault that he was careless and did not think that there was someone hiding in the tree.

Besides, Ye Xing had been up in the tree for so long, and hadn't missed a single scent. This really made Wang Deewei feel scared.

"Who are you?"

Hearing his words just now seemed to mean that he was acquainted with Yan Ruyu.

Chapter 249

Ye Xing grinned, "I'm just an ordinary person."

Yan Ruyu, who was lying on the ground, bristled, if this guy was an ordinary person, then all of them should just settle themselves.

What's the point of living!

"Yan Ruyu, do you want me to save you?"

I thought I was going to die, but when the hope of life was right in front of me, how could Yan Ruyu refuse?

With blood in her mouth, she spat out one word: "Yes!"

"I say. You brat! You want to snatch someone from under me, Wang Deewei? Let's talk about surviving first!"

Wang Deewei looked at these two people singing in unison, completely ignoring him. Instantly, his anger rose.

He had lived to be more than four years old. He had never met anyone who treated him with such disdain, even Gu Nanfeng treated him with considerable respect.

And this young man in front of him did not put him in his eyes!

This made Wang Deacon Wei feel like he had received a great humiliation.

"The person I want to protect has never been unable to protect!"

Ye Xing hooked his lips and his eyes were filled with severity.

"Oh then let's try and see if you brat can survive from my hands!"

Said. Wang Deacon Wei attacked towards Ye Xing and slapped out with a palm.

Ye Xing took Wang Zhiwei's palm stiffly, without pain.

"Tsk, I thought how powerful it was, just like this?"

Ye Xing's disdainful mockery completely angered Wang Deewei.

He ran the internal energy in his body and struck towards Ye Xing.

This palm full of internal energy had struck Yan Ruyu's body before, directly knocking off half of Yan Ruyu's life.

Now that this palm was about to hit Ye Xing's body, Yan Ruyu's eyes were filled with panic.

Ye Xing didn't care about these fancy things and directly put a needle in his palm, Wang Deewei screamed in pain.

"Son of a b\*tch, what have you done!"

Wang Chuanwei covered his palm, the stabbing soreness made Wang Deacon Wei's heart grow in fear, the pain that felt like it was shattering into slag from the bone was too frightening.

After the exchange of blows just now. Wang Deewei knew that he was no match for Ye Xing.

So he silently calculated in his heart how many chances he had to win if he escaped.

Just now, Ye Xing seemed to be very concerned about Yan Ruyu's appearance.

So Wang Deewei was emboldened by evil and attacked Yan Ruyu under false pretences.

When Ye Xing saw Wang Deewei's action, he immediately shielded Yan Ruyu.

But when he turned his head, he saw Wang Deewei immediately stop his movements and turn around to run away.

He fought with his last ounce of internal strength. Wang Deomei very quickly escaped from the field in front of him.

"This old man, he knows a lot of tricks."

Wang Deacon Wei's escape was simply quite sharp, disappearing in an instant.

"Let's go!"

"I can't walk."

Not only could he not walk, he was also vomiting blood.

Ye Xing was helpless and directly picked up Yan Ruyu in a horizontal hug: "Don't blame me for taking advantage of you!"

Yan Ruyu's face was red and she wanted to say something, but finally she couldn't say anything. At a time like this, how could she have the heart to worry about this and that?

It was good that she could get her life back.

If she hadn't met Ye Xing, she probably would have had to give up her life here today.

When he thought about what he had asked Yan Ruyu to do, Ye Xing thought about it and carried Yan Ruyu into the villa through the front door.

If he brought her in secretly. I was afraid that Su Xiaoqiao would think blindly again.

“Ye Xing, this is!”

Su Xiao Qiao saw Princess Ye Xing carrying a woman covered in blood into the villa and immediately walked up and asked.

This woman was covered in blood, it would be good if Ye Xing didn't get hurt in any way.

“You're injured?”

Looking at Su Xiaoqiao's worried look, Ye Xing shook his head, “It's not me, it's her.”

“This girl is?”

“The one who taught you initiation.”

Su Xiaoqiao nodded with understanding. She remembered that Ye Xing had said before that he wouldn't teach others to get started. One would have to find someone to take her through the initiation.

“Hurry up and put her inside the bathroom! Wash her first and then apply the medicine!”

“Good! Then I'll put her in the bathroom. Xiao Qiao you help her clean up a bit now.”

When Yan Ruyu was in a daze, Ye Xing put her inside the bathroom and Su Xiao Qiao put warm water on her to take a bath.

In the meantime, she also changed her personal clothes and put on medicine.

Early the next morning, Yan Ruyu woke up leisurely.

Looking blankly at the white ceiling in front of her, she felt for a moment that her body didn't seem to be in so much pain.

“Awake? Alright, let's both talk about the conditions.”

Ye Xing pushed the door in and saw the image of Yan Ruyu waking up dumbfounded.

Yan Ruyu, who had changed her clothes, did not look the same as before. Instead, she looked a bit dumb and naive.

It was very cute.

