

## Foolish Son 251-252

### Chapter 251

“You’re a genius!” Ye Xing kissed her happily.

Su Xiaoqiao felt a sticky and greasy feeling on her body and a faint stench, so she quickly pushed him away.

She found a layer of secretion on her skin, as if it was oozing out from inside her skin, and it looked very disgusting.

“My body isn’t too clean, get out, I’ll have a good rinse!”

Su Xiaoqiao couldn’t accept her current appearance and didn’t want Ye Xing to see her like this!

She pushed Ye Xing out stiffly.

“I’ll help you flush.”

Ye Xing laughed heatedly and not only did he not go out, he also carried her to the bathroom .....

It was not until most of the day later that the two came out from inside the room, and as soon as they went out they ran into Yan Ruyu who was ready to come in for a look.

The first thing you need to do is to look at the spots on Su Xiaoqiao’s body. She looked at the spots on Su Xiaoqiao’s body and skimmed her lips, they were too much in broad daylight!

Su Xiaoqiao didn’t expect to be bumped into by Yan Ruyu as soon as she left the house, and her body was flushed pink. With a shy face, she hid behind Ye Xing.

“I didn’t see anything!” Yan Ruyu turned around and left in big strides.

“It’s all your fault!”

Su Xiao Qiao’s pink little fist pounded on Ye Xing’s back.

Su Xiao Qiao was originally just pouting, the force she used was naturally small, smashing on Ye Xing’s back did not hurt, it was more just amorous.

Ye Xing looked at Su Xiao Qiao with a bad smile, “What do you blame me for, don’t you like it?”

Su Xiao Qiao did not expect Ye Xing to be so shameless, and after stepping on his foot, she huffed and puffed and went back to the room.

“Excessive!”

When she thought of that look she had just given to Yan Ruyu, Su Xiao Qiao felt ashamed.

The evening soon arrived.

Su Xiao Qiao, Yan Ruyu. Ye Xing sat down in unison, but Luo Xiaoyun never came down from upstairs.

“Where’s Luo Xiaoyun? Why hasn’t she come down for dinner?”

There was one less person at the dinner table, and Su Xiaoqiao immediately spoke up and asked.

“I’ll go check on her!”

Ye Xing went upstairs and came to Luo Xiaoyun’s room and knocked gently on the door.

After knocking for a long time, the door didn’t even open, and no one responded.

Ye Xing frowned and went out to the outside of the villa, gently leaping to the window to check.

He found that Luo Xiaoyun had fallen on the bed and was not moving.

This was not good.

He hurriedly went back to his room and broke the door to enter.

When he entered the room, he checked his breath and found that it was in some disarray.

This little ninny, she was in too much of a hurry!

He hurriedly sat on the bed, pressed his hands onto her back, and poured his own internal qi into it.

Half a long time later, he finally smoothed out her breath and Luo Xiaoyun woke up leisurely.

“How do you feel now?” Ye Xing asked.

“Can’t die.”

Instead of thanking him, Luo Xiaoyun gave him a blank look.

“You don’t know anything about ancient martial arts, if I hadn’t come up to take a look, you would have died.” Ye Xing said in a good-natured manner.

Luo Xiaoyun hadn’t gotten started in cultivation. Being surpassed by Su Xiaoqiao, she was very uncomfortable in her heart and came back all the time to cultivate and mess around.

Luckily, the breath in her body was small, otherwise, something would have happened.

“Just die, no one cares about me anyway.” Luo Xiaoyun said instinctively.

As soon as the words left her mouth, she regretted it, didn’t that mean she was jealous?

Ye Xing had wanted to mock her a bit, but seeing her like this, wouldn’t it break her heart to mock again?

“Xiao Qiao is simple in character and has no desire. She has a normal heart and it’s normal to get started faster than you. The initiation is just the first step of a long journey, it doesn’t mean she is better than you, I don’t know how many later initiates have surpassed their predecessors, so you truly don’t need to care.” Ye Xing comforted.

Hearing him say that, Luo Xiaoyun’s heart instantly felt a lot more comfortable.

That’s right, the one who laughs until the end is the winner, and it’s only just beginning now!

“You’re hungry, go down and have a meal, everyone is waiting for you!” Luo Chen laughed.

The two of them went downstairs. Yan Ruyu and Su Xiaoqiao were at the dining table, both of them looked at Luo Xiaoyun strangely.

Luo Xiaoyun didn't say anything and sat down at the dining table, keeping her head down and not speaking.

"Let me say a few words."

Ye Xing coughed for a moment before continuing, "Cultivating a path of truth is a long journey, it can't be learned in a day or night, so we have to keep a normal heart. Little Qiao. Just because you started faster doesn't mean you are a genius, it only means you have the potential to practice martial arts, without the effort behind you, you will also stop. Luo Xiaoyun, although you are not initiated now and your qualifications seem to be a little bit worse than Xiao Qiao's, but that doesn't mean you can't do it."

Ye Xing spoke in an unusually serious manner, and all three women listened seriously.

"Ye Xing, I will try my best." Little Qiao nodded her head.

Luo Xiaoyun didn't say anything, with a resolute face.

"Eat your fill. Continue your cultivation!" Ye Xing pointed at Yan Ruyu and said, "Little Qiao has already started, you bring her up a little more and then pass on a technique to her. On Xiao Yun's side you bring her up to speed again and pass on a gong technique to her as well. Your task will be complete."

"Bringing her in is fine, but, I must not pass on their martial arts, the martial arts of our sect cannot be passed on."

Yan Ruyu shook her head. Categorically refused.

Ye Xing smiled and took a small vial of elixir out from his body, put it on the table and opened it.

Immediately, a very fragrant fragrance came over him.

"This is ....."

Yan Ruyu's face instantly changed.

"That's right, this is the elixir cultivated from that Lingzhi you've been dreaming of getting, besides that Lingzhi, there are several other very valuable herbs, if you take this elixir, it won't increase your cultivation by just a tiny bit." Ye Xing laughed.

Not betraying because the chips were not enough.

Yan Ruyu looked at him and was instantly on fire.

He could refine pills?

One should know that alchemy was something that only someone from the Immortal Sect, or someone with very high status among the disciples within the Immortal Sect, could do.

He was merely an ordinary person, how could he refine pills.

"How do I know this elixir of yours. Is it real?" Yan Ruyu was still a little wary.

“If it is true or not, you will know if you take it.”

Ye Xing pushed the elixir in front of her.

Yan Ruyu looked at the elixir and hesitated!

“If I wanted to harm you, I wouldn’t have had to save you earlier. Besides, what do you think I have to do to harm you?”

Yan Ruyu thought about it and felt that it was right, so she took the vial and poured out an elixir. Took it down.

Soon, she felt a very dominating medicinal qi coming from her abdomen and dispersing towards the four meridians.

She darted upstairs and was out of sight in an instant!

“Is she going to be alright?”

Su Xiaoqiao looked at Ye Xing, a little worried.

“It will be fine, soon she will come down and obediently submit to me.” Ye Xing laughed.

Half an hour later, Yan Ruyu came down from upstairs with a shocked look in her eyes.

Just now, after taking that elixir, she clearly felt that her strength had increased greatly.

With her current strength, she was afraid that she had already surpassed her senior brother, Fang Bai.

“Believe it now, do you?” Ye Xing smiled lightly.

“It’s fine to let me pass on the Hidden Sect’s techniques to them, I have a request.” Yan Ruyu paused for a moment and continued, “I also want an elixir.”

## Chapter 252

“Don’t you think I’m more important than this elixir?” Ye Xing looked at her with a smile and said with a smirk, “I can casually refine such an elixir, as long as you get on good terms with me, such an elixir will not be easy?”

“That’s for later, empty words are no proof, it’s only real when you get your hands on it.” Yan Ruoyu was not impressed.

“Here you are.”

Ye Xing took out another elixir vial and threw it over.

Yan Ruyu took the elixir and put it into her arms, as if she had been given a treasure.

She had already gained a lot of strength after taking that pill just now, and if she took another one, she would be able to meet Deacon Wang Wei again. If she took another one, she might even be able to fight again.

This is a revenge she must take!

“Teach them well, I won’t treat you badly.”

Throwing down these words, Ye Xing went upstairs.

Evening. The roof of the villa, by the balcony.

Ye Xing looked up, looking at the stars in the sky, holding the next bottle of drink in his hand and slowly sipping it.

The sound of subtle footsteps came from behind him, and from the sound of the footsteps, he was able to identify who it was.

“Borrowing a drink to drown your sorrows?” Luo Xiaoyun asked as he walked up to him.

“Not wine, coke.”

Ye Xing held up the bottle in his hand. Let her see it clearly.

“Missing Xue’er, right?” She continued to ask.

Ye Xing nodded his head.

It was a lie to say that he didn’t miss it, it had been a long time since we had seen each other.

