

## Forgive My Ex-husband Chapter 241

Melinda had a good appetite, but she didn't eat much. She felt full. Looking at her, Jonas said worriedly, "is the food not match your taste? Why are you eating so little? "

However, her father thought that was normal. He consoled, Jonas, "don't worry about her. That's exactly what she wants. She'll be fine soon."

Since it had been a long time since he prepared the dishes, Melinda didn't want to disappoint him.

"I usually eat less. If I eat too much, I will feel uncomfortable." She comforted him.

The good news that she was pregnant made her feel bitter. She could not eat much now, but she would definitely be hungry in less than two hours. All her office drawers were full of food these days.

This was a situation that had never happened before. Even Victor couldn't help but tease her.

Half skeptical, Jonas didn't say anything more. He cut a plate of fruit, asked Melinda to take it to the living room to accompany her father, and he cleaned the table.

Such a thing was strange to him, but fortunately, he had a good ability of learning all the time.

"Are you done?"

Melinda couldn't help but look at the dining room. It seemed that the restaurant was quite clean.

"It's not a big deal."

Said Jonas proudly. He had totally forgotten that he had cooked for several times in the past two days and the result hadn't been so good.

He naturally sat beside Melinda. Melinda's fruit was on her legs, but she hurriedly picked it up and angrily looked at Jonas. "This is an armchair."

But they could sit together.

"It doesn't matter. We will squeeze in each other. If you want, I will hold you." He put his hand on her waist and was ready to hold her up.

"No, I will leave my seat to you." Melinda hurriedly stood up, but was firmly coached by Jonas.

"Oh, I'm so tired."

As he said, he put Melinda on his lap and leaned his head against Melinda's shoulder, with a satisfied smile on his face.

Hearing this, Melinda slowed down her motion. Finally, she was softhearted and felt a little awkward. She found a more comfortable posture in the arms of Jonas, and handed the fruit in the plate to him.

"You want me to feed you?" Jonas raised his eyebrows and asked, taking a piece of fruit and throwing it to his mouth. He looked at Melinda seductively.

Thinking of something, she shook her head madly. Jonas laughed out loud.
