

Forgive My Ex-husband Chapter 237

The whole room was filled with embarrassment. With the gaze of Kent's mother, Melinda lowered her head sadly.

Kent was distressed to see that. He said to his mother seriously, "Mom, she is my love."

"Your love?"

Kent's mother laughed. She looked at Melinda with disdain as if she was looking at a rubbish.

"Is the baby in her belly yours? Are you an idiot? Is it comfortable to wear the cuckold? "

"Do you know what people outside say? They said that my son was a back-up man. What do you expect I can do? I don't want to go out anymore."

The more Janet said, the angrier she was. Hearing these words, Melinda felt very sad. When Kent held Melinda's hand, there was a subtle change in his expression.

He didn't care about what others would think of him, but his mother was getting old and how can he didn't care about the gossip of her.

"Melinda, do you think you are good enough for my son? Let's talk about love. Have you ever thought to yourself that you are really love my son? "

Said Janet. A woman pregnant for a man must really love that man, unfortunately this man was not her son.

Melinda lost her tongue and didn't know how to answer, but Janet began to be aggressive, "I don't ask you to do other things. But you must have an abortion. If you really want to live a good life with my son, can you do that?"

As soon as Melinda heard this, she covered her belly with her hands subconsciously. From this moment on, she realized how important this child was to her.

"Mom, what the hell are you talking about?" Kent began to panic. Every word Janet said broke the hearts of the two who tried hard to get together.

"She doesn't good enough for you at all."

Kent's mother shouted out loud. Her voice was like a giant stone pressing in the heart of Melinda, making Melinda feel hard to breathe.

'Am I good enough for Kent?' 'Am I good enough for Kent?' 'No, I'm not.'

Melinda started to think in her heart, thinking that he was such a good man, but she was such a bad woman.

"Mom, stop! Linda can't afford to see that!" Asked Kent worriedly as he saw that Melinda's face became pale. "The baby in her belly is not a member of our Jiang family. It's my family. It is depend on me." Kent's mother said in a bad mood. It was not until now that Kent realized how wrong he was to take Melinda home. He had never seen his mother like this. "Melinda, you ruined my son's life. Why don't you let him go now?" Kent's mother suddenly burst into tears when she remembered that all these years her son had done just was to get the woman's love. "You take her away first. Your mother is very sad now," Kent's father, who had been standing there indifferently, couldn't help but say when he saw this. Kent looked at his mother, and then glanced at the pale face of Melinda. He nodded to his father. When he was about to take Melinda out, she refused.