Since being taken away by Shangguan Lan, she hadn’t even called once, and she didn’t know how it was going.

“I thought you had that little b\*tch Su Xiaoqiao and were so happy that you forgot all about Xue’er!” Luo Xiaoyun grunted.

“Can’t you leave a bit of a mouthful, it’s not like Xiao Qiao has offended you.” Ye Xing gave her a blank look.

“Stealing someone’s husband is a mistress, what is it if not a b\*tch?” Luo Xiaoyun rolled her eyes.

“Be careful that one day, you become such a b\*tch too.” Ye Xing looked at her with a smile.

Luo Xiaoyun was afraid that in her heart, she also felt that little bit for him, if not, she wouldn’t hate Su Xiaoqiao so much.

“Dream on, I will never do that.”

“There are no absolutes in the world.” Ye Xing put the drink in his hand and drank it down in one go.

“I dare to bet my life on .....

Before she could finish her words, her mouth was blocked by Ye Xing’s hand.

“Don’t say your words too full, it’s late, I’m going to sleep first.”

Leaving a bit of a different kind of weed, Ye Xing went back to his room.

Luo Xiaoyun looked at his back and stood dumbfounded for a long time.

After returning to his room, Ye Xing sat on his bed and his consciousness went inside that strange space to see if the memory fragment had opened.

Unfortunately. The third memory fragment, which was still grey, did not light up.

He was about to go to sleep when suddenly, a small sound was heard in his ears.

His whole body jumped up from the bed and ran to the roof of the building, in looking around.

The villa was surrounded by more woods and there was a lot of darkness in all directions, so there were plenty of places to hide.

Suddenly, a figure appeared beside him, and Yan Ruyu came up too.

“Did you feel it too?” She asked as she came up.

“Heard some flying noises, let’s search around.”

The two of them searched around the villa. There wasn’t much to find, not sure if the person was gone or lurking somewhere, eyes closed in contemplation.

“Is it possible that it was Wang Deewei?” Yan Ruyu asked.

“Wang Deongwei, is that the one who hurt you, what exactly is the grudge between him and you?” Ye Xing asked.

“Wang Deacon Wei thought that the Lingzhi was on me, so he went out of his way to hunt me down, he and Gu Nanfeng are all the way from the Nine Yin Sect. Halfway there, I met the two of them with my senior brother, we split up and fled, Gu Nanfeng went after my senior brother ..... and I don’t know how my senior brother is doing.”

Speaking of this. Yan Ruyu’s face dimmed.

With Fang Bai’s strength, he was indeed no match for Gu Nanfeng, and if he was caught up, the consequences were truly unthinkable.

“Don’t worry, what Gu Nanfeng wants is the Lingzhi, the Lingzhi is not on Fang Bai, he won’t be in danger.” Ye Xing comforted.

As he was talking, Yan Ruoyu’s phone rang. It was senior brother’s call.

“Senior brother, are you alright?” Yan Ruyu asked urgently.

“It’s fine now, I won’t be sure later.”

On the other side of the phone, an icy voice came from, but it was Gu Nanfeng’s voice.

“Gu Nanfeng, what do you want?” Yan Ruyu asked urgently.

“Hand over the Lingzhi, or else I will take his life.”

“The Lingzhi is not on me, it was snatched away by Ye Xing, you have the ability to find him.”

“You’re right, I really don’t have the ability to find him, so. I’ll have to bother you.” On the other side of the phone, Gu Nanfeng’s voice carried a strong threat. “I know that Ye Xing saved you and you are inside his villa. I’ll give you one day to get the Lingzhi. Otherwise, you will wait to collect the corpse for your senior brother!”

“Gu Nanfeng, the Lingzhi has already been refined into a pill by Ye Xing, where can I get it.”

“There is no spirit medicine. Pills are fine, remember, you only have one day, wait for my call.”

Without waiting for her to reply, the phone hung up.

Luo Chen thought for a moment and then understood.

Someone had just made a night visit and deliberately lured himself away, just to get Gu Nan Guo to call Yan Ruyu.

However, what Gu Nanfeng never expected was that Yan Ruyu, who had taken her own elixir and could also sense Wang Dewei’s night scout, was with Ye Xing at the moment.

“Ye Xing, you heard it too, what should we do?” Yan Ruyu asked urgently.

“Don’t you have an elixir, just go and exchange it.”

Gu Nanfeng didn’t know how many pills he had refined, so he gave them one. It would be enough.

“That Gu Nanfeng person is cunning and cunning, even if I give the elixir, he may not let senior brother back.” Yan Ruyu gazed at Ye Xing and pleaded, “Ye Xing, help me, okay?”

Ye Xing shook his head, “Gu Nanfeng will definitely pick a place far away to trade, if I leave, what if the two women around me are in danger?”

“Except for you. No one can help me now.” Yan Ruyu said urgently.

“Maybe you’re thinking too much, they’ll let people go once they get the elixir, it’s possible.”

“Ye Xing .....

“Alright, you don’t say anymore, it’s decided.”

Ye Xing did not want to talk any more nonsense to her, turned around and left, going back to his room.

The next morning, when Ye Xing got up, Yan Ruyu was no longer there.

Luo Xiaoyun and Xiao Qiao, were eating breakfast at the table.

“Where is Yan Ruyu?” Su Xiaoqiao asked strangely.

She used to eat breakfast together and then teach them to cultivate, so why had she suddenly disappeared today?

“She left for some things, today I will take you guys to cultivate.” Ye Xing said indifferently.

“Ye Xing, did something happen to Yan Ruyu, I saw this note in her room this morning.”

Su Xiaoqiao said as she handed over the note in her hand.

On it was an address and the words, Ye Xing, I hope you can help me.

“She will be fine, you guys don’t need to worry.”

Ye Xing crumpled the note into a ball and threw it inside the trash.

“Seeing death without saving, you are so cold-blooded.”

Luo Xiaoyun couldn’t help but curse.

Chapter 253

Ye Xing had no friendship with Yan Ruyu, the two of them were only together because of the deal, as for that Fang Bai, he had no friendship at all, his death or survival was none of his business.

“Gu Nanfeng has gone to meet Yan Ruyu, how could he come over.”

“What if this is a ploy to transfer the tiger away from the mountain?”

“You’re just a cold-blooded animal anyway.” Luo Xiaoyun snorted coldly.

Su Xiaoqiao glanced at Ye Xing, wanting to say something, obviously her thoughts were the same as Luo Xiaoyun’s.

“That’s just it, that’s just it, I’ll go and save it, alright!”

Ye Xing stood up and said, “Let’s go!”

“Where to?”

“Nonsense. Of course help you guys find a safe place.”

The three of them went out, got into the car, and Ye Xing drove the car to find a safe place first. Settle them down.

For some reason, he always had a not-so-safe feeling, always felt like someone was watching his every move.

But when he really went to look for someone, he couldn’t find them at all.

Half an hour later, he finally found a safe hotel and put the two of them down.

Then he drove his car towards the place where Yan Ruruo had left the note for the deal.

.....

In front of the hotel, under a tree fifty metres away. There were two people standing there.

One of them was dressed in black and had a long scar on his face that looked shocking.

The other was a young woman of good looks, none other than the only living woman of the Shangguan Qiu family, Shangguan Qiushuang.

“He has left, go and do it!” The man in black said indifferently.

Shangguan Qiushan stood still, hesitating.

His enemy was Ye Xing, and although these two women were related to Ye Xing, they were innocent.

If she took advantage of Ye Xing's departure and killed them both, then what was the difference between her and a villain who did no evil.

How could the Shangguan family say that they were also a big and famous family, so this deviated from her family's teachings.

"The person I want to kill is Ye Xing, not them." Shangguan Qiushan said.

"To kill Ye Xing, with your current strength, it is simply impossible to do so openly." The man in black said.

"Not now, then I will kill later."

"It's even more impossible later."

"Why?" Shangguan Qiushan looked at him in shock and said sharply, "You are so powerful, can't you teach me to defeat him too?"

"During this period of time, his aura has gotten stronger again and his speed is beyond my expectation, if he continues at this rate, I am afraid that before long, I am afraid that even I will not be a match, and it will be even more impossible for you." The man in black said.

"Then why don't you kill him now?" Shangguan Qiushan said urgently.

"You sleep with me. I'll teach you martial arts, that's all. It's not impossible to want me to help kill someone, but you don't have the qualifications."

The man in black spoke plainly, seemingly always in the same tone, without any change, as if it was coming from the mouth of a robot.

Shangguan Qiushan looked at the man in black and thought of her first time given to this disgusting man, and a monstrous hatred welled up inside her.

If it wasn't for Ye Xing, her father and brother would not have died.

She herself would not have had to accompany such an abominable man.

Since she could not kill Ye Xing openly, she would use other means, such as grabbing his woman to coerce him.

Thinking of this, Shangguan Qiushan, with big steps, walked towards the entrance of the hotel.

