

Forgive My Ex-husband Chapter 192

When the recording was played, Sandy knew that she was in a big trouble. At the moment, Emily slapped Sandy's face.

And Sandy was very angry.

"Emily, don't forget that this was just because you are so cruel and vicious. You want to make Melinda losing all standing and reputation." Sandy was disdainful of Emily's accusation.

Emily regretted getting involved in this matter, so did Sandy.

Her initial purpose was to make troubles for Melinda. After that, Emily had successfully turned the event into a big thing, which attracted a lot of media.

They would eventually be defeated.

The two women, who were complaining against each other, looked at each other with hatred. Sandy just wanted to cover her faces with her hands, without having a look, Sandy could still feel the pain clearly.

Emily had a heart as vicious as a scorpion beneath her innocent appearance.

Emily was still cursing on the other side. When she opened her mouth, Sandy grabbed a pillow behind her back and threw it at Emily.

"Bitch, how dare you do that?"

When the assistant came on, she saw the two women fighting on the sofa. Their hair was messy and their clothes were askew. Emily had always been used to behaving like this and her face was red.

Sandy wasn't better than Emily. Emily's fingernails were grasping Sandy's hands ruthlessly. Then Sandy's body was covered with bruises and even bleeding.

"Emily!" The assistant, who spoke in a low voice, failed to stop the two women. Later, Sher went in and saw the scene in front of her. She couldn't help but stop the two women with anger.

"Ask this woman out." Sher said to the assistant and pointed at Sandy. What she said was so ironic that nobody could get away with it. Emily was still involved with this thing at this time, which made Sher's heart heave sharply.

Emily tidied up her messy hair, but she felt a sudden pain in the corner of her mouth. She groaned and picked up her mobile phone to find that she was in a state of bruise.

"Emily, as a public figure, don't you think your current situation is not good enough to be with such a woman?"