After Yan Ruyu got up, she found that her clothes had been completely changed, the material was very good, Yan Ruyu grabbed her clothes and looked at Ye Xing.

“Why are you looking at me? I was so tired of changing your clothes yesterday!”

“Don't pretend, you didn't change!”

Ye Xing was a bit puzzled, according to the normal procedure, it was not like this.

“I just passed out yesterday, I was still conscious, I could hear the conversation between you and that girl, that girl's name is Xiao Qiao, right?”

“Your girlfriend?”

I didn't expect Yan Ruyu to have any memory of yesterday, Ye Xing thought that Yan Ruyu had already passed out when he came back with her in his arms.

"Yes, it's my girlfriend."

"It was my girlfriend who changed your clothes, and I saved the person. So you have to repay the favour."

"What do you want me to do?"

The man specified that he wouldn't make some excessive request, but he probably had an agenda to save himself.

"A very simple little demand is that you have to befriend my girlfriend and a woman to learn martial arts, you just have to take them to get started."

Ye Xing made this request with a smile.

He knew that Yan Ruyu would not refuse.

It was because this request was actually very simple for Yan Ruyu.

"Why don't you teach it yourself? You are obviously so powerful."

"Er ..... actually when I was initiated, I was so gifted that I didn't have to go through this at all ..... like a genius like me... those internal qi refining and stuff, I knew it in a jiffy. "

Yan Ruyu was dumbfounded as she listened to the reason Ye Xing gave.

She felt like she had been hit by a storm, a huge storm!!!

Was this a reason that a person could say?

This person lived to strike others, right?

Why would God allow such a person to exist!

"Can I choose not to believe it?"

Yan Ruyu revealed a fake smile, she didn't want to say a word to Ye Xing right now.

She felt that he didn't deserve it.

"That's the only condition I have anyway."

"What if I don't agree?"

Ye Xing smiled, "I will naturally have a way to make you say yes if you don't."

"For example, the medicine you applied yesterday, I personally prepared it myself, it cannot be bought on the market. There is a market without a price. It's hard to find for ten thousand gold outside."

Ye Xing finished speaking and gave a very kind smile to Yan Ruyu.

Yan Ruyu took a deep breath.

She knew it!

“Fine! I promise you what you want.”

“Then we have a complete deal.”

“You bring them both in for initiation in this villa. I’m not asking for anything else, you just need to bring them in for initiation.”

After the explanation, Ye Xing urgently went up to the third floor to practice the two big bath balls he had to practice before.

## Chapter 250

“Xiao Qiao, come back early today, the injuries on Yan Ruyu’s body have healed, you can officially follow Yan Ruyu’s cultivation from today.”

Even though she had prepared herself mentally, when she suddenly heard this news, Su Xiao Qiao was still excited. She had finally set foot on this path.

This path that Ye Xing had been walking on, and she would try to go further and further on this path. Keeping up with Ye Xing’s footsteps.

Luo Xiaoyun had been inside the villa for the past few days and had not gone out. She also knew that Ye Xing had brought back a woman who was covered in blood, but she did not care.

It was only later when Ye Xing told her that the woman covered in blood was Yan Ruyu.

Only then did Luo Xiaoyun realise. Ye Xing intended for Yan Ruyu to bring the two of them in for initiation.

Two little fox spirits.

Thinking of Su Xiaoqiao, that little vixen, Luo Xiaoyun disdainfully skimmed her mouth.

Forget it, having promised not to meddle in his private life anymore, just pretend not to see it.

At night, Su Xiao Qiao and Luo Xiaoyun were standing in the big bathroom in their sports underwear.

Ye Xing was swimming in the big bath.

Two large wooden buckets were set up in the open space next to the bath.

Ye Xing filled them with hot water and kept them at a constant temperature.

The figures of the three women in their sports underwear are revealed.

The beautiful curves of their bodies, as well as the voluptuousness pressed into them when the sports underwear was on, tempted Ye Xing all the time.

Ye Xing took a deep breath and calmed himself down.

He threw the two bath balls into the wooden bucket, and a refreshing herbal scent came from inside the bucket.

“You teach them well here. I’ll go first.”

If he didn’t leave, he wouldn’t be able to hold on, other than that, Luo Xiaoyun’s body was really quite hot. He really couldn’t stand it.

That waist and those legs, grandma.

Not to mention such temptation or three, who could stand it?

Slipped away.

Luo Xiaoyun and Su Xiaoqiao sat inside the wooden barrel and felt as if their bodies had suddenly become much lighter.

The medicinal water inside the barrel gushed into their bodies.

Yan Ruyu looked amazed, she had never thought there would be such a way to reduce a lot of pain.

Luo Xiaoyun and Su Xiaoqiao. The two of them felt hot all over, as if their bodies were filled with power inside and they didn’t know where to go.

“I’m so hot...”

Yan Ruoyu hurriedly taught them, “You two imagine it inside your minds out of thin air.”

“There is a dantian at the bottom of your stomach, close your eyes and imagine that there is a small piece of sea there, bring all the heat flow you feel inside your body and slowly converge to that location.”