.....

Yan Ruyu followed the other party's request and came to a mountainous field.

The mountain field was deserted in all directions, and only one car was parked.

She came to the side of the car, about ten metres apart, and stopped.

“Gu Nanfeng, I’m here, where’s my senior brother?” Yan Ruyu shouted at the car.

No one answered back.

She slowly approached the car and found that there was no one inside the car at all.

She took out her mobile phone and was ready to call over.

It was at this moment that she suddenly heard a tiny ticking sound.

“Not good.”

Yan Ruyu was alarmed and her body instinctively leapt back. Away from the car.

Unfortunately, it was already too late!

An explosion sounded as the car suddenly exploded, and the powerful shockwave sent her flying out.

Yan Ruyu’s body was instantly covered in bruises, and if she hadn’t used her hands to block her face hole, her whole face would have been disfigured.

Bang!

Yan Ruyu’s body fell hard to the ground.

A human figure leapt down from the top of a tree, with a thin figure and a dark face. Who was it if not Gu Nanfeng.

“Gu Nanfeng, you despicable villain, how dare you use such nasty tricks.”

Yan Ruoyu spat out a mouthful of blood in a wow, roaring in anger.

“Meanness is also a form of strength, isn’t it?” Gu Nanfeng looked at her with a grim smile and put his hand out, “Where’s the pills, bring them out.”

“Where is my senior brother, I will definitely not give it to you until you hand him over.”

“Do you still have the ability to resist now?” Gu Nanfeng snorted coldly as he stepped closer.

Yan Ruyu quickly took out the small bottle containing the elixir from her body, held it in her hand and crushed it.

The bottle shattered. The aroma of the streaky fragrance of the elixir instantly filled out.

“This tastes .....

A look of surprise appeared on Gu Nanfeng’s face, he was also someone who knew a little about elixirs, and an elixir that could give off such a strong smell was definitely not simple.

“Don’t come over. If you dare come over, I’ll crush the elixir and you won’t get anything.” Yan Ruyu pressed the elixir towards the ground.

Gu Nanfeng stood still, if this elixir was rubbed into the ground. It would turn into a piece of mud, how could he swallow it, it was hard to eat the sand and mud together.

“If you destroy the elixir, I guarantee you will die a horrible death.” Gu Nanfeng warned.

“If I die, you won’t get anything, what about my senior brother?” Yan Ruyu stared at him with a deadly stare.

Her breath was weak, her body was riddled with holes, and her blood stained her clothes red!

“Bring him out.”

As soon as the words left his mouth, two figures suddenly leapt out, none other than Wang Deewei and Fang Bai.

Fang Bai’s body was tied up and his clothes were bloodstained, so he had obviously been captured a while ago and had also suffered injuries.

“Senior sister, are you alright?”

Seeing Yan Ruyu’s body covered in blood marks, Fang Bai’s face changed greatly and he was about to rush over.

“Be honest.”

Wang Deacon Wei kicked him in the knee. It made him fall to his knees.

“Wang Deaconess Wei, try to move me again.” Fang Bai roared.

Slap!

A slap fiercely smacked his face.

Wang Deacon Wei said angrily, “Damn it, don’t even look at the situation now, how dare you shout at me, believe it or not, I will kill you.”

Fang Bai was about to stand up when Wang Deewei kicked him in the knee again, making him fall to his knees again.

“Stop, if you guys dare to do it again. I’ll destroy the potion.” Yan Ruyu said angrily.

Only then did Wang Deacon Wei stop his hands.

“Throw the elixir over, and I can not kill you.” Gu Nanfeng said.

“You despicable villain, I will never believe your bullsh\*t, unless we are safe, I will definitely not give you the elixir.”

Yan Ruyu had suffered a loss, and this time she would not believe the other party’s bullsh\*t even if she was beaten to death.

“Ye Xing, why are you here?”

Gu Nanfeng suddenly looked behind Yan Ruyu and his face changed greatly.

Yan Ruyu was delighted inwardly and instinctively turned back, but unfortunately, her back was empty, there was none at all, and she knew at once that she had been fooled.

The next moment, she only felt a gust of wind blowing over, and the pill in her hand had already fallen into Gu Nanfeng's hand.

Gu Nanfeng held the elixir and exhaled deeply, and an endless aroma came over her.

"Not a bad elixir, it's wonderful."

He laughed out loud in triumph.

"Gu Nanfeng, you are really despicable to the extreme."

Yan Ruyu did not expect her last straw to be gone, and her face was ashen.

"You don't even think about it, what are you in Ye Xing's eyes, he will come over to save you, isn't he afraid that he will leave me to catch his woman?"

Gu Nanfeng looked at her with a cold smile, just like looking at a fool.

Yan Ruyu's face instantly dimmed.

Yes, what was she, she was just a tool that Ye Xing used to teach his woman to get started.

The two were not even friends with each other, so how could he come to save himself.

Fang Bai's face also went white, the two were now lambs to the slaughter.

Just as she was feeling desperate, a familiar voice came through.

"Gu Nanfeng, you dare to touch my friend, are you tired of living?"

Like a roc spreading its wings, a figure leapt from afar, jumped a few times and landed in the middle of the crowd.

Ye Xing, he had really come.

Yan Ruyu was frozen.

## Chapter 254

"Ye Xing, it's you."

Gu Nanfeng was a little surprised, obviously not expecting that Ye Xing would appear here.

"Gu Nanfeng, you didn't expect me to show up!" Ye Xing said coldly.

"How did you know that I was here?" Yan Ruyu asked strangely.

Gu Nanfeng was very cunning, he made Yan Ruyu change her place halfway and made her lose her mobile phone, she didn't understand how he chased her over.

"Do you smell something on you?"

Yan Ruyu smelled it and instantly understood, he had put some scent on himself at some point and then followed the aroma to chase after him.

It turned out. This guy did not see death and not save him.

“Gu Nanfeng, you’ve really gone too far.”

Ye Xing glanced at Yan Ruyu and saw that she was covered in blood and her body breath was very weak. Then he looked at the car wreckage that exploded next to him and instantly understood.

“Ye Xing, this is a matter between me and them, it has nothing to do with you.”

“She is my friend, you say, does it have anything to do with me?” Ye Xing killed.

Friend?

Did he treat himself as a friend?

Yan Ruyu inexplicably felt her nose turn a little sour.

This guy was cold on the surface, but inside, I’m afraid he was also on fire!

“What do you want?” Gu Nanfeng asked.

“Injure my friend. You also leave half your life behind.”

As soon as the words left his mouth, Ye Xing’s entire body scurried out, carrying a powerful aura as he blasted out with a fist.

The astral wind shot out in all directions, and the leaves underneath the trees lifted up like a gale blowing through.

“Ye Xing, can you beat the two of us by yourself, don’t be unaware of death.” Gu Nanfeng said angrily.

“Just try and see.”

Inner Qi gushed out wildly, and the wind of his fist carried the sound of breaking wind.

Bang!

Fists and palms collided!

Ye Xing retreated three or four steps while Gu Nanfeng was sent flying a dozen meters before he stopped.

Gu Nanfeng’s face changed greatly, he could feel that at this moment, Ye Xing was not a little bit stronger than the last time they fought.

“Wang Deacon Wei, he still has pills on him, let’s strike together and kill you, then we’ll each have one.” Gu Nanfeng drank.

Wang Deacon Wei nodded, although he had fought Ye Xing and was no match for him, but the two of them joined forces, he felt that they had a good chance.

Ye Xing only looked to be in his twenties, even if he started cultivating inside his mother's womb, he could not possibly be a match for the two.

The two men went one behind the other. They pinned up and attacked, their fists carrying a gust of astral wind.

Leaves drifted away in all directions, forming a floating world.

Yan Ruyu was secretly shocked as she watched the three exchange blows.

Ye Xing had two experts in front of him, but he had not fallen behind at all, but had an overwhelming advantage, he was really much stronger.

At this moment, not allowing her to think more, she hurriedly ran to Fang Bai's side and cut his rope.

"Senior brother, are you alright?" Yan Ruyu asked worriedly.

"I'm fine, are you?"

"I'm fine. Go and save Ye Xing, I'm afraid he might be in danger."

Fang Bai glanced over there, a little reluctantly, but rushed out anyway.

"Don't come over and get in the way."

After Ye Xing finished speaking, he violently struck out and exchanged a punch with Wang Deewei.

Wang Deewei's body was like defeated grass as he fell out and landed hard on the ground.

"Gu Nanfeng, he has received a punch, you should take advantage of the opportunity to strike." Wang Deacon Wei said urgently.

Just now he had used the same fight method.

Gu Nanfeng's eyes rolled around a few times, then he suddenly turned around and leapt a few times. In an instant, he was gone.

"Gu Nanfeng, you bastard, I'll go to your mother." Wang Deewei cursed, climbed up, and was about to escape.

