

Forgive My Ex-husband Chapter 200

It seemed that Jerry was very pleased to meet Jonas, and even looked forward to it.

"How about this afternoon?" Jonas thought about his schedule and asked. His relationship with Jerry was complicated, but at least he maintained the things that a brother should do.

He didn't have many relatives. Some of them were his uncle's families who want to get Soaring Group. Although Jerry was a bastard of his father, he was quite close to him by blood.

Jonas just don't know his character. If he has ambition...

Jonas slightly narrowed his eyes like a sleeping lion, which would wait for a chance to wake up. People could not help but hold 100% of attention to deal with it.

However, at this time, Jerry did not know.

"I have something to do this afternoon. What about tomorrow?" Jerry thought that Emily still needed some time to make arrangement, tomorrow is suitable.

He had been waiting for a long time, so he was not in a hurry.

"Okay, I'll send you the address later." Jonas said. Since it was tomorrow afternoon, he could handle his work for tomorrow afternoon.

When Jerry heard that Jonas booked the place, Jerry got very anxious and said, "I'm afraid that I can't find you. The good places you have reserved are all hidden in A City. Let me make the reservation."

It is good Jerry to make the reservation. If Jonas took a lot of his man, then everything would be in vain. Jerry was glad that he had thought of such an important point.

Jonas didn't think much before, and now he had his suspicions, but he didn't take it seriously. It was because of Jonas's carelessness that he paid for it.

It was a trap that Jonas didn't know.

Jerry told Emily that Jonas will come to him. Emily had booked an address for him. It was a coffee shop in a relatively remote location, and there were very few customers at ordinary times. The boss of the shop was an actress who had a run-around. These were all known to her after she deliberately got to know it.

"I'll give you their contact information. You just do what I planned." Emily trusted Jerry very much, and felt like a power holder who could control the whole situation without noticing the change at all.

"Okay, I'll arrange it. I won't let you down." Jerry promised. He couldn't wait to see the scene that he would defeat Jonas tomorrow.

Thinking of that Jonas looked terrified and surprised, Jerry felt a burst of happiness in his heart.

The next morning, Jerry brought all the people to the coffee shop and required them to dress well and to have a guest look at every corner of the coffee shop, waiting for his reminder.

owner of the coffee shop last night. Today, it was the day that no guests were allowed in. There were two staffs of