The two people hurriedly did as Yan Ruyu said.

At first, they couldn’t feel anything. Luo Xiaoyun was obviously a little anxious.

Su Xiaoqiao was more calm, and did as Yan Ruyu said bit by bit, converging the power that filled her body to the abdomen position.

Slowly, Su Xiaoqiao felt that location. It was as if a small whirlpool had appeared.

Next, it became easier and easier to gather power towards the so-called Dantian.

Yan Ruyu was standing next to her, and she could clearly feel that Su Xiaoqiao had entered a good state.

Luo Xiaoyun, on the other hand, was still lingering outside the door; she hadn’t been able to gather power to the dantian until now.

Luo Xiaoyun tried for a long time, but still couldn’t feel it, and couldn’t help but feel a little anxious. She opened her eyes.

“Rest and rest!”

Yan Ruyu brought Luo Xiaoyun a towel and let Luo Xiaoyun wipe the sweat from his face.

“Why is Su Xiaoqiao still sitting there?”

Yan Ruyu finished wiping the sweat from her face. Climbing out from inside the barrel, she immediately went under the shower to rinse herself off. Getting inside the bath.

Sure enough, the water inside the bath was more comfortable for her.

This time, just like last time, her body had excreted a lot of filth.

Yan Ruyu sat at the edge of the bath and shook her long white legs, saying, “Su Xiaoqiao found the trick.”

“She has the aura of a martial artist now, although it’s very faint, but she’s probably able to gather Qi in the Dantian.”

Luo Xiaoyun’s face stiffened a little for a moment when she heard Yan Ruyu comment on Su Xiaoqiao like that.

But she didn’t say anything, and sank herself under the bath to swim a few laps.

After waiting for a while. Ye Xing was ready to come in and check the situation when he found that Luo Xiaoyun had already come out from inside the wooden barrel.

And Su Xiaoqiao was still sitting in the wooden barrel at the moment, covered in sweat.

Ye Xing could see at a glance that Su Xiao Qiao had actually had a vague trend of initiation.

“My Little Qiao is still a genius!” Ye Xing laughed harshly.

Luo Xiaoyun’s face was a little ugly. It was her initiative to learn martial arts, she and Su Xiao Qiao were doing it at the same time, and that fox spirit Su Xiao Qiao had actually gotten started in a day, and she still didn’t feel anything.

Ye Xing looked at Luo Xiaoyun and comforted, “It’s not like regular people get started in a day or two, being anxious won’t make you hot.”

Yan Ruyu followed suit, “Except for the very few geniuses, most people who get started will need to feel their way for quite a while.”

The more they said, the worse Luo Xiaoyun’s heart felt.

In that case, wouldn’t it mean that Xiao Qiao was a genius while she, Luo Xiaoyun, was an ordinary everyman?

Inside, Luo Xiaoyun was quite unconvinced.

Tomorrow, she could definitely make it tomorrow.

“That bath ball you threw for them was?”

What Yan Ruyu hadn’t noticed at first, but when that medicinal scent of herbs wafted out, she began to feel something different.

What caught her attention the most was that Su Xiaoqiao, an ordinary person, had touched the doorway so quickly, only fearing that there was something odd about the bath ball Ye Xing had thrown in earlier.

Seeing that Yan Ruyu had sensed it so quickly, Ye Xing smiled.

"I thought it would take you a few days to find out."

"I'm not stupid, of course I can see this situation at once." Yan Ruyu bristled.

She was very curious, but Yan Ruyu knew the rules and didn't continue to ask.

What if this kind of stuff involved people's secrets, and she still wanted to live.

Luo Xiaoyun was in a bad mood, so she wrapped a bath towel around her and went out.

She secretly resolved that she must succeed in getting started! No matter what, she couldn't lose to Su Xiaoqiao, the little vixen!

When Luo Xiaoyun walked out of the room, there were only three people left in the room, and Yan Ruyu inexplicably felt that her presence was a bit redundant.

So she stood up and clapped her hands, "I'll go back first."

Ye Xing nodded, Su Xiaoqiao had already succeeded in getting started, so there was nothing more for Yan Ruyu to do next, and he could teach what he should teach.

Su Xiao Qiao opened her eyes and found the whole room empty, only Ye Xing was soaking in the bath.

"Where are they?" Su Xiaoqiao looked at Ye Xing with some confusion.

Ye Xing walked up and stroked her hair, "Luo Xiaoyun didn't feel the doorway, so she went back first, and Yan Ruyu also followed along."

"Let's not talk about the two of them, how do you feel now?" Ye Xing was very concerned about Su Xiao Qiao's current situation.

Su Xiaoqiao closed her eyes and felt the condition of her body: "My limbs are warm, as if every meridian in my body has been unblocked. I can't say what it feels like, but it's very comfortable."

"The location of the abdomen seems to have a small swirl like ..... very strange!"

Ye Xing listened with a million surprises, not expecting that Su Xiaoqiao had not only managed to enter the door, but also managed to gather Qi in the Dantian.