Ye Xing kicked a stone and hit him hard on the back, causing him to stumble.

"It's not that easy to walk in front of me."

Ye Xing leapt over. Grabbing him up, he came between the two men and threw him to the ground.

"Let you guys dispose of it." Ye Xing said.

Fang Bai picked up a stone and viciously smashed it on Wang Deol Wei's leg, directly ruining his leg.

Wang Deewei screamed in agony and tried to resist, but Fang Bai's stone fell again, smashing all his limbs into a bloody mess.

"Fang Bai, you must die a good death." Wang Deewei shouted.

“You didn’t think you would have your own day!”

Yan Ruyi looked a little dismayed and said, “Senior brother, forget it, he is already a ruined man.”

Fang Bai snorted coldly. He lifted his leg and stepped on Wang Dewei’s legs, only to hear the sound of a broken egg and Wang Dewei fainted to death.

Ye Xing gave Fang Bai a look, he didn’t expect this guy to hit so hard. He had never thought that this guy would be so ruthless.

Such a person, he really didn’t like half of them.

“Let’s go.”

He turned to leave.

“Ye Xing, wait a moment.”

Yan Ruyi chased after him. Coming to his side, she said gratefully, “Thank you for saving us, if it wasn’t for you, we would all be dead.”

“A thank you and forget it?”

“What do you want?”

“To give my body in return.”

Yan Ruyi looked at him in shock, her face instantly flushed red.

“No, never.”

Fang Bai hurriedly ran over and said urgently, “Ye Xing, you can’t threaten senior sister like this.”

“Just fooling around, don’t be so nervous, want to be grateful to me and teach Xiao Yun and Xiao Qiao properly.”

Ye Xing saw that Yan Ruyi was still dazed and couldn’t help but laugh a little, she really thought she wanted her to give her life!

“No wonder Xiao Yun said that you are unreliable, really unreliable.”

Yan Ruyi blushed slightly and gave him a white look.

Ye Xing was about to say something when the phone rang.

He took out the phone. It was Xiao Qiao calling.

“Xiao Qiao, she’s fine, you don’t have to worry.” Ye Xing started to speak.

“Guess who I am?”

On the other side of the phone, came a gloomy voice with icy hatred.

Ye Xing’s smile froze.

“Shangguan Qiushan, your target is me, they are just innocent people, don’t you move them.”

“They’re innocent. What about me, am I not innocent, my father, my brother, am I not innocent, why did you kill them and make me a helpless person.” Shangguan Qianqiu roared up in anger, as if she was crazy.

Ye Xing suppressed his anger, Shangguan Qiushuang had already gone a bit crazy, he was afraid that if he stimulated her any further, he would be detrimental to Luo Xiaoyun and Su Xiaoqiao.

“What do you want?”

“Wait for my news.”

Shangguan Qiushuang finished speaking and hung up the phone.

Ye Xing dialed back and the other party had already switched off the phone.

He flew up, ran to the road, stopped a car and headed towards the hotel where the two women were.

When he got there, the room was empty and the two women were long gone.

“Ye Xing, what’s happened?”

Yan Ruoyu dragged her injured body behind him and said weakly.

“Xiao Yun and Xiao Qiao were captured.”

“Who took them?” Yan Ruyu asked urgently.

“An enemy.”

“I’m sorry, it’s all my fault.”

Yan Ruyu hung her head, she now finally understood why Ye Xing was not willing to help her, it turned out to be for a reason, and it was not because he was indifferent.

“You can’t be blamed for this, she’s always watching, even if she doesn’t do it this time, she’ll do it next time.”

“What do we do now?”

“Shangguan Qiushan’s target is me, she won’t touch the two of them until she gets her revenge.” Ye Xing’s gaze fell on her and said, “You are not lightly injured, let me heal your injuries first, otherwise it will leave hidden dangers.”

Chapter 255

Yan Ruyu was injured by the debris from the car explosion, shooting into her body, injuring her in many places, big and small, in twenty to thirty places.

“No need, I can just heal myself.”

Yan Ruyu’s face was bleak, she had injured herself into this, even if she got well, her whole body would be scarred by then.

For a girl, it was too unsightly for her body to become like this.

“I’m going out for a while.”

Two hours later, Ye Xing came back. He knocked on Yan Ruyu’s room.

Half an hour later, Yan Ruyu opened the door, dressed in a loose dress.

On the floor were two pieces of bloody clothes, and on the tabletop next to them. It was a pile of iron pieces.

Apparently, she had used her own method to take out the iron pieces.

“Take off your clothes and lie down on the bed.” Ye Xing commanded.

Yan Ruyu blushed and stood still, it was too embarrassing for her to be naked in front of a man.

“No need, I can heal myself.”

As an ancient martial artist. She still knew how to heal basic injuries.

“Do you still want to get married if you handle it like this, I made some medicine that can make you not leave a scar at all.” Ye Xing said.

“Really, you didn’t lie to me?” Yan Ruyu was instantly excited.

“What could I gain by lying to you, just to take a look at your body with a thousand holes?” Ye Xing said without good grace.

Even if her body was good, what beauty was there when she was injured like this?

Yan Ruyu instantly took off her clothes, leaving only her underwear, and her body was lying on the bed.

Ye Xing took out the medical utensils he had bought, disinfected them and then helped her take out those pieces of her body.

Although she had taken out part of it, there were too many injuries, and it took more than three hours for Ye Xing to remove all the fragments from her body.

Then, he stitched up the big wounds and put on his own special medicine.

After finishing it, it was already five hours later.

“It’s done.”

Ye Xing put a quilt over her and wiped the sweat off his forehead.

“Thank you.” Yan Ruyu said weakly.

By this time, Yan Ruyu already understood that he was genuinely helping herself.

His skill in treating external injuries just now was so divine that it had left many surgeons in the dust.

“Want to thank me, teach them both well.” Ye Xing pushed the door and went out.

The whole day. Shangguan Qiushan did not call, Ye Xing was anxious, but there was nothing he could do.

The next morning, the call finally came.

“Tomorrow, come to the city of Huaiyang in Mo Bei, fail to catch up, collect their corpses!”

Shangguan Qiushan hung up the phone without waiting for Ye Xing to reply.

“Fuck.”

Ye Xing couldn't help but curse, he really regretted not getting this bitch killed at that time.

Huaiyang City?

Why had she gone there?

Ye Xing understood after a little thinking, that was Shangguan Qiushan's old home, he was afraid that he was, trying to take revenge on himself there!

“Ye Xing. Was it the person who kidnapped Xiao Yun and Xiao Qiao who called?” Yan Ruyu asked.

“Yes, she asked me to rush to Huaiyang City.”

“I'll go with you.”

“No need, you are not yet healed, stay and rest.”

“They were caught because of me, I'll feel guilty if I don't go.” Yan Ruyu insisted.

“Your body can't take the long flight.”

“I can.”

“Not if I say I can't, you wait here for us, I will be fine.”

Ye Xing spoke in a very firm tone and left in stride.

After booking the tickets, Ye Xing went to the airport as fast as he could and took the fastest flight.

When he arrived in Huaiyang City, it was already twelve o'clock at night. He just had to find a place to stay first.

Early the next morning, the phone call came, and it was Yan Ruyu's voice.

“Beishan Cemetery, you must be there in an hour.”

Ye Xing hoofed it, rushing to the North Mountain Cemetery, and far away, in the middle of the forested cemetery, he saw a familiar figure, who was it if not Shangguan Qiushan.

His whole body lunged over. Landing in front of her, he stuck one hand on her neck.

“Tell me where they are, or I'll get you killed.”

Being stuck in a death grip around her neck, Shangguan Qiushan couldn't breathe and her face turned red.

Only her face, however, wore a smile, and under the inability to breathe, the smile was very hideous and terrifying.

Finally, Ye Xing's hand loosened.

Shangguan Qiushuang had expected this and coughed lightly a few times before she coldly said, "Don't you want to kill me, kill me!"

"What do you want?" Ye Xing asked, suppressing his anger.

"Kneel down. Kowtow ten times to my father." Shangguan Qiushan pointed at the tombstone in front of him.

Only then did Ye Xing see that the its-time monument in front of him was none other than Shangguan Jinyun's, and there was another tombstone next to it, Shangguan Qianqiu's.

She had come all the way here. It was to make himself kneel down to his father, his brother.

"Shangguan Qiushan, it is you who should kneel, if not for your caprice. Your father wouldn't have died, and your brother wouldn't have died either." Ye Xing said.

"Shut up, you are the one who got them killed." Shangguan Qiushan said angrily.

"Who is right and who is wrong, you know best in your heart. Your father was killed by me by mistake, I respect him as a character too, I can give him a bow."

Ye Xing said as he bent down and paid a bow to the tombstone.

"As for your brother, it was Shangguan Lan who killed him, it has nothing to do with me, I am not related to him, it is impossible for me to worship him."

"I said kneel down and bow down to apologise, not worship, if you can't do that, then prepare to collect the bodies of your two women!" Shangguan Qiushan threatened.

"If they die, I guarantee that what will happen to you. It will definitely be a hundred times worse than them." Ye Xing stared at her coldly.

It wasn't that he wouldn't kneel, but once he backed down, the other party would definitely press harder.

The more you cared, the more the other party would seize on that to threaten you.

"Since that's the case, just wait and help them collect their corpses!"

Shangguan Qiushan's body flashed as she flew away.

"If you want to leave, it's not that easy."

Ye Xing leapt up and grabbed towards her back.

"Master. Save me." Shangguan Qiushan shouted.

A silhouette instantly appeared in front of Ye Xing and slapped out with a palm.

From a distance, Ye Xing felt a blazing heat wave coming and secretly screamed that it was not good.

Bang!

The fist and palm collided.

Ye Xing retreated and flew out, retreating five or six steps in a row before stopping.

His palm was a little charred and red, and it was hot and painful.

Ten metres away, there stood a man, similar to himself in age, dressed in black and emitting an aura of gloom and cold.

His right palm was red, like a flame, and at a glance he had cultivated a not uncommon divine ability, and it was highly likely that what he cultivated was not an ancient martial art, but a strange divine ability similar to Shangguan Lan's.

There was a scar on his face, which looked particularly frightening.

"Who is under the forehead and what is the relationship with her?" Ye Xing asked without moving.

"She slept with me and is now my woman, you can't touch her." The man in black said indifferently.

Ye Xing looked at Shangguan Qiushuang's face, her face was very ugly.

This woman, actually sold her body in order to take revenge.

"So, you must stop it?" Ye Xing asked coldly.

## Chapter 256

"You're no match for me, get lost!" The man in black said arrogantly, with his hands behind his back.

"Whether you're a rival or not, you won't know until you try."

Ye Xing's body scurried out and blasted out with a fist that carried the sound of breaking wind.

"No self-respect!"

The man in black snorted coldly. His body turned crimson.

In the next moment, a flame sprang up in his hand. A palm slapped towards Ye Xing.

"You're from the Immortal Sect?"

This time, Ye Xing felt it very truly, the feeling was just like when he had fought with Shangguan Lan.

Only, the spell Shangguan Lan was using was cold ice. And he was flames.

Bang!

The two of them exchanged a palm strike!

Ye Xing was once again shaken out of the way and felt his arm burning hot.

“Huh!”

The man in black looked at Ye Xing, and then looked at his hand with Ye Xing’s airflow still remaining, and was slightly surprised.

Ye Xing looked at his hand and saw that it was not damaged, so he continued to strike at once.

His fist brought up a round of fierce attacks, with an aura like a rainbow.

The man in black returned the blow while sizing up Ye Xing, and after a moment said, “You actually cultivate Yuan Qi as well, say, who taught you that, and are you a disciple of the Immortal Sect?”

“I don’t know what you are talking about. Watch the moves.”

Ye Xing began the next round of fierce attacks, stormy and defenceless.

Today, he absolutely could not let Shangguan Qiushan leave, and must get the whereabouts of Xiao Yun and Xiao Qiao.

“Since you have cultivated Yuan Qi, you actually still use the moves of ancient martial arts, what a waste.”

The man in black slapped out a palm. Each slap carried a blazing wave of Qi, and soon Ye Xing was somewhat unable to hold on.

“With your strength, you are considered to be a Qi Refining Initiate, cultivation is not easy, I will let you off for now, don’t blame me for not being polite if you strike again.”

The man in black withdrew his hand. Leaping away, he landed next to Shangguan Qiushan.

Shangguan Qiushan’s gaze was on fire, she didn’t expect this ugly man to be so strong, even Ye Xing was not his opponent.

“Master. Please help me kill him, please.” She said urgently.

“I said I won’t help you kill anyone.”

Shangguan Qiushan looked at Ye Xing with great reluctance, but the next moment, she was happy. She laughed coldly, “Ye Xing, I have arranged for your two women to be in a place where there is no one. If I don’t let them out, they will starve to death. You can just wait and see them slowly starve to death!”

Shangguan Qiushan laughed loudly and turned to leave after the man in black.

Ye Xing was in a great hurry, and the man in black could not be beaten, and he could not let Shangguan Qiushan leave, so he was anxiously spinning around in place.

“Brother, wait a minute.”

Ye Xing hurriedly chased after him, came to the man and took the last pill out from his body. Opening the pill bottle.

“This elixir, I can give it to you, as long as you give this woman to me.”

“It smells as if it smells good, bring it over and take a look.”

Ye Xing tossed the elixir over. It landed in the hands of the man in black.

The man in black smelled it and said, “The elixir is not bad, it is a good thing if it is for those who are initiated into cultivation, but for a realm like mine, it is not useful at all.”

“This is just the elixir I’ve refined now, down the road I can refine a more advanced elixir, it will be useful to you then. This woman, forget it once you’ve slept with her, her value is far below mine, you should be clear about this.” Ye Xing said.

“She’s my woman, how could I have given her up. But I have a proposal.”

The man in black landed his gaze on Shangguan Qiushuang and said, “This elixir can make your strength rise a lot, you can trade with him.”

Shangguan Qiushuang looked at the elixir and was moved.

But the next moment, her gaze went icy cold.

“Not to mention an elixir, even if it’s more valuable, I won’t trade it. You caused my brother and father to die, and I will make you pay a heavy price for it.”

“If you don’t tell me their whereabouts, don’t even think about leaving.”

Ye Xing shouted violently and his whole body rushed out, blasting out with a fist.

Which knew that before the fist reached Shangguan Qiushuang, it was shaken away by the man in black’s fist.

The man in black carried Shangguan Qiushuang and leapt a few times, disappearing in an instant.

Ye Xing had no choice but to call Yan Ruyu.

“How is it, did you save Xiao Yun and Xiao Qiao?” As soon as the call was answered, the other side asked urgently.

“Yan Ruyu, go to the police right away, have the police come out, Shangguan Qiushuang didn’t leave with the two of them, they must still be in the city.”

Flying in a plane, which required identity registration, Shangguan Qiushuang would definitely not take them with her.

Ye Xing hurried, took the plane back and went straight to the police, Yan Ruyu was already waiting.

## Chapter 257

“Have you found them yet?” Ye Xing asked urgently as he stepped forward.

“Bureau Wu has sent someone out, still haven’t been able to find their whereabouts.” Yan Ruyu pointed to a middle-aged man beside her and said, “This is Bureau Wu, it’s better to let Bureau Wu introduce you to the situation!”

The middle-aged man nodded towards Ye Xing before saying, "After Miss Yan reported the case, we immediately went out to investigate all the closed roads, basically it is true that your two missing friends should still be in the city, we have sent all the personnel we could ....."

"Less polite words, people found or not?" Ye Xing was too lazy to listen to his official tone.

"Not yet."

It had been two days, Luo Xiaoyun and Xiao Qiao hadn't eaten for two days, they wouldn't last much longer.

Ye Xing was anxious like an ant on a hot nest. He was going around in a ball.

"Inside the surveillance, has Shangguan Qiushan's whereabouts been found?"

"There is a discovery, but there is no trace of the missing two."

"Pull out all the video information and send it to me." Ye Xing ordered.

"Mr. Ye. You'd better go back and wait for news, these are the things we police should do, once we have news of them, I'll tell you first ....." Bureau Wu didn't want outsiders to get too involved.

"What's your phone number, I'll have someone call you."

Bureau Wu looked at him suspiciously and gave him his phone number.

Ye Xing immediately called Beino's number and asked him to arrange it.

A few moments later, Bureau Wu came to his side. There was a respectful look inside his eyes.

The province had just called and asked him to unconditionally cooperate with Ye Xing, so he realized that Ye Xing was not a simple person.

"Mr. Ye, please go to the surveillance room, there are closed circuit images of all the kidnapers."

A few moments later, Ye Xing arrived at the surveillance room and then locked himself in there.

Throughout the night, Ye Xing locked himself inside and studied the video.

Inside the video, one could see Shangguan Qiushan, left and right, sandwiching Luo Xiaoyun and Su Xiaoqiao, coming out of the hotel and leaving the hotel, it was this one image that Ye Xing was watching over and over again.

"Have something to eat, you haven't eaten all day." Yan walked in, carrying a bowl of noodles.

"No need." Ye Xing said back.

Xiao Yun and Xiao Qiao had been hungry for three days, if they continued like this, he was afraid that they wouldn't be able to hold on.

"Your body is the essence of the revolution, if you don't eat, how will you have the energy to keep going to them?"

Ye Xing picked up the noodles and was about to eat up when suddenly the phone rang.

It was already four or five in the morning, usually at this time. There shouldn't be any phone calls.

Could it be that the two women had news?

Ye Xing hurriedly picked up the phone, and a familiar voice came from the other side.

"Haven't you found anyone yet, aren't you afraid that they will starve to death?"

On the other side of the phone, Shangguan Qiushan giggled, her voice full of vengeful smugness.

"Shangguan Qiushan, they are innocent, come at me if you have the guts." Ye Xing said angrily.

"I will settle your score, of course, but right now, I will let you take a break from losing your lover."

Shangguan Qiushan laughed loudly, like a maniac.

"I will definitely find them." Ye Xing said resoundingly.

"You are so sure, why don't you send someone to find the rest of the place. The city is so big, you can't find half of it now, right? If you don't hurry up, they will starve to death alive in two more days."

Ye Xing frowned, listening to Shangguan Qiushan's words while looking at the closed road.

Suddenly, his gaze was fixed, staring at Shangguan Qiushan who was carrying Luo Xiaoyun and Su Xiaoqiao on the closed road in a deadly column.

The photo was very clear, illuminating the faces of all three very clearly.

"Shangguan Qiushan, you keep urging me to search the rest of the place, does it mean that they are not at all in the rest of the place that is not searched?"

"The footage of you captured on the closed road. All of them are blurry, the only one that is the clearest is the one of you taking Luo Xiaoyun and Xiao Qiao out of the hotel, you even deliberately turned around and gave a smile to the camera head." Ye Xing said coldly.

"Provoking you!"

"There is another possibility, that the two of them are in the hotel."

As if thinking of something, Ye Xing immediately walked out of his office and asked loudly, "Bureau Wu. Has Lihe Hotel been searched yet?"

"No, on the closed road she has handed over the two women and taken them away, so ....."

"This is exactly how shrewd she is, the more dangerous the place, the safer it is."

Ye Xing said while listening to the attitude of Shangguan Qiushan over there, she did not have anything, silent.

"Yan Ruyu, go."

Ye Xing walked out of the police station with big steps and headed towards the Lihe Hotel with Yan Ruyu.

The two reviewed the hotel, and after opening all the hotel rooms, finally. In one of its hotel rooms, they found the two women who were tied up dead on the bed.

Having not eaten for a long time, the two had long been exhausted and were dying, especially Su Xiaoqiao, who did not even have the strength to hug Ye Xing.

Ye Xing dialed the phone number from earlier. Coldly, he said, "Shangguan Qiushuang, you have lost."

"So what if you find it, you got lucky this time, you won't be so lucky next time."

Shangguan Qiushuang was furious.

"There's no next time. Let me meet you again, you will die."

Ye Xing finished speaking and hung up the phone ruthlessly.

.....

The next day, a hotel box.

A man and three women, the table, full of food.

Luo Xiaoyun wolfed down the food, gulping down the roast chicken, not caring about the image at all.

Su Xiaoqiao, on the contrary, was a little more civilized and ate much more soberly.

"Don't be so hasty, be careful of swallowing."

Ye Xing looked at Luo Xiaoyun and was speechless.

"This b\*tch, next time I catch her, I'll have to kill her."

Luo Xiaoyun cursed as she ate.

"It's all my fault, if Ye Xing wasn't for saving me, Shangguan Qiushan wouldn't have been able to take advantage of someone's danger." Yan Ruyu said guiltily.

"It has nothing to do with you. She couldn't find a chance this time, she will definitely find a chance next time." Ye Xing said.

It was a full hour later before the two women had eaten enough and regained some strength.

After eating, the three women returned to their respective rooms.

"Warning you guys, keep your voices down, don't disturb my sleep."

Before entering the room, Luo Xiaoyun suddenly said.

Su Xiaoqiao's face instantly turned red. Like a red apple, she shyly lowered her head.

Ye Xing couldn't help but lol and said, "The room is so well soundproofed, unless you deliberately walked to the window to listen, how could you possibly hear it."

"I'm not as perverted as you!"

Luo Xiaoyun finished speaking and heavily closed the door.

“Grace will be revenge, I should have known not to save you and let you starve to death alive.”

Ye Xing scolded a little before taking Xiao Qiao into the room.

As for what happened inside the room next, it was not enough for outsiders to know.

The next day, not long after Ye Xing woke up, the phone rang, it was Yan Ruyu calling.

“The division called, I’m going back in a couple of days, so they should hurry up with their training in the next few days.” Yan Ruyu said.

Ye Xing immediately told Su Xiaoqiao to get up, then went to knock on Luo Xiaoyun’s room, and didn’t respond after knocking for a long time.

“Luo Xiaoyun, if you don’t work hard, you won’t be able to catch up with Xiao Qiao in this life.”

Those words worked and Luo Xiaoyun immediately came out and followed Yan Ruyu to cultivate.

## Chapter 258

For the next two days, Yan Ruyu wholeheartedly taught Su Xiaoqiao and Luo Xiaoyun some introductory techniques about ancient martial arts, and then hurried back to the Hidden Sect.

As for Shangguan Qiushan, he was taken away by the man in black, and with Ye Xing’s current strength, he was not capable of defeating that man in black.

If he wanted to take this revenge, he could only wait until his strength had advanced one more level, and then he would find the opportunity to take revenge.

In the evening, Ye Xing sat in his room and after reciting the Three Ages of Grace and Fruit Sutra once more, his consciousness entered that chaotic space once again to see if the third memory shred had opened. Regrettably, it still had not opened.

The alchemy method obtained from the second memory fragment had made Ye Xing’s strength rise greatly, and he was very eager to open the third memory fragment.

If he could open the third memory fragment. His own strength would definitely be able to soar again, and then even if he faced the man in black who was protecting Shangguan Qiushan, he would have a chance to win, even if he faced Shangguan Lan.

“Ye Xing, Yu Lin is inviting us for morning tea tomorrow morning, are you free?” Su Xiaoqiao asked.

“Okay, you can tell Xiao Yun, see if she goes?” Ye Xing said.

“It’s better for you to ask!” Su Xiaoqiao said with some difficulty.

Luo Xiaoyun was Murong Xue’s bestie. For Su Xiaoqiao, a third party, she had never had much good feelings, and although the two had experienced life and death, they still could not become friends yet.

Ye Xing took out his phone and dialed out.

“Xue’er’s current whereabouts are clear, you’re not thinking of meeting women, big stud, not going.” Luo Xiaoyun hung up the phone in a huff.

“If you don’t go, you don’t go, and you hang up on me, you’ll have to beg me later.”

For this somewhat nervous woman, Ye Xing was too lazy to care.

There was no talk all night, and the next morning.

Ye Xing, Su Xiao Qiao and Cheng Yulin were having dinner in a private room in a hotel.

“Xiao Qiao, how come you look so much better, is this the effect of cultivating martial arts?”

Seeing the white and delicate skin on Xiao Qiao’s face, Cheng Yulin couldn’t help but exclaim.

“It should be somewhat effective, the elixir Ye Xing gave me drained a lot of toxins.” Su Xiaoqiao returned.

Cheng Yulin looked at Ye Xing blearily, “Ye Xing, I also want to take the elixir and learn martial arts.”

Ye Xing had a bit of a headache.

He already had a headache from bringing Luo Xiaoyun and Su Xiaoqiao, two newcomers, to begin with, but now with another Cheng Yulin, wouldn’t it be an even bigger headache.

The most crucial thing was. He wouldn’t be able to teach at all.

“I do have pills, but, I won’t be able to teach them.” Ye Xing shrugged his shoulders.

“It’s okay, Little Qiao will teach me, right?” Cheng Yulin laughed.

“I won’t either, I’ve only learnt a little bit of the skin, I can teach you all that Master taught me.” Su Xiaoqiao said.

Ye Xing handed over the last remaining Small Peiyuan Pill from his body, so far, all the pills he had refined after getting the Lingzhi were used up, next time he would have to find a higher vintage spirit medicine to continue refining.

“Xiao Qiao. These days it’s almost your turn to play again, you’ll probably be busy from now on.” Cheng Yulin said.

“It’s okay, I can make up for it, no problem.”

The next topic of conversation between the two women was all over the new drama.

After chatting for a few moments, Su Xiaoqiao went to the washroom.

“Ye Xing, you mustn’t let Xiao Qiao down with that, she’s a very nice girl.” Cheng Yulin gave him a look and said.

“Don’t worry, I won’t let her down.” Ye Xing nodded his head.

“Sometimes, I really envy Xiao Qiao, to meet a man as good as you.”

Speaking of this. She secretly sighed, why couldn’t she meet one herself!

“There are plenty of good men in the world, it’s just that you haven’t met one yet, when you do, you won’t think I’m a good man anymore.” Ye Xing laughed.

“You are the most excellent young man I have ever met.” Cheng Yulin said seriously.

“Can I interpret that as a confession?” Ye Xing laughed heatedly.

Cheng Yulin froze for a moment and gave him a look, followed by a laugh, “Sorry about that. I can’t accept a man who has another woman, even if you’re good, I have an emotional cleanliness fetish.”

“Just kidding, don’t take it seriously.”

Ye Xing knew very well what kind of woman Cheng Yulin was, a star diva like her, with all her money, talent and looks, was extremely arrogant and had extremely high requirements for her man, and would definitely not share a man with another woman.

Even if she has a crush on her, they can only be friends at best.

The two of them were chatting. Suddenly the phone rang, it was Zhao Qiangwei.

Why was this woman calling herself?

“Sister Qiangwei, what’s blowing today, why did you remember to call me?” Ye Xing picked up the phone. Smiling, he said.

“Ye Xing, has your wife gone missing?” Qiangwei asked straight away.

“No, just went out of town.”

Murong Xue had been taken away by Shangguan Lan and was not at the company. Rose knew this was a common situation.

“And you thought something had happened to her, a chance to rub it in to you and my sister.”

Ye Xing’s face darkened, this woman, her words were too direct!

Even if you have such a mind, you have to rot in your heart!

If anyone else had said this, Ye Xing would have cursed, but it was Qiang Wei who said this, so it couldn’t be helped. He had long been used to the character of this woman with big breasts and big nerves.

“Forget about your sister, you and I can still think about it, you know I’m a fan.” Ye Xing laughed.

“Fuck off.” Rose scolded, then added, “Are you free in a couple of days?”

“What’s up?”

“It’s my birthday day after tomorrow, come over and support me, if you don’t come over, you won’t even be friends.”

Without waiting for Ye Xing to reply, Qiang Wei hung up the phone.

This woman. Really domineering as always.

“Another girlfriend?” Cheng Yulin asked in passing.

“A crazy b\*tch’s birthday is in two days, and she explicitly wants me to come over.” Ye Xing said back.

“Where?”

“The provincial city.”

“Men like you, you’re good, but you don’t really feel safe.” Cheng Yulin laughed.

As the two were talking, Su Xiaoqiao came back.

“Xiao Qiao, I have to fly to Guangnan Provincial City the day after tomorrow, so I can’t stay here with you.”

These few days Xiao Qiao had drama, so she definitely couldn’t leave.

“That’s okay. I can’t be tired of you all day.” Su Xiaoqiao said.

“Don’t you ask him where he’s going?” Cheng Yulin couldn’t help but jack in, “He’s going over to celebrate a woman’s birthday, a woman.”

“I believe in Ye Xing, it’s enough that he loves me in his heart.” Su Xiaoqiao laughed.

Cheng Yulin made a collapsing gesture.

“You’re really carried away by love.” She was speechless.

After finishing breakfast, Ye Xing started to book a flight, and by the way, he went back to tell Luo Xiaoyun that he was going to make a trip to Guangnan Provincial City.

“I’m also going along.” Luo Xiaoyun immediately said.

“I’m just going on an errand, I’ll be back soon, why are you going to fool around?” Ye Xing flatly refused.

Luo Xiaoyun was always staring at herself as Murong Xue’s best friend, one Su Xiaoqiao already made her act like an enemy, if she knew that she was going to celebrate Qiang Wei’s birthday, she was afraid that she wouldn’t be able to spit ivory out of the dog’s mouth again.

“Don’t think I don’t know, Zhao Qiangwei’s birthday, invite you over to attend.” Luo Xiaoyun looked at him askance and scolded, “She invited me too.”

## Chapter 259

The next evening, the two landed by plane in the provincial city of Guangnan.

A BMW sports car was waiting in the car park, it was none other than Zhao Haitang.

“Miss Haitang, why are you so polite, we can just take a ride to the hotel ourselves.”

Ye Xing said as he got inside the car.

Luo Xiaoyun glanced at Haitang and her face slightly eased.

The last time the Zhao sisters came to Huaijiang to play, a few of them even had a drink fight, she had a good impression of Haitang and thought she was a very gentle girl, unlike Zhao Qiangwei, who was a whole crazy b\*tch.

“Sister Xiao Yun. Get in!” Haitang greeted with a smile.

Luo Xiaoyun followed and got into the car, which headed towards the hotel.

“Why is this birthday party at a hotel, isn’t it a bar?” Ye Xing asked strangely.

From the impression, Zhao Qiangwei was a woman who was drunk. How could she obediently spend her birthday at a hotel when she went to a bar thirty nights a month.

“Dad asked for it, she couldn’t push it.” Haitang smiled bitterly.

“Why?”

“My sister is twenty-seven years old.”

When she said that, Ye Xing instantly understood, daring to say that this birthday party, Zhao Dongshan wanted to marry off his daughter.

Twenty-seven years old, although not very old, but for a woman. Once she misses out and enters the 30 year old mark, she will have to drop in price.

“It’s good to get married early, a man in charge, your sister will also be more restrained. It’s just that I don’t know what kind of man will be able to subdue her.”

When he thought of Zhao Qiangwei’s fiery personality, Ye Xing laughed bitterly, whoever married her would definitely have bad luck.

Whoever married her would definitely be unlucky. She raced cars, picked up bars, got into fights and gathered a group of people to call her sister.

If this kind of woman were in the past, she would be the big sister of the society.

If any man married her and made her unhappy, it was not impossible for her to cut him up in the middle of the night with a karaben.

“Sis didn’t want to, had a fight with Dad and nearly gave him a heart attack before she finally agreed.” Kaito continued.

“Your sister has so many friends, and none of them have feelings?”

Rose had made friends all over the world. There were quite a few of the opposite sex too, so there was always one that caught her eye, right?

“I don’t know, but I haven’t seen her have a crush on any guy anyway.” Haitang said helplessly.

If it was in the past, Ye Xing would probably still think that Qiang Wei was bent, but between the two of them, having experienced something warm and fuzzy, he knew very well that Qiang Wei wasn’t bent, and probably couldn’t find someone she liked for the time being.

During the small talk, we soon arrived at the hotel.

Haitang had already opened a room for the two to check in.

Ye Xing had just returned to his room when a knock sounded on the door.

He thought it was Luo Xiaoyun. When he opened the door, he found that it was Qiang Wei.

“Why are you here?” Ye Xing asked strangely.

Qiang Wei was wearing a sexy little leather jacket on top and leather trousers on the bottom, revealing her tiny willow-like white waist, looking very sexy and hot, dressed similarly to how Ye Xing felt when he first saw her.

“There’s something to talk to you about.”

Qiang Wei closed the door behind her, walked to the bed and sat down, crossing her legs.

“What is it?”

“That old bastard Zhao Dongshan is forcing a marriage, and he’s definitely introducing me to a boyfriend for my birthday tonight. The old man has already had a heart attack, and I’m afraid if I resist again, he’ll go to hell tonight with both eyes rolled back. My birthday will be the anniversary of his death.”

Calling the old man an old man shows how far the father-daughter relationship has fallen apart.

“Your father is also doing it for your own good, besides, you are not young anymore, you are twenty-seven, you can get married.” Ye Xing advised.

“How can I marry if I don’t feel like it, it’s hard to marry someone I don’t like and stare wide-eyed every day. You look at me uncomfortable, I look at you uncomfortable?” Rose rolled her eyes and continued, “Besides, I haven’t had enough fun yet.”

“How do you want me to help you?” After all, we had known each other for a while, and Ye Xing thought to help if he could.

“Pretend to be my boyfriend to shut my dad up and kill those stinky men.”

“No, absolutely not.” Ye Xing waved his hand repeatedly and said, “I’m already married, your father will definitely not believe it, and it’s not good for you to make friends with a married man.”

“Don’t you have an agreed divorce from Murong Xue?”

“That’s a lie.”

“Who knows if you are real or not. Anyway, if you make it through the night and we’re not together in the future, you can always say that we don’t have the right personality. I won’t be afraid of her when that old man gets better from his heart attack.” Rose continued.

“Can’t you find another man. Why do you have to find me?” Ye Xing just couldn’t figure it out.

“Just ask you, will you help?” Rose was getting angry.

“It’s not that I won’t help, it’s that I can’t help.”

“If you help me, I won’t treat you badly.”

Ye Xing couldn’t help but laugh. Jokingly, he said, “Tell me instead, what can you impress me with?”

For money, he had plenty of it, he didn’t lack anything, what could she have to impress herself?

“I could sleep with you once.”

Ahem!

Ye Xing almost choked to death on his own saliva.

This girl was too posh, this was something that an ordinary woman would never be able to say.

Among the women he knew, it was estimated that only Qiang Wei could say such words.

After taking a look at Qiang Wei’s hot body, Ye Xing gulped hard, he had never tried such a hot girl, should he push the plate with the water?

“Can we still be friends after sleeping with her?” He blurted out.

“Never tried it, don’t know.” Rose looked at him with a wry smile.

“Forget it, I don’t like to fap with bent women.”

Thinking about it, Ye Xing was still a bit afraid.

If you could still be friends after fapping, hell yes.

In case, Rose haunted him, that would be a problem.

“Forget about not helping.”

Rose didn’t force the issue. Seemingly a little upset, she simply turned and left.

Her back was very spontaneous looking, but in Ye Xing’s opinion, it seemed a bit silent and lonesome.

It was soon nine o’clock in the evening, and Ye Xing walked to the next room and knocked on the door. A moment later the door opened and Luo Xiaoyun came out wearing a lavender evening dress.

Ye Xing looked a little dumbfounded for a moment.

This lavender corseted evening gown had beautiful collarbones showing through. The waist was very thin, wrapping her perfect figure, and at a glance, it looked as if she was an angel, emitting a dazzling light.

Accustomed to Luo Xiaoyun’s police make-up, he was not at all accustomed to her suddenly dressing like this.

Luo Xiaoyun was a little uncomfortable by his look and explained, “Haitang said it was a reception tonight and sent another dress over, so I wore it by the way. How is it, does it look good?”

“It looks good, it looks much better than not wearing a dress.” Ye Xing joked.

“Ye Xing, you bastard.” Luo Xiaoyun broke into a cuss.

That night, he must have seen him when he took a bath in the mill-sauna bathroom.

Ye Xing didn’t dare to retort, and if he said it again this woman was going to go crazy.

“You’re just going over like this?” Luo Xiaoyun saw him in casual clothes and frowned.

“Who said you have to wear formal clothes to go to a reception, I feel quite comfortable like this.”

Ye Xing finished speaking and walked towards the lift.

“Wait a minute, I’ll change my clothes, I’m not used to wearing these clothes either.”

Luo Xiaoyun ran back to her room and quickly changed into a casual outfit and came out.

## Chapter 260

The birthday reception took place on the eighth floor, with a huge and luxurious hall as far as the eye could see.

At the entrance was a poster with a picture of Zhao Qiangwei, so beautiful that everyone who entered could not help but take a few more glances.

It was clear that Zhao Dongshan had gone to great lengths to marry off his daughter.

Inside the hall, there was a lot of fine food and red wine and drinks for the guests to drink at their leisure.

“Don’t you think, we enter here like monkeys?”

Looking at the hall, the men and women who were all dressed very decently. Luo Xiaoyun couldn’t help but say.

The men were all wearing suits and ties, and the women were almost all wearing long skirts or evening dresses.

They were the only two, wearing casual clothes that were all over the street. It did look, indeed, quite unconventional.

“We call this special.” Ye Xing laughed.

The two walked inside and immediately a figure greeted them, it was none other than Haitang.

“Why don’t you wear the clothes I gave you, don’t you like them?” Haitang asked strangely.

“Forget it, I’m still not used to wearing such noble clothes.” Luo Xiaoyun shook her head.

“We won’t be turned away dressed like this, will we?” Ye Xing asked with a smile.

“Why not, it’s good that you guys can come. Whatever you want to eat, feel free, there are many high society figures here too, which one you want to meet, I can introduce you.” Haitang laughed.

As expected of a woman who had returned from studying abroad, she was able to handle these occasions with ease.

“You greet the guests first, let’s casually stroll around.” Ye Xing smiled.

Haitang nodded and went around to greet others.

Ye Xing saw a familiar figure, and it was his cheap elder brother Ye Weiguang.

Ye Jiannan had three sons, his eldest son Ye Weiguang, his second son Ye Weimin, and finally Ye Xing, his illegitimate son.

In the past, everyone thought that Ye Xing was a fool, and that the hopes of the Ye family were all on Ye Weiguang and Ye Weimin, but little did they know that these two sons of Ye Jiannan were more indisputable than each other, Ye Weiguang was a womanizer, Ye Weimin was a gambler, and none of them were good.

Ye Weiguang was chatting with a beautiful woman when he suddenly saw Ye Xing and instantly became unnatural.

He was afraid and hated this brother at the same time.

“Who is that Tuba-chan?”

The woman in the long red dress over by Ye Weiguang asked curiously.

“Don’t know.”

Ye Weiguang whispered back. Pointing over there, he said, “Let’s go over there and talk.”

Instead of going over, the woman in the red dress came towards Ye Xing and soon came in front of him with her head held high: “Tupazi, what are you looking at, haven’t you ever seen a beautiful woman before?”

Ye Xing’s face instantly turned black.

He had only swept a glance at his indisputable brother and incidentally swept a glance at her, had he provoked her?

“I’ve seen a lot of beautiful women, I’ve never seen a woman as disgusting as you.” Ye Xing snorted coldly.

“Tuba-zi. What did you say, have the guts to say it again.”

The red-skirted woman was immediately furious, this guy actually dared to call her names.

“Men who are lecherous and women who are cheap, dogs and men.” Ye Xing coldly snorted.

Knowing full well that Ye Weiguang was already married, this woman still stuck up for her, what was she if not a slut?

She didn’t know her, she had no grudge, and she came over to mock her, what was she if not a b\*tch?

The red-skirted woman was furious and raised her hand to slap, about to strike down.

Before the slap could land on Ye Xing, Ye Xing directly kicked her in the stomach. It sent her flying a few meters away.

“Come on, Tuba-zi is hitting someone.” The red-skirted woman covered her stomach and shouted.

Many of the people around, gathered around to see what was going on.

Ye Weiguang helped her up and whispered, “Xiaotao, are you alright!”

“Ye Weiguang, he hit me, go and help me take revenge for this.” Xiaotao pointed at Ye Xing and yelled.

“Xiaotao. Forget it!”

Give Ye Weiguang ten guts, he would not offend Ye Xing, the current Ye Xing was beyond his reach, both in terms of wealth and force.

“Ye Weiguang, you punk, the youngest master of the Tang Tang Ye family, you don’t even dare to teach a mudblood a lesson, and you still want to pick me up.” Xiao Tao cursed.

“Peachy, he’s not good to mess with.” This woman hadn’t been taken down yet, and Ye Weiguang continued to advise.

“It’s just a bumpkin, what’s so bad about it. Saying that you are just a wimp.” Xiao Tao said angrily.

“If you think he’s a bumpkin, fine, you get help here, I’ll see who dares to stand up for you.”

Ye Weiguang persuaded several times to no avail. He could only give up.

It was good for a woman to be pretty, but there was no point in being as stupid as a pig.

“Come on, someone’s hitting someone.” Peachy wailed.

“Xiaotao. What’s going on?” A familiar voice came.

The person who came was none other than Haitang, who was chatting with the people around her and came over at the first opportunity.

“Haitang, she hit someone.” Xiaotao pointed at Ye Xing and yelled.

“Ye Xing, why did you hit her?” Haitang asked.

“It’s not okay to see her in a bad light, isn’t it?” Ye Xing snorted coldly.

“Did you hear that, hitting someone if you don’t see eye to eye, what kind of person is that?” Xiao Tao wailed and yelled, “Haitang, call security to come and take him away, lock him up first, this won’t just go away.”

Haitang was silent for a moment and said coldly, “Xiaotao, you are not welcome here, please go out.”

Xiaotao was completely baffled.

She had been beaten and kicked out. What kind of logic was this?

“Haitang, he was the one who hit me, would you be going too far?” She said urgently.

“Security, come here, kick her out.” Haitang barked.

Immediately, two security guards came over and held Peach under duress.

Little Peach stopped screaming at this time instead, and looked at Ye Xing with a shocked expression.

Ye Weiguang feared him, and even Haitang gave him such a big face. Even if she was stupid, she knew that she had messed with the wrong person.

“Wait a minute.” Ye Xing took two steps forward and said coldly, “Crawl out.”

“Ye Xing, either that or forget it.” Haitang pleaded.

For a woman to crawl out on such an occasion was too ugly.

Although Xiao Tao worshipped gold, she was a friend after all, and it would be awkward to meet later.

“Crawl out or lie down, one of two choices.”

An invisible murderous aura permeated out, and instantly Xiaotao felt a little breathless.

She clenched her lower lip, and the next moment, she was ready to fall to her knees on the ground.

It was at this moment that a cold laugh suddenly came.

“A man beating a woman and telling a beautiful woman to crawl out, that’s too classless!”

Following the voice, there was a man sitting beside a table ten metres away, with short hair, handsome looking, and an aura different from the usual.

Ye Xing frowned, and three words jumped out almost instinctively in his heart: ancient martial artist.

Having been reborn more than a thousand times, Ye Xing had never met an ancient martial artist, before that, he had no idea that there were ancient martial arts in this world, let alone immortal cultivators, but in this lifetime he had not only met an ancient martial artist, but also an immortal cultivator.

He had a vague feeling that something seemed to be changing in this world.

“Who are you?” Ye Xing asked.

“My name is Hong Tian, in this life I can’t see men hitting women, boy, slap yourself ten times and this matter will be settled.”

Hong Tian stood up and slowly walked over, with a lazy look.
